Item 1.01. Entry into a Material Definitive Agreement

On March 9, 2010, Sonic Automotive, Inc. ("Sonic") entered into a purchase agreement with Banc of America Securities LLC, on behalf of itself and as representative of certain initial purchasers (the "Representative"), for the sale of \$210,000,000 aggregate principal amount of 9.0% Senior Subordinated Notes due 2018, Series A (the "Notes"). The Notes have not been registered under the Securities Act or applicable state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws.

Sonic closed the private offering on March 12, 2010, and received approximately \$203,802,900 in net proceeds from the offering, after deducting applicable discounts and commissions. Sonic will use these proceeds to redeem approximately \$200,000,000 of its 8 5/8% Senior Subordinated Notes due 2013. Nothing in this current report shall be deemed to be a notice of redemption for Sonic's 8 5/8% Senior Subordinated Notes due 2013.

On March 12, 2010, Sonic also entered into a registration rights agreement with the Representative pursuant to which Sonic agreed to complete a registered exchange of the Notes for registered notes with substantially identical terms or, under certain circumstances, to file and keep effective a shelf registration statement for resale of the Notes. If Sonic does not satisfy its obligations within the prescribed time periods or otherwise, it would be required to pay as liquidated damages additional interest on the Notes until Sonic satisfies those obligations.

In addition, on March 12, 2010, Sonic issued \$210.0 million aggregate principal amount of the Notes under the terms of an Indenture dated as of March 12, 2010 by and among Sonic, the guarantors named therein, and U.S. Bank National Association, as trustee (the "Indenture"). The Notes are unsecured senior subordinated obligations of Sonic and are guaranteed by Sonic's domestic operative subsidiaries. The Notes bear interest at an annual rate of 9.0%, which is payable semi-annually on March 15 and September 15 each year (beginning on September 15, 2010), until maturity on March 15, 2018 or earlier redemption or repurchase. Sonic may redeem the Notes in whole or in part at any time after March 15, 2014 at the following redemption prices, which are expressed as percentages of the principal amount.

Period	Redemption Price
Beginning on March 15, 2014	104.500%
Beginning on March 15, 2015	102.250%
Beginning on March 15, 2016 and thereafter	100.000%

In addition, on or before March 15, 2013, Sonic may redeem up to 35% of the aggregate principal amount of the Notes with proceeds from certain equity offerings at 109% of the par value of the Notes, plus accrued and unpaid interest to but excluding the redemption date. The Indenture also provides that holders of Notes may require Sonic to repurchase the Notes at 101% of the par value of the Notes plus accrued and unpaid interest to but excluding the change of control purchase date, if Sonic undergoes a "change of control" as defined in the Indenture.

The Indenture contains certain restrictive covenants, including covenants relating to the incurrence of other indebtedness, pledges of assets to third parties, investments, cash dividends to shareholders, redemptions of capital stock, guaranties and asset sales.

Sonic's obligations under the Notes may be accelerated by the holders of 25% of the outstanding principal amount of the Notes then outstanding if certain events of default occur, including: (1) defaults in the payment of principal or interest when due; (2) defaults in the performance, or breach, of Sonic's covenants under the Notes; and (3) certain defaults under other agreements under which Sonic or its subsidiaries have outstanding indebtedness in excess of \$35 million.

The foregoing summaries of documents described above are qualified in their entirety by reference to the actual documents, which are filed as exhibits hereto.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure required by this item and included in Item 1.01 is incorporated by reference.

Item 7.01 Regulation FD Disclosure.

On March 12, 2010, Sonic issued a notice to redeem \$200 million of its outstanding 8 5/8% Senior Subordinated Notes due 2013 pursuant to the terms of the indenture governing those notes. Sonic expects to complete this redemption on April 12, 2010. Nothing in this current report shall be deemed to be a notice of redemption for its 8 5/8% Senior Subordinated Notes due 2013.

Included herein are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including statements pertaining to the redemption of Sonic's 8 5/8% Senior Subordinated Notes due 2013. Sonic does not undertake any obligation to update forward-looking information.

PURCHASE AGREEMENT

March 9, 2010

Banc of America Securities LLC

As Representative of the Initial Purchasers
One Bryant Park
New York, New York 10036

Ladies and Gentlemen:

Introductory. Sonic Automotive, Inc., a Delaware corporation (the "**Company**"), proposes to issue and sell to the several Initial Purchasers named in Schedule A (the "**Initial Purchasers**"), acting severally and not jointly, the respective amounts set forth in such Schedule A of an \$210,000,000 aggregate principal amount of the Company's 9.0% Senior Subordinated Notes due 2018 (the "**Notes**"). Banc of America Securities LLC has agreed to act as the representative of the several Initial Purchasers (the "**Representative**") in connection with the offering and sale of the Notes.

The Securities (as defined below) will be issued pursuant to an indenture, to be dated as of March 12, 2010 (the "**Indenture**"), among the Company, the Guarantors (as defined below) and U.S. Bank National Association, as trustee (the "**Trustee**"). Notes will be issued only in book-entry form in the name of Cede & Co., as nominee of The Depository Trust Company (the "**Depository**") pursuant to a blanket issuer letter of representations, dated November 19, 2003 (the "**DTC Agreement**"), between the Company and the Depository.

The holders of the Notes will be entitled to the benefits of a registration rights agreement, to be dated as of the Closing Date (as defined below) (the "**Registration Rights Agreement**"), among the Company, the Guarantors and the Initial Purchasers, pursuant to which the Company and the Guarantors may be required to file with the Commission (as defined below), under the circumstances set forth therein, (i) a registration statement under the Securities Act (as defined below) relating to another series of debt securities of the Company with terms substantially identical to the Notes (the "**Exchange Notes**") to be offered in exchange for the Notes (the "**Exchange Offer**") and (ii) a shelf registration statement pursuant to Rule 415 of the Securities Act relating to the resale by certain holders of the Notes, and in each case, to use its commercially reasonable efforts to cause such registration statements to be declared effective. All references herein to the Exchange Notes and the Exchange Offer are only applicable if the Company and the Guarantors are in fact required to consummate the Exchange Offer pursuant to the terms of the Registration Rights Agreement.

The payment of principal of, premium, if any, and interest on the Notes will be fully and unconditionally guaranteed on a senior subordinated unsecured basis, jointly and severally by (i) the entities listed on the signature pages hereof as "Guarantors" and (ii) any subsidiary of the Company formed or acquired after the Closing Date that executes an additional guarantee in accordance with the terms of the Indenture, and their respective successors and assigns (collectively, the "**Guarantors**"), pursuant to their guarantees (the "**Guarantees**"). The Notes and the

Guarantees attached thereto are herein collectively referred to as the “**Securities**”; and the Exchange Notes and the Guarantees attached thereto are herein collectively referred to as the “**Exchange Securities**.”

The Company understands that the Initial Purchasers propose to make an offering of the Securities on the terms and in the manner set forth herein and in the Pricing Disclosure Package (as defined below) and agrees that the Initial Purchasers may resell, subject to the conditions set forth herein, all or a portion of the Securities to purchasers (the “**Subsequent Purchasers**”) on the terms set forth in the Pricing Disclosure Package (the first time when sales of the Securities are made is referred to as the “**Time of Sale**”). The Securities are to be offered and sold to or through the Initial Purchasers without being registered with the Securities and Exchange Commission (the “**Commission**”) under the Securities Act of 1933 (as amended, the “**Securities Act**,” which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder), in reliance upon exemptions therefrom. Pursuant to the terms of the Securities and the Indenture, investors who acquire Securities shall be deemed to have agreed that Securities may only be resold or otherwise transferred, after the date hereof, if such Securities are registered for sale under the Securities Act or if an exemption from the registration requirements of the Securities Act is available (including the exemptions afforded by Rule 144A under the Securities Act (“**Rule 144A**”) or Regulation S under the Securities Act (“**Regulation S**”)).

The Company has prepared and delivered to each Initial Purchaser copies of a Preliminary Offering Memorandum, dated March 9, 2010 (the “**Preliminary Offering Memorandum**”), and has prepared and delivered to each Initial Purchaser copies of a Pricing Supplement, dated March 9, 2010 (the “**Pricing Supplement**”), describing the terms of the Securities, each for use by such Initial Purchaser in connection with its solicitation of offers to purchase the Securities. The Preliminary Offering Memorandum and the Pricing Supplement are herein referred to as the “**Pricing Disclosure Package**.” Promptly after this Agreement is executed and delivered, the Company will prepare and deliver to each Initial Purchaser a final offering memorandum dated the date hereof (the “**Final Offering Memorandum**”).

All references herein to the terms “**Pricing Disclosure Package**” and “**Final Offering Memorandum**” shall be deemed to mean and include all information filed under the Securities Exchange Act of 1934 (as amended, the “**Exchange Act**,” which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder) prior to the Time of Sale and incorporated by reference in the Pricing Disclosure Package (including the Preliminary Offering Memorandum) or the Final Offering Memorandum (as the case may be), and all references herein to the terms “**amend**,” “**amendment**” or “**supplement**” with respect to the Final Offering Memorandum shall be deemed to mean and include all information filed under the Exchange Act after the Time of Sale and incorporated by reference in the Final Offering Memorandum.

The Company hereby confirms its agreements with the Initial Purchasers as follows:

SECTION 1. Representations and Warranties. Each of the Company and the Guarantors, jointly and severally, hereby represents, warrants and covenants to each Initial Purchaser that, as of the date hereof and as of the Closing Date (references in this Section 1 to the “**Offering Memorandum**” are to (x) the Pricing Disclosure Package in the case of representations and

warranties made as of the date hereof and (y) the Pricing Disclosure Package and the Final Offering Memorandum in the case of representations and warranties made as of the Closing Date):

(a) **No Registration Required.** Subject to compliance by the Initial Purchasers with the representations and warranties set forth in Section 2 hereof and with the procedures set forth in Section 7 hereof, it is not necessary in connection with the offer, sale and delivery of the Securities to the Initial Purchasers and to each Subsequent Purchaser in the manner contemplated by this Agreement and the Offering Memorandum to register the Securities under the Securities Act or, until such time as the Exchange Securities are issued pursuant to an effective registration statement, to qualify the Indenture under the Trust Indenture Act of 1939 (as amended, the “**Trust Indenture Act**,” which term, as used herein, includes the rules and regulations of the Commission promulgated thereunder).

(b) **No Integration of Offerings or General Solicitation.** None of the Company, its directors, officers or any entities controlled by or under common control with or that control the Company (each, an “**Affiliate**”), or any person acting on its or any of their behalf (other than the Initial Purchasers and their Affiliates, as to whom the Company and the Guarantors make no representation or warranty) has, directly or indirectly, solicited any offer to buy or offered to sell, or will, directly or indirectly, solicit any offer to buy or offer to sell, in the United States or to any United States citizen or resident, any security which is or would be integrated with the sale of the Securities in a manner that would require the Securities to be registered under the Securities Act. None of the Company, its Affiliates, or any person acting on its or any of their behalf (other than the Initial Purchasers and their Affiliates, as to whom the Company and the Guarantors make no representation or warranty) has engaged or will engage, in connection with the offering of the Securities, in any form of general solicitation or general advertising within the meaning of Rule 502 under the Securities Act. With respect to those Securities sold in reliance upon Regulation S, (i) none of the Company, its Affiliates or any person acting on its or their behalf (other than the Initial Purchasers and their Affiliates, as to whom the Company and the Guarantors make no representation or warranty) has engaged or will engage in any directed selling efforts within the meaning of Regulation S and (ii) each of the Company and its Affiliates and any person acting on its or their behalf (other than the Initial Purchasers and their Affiliates, as to whom the Company and the Guarantors make no representation or warranty) has complied and will comply with the offering restrictions set forth in Regulation S.

(c) **Eligibility for Resale under Rule 144A.** The Securities are eligible for resale pursuant to Rule 144A and will not be, at the Closing Date, of the same class as securities listed on a national securities exchange registered under Section 6 of the Exchange Act or quoted in a U.S. automated interdealer quotation system.

(d) **The Pricing Disclosure Package and Offering Memorandum.** Neither the Pricing Disclosure Package, as of the Time of Sale, nor the Final Offering Memorandum, as of its date or (as amended or supplemented in accordance with Section 3(a), as applicable) as of the Closing Date, contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in the

light of the circumstances under which they were made, not misleading; provided that this representation, warranty and agreement shall not apply to statements in or omissions from the Pricing Disclosure Package, the Final Offering Memorandum or any amendment or supplement thereto made in reliance upon and in conformity with information furnished to the Company in writing by or on behalf of any Initial Purchaser through the Representative expressly for use in the Pricing Disclosure Package, the Final Offering Memorandum or amendment or supplement thereto, as the case may be. The Pricing Disclosure Package contains, and the Final Offering Memorandum will contain as of its date and as of the Closing Date, all the information specified in, and meeting the requirements of, Rule 144A. The Company has not distributed and will not distribute, prior to the later of the Closing Date and the completion of the Initial Purchasers' distribution of the Securities, any offering material in connection with the offering and sale of the Securities other than the Pricing Disclosure Package and the Final Offering Memorandum.

(e) **Company Additional Written Communications.** The Company has not prepared, made, used, authorized, approved or distributed and will not prepare, make, use, authorize, approve or distribute any written communication that constitutes an offer to sell or solicitation of an offer to buy the Securities other than (i) the Pricing Disclosure Package, (ii) the Final Offering Memorandum and (iii) any electronic road show or other written communications, in each case used in accordance with Section 3(a). Each such communication by the Company or its agents and representatives pursuant to clause (iii) of the preceding sentence (each, a "**Company Additional Written Communication**"), when taken together with the Pricing Disclosure Package, did not as of the Time of Sale, and at the Closing Date will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that this representation, warranty and agreement shall not apply to statements in or omissions from each such Company Additional Written Communication made in reliance upon and in conformity with information furnished to the Company in writing by or on behalf of any Initial Purchaser through the Representative expressly for use in any Company Additional Written Communication.

(f) **Incorporated Documents.** The documents incorporated by reference in the Offering Memorandum, when they were filed with the Commission, complied in all material respects with the requirements of the Exchange Act, and, when taken together with the Offering Memorandum, did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and any further documents so filed and incorporated by reference in the Offering Memorandum, when such documents are filed with the Commission, will comply in all material respects to the requirements of the Exchange Act and, when taken together with the Offering Memorandum, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that the Company makes no representation and warranty with respect to any statements or omissions made in reliance upon and in conformity with in-

formation relating to any Initial Purchaser furnished to the Company in writing by or on behalf of such Initial Purchaser through the Representative expressly for use in the Offering Memorandum, it being understood and agreed that the only such information furnished by any Initial Purchaser consists of the information described as such in Section 8(b) hereof.

The Company does not own or control, directly or indirectly, any Significant Subsidiary other than the subsidiaries listed in Exhibit 21.1 to the Company's Annual Report on Form 10-K for the year 2009 (the "**Form 10-K**"). (l) **The Indenture.** The Indenture has been duly authorized by the Company and the Guarantors and, when duly executed and delivered in accordance with its terms by each of the parties thereto, will constitute a valid and legally binding agreement of the Company and the Guarantors enforceable against the Company and the Guarantors in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting creditors' rights generally or by equitable principles relating to enforceability (collectively, the "**Enforceability Exceptions**"). On the Closing Date, the Indenture will conform in all material respects to the requirements of

the Trust Indenture Act and the rules and regulations of the Commission applicable to an indenture which is qualified thereunder.

(m) **The Purchase Agreement.** This Agreement has been duly authorized, executed and delivered by the Company and the Guarantors.

The Company will not amend or supplement the Preliminary Offering Memorandum or the Pricing Supplement except as permitted by Section 3(b). The Company will not amend or supplement the Final Offering Memorandum prior to the Closing Date unless the Representative shall previously have been furnished a copy of the proposed amendment or supplement a reasonable time prior to the proposed use or filing, and shall not have reasonably objected to such amendment or supplement. Before making, preparing, using, authorizing, approving or distributing any Company Additional Written Communication, the Company will furnish to the Representative a copy of such written communication for review and

(b) **Amendments and Supplements to the Final Offering Memorandum and Other Securities Act Matters.** If at any time prior to the Closing Date (i) any event shall occur or condition shall exist as a result of which any of the Pricing Disclosure Package as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading or (ii) it is necessary to amend or supplement any of the Pricing Disclosure Package to comply with law, the Company and the Guarantors will promptly notify the Initial Purchasers thereof and promptly prepare and in accordance with Section 3(a) hereof furnish to the Initial Purchasers such amendments or supplements to any of the Pricing Disclosure Package as may be necessary so that the statements in any of the Pricing Disclosure Package as so amended or supplemented will not, in the light of the circumstances under which they were made, be misleading or so that any of the Pricing Disclosure Package will comply with all applicable law. None of the Company or any of the Guarantors shall be required to qualify as a foreign corporation or to take any action that would subject it to general service of process in any such jurisdiction where it is not presently qualified or where it would be subject to taxation as a foreign corporation. The Company will advise the Representative promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Securities for offering, sale or trading in any jurisdiction or any initiation or threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, each of the Company and the Guarantors shall use its commercially reasonable efforts to obtain the withdrawal thereof at the earliest possible moment.

Additionally, while any of the Securities are “restricted securities” within the meaning of Rule 144 under the Securities Act, at any time when the Company is not subject to Section 13 or 15 of the Exchange Act, for the benefit of holders and beneficial owners from time to time of the Securities, the Company shall furnish, at its expense, upon request, to holders and beneficial owners of Securities and prospective purchasers of Securities information (“**Additional Issuer Information**”) satisfying the requirements of Rule 144A(d)(4).

(l) **No Restricted Resales.** For a period of one year after the Closing Date, the Company will not, and will not permit, to the extent it has an ability to do so, any of its “affiliates” (as defined in Rule 144 under the Securities Act) to resell any of the Notes, which constitute “restricted securities” under Rule 144, that have been reacquired by any of them.

SECTION 4. Payment of Expenses. Each of the Company and the Guarantors agrees to pay or cause to be paid all costs, fees and expenses incurred in connection with the performance of its obligations hereunder and in connection with the transactions contemplated hereby, including, without limitation, (i) all expenses incident to the issuance and delivery of the Securities to the Initial Purchasers (including all printing and engraving costs), (ii) all necessary issue, transfer and other stamp taxes in connection with the issuance and sale of the Securities to the Initial Purchasers, (iii) all fees and expenses of the Company’s and the Guarantors’ counsel,

Except as provided in this Section 4 and Sections 6, 8 and 9 hereof, the Initial Purchasers shall pay their own expenses, including the fees and disbursements of their counsel and transfer taxes payable on resales of any of the Securities by them.

SECTION 5. Conditions of the Obligations of the Initial Purchasers. The obligations of the several Initial Purchasers to purchase and pay for the Securities as provided herein on the Closing Date shall be subject to the accuracy of the representations and warranties on the part of the Company and the Guarantors set forth in Section 1 hereof as of the date hereof and as of the Closing Date as though then made and to the timely performance by the Company of its covenants and other obligations hereunder, and to each of the following additional conditions:

(a) **Accountants' Comfort Letter.** On the date hereof, the Initial Purchasers shall have received from each of Ernst and Young LLP and Deloitte & Touche LLP a "comfort letter" dated the date hereof addressed to the Initial Purchasers, in form and substance satisfactory to the Representative, covering the financial information in the Pricing Disclosure Package and other customary matters. In addition, on the Closing Date, the Initial Purchasers shall have received from such accountants, a "bring-down comfort letter" dated the Closing Date addressed to the Initial Purchasers, in form and substance satisfactory to the Representative, in the form of the "comfort letter" delivered on the date hereof, except that (i) it shall cover the financial information in the Final Offering Memorandum and any amendment or supplement thereto and (ii) procedures shall be brought down to a date no more than 5 days prior to the Closing Date.

(b) **No Material Adverse Change or Ratings Agency Change.** For the period from and after the date of this Agreement and prior to the Closing Date:

(i) no event or condition of a type described in Section 1(h) hereof shall have occurred or shall exist, which event or condition is not described in or incorporated by reference in the Offering Memorandum (excluding any amendment or supplement thereto) and the effect of which in the judgment of the Representative makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the Closing Date on the terms and in the manner contemplated by this Agreement and the Offering Memorandum; and

(ii) there shall not have occurred any downgrading, nor shall any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded the Company or any of its subsidiaries or any of their securities or indebtedness by any “nationally recognized statistical rating organization” as such term is defined for purposes of Rule 436(g)(2) under the Securities Act.

(c) **Opinion of Counsel for the Company and the Guarantors.** On the Closing Date the Initial Purchasers shall have received the favorable opinion of Moore & Van Allen PLLC, counsel for the Company and the Guarantors, dated as of such Closing Date, the form of which is attached as Exhibit A.

(d) **Opinion of Counsel for the Initial Purchasers.** On the Closing Date the Initial Purchasers shall have received the favorable opinion of Fried, Frank, Harris, Shriver & Jacobson LLP, counsel for the Initial Purchasers, dated as of such Closing Date, with respect to such matters as may be reasonably requested by the Initial Purchasers.

(e) **Officers’ Certificate.** On the Closing Date the Initial Purchasers shall have received a written certificate executed by the Vice Chairman and Chief Financial Officer of the Company and the President, General Counsel or Vice President — Finance of the Company and an authorized officer of each Guarantor, dated as of the Closing Date, to the effect set forth in Section 5(b)(ii) hereof, and further to the effect that:

(i) for the period from and after the date of this Agreement and prior to the Closing Date there has not occurred any Material Adverse Change;

(ii) the representations, warranties and covenants of the Company and the Guarantors set forth in Section 1 hereof were true and correct as of the date hereof and are true and correct as of the Closing Date with the same force and effect as though expressly made on and as of the Closing Date; and

(iii) each of the Company and the Guarantors has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date.

(f) **Indenture; Registration Rights Agreement.** The Company and the Guarantors shall have executed and delivered the Indenture, in form and substance reasonably satisfactory to the Initial Purchasers, and the Initial Purchasers shall have received

executed copies thereof. The Company and the Guarantors shall have executed and delivered the Registration Rights Agreement, in form and substance reasonably satisfactory to the Initial Purchasers, and the Initial Purchasers shall have received such executed counterparts.

(g) **Additional Documents.** On or before the Closing Date, the Initial Purchasers and counsel for the Initial Purchasers shall have received such information, documents and opinions as they may reasonably require for the purposes of enabling them to pass upon the issuance and sale of the Securities as contemplated herein, or in order to evidence the accuracy of any of the representations and warranties, or the satisfaction of any of the conditions or agreements, herein contained.

If any condition specified in this Section 5 is not satisfied when and as required to be satisfied, this Agreement may be terminated by the Representative by written notice to the Company at any time on or prior to the Closing Date, which termination shall be without liability on the part of any party to any other party, except that Sections 4, 6, 8 and 9 hereof shall at all times be effective and shall survive such termination.

SECTION 6. Reimbursement of Initial Purchasers' Expenses. If this Agreement is terminated by the Representative pursuant to Section 5 or 10(i)(a) or 10(iv) hereof, including if the sale to the Initial Purchasers of the Securities on the Closing Date is not consummated because of any refusal, inability or failure on the part of the Company to perform any agreement herein or to comply with any provision hereof, the Company agrees to reimburse the Initial Purchasers, severally, upon demand for all out-of-pocket expenses that shall have been reasonably incurred by the Initial Purchasers in connection with the proposed purchase and the offering and sale of the Securities, including, without limitation, reasonable fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges.

SECTION 7. Offer, Sale and Resale Procedures. Each of the Initial Purchasers, on the one hand, and the Company and each of the Guarantors, on the other hand, hereby agree to observe the following procedures in connection with the offer and sale of the Securities:

(a) Offers and sales of the Securities will be made only by the Initial Purchasers or Affiliates thereof qualified to do so in the jurisdictions in which such offers or sales are made. Each such offer or sale shall only be made to persons whom the offeror or seller reasonably believes to be Qualified Institutional Buyers and in accordance with Rule 144A under the Securities Act or non-U.S. persons outside the United States to whom the offeror or seller reasonably believes offers and sales of the Securities may be made in reliance upon Regulation S and in accordance with applicable laws upon the terms and conditions set forth in Annex I hereto, which Annex I is hereby expressly made a part hereof.

(b) The Securities will be offered by approaching prospective Subsequent Purchasers on an individual basis. No general solicitation or general advertising (within the meaning of Rule 502 under the Securities Act) will be used in the United States in connection with the offering of the Securities.

(c) Upon original issuance by the Company, and until such time as the same is no longer required under the applicable requirements of the Securities Act, the Notes (and all securities issued in exchange therefor or in substitution thereof, other than the Exchange Notes) shall bear a legend substantially in the form contained in “Notice to Investors” in the Preliminary Offering Memorandum for the time period and upon the other terms stated in the Preliminary Offering Memorandum.

Following the sale of the Securities by the Initial Purchasers to Subsequent Purchasers pursuant to the terms hereof, the Initial Purchasers shall not be liable or responsible to the Company for any losses, damages or liabilities suffered or incurred by the Company, including any losses, damages or liabilities under the Securities Act, arising from or relating to any resale or transfer of any Security by such Subsequent Purchaser.

SECTION 8. Indemnification.

(a) **Indemnification of the Initial Purchasers.** Each of the Company and the Guarantors, jointly and severally, agrees to indemnify and hold harmless each Initial Purchaser, its Affiliates, directors, officers and employees, and each person, if any, who controls any Initial Purchaser within the meaning of the Securities Act and the Exchange Act against any loss, claim, damage, liability or expense, as incurred, to which such Initial Purchaser, Affiliate, director, officer, employee or controlling person may become subject, under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company or does not require the consent of the Company as contemplated in Section 8(d)), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and to reimburse each Initial Purchaser and each such director, officer, employee or controlling person for any and all expenses (including the reasonable fees and disbursements of counsel chosen by Banc of America Securities LLC) as such expenses are reasonably incurred by such Initial Purchaser or such director, officer, employee or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the foregoing indemnity agreement shall not apply, with respect to an Initial Purchaser, to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Initial Purchaser through the Representative expressly for use in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto). The indemnity agreement set forth in this Section 8(a) shall be in addition to any liabilities that the Company may otherwise have.

(b) **Indemnification of the Company and the Guarantors.** Each Initial Purchaser agrees, severally and not jointly, to indemnify and hold harmless the Company, each Guarantor, each of their respective Affiliates, directors, officers and employees and each person, if any, who controls the Company or any Guarantor within the meaning of the Securities Act or the Exchange Act, against any loss, claim, damage, liability or expense, as incurred, to which the Company, any Guarantor or any such Affiliate, director, officer or employee or controlling person may become subject, under the Securities Act, the Exchange Act, or other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of such Initial Purchaser or does not require the consent of such Initial Purchaser as contemplated in Section 8(d)), insofar as such loss, claim, damage, liability or expense (or actions in respect thereof as contemplated below) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto), in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Initial Purchaser through the Representative expressly for use therein; and to reimburse the Company, any Guarantor and each such director, officer or employee or controlling person for any and all expenses (including the reasonable fees and disbursements of counsel) as such expenses are reasonably incurred by the Company, any Guarantor or such director, officer or employee or controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action. Each of the Company and the Guarantors hereby acknowledges that the only information that the Initial Purchasers through the Representative have furnished to the Company expressly for use in the Preliminary Offering Memorandum, the Pricing Supplement, any Company Additional Written Communication or the Final Offering Memorandum (or any amendment or supplement thereto) are the statements set forth in the fifth paragraph and the third sentence in the sixth paragraph under the caption "Plan of Distribution" in the Preliminary Offering Memorandum and the Final Offering Memorandum. The indemnity agreement set forth in this Section 8(b) shall be in addition to any liabilities that each Initial Purchaser may otherwise have.

(c) **Notifications and Other Indemnification Procedures.** Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof, but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party hereunder for contribution or otherwise under the indemnity agreement contained in this Section 8 or to the extent it is not materially prejudiced (through the forfeiture of substantive rights and defenses) as a result of such failure and shall not relieve the indemnifying party from any liability that the indemnifying party may have to an indemnified party otherwise than under the provisions of this Section 8 and Section 9. In case any such

action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in and, to the extent that it shall elect, jointly with all other indemnifying parties similarly notified, by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party to such indemnified party of such indemnifying party's election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 8 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless (i) the indemnified party shall have employed separate counsel in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel (in each jurisdiction)), approved by the indemnifying party (Banc of America Securities LLC in the case of Sections 8(b) and 9 hereof), representing the indemnified parties who are parties to such action) or (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action, in each of which cases the fees and expenses of counsel shall be at the expense of the indemnifying party.

(d) **Settlements.** The indemnifying party under this Section 8 shall not be liable for any settlement of any proceeding effected without its written consent, which will not be unreasonably withheld, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Section 8, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (ii) does not include any statements as to or any findings of fault, culpability or failure to act by or on behalf of any indemnified party.

SECTION 9. Contribution. If the indemnification provided for in Section 8 hereof is for any reason held to be unavailable to or otherwise insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount paid or payable by such indemnified party, as incurred, as a result of any losses, claims, damages, liabilities or expenses referred to therein (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses but after deducting discounts and commissions) received by the Company, and the total discounts and commissions received by the Initial Purchasers bear to the aggregate initial offering price of the Securities. The relative fault of the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantors, on the one hand, or the Initial Purchasers, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 8 hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim. The provisions set forth in Section 8 hereof with respect to notice of commencement of any action shall apply if a claim for contribution is to be made under this Section 9; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under Section 8 hereof for purposes of indemnification.

The Company, the Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 9.

Notwithstanding the provisions of this Section 9, no Initial Purchaser shall be required to contribute any amount in excess of the discount and commission received by such Initial Purchaser in connection with the Securities distributed by it. No person guilty of fraudulent misrepresentation (within the meaning of Section 11 of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial

Purchasers' obligations to contribute pursuant to this Section 9 are several, and not joint, in proportion to their respective commitments as set forth opposite their names in Schedule A. For purposes of this Section 9, each director, officer and employee of an Initial Purchaser and each person, if any, who controls an Initial Purchaser within the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as such Initial Purchaser, and each director, officer and employee of the Company or any Guarantor, and each person, if any, who controls the Company or any Guarantor with the meaning of the Securities Act and the Exchange Act shall have the same rights to contribution as the Company and the Guarantors.

SECTION 10. Termination of this Agreement. From and after the date hereof and prior to the Closing Date, this Agreement may be terminated by the Representative by notice given to the Company if at any time: (i) (a) trading or quotation in any of the Company's securities shall have been suspended or materially limited by the Commission or by the NYSE, or (b) trading in securities generally on either the Nasdaq Stock Market or the NYSE shall have been suspended or materially limited, or minimum or maximum prices shall have been generally established on any of such quotation system or stock exchange by the Commission or FINRA; (ii) a general banking moratorium shall have been declared by any federal or New York authorities; (iii) there shall have occurred any outbreak or escalation of national or international hostilities or any crisis or calamity, or any change in the United States or international financial markets, or any substantial change or development involving a prospective substantial change in United States' or international political, financial or economic conditions, as in the judgment of the Representative is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the Closing Date in the manner and on the terms described in the Pricing Disclosure Package or (iv) in the judgment of the Representative there shall have occurred any Material Adverse Change. Any termination pursuant to this Section 10 shall be without liability on the part of (i) the Company or any Guarantor to any Initial Purchaser, except that the Company and the Guarantors shall be obligated to reimburse the expenses of the Initial Purchasers pursuant to Sections 4 and 6 hereof, (ii) any Initial Purchaser to the Company, or (iii) any party hereto to any other party except that the provisions of Sections 8 and 9 hereof shall at all times be effective and shall survive such termination.

SECTION 11. Representations and Indemnities to Survive Delivery. The respective indemnities, agreements, representations, warranties and other statements of the Company, the Guarantors, their respective officers (set forth in a certificate delivered pursuant hereto) and the several Initial Purchasers set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Initial Purchaser, the Company, any Guarantor or any of their respective partners, officers or directors or any controlling person, or any Affiliate of an Initial Purchaser, the Company or any Guarantor, as the case may be, and will survive delivery of and payment for the Securities sold hereunder and any termination of this Agreement.

The term "successors" shall not include any Subsequent Purchaser or other purchaser of the Securities as such from any of the Initial Purchasers merely by reason of such purchase.

SECTION 14. **Authority of the Representative.** Any action by the Initial Purchasers hereunder may be taken by Banc of America Securities LLC on behalf of the Initial Purchasers, and any such action taken by Banc of America Securities LLC shall be binding upon the Initial Purchasers.

SECTION 15. **Partial Unenforceability.** The invalidity or unenforceability of any section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other section, paragraph or provision hereof. If any section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable.

SECTION 16. **Governing Law Provisions.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE

PERFORMED IN SUCH STATE WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF.

(a) **Consent to Jurisdiction.** Any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby ("**Related Proceedings**") may be instituted in the federal courts of the United States of America located in the City and County of New York or the courts of the State of New York in each case located in the City and County of New York (collectively, the "**Specified Courts**"), and each party irrevocably submits to the exclusive jurisdiction (except for suits, actions, or proceedings instituted in regard to the enforcement of a judgment of any Specified Court in a Related Proceeding, as to which such jurisdiction is non-exclusive) of the Specified Courts in any Related Proceeding. Service of any process, summons, notice or document by mail to such party's address set forth above shall be effective service of process for any Related Proceeding brought in any Specified Court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any Specified Proceeding in the Specified Courts and irrevocably and unconditionally waive and agree not to plead or claim in any Specified Court that any Related Proceeding brought in any Specified Court has been brought in an inconvenient forum.

SECTION 17. Default of One or More of the Several Initial Purchasers. If any one or more of the several Initial Purchasers shall fail or refuse to purchase Securities that it or they have agreed to purchase hereunder on the Closing Date, and the aggregate principal amount of Securities which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase does not exceed 10% of the aggregate principal amount of the Securities to be purchased on such date, the other Initial Purchasers shall be obligated, severally, in the proportions that the aggregate principal amount of Securities set forth opposite their respective names on Schedule A bears to the aggregate principal amount of Securities set forth opposite the names of all such non-defaulting Initial Purchasers, or in such other proportions as may be specified by the Initial Purchasers with the consent of the non-defaulting Initial Purchasers, to purchase the Securities which such defaulting Initial Purchaser or Initial Purchasers agreed but failed or refused to purchase on the Closing Date. If any one or more of the Initial Purchasers shall fail or refuse to purchase Securities and the aggregate principal amount of Securities with respect to which such default occurs exceeds 10% of the aggregate principal amount of Securities to be purchased on the Closing Date, and arrangements satisfactory to the Initial Purchasers and the Company for the purchase of such Securities are not made within 48 hours after such default, this Agreement shall terminate without liability of any party (other than any such defaulting Initial Purchaser) to any other party except that the provisions of Sections 4, 6, 8 and 9 hereof shall at all times be effective and shall survive such termination. In any such case either the Initial Purchasers or the Company shall have the right to postpone the Closing Date, as the case may be, but in no event for longer than seven days in order that the required changes, if any, to the Final Offering Memorandum or any other documents or arrangements may be effected.

As used in this Agreement, the term "**Initial Purchaser**" shall be deemed to include any person substituted for a defaulting Initial Purchaser under this Section 17. Any action taken under this Section 17 shall not relieve any defaulting Initial Purchaser from liability in respect of any default of such Initial Purchaser under this Agreement.

SECTION 18. No Advisory or Fiduciary Responsibility. Each of the Company and the Guarantors acknowledges and agrees that: (i) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company and the Guarantors, on the one hand, and the several Initial Purchasers, on the other hand, and the Company and the Guarantors are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated by this Agreement; (ii) in connection with each transaction contemplated hereby and the process leading to such transaction each Initial Purchaser is and has been acting solely as a principal and is not the agent or fiduciary of the Company, and the Guarantors or their respective affiliates, stockholders, creditors or employees or any other party; (iii) no Initial Purchaser has assumed or will assume an advisory or fiduciary responsibility in favor of the Company and the Guarantors with respect to any of the transactions contemplated hereby or the process leading thereto (irrespective of whether such Initial Purchaser has advised or is currently advising the Company and the Guarantors on other matters) or any other obligation to the Company and the Guarantors except the obligations expressly set forth in this Agreement; (iv) the several Initial Purchasers and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Guarantors and that the several Initial Purchasers have no obligation to disclose any of such interests by virtue of any fiduciary or advisory relationship; and (v) the Initial Purchasers have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company and the Guarantors have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate.

This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company, the Guarantors and the several Initial Purchasers, or any of them, with respect to the subject matter hereof. The Company and the Guarantors hereby waive and release, to the fullest extent permitted by law, any claims that the Company and the Guarantors may have against the several Initial Purchasers with respect to any breach or alleged breach of fiduciary duty with respect to the subject matter hereof.

SECTION 19. General Provisions. This Agreement constitutes the entire agreement of the parties to this Agreement and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof. This Agreement may be executed in two or more counterparts, each one of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a signature page to this Agreement by telecopier, facsimile or other electronic transmission (i.e., a "pdf" or "tif") shall be effective as delivery of a manually executed counterpart thereof. This Agreement may not be amended or modified unless in writing by all of the parties hereto, and no condition herein (express or implied) may be waived unless waived in writing by each party whom the condition is meant to benefit. The section headings herein are for the convenience of the parties only and shall not affect the construction or interpretation of this Agreement.

If the foregoing is in accordance with your understanding of our agreement, kindly sign and return to the Company the enclosed copies hereof, whereupon this instrument, along with all counterparts hereof, shall become a binding agreement in accordance with its terms.

Very truly yours,

(xvii) We do not represent the Company or any Guarantor in any action, suit or proceeding before any court, governmental agency or arbitrator, pending or overtly threatened in writing against the Company or any Guarantor which, individually or in the aggregate, if determined adversely to the Company or such Guarantor, could reasonably be expected to have a Material Adverse Effect.

In rendering such opinion, such counsel may rely as to matters involving the application of laws of any jurisdiction other than the General Corporation Law of the State of Delaware, the laws of the State of New York or the federal law of the United States, to the extent they deem proper and specified in such opinion, upon the opinion (which shall be dated the Closing Date shall be satisfactory in form and substance to the Initial Purchasers, shall expressly state that the Initial Purchasers may rely on such opinion as if it were addressed to them and shall be furnished to the Initial Purchasers) of other counsel of good standing whom they believe to be reliable and who are satisfactory to counsel for the Initial Purchasers; provided, however, that such counsel shall further state that they believe that they and the Initial Purchasers are justified in relying upon such opinion of other counsel, and as to matters of fact, to the extent they deem proper, on certificates of responsible officers of the Company and public officials.

In addition, such counsel shall state that they have participated in conferences with officers and other representatives of the Company, representatives of the independent public or certified public accountants for the Company and with representatives of the Initial Purchasers at which the contents of the Pricing Disclosure Package and the Final Offering Memorandum and related matters were discussed and, although such counsel is not passing upon and does not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Pricing Disclosure Package or the Final Offering Memorandum (other than as specified above), on the basis of the foregoing, nothing has come to their attention which would lead them to believe that the Pricing Disclosure Package, as of the Time of Sale, or that the Final Offering Memorandum, as of its date or at the Closing Date, contained or contains an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (it being understood that such counsel need express no belief as to the financial statements or other financial data derived therefrom, included in the Pricing Disclosure Package or the Final Offering Memorandum or any amendments or supplements thereto).

2. Registration Under the 1933 Act.

2.1 Exchange Offer. The Company and the Guarantors shall, for the benefit of the Holders, at the Company’s and the Guarantors’ cost, use their commercially reasonable efforts to (A) prepare and file with the SEC an Exchange Offer Registration Statement on an appropriate form under the 1933 Act with respect to a proposed Exchange Offer and the issuance and delivery to the Holders, in exchange for the Registrable Securities (other than Private Exchange Securities), of a like principal amount of Exchange Securities, (B) to cause the Exchange Offer Registration Statement to be declared effective under the 1933 Act, (C) keep the Exchange Offer Registration Statement effective until the closing of the Exchange Offer and (D) cause the Exchange Offer to be consummated not later than 270 days following the Closing Date. The Exchange Securities will be issued under the Indenture. Upon the effectiveness of the Exchange Offer Registration Statement, the Company and the Guarantors shall promptly commence the Exchange Offer, it being the objective of such Exchange Offer to enable each Holder eligible and electing to exchange Registrable Securities for Exchange Securities (assuming that such Holder (a) is not an affiliate of the Company within the meaning of Rule 405 under the 1933 Act, (b) is not a broker-dealer tendering Registrable Securities acquired directly from the Company for its own account, (c) acquired the Exchange Securities in the ordinary course of such Holder’s business and (d) has no arrangements or understandings with any Person to participate in the Exchange Offer for

the purpose of distributing the Exchange Securities, and has made representations to the Company to that effect) to transfer such Exchange Securities from and after their receipt without any limitations or restrictions under the 1933 Act and under state securities or blue sky laws.

In connection with the Exchange Offer, the Company and the Guarantors shall:

- (a) mail as promptly as practicable after the Exchange Offer Registration Statement has been declared effective under the 1933 Act to each Holder a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;
- (b) keep the Exchange Offer open for acceptance for a period of not less than 30 calendar days after the date notice thereof is mailed to the Holders (or longer if required by applicable law) (such period referred to herein as the "Exchange Period");
- (c) utilize the services of the Depositary for the Exchange Offer;
- (d) permit Holders to withdraw tendered Registrable Securities at any time prior to 5:00 p.m. (Eastern Standard Time), on the last business day of the Exchange Period, by sending to the institution specified in the notice, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange, and a statement that such Holder is withdrawing such Holder's election to have such Registrable Securities exchanged;
- (e) notify each Holder that any Registrable Security not tendered will remain outstanding and continue to accrue interest, but will not retain any rights under this Agreement (except in the case of the Initial Purchasers and Participating Broker-Dealers as provided herein); and
- (f) otherwise comply in all respects with all applicable laws relating to the Exchange Offer.

If, prior to consummation of the Exchange Offer, the Initial Purchasers hold any Securities acquired by them and having the status of an unsold allotment in the initial distribution, the Company and the Guarantors upon the request of any Initial Purchaser shall, simultaneously with the delivery of the Exchange Securities in the Exchange Offer, issue and deliver to such Initial Purchaser in exchange (the "Private Exchange") for the Securities held by such Initial Purchaser, a like principal amount of debt securities of the Company, guaranteed by the Guarantors on a senior subordinated basis, that are identical

(except that such securities shall bear appropriate transfer restrictions) to the Exchange Securities (the “Private Exchange Securities”).

The Exchange Securities and the Private Exchange Securities shall be issued under (i) the Indenture or (ii) an indenture identical in all material respects to the Indenture and which, in either case, has been qualified under the Trust Indenture Act of 1939, as amended (the “TIA”), or is exempt from such qualification and shall provide that the Exchange Securities shall not be subject to the transfer restrictions set forth in the Indenture but that the Private Exchange Securities shall be subject to such transfer restrictions. The Indenture or such indenture shall provide that the Exchange Securities, the Private Exchange Securities and the Securities shall vote and consent together on all matters as one class and that none of the Exchange Securities, the Private Exchange Securities or the Securities will have the right to vote or consent as a separate class on any matter. The Private Exchange Securities shall be of the same series as and the Company and the Guarantors shall use all commercially reasonable efforts to have the Private Exchange Securities bear the same CUSIP number as the Exchange Securities. Neither the Company nor any of the Guarantors shall have any liability under this Agreement solely as a result of such Private Exchange Securities not bearing the same CUSIP number as the Exchange Securities.

As soon as practicable after the close of the Exchange Offer and/or the Private Exchange, as the case may be, the Company and the Guarantors shall:

- (i) accept for exchange all Registrable Securities duly tendered and not validly withdrawn pursuant to the Exchange Offer in accordance with the terms of the Exchange Offer Registration Statement and the letter of transmittal which shall be an exhibit thereto;
- (ii) accept for exchange all Securities properly tendered pursuant to the Private Exchange;
- (iii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities so accepted for exchange; and
- (iv) cause the Trustee promptly to authenticate and deliver Exchange Securities or Private Exchange Securities, as the case may be, to each Holder of Registrable Securities so accepted for exchange in a principal amount equal to the principal amount of the Registrable Securities of such Holder so accepted for exchange.

Interest on each Exchange Security and Private Exchange Security will accrue from the last date on which interest was paid on the Registrable Securities surrendered in exchange therefor or, if no interest has been paid on the Registrable

Securities, from the date of original issuance. The Exchange Offer and the Private Exchange shall not be subject to any conditions, other than (i) that the Exchange Offer or the Private Exchange, or the making of any exchange by a Holder, does not violate applicable law or any applicable interpretation of the staff of the SEC, (ii) the due tendering of Registrable Securities shall be in accordance with the Exchange Offer and the Private Exchange, (iii) that each Holder of Registrable Securities exchanged in the Exchange Offer shall have represented that all Exchange Securities to be received by it shall be acquired in the ordinary course of its business and that at the time of the consummation of the Exchange Offer it shall have no arrangement or understanding with any person to participate in the distribution (within the meaning of the 1933 Act) of the Exchange Securities and shall have made such other representations as may be reasonably necessary under applicable SEC rules, regulations or interpretations to render the use of Form S-4 or other appropriate form under the 1933 Act available and (iv) that no action or proceeding shall have been instituted or threatened in any court or by or before any governmental agency with respect to the Exchange Offer or the Private Exchange which, in the Company's and the Guarantors' judgment, would reasonably be expected to impair the ability of the Company and the Guarantors to proceed with the Exchange Offer or the Private Exchange. The Company and the Guarantors shall inform the Initial Purchasers of the names and addresses of the Holders to whom the Exchange Offer is made, and the Initial Purchasers shall have the right to contact such Holders and otherwise facilitate the tender of Registrable Securities in the Exchange Offer.

2.2 Shelf Registration. (i) If, because of any changes in law, SEC rules or regulations or applicable interpretations thereof by the staff of the SEC, the Company and the Guarantors are not permitted to effect the Exchange Offer as contemplated by Section 2.1 hereof, (ii) if for any other reason the Exchange Offer is not consummated within 270 days after the original issue of the Registrable Securities, (iii) upon the request of any of the Initial Purchasers with respect to Registrable Securities not eligible to be exchanged for Exchange Securities in the Exchange Offer, (iv) if a Holder is not permitted by applicable law to participate in the Exchange Offer or (v) in the case of any Holder that participates in an Exchange Offer, such Holder does not receive Exchange Securities acquired by it in the Exchange Offer that may be sold without restriction under state and federal securities laws (other than due solely to the status of such Holder as an affiliate of the Company within the meaning of the 1933 Act), then in case of each of clauses (i) through (v) the Company and the Guarantors shall, at their cost:

(a) As promptly as practicable, file with the SEC, and thereafter shall use their commercially reasonable efforts to cause to be declared effective within 270 days after the original issue of the Registrable Securities, a Shelf Registration Statement relating to the offer and sale of the Registrable Securities by the Holders from time to time in accordance with the methods of distribution elected by the Majority Holders

participating in the Shelf Registration and set forth in such Shelf Registration Statement.

(b) Use their commercially reasonable efforts to keep the Shelf Registration Statement continuously effective in order to permit the Prospectus forming part thereof to be usable by Holders until the earliest of (i) two years after the original issue date of the Registrable Securities, (ii) such time as all Registrable Securities covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement or (iii) the date upon which all Registrable Securities covered by Shelf Registration Statement become eligible for resale under Rule 144, without regard to volume, manner of sale or other restrictions contained in Rule 144 or (iv) all Registrable Securities cease to be outstanding or otherwise to be Registrable Securities (the "Effectiveness Period"); *provided, however*, that the Effectiveness Period in respect of the Shelf Registration Statement shall be extended to the extent required to permit dealers to comply with the applicable prospectus delivery requirements of Rule 174 under the 1933 Act and as otherwise provided herein.

(c) Notwithstanding any other provisions hereof, use their commercially reasonable efforts to ensure that (i) any Shelf Registration Statement and any amendment thereto and any Prospectus forming part thereof and any supplement thereto complies in all material respects with the 1933 Act and the rules and regulations thereunder, (ii) any Shelf Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) any Prospectus forming part of any Shelf Registration Statement, and any supplement to such Prospectus (as amended or supplemented from time to time), does not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements, in light of the circumstances under which they were made, not misleading.

The Company and the Guarantors shall not permit any securities other than Registrable Securities to be included in the Shelf Registration Statement. The Company and the Guarantors further agree, if necessary, to supplement or amend the Shelf Registration Statement, as required by Section 3(b) below, and to furnish to the Holders of Registrable Securities copies of any such supplement or amendment promptly after its being used or filed with the SEC.

2.3 Expenses. The Company and the Guarantors shall pay all Registration Expenses in connection with the registration pursuant to Section 2.1 or 2.2. Each Holder shall pay all underwriting discounts and commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to the Shelf Registration Statement.

2.4 Effectiveness. (a) The Company and the Guarantors will be deemed not to have used their commercially reasonable efforts to cause the Exchange Offer Registration Statement or the Shelf Registration Statement, as the case may be, to become, or to remain, effective during the requisite period if the Company or any of the Guarantors voluntarily takes any action that would, or omits to take any action which omission would, result in any such Registration Statement not being declared effective or in the Holders of Registrable Securities covered thereby not being able to exchange or offer and sell such Registrable Securities during that period as and to the extent contemplated hereby, unless such action is required by applicable law.

(b) An Exchange Offer Registration Statement pursuant to Section 2.1 hereof or a Shelf Registration Statement pursuant to Section 2.2 hereof will not be deemed to have become effective unless it has been declared effective by the SEC; *provided, however*, that if, after it has been declared effective, the offering of (i) Registrable Securities pursuant to an Exchange Offer Registration Statement or (ii) Registrable Securities pursuant to a Shelf Registration Statement is interfered with by any stop order, injunction or other order or requirement of the SEC or any other governmental agency or court, such Registration Statement will be deemed not to have become effective during the period of such interference, until the offering of such Registrable Securities pursuant to such Registration Statement may legally resume.

2.5 Interest. If the Exchange Offer is not consummated or a Shelf Registration Statement is not declared effective, in either case, on or prior to the 270th calendar day following the date of original issue of the Securities (either such event, a "Registration Default"), the interest rate borne by the Securities and the Private Exchange Securities shall be increased ("Additional Interest") by one-quarter of one percent per annum upon the occurrence of each Registration Default, which rate will increase by one quarter of one percent each 90-day period that such Additional Interest continues to accrue under any such circumstance, provided that the maximum aggregate increase in the interest rate will in no event exceed one percent (1%) per annum. Following the cure of all Registration Defaults, the accrual of Additional Interest will cease and the interest rate will revert to the original rate.

If the Shelf Registration Statement is declared effective but shall thereafter become unusable by the Holders for any reason, and the aggregate number of days in any consecutive twelve-month period for which the Shelf Registration Statement shall not be

usable exceeds 30 days in the aggregate, then the interest rate borne by the Securities and the Private Exchange Securities (so long as the Private Exchange Securities have the status of an unsold allotment at the time of the Exchange Offer) will be increased by 0.25% per annum of the principal amount of the Securities and the Private Exchange Securities for the first 90-day period (or portion thereof) beginning on the 31st such date that such Shelf Registration Statement ceases to be usable, which rate shall be increased by an additional 0.25% per annum of the principal amount of the Securities and the Private Exchange (so long as the Private Exchange Securities have the status of an unsold allotment at the time of the Exchange Offer) at the beginning of each subsequent 90-day period, provided that the maximum aggregate increase in the interest rate will in no event exceed one percent (1%) per annum. Any amounts payable under this paragraph shall also be deemed "Additional Interest" for purposes of this Agreement. Upon the Shelf Registration Statement once again becoming usable, the interest rate borne by the Securities and the Private Exchange Securities will be reduced to the original interest rate if the Company is otherwise in compliance with this Agreement at such time. Additional Interest shall be computed based on the actual number of days elapsed in each 90-day period in which the Shelf Registration Statement is unusable.

The Company and the Guarantors shall notify the Trustee within five business days after each and every date on which an event occurs in respect of which Additional Interest is required to be paid (an "Event Date"). Additional Interest shall be paid by depositing with the Trustee, in trust, for the benefit of the Holders of Registrable Securities, on or before the applicable semiannual interest payment date, immediately available funds in sums sufficient to pay the Additional Interest then due. The Additional Interest due shall be payable on each interest payment date to the record Holder of Securities and Private Exchange Securities entitled to receive the interest payment to be paid on such date as set forth in the Indenture. Each obligation to pay Additional Interest shall be deemed to accrue from and including the day following the applicable Event Date.

3. Registration Procedures.

In connection with the obligations of the Company and the Guarantors with respect to Registration Statements pursuant to Sections 2.1 and 2.2 hereof, the Company and the Guarantors shall:

(a) prepare and file with the SEC a Registration Statement, within the relevant time period specified in Section 2, on the appropriate form under the 1933 Act, which form (i) shall be selected by the Company and the Guarantors, (ii) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the selling Holders thereof, (iii) shall comply as to form in all material respects with the requirements of the applicable form and include or incorporate by reference all financial

statements required by the SEC to be filed therewith or incorporated by reference therein, and (iv) shall comply in all respects with the requirements of Regulation S-T under the 1933 Act, and use their commercially reasonable efforts to cause such Registration Statement to become effective and remain effective in accordance with Section 2 hereof;

(b) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary under applicable law to keep such Registration Statement effective for the applicable period; and cause each Prospectus to be supplemented by any required prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 (or any similar provision then in force) under the 1933 Act and comply with the provisions of the 1933 Act, the 1934 Act and the rules and regulations thereunder applicable to them with respect to the disposition of all securities covered by each Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the selling Holders thereof (including sales by any Participating Broker-Dealer);

(c) in the case of a Shelf Registration, (i) notify each Holder of Registrable Securities, at least five business days prior to filing, that a Shelf Registration Statement with respect to the Registrable Securities is being filed and advising such Holders that the distribution of Registrable Securities will be made in accordance with the method selected by the Majority Holders participating in the Shelf Registration; (ii) furnish to each Holder of Registrable Securities and to each underwriter of an underwritten offering of Registrable Securities, if any, without charge, as many copies of each Prospectus, including each preliminary Prospectus, and any amendment or supplement thereto and such other documents as such Holder or underwriter may reasonably request, including financial statements and schedules and, if the Holder so requests, all exhibits, in order to facilitate the public sale or other disposition of the Registrable Securities; and (iii) hereby consent to the use of the Prospectus or any amendment or supplement thereto by each of the selling Holders of Registrable Securities in connection with the offering and sale of the Registrable Securities covered by the Prospectus or any amendment or supplement thereto;

(d) in the case of a Shelf Registration, use their commercially reasonable efforts to register or qualify the Registrable Securities under all applicable state securities or "blue sky" laws of such jurisdictions as any Holder of Registrable Securities covered by a Registration Statement and each underwriter of an underwritten offering of Registrable Securities shall reasonably request by the time the applicable Registration Statement is declared effective by the SEC, and do any and all other acts and things which may be reasonably necessary or advisable to enable each such Holder and underwriter to consummate the disposition in each such jurisdiction of such Registrable Securities owned by such Holder; *provided, however*, that none of the Company and the Guarantors shall be required to (i) qualify as a foreign corporation or as a dealer in

securities in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), or (ii) take any action which would subject it to general service of process or taxation in any such jurisdiction where it is not then so subject;

(e) notify promptly each Holder of Registrable Securities under a Shelf Registration or any Participating Broker-Dealer who has notified the Company and the Guarantors that it is utilizing the Exchange Offer Registration Statement as provided in paragraph (f) below and, if requested by such Holder or Participating Broker-Dealer, confirm such advice in writing promptly (i) when a Registration Statement has become effective and when any post-effective amendments and supplements thereto become effective, (ii) of any request by the SEC or any state securities authority for post-effective amendments and supplements to a Registration Statement and Prospectus or for additional information after the Registration Statement has become effective, (iii) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, (iv) in the case of a Shelf Registration, if, between the effective date of such Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Company and the Guarantors contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to the offering cease to be true and correct in all material respects, (v) of the happening of any event or the discovery of any facts during the period a Shelf Registration Statement is effective which makes any statement made in such Registration Statement or the related Prospectus untrue in any material respect or which requires the making of any changes in such Registration Statement or Prospectus in order to make the statements therein not misleading, (vi) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities or the Exchange Securities, as the case may be, for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose and (vii) of any determination by the Company that a post-effective amendment to such Registration Statement would be appropriate;

(f) in the case of the Exchange Offer Registration Statement (i) include in the Exchange Offer Registration Statement a section entitled "Plan of Distribution" which section shall be reasonably acceptable to the Representative on behalf of the Participating Broker-Dealers, and which shall contain a summary statement of the positions taken or policies made public by the staff of the SEC with respect to the potential "underwriter" status of any broker-dealer that holds Registrable Securities acquired for its own account as a result of market-making activities or other trading activities and that will be the beneficial owner (as defined in Rule 13d-3 promulgated under the 1934 Act) of Exchange Securities to be received by such broker-dealer in the Exchange Offer, including a statement that any such broker-dealer who receives Exchange Securities for Registrable Securities pursuant to the Exchange Offer may be

deemed a statutory underwriter and must deliver a prospectus meeting the requirements of the 1933 Act in connection with any resale of such Exchange Securities, (ii) furnish to each Participating Broker-Dealer who has delivered to the Company the notice referred to in Section 3(e), without charge, as many copies of each Prospectus included in the Exchange Offer Registration Statement, including any preliminary prospectus, and any amendment or supplement thereto, as such Participating Broker-Dealer may reasonably request, (iii) hereby consent to the use of the Prospectus forming part of the Exchange Offer Registration Statement or any amendment or supplement thereto, by any Person subject to the prospectus delivery requirements of the SEC, including all Participating Broker-Dealers, in connection with the sale or transfer of the Exchange Securities covered by the Prospectus or any amendment or supplement thereto, and (iv) include in the transmittal letter or similar documentation to be executed by an exchange offeree in order to participate in the Exchange Offer (x) the following provision:

“If the exchange offeree is a broker-dealer holding Registrable Securities acquired for its own account as a result of market-making activities or other trading activities, it will deliver a prospectus meeting the requirements of the 1933 Act in connection with any resale of Exchange Securities received in respect of such Registrable Securities pursuant to the Exchange Offer;” and

(y) a statement to the effect that by a broker-dealer making the acknowledgment described in clause (x) and by delivering a Prospectus in connection with the exchange of Registrable Securities, the broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the 1933 Act;

(g) (i) in the case of an Exchange Offer, furnish counsel for the Initial Purchasers and (ii) in the case of a Shelf Registration, furnish counsel for the Holders of Registrable Securities copies of any comment letters received from the SEC or any other request by the SEC or any state securities authority for amendments or supplements to a Registration Statement and Prospectus or for additional information;

(h) use commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement at the earliest possible moment;

(i) in the case of a Shelf Registration, furnish to each Holder of Registrable Securities, and each underwriter, if any, without charge, at least one conformed copy of each Registration Statement and any post-effective amendment thereto, including financial statements and schedules (without documents incorporated therein by reference and all exhibits thereto, unless requested);

(j) in the case of a Shelf Registration, cooperate with the selling Holders of Registrable Securities to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends; and enable such Registrable Securities to be in such denominations (consistent with the provisions of the Indenture) and registered in such names as the selling Holders or the underwriters, if any, may reasonably request at least three business days prior to the closing of any sale of Registrable Securities;

(k) in the case of a Shelf Registration, upon the occurrence of any event or the discovery of any facts, each as contemplated by Sections 3(e)(v) and 3(e)(vi) hereof, as promptly as practicable after the occurrence of such an event, use their commercially reasonable efforts to prepare a supplement or post-effective amendment to the Registration Statement or the related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities or Participating Broker-Dealers, such Prospectus will not contain at the time of such delivery any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading or will remain so qualified. At such time as such public disclosure is otherwise made or the Company determines that such disclosure is not necessary, in each case to correct any misstatement of a material fact or to include any omitted material fact, the Company agrees promptly to notify each Holder of such determination and to furnish each Holder such number of copies of the Prospectus as amended or supplemented, as such Holder may reasonably request;

(l) in the case of a Shelf Registration, within a reasonable time prior to the filing of any Registration Statement, any Prospectus, any amendment to a Registration Statement or amendment or supplement to a Prospectus or any document which is to be incorporated by reference into a Registration Statement or a Prospectus after initial filing of a Registration Statement or any "issuer free writing prospectus" as defined in Rule 433 under the 1933 Act ("Issuer Free Writing Prospectus"), provide copies of such document to the Initial Purchasers on behalf of such Holders; and make representatives of the Company and the Guarantors as shall be reasonably requested by the Holders of Registrable Securities, or the Initial Purchasers on behalf of such Holders, available for discussion of such document;

(m) use their commercially reasonable efforts to obtain a CUSIP number for all Exchange Securities, Private Exchange Securities or Registrable Securities, as the case may be, not later than the effective date of a Registration Statement, and provide the Trustee with printed certificates for the Exchange Securities, Private Exchange Securities or the Registrable Securities, as the case may be, in a form eligible for deposit with the Depository;

(n) (i) cause the Indenture to be qualified under the TIA in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be, (ii) cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the TIA and (iii) execute, and use their commercially reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(o) in the case of a Shelf Registration, enter into agreements (including underwriting agreements) and take all other customary and appropriate actions in order to expedite or facilitate the disposition of such Registrable Securities and in such connection whether or not an underwriting agreement is entered into and whether or not the registration is an underwritten registration:

(i) make such representations and warranties to the Holders of such Registrable Securities and the underwriters, if any, in form, substance and scope as are customarily made by issuers to underwriters in similar underwritten offerings as may be reasonably requested by them;

(ii) obtain opinions of counsel to the Company and the Guarantors and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the managing underwriters, if any, and the holders of a majority in principal amount of the Registrable Securities being sold) addressed to each selling Holder and the underwriters, if any, covering the matters customarily covered in opinions requested in sales of securities or underwritten offerings and such other matters as may be reasonably requested by such Holders and underwriters;

(iii) obtain "cold comfort" letters and updates thereof from the Company's and the Guarantors' independent certified public accountants (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements are, or are required to be, included in the Registration Statement) addressed to the underwriters, if any, and use commercially reasonable efforts to have such letter addressed to the selling Holders of Registrable Securities (to the extent consistent with Statement on Auditing Standards No. 72 of the American Institute of Certified Public Accountants), such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters to underwriters in connection with similar underwritten offerings;

(iv) if an underwriting agreement is entered into, cause the same to set forth indemnification provisions and procedures substantially equivalent to the indemnification provisions and procedures set forth in Section 4 hereof with respect to the underwriters and all other parties to be indemnified pursuant to said Section or, at the request of any underwriters, in the form customarily provided to such underwriters in similar types of transactions; *provided* such underwriting agreement shall contain customary provisions regarding indemnification of the Company and the Guarantors with the respect to information provided by the underwriters; and

(v) deliver such documents and certificates as may be reasonably requested and as are customarily delivered in similar offerings to the Holders of a majority in principal amount of the Registrable Securities being sold and the managing underwriters, if any.

The above shall be done at (i) the effectiveness of such Registration Statement (and each post-effective amendment thereto) and (ii) each closing under any underwriting or similar agreement as and to the extent required thereunder. In the case of any underwritten offering, the Company and the Guarantors shall provide written notice to the Holders of all Registrable Securities of such underwritten offering at least 15 days prior to the filing of a prospectus supplement for such underwritten offering. Such notice shall (x) offer each such Holder the right to participate in such underwritten offering, (y) specify a date, which shall be no earlier than 10 days following the date of such notice, by which such Holder must inform the Company of its intent to participate in such underwritten offering and (z) include the instructions such Holder must follow in order to participate in such underwritten offering;

(p) in the case of a Shelf Registration or if a Prospectus is required to be delivered by any Participating Broker-Dealer in the case of an Exchange Offer, make available for inspection during regular business hours by representatives of the Holders of the Registrable Securities, any underwriters participating in any disposition pursuant to a Shelf Registration Statement, any Participating Broker-Dealer and any counsel or accountant retained by any of the foregoing (collectively, the "Inspectors"), all financial and other records, pertinent corporate documents and properties of the Company and the Guarantors ("Records") reasonably requested by any such persons, and cause the respective officers, directors, employees, and any other agents of the Company and the Guarantors to supply all information reasonably requested by any such representative, underwriter, special counsel or accountant in connection with a Registration Statement, and make such representatives of the Company and the Guarantors available for discussion of such documents as shall be reasonably requested by the Initial Purchasers. Records which the Company determines, in good faith, to be confidential and any

Records which it notifies the Inspectors are confidential shall be maintained in confidence and shall not be disclosed by the Inspectors to any other Person until such time as (1) disclosure of such Records is required to be set forth in the Shelf Registration Statement or a Prospectus in order that such Shelf Registration Statement or Prospectus, as the case may be, does not contain an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing (in which case the subject information may only be disclosed to another Person following such time as the Shelf Registration Statement in which such information is included is publicly filed by the Company with the SEC), (2) disclosure is required to be made in connection with a court, administrative or regulatory proceeding or required by law (but only after prior written notice of such requirement shall have been given to the Company), (3) the information in such Records has been made generally available to the public or (4) such other Person signs a confidentiality agreement to maintain such Records in confidence in accordance with this Section 3(p). Each such Inspector will be required to agree to keep information obtained by it as a result of its inspections pursuant to this Agreement confidential (except as otherwise permitted to be disclosed hereunder) and not to use such information as the basis for any market transactions in the securities of the Company unless and until such is made generally available to the public. Each Inspector will be required to further agree that it will, upon learning that disclosure of such Records is sought under clause (1) above, give notice to the Company and allow the Company and its subsidiaries at their expense to undertake appropriate action to prevent disclosure of the Records deemed confidential;

(q) (i) in the case of an Exchange Offer Registration Statement, within a reasonable time prior to the filing of any Exchange Offer Registration Statement, any Prospectus forming a part thereof, any amendment to an Exchange Offer Registration Statement or amendment or supplement to such Prospectus or any Issuer Free Writing Prospectus, provide copies of such document to the Initial Purchasers and to counsel to both the Holders of Registrable Securities and make such changes in any such document prior to the filing thereof as the Initial Purchasers or counsel to the Holders of Registrable Securities may reasonably request and, except as otherwise required by applicable law, not file any such document in a form to which the Initial Purchasers on behalf of the Holders of Registrable Securities and counsel to the Holders of Registrable Securities shall not have previously been advised and furnished a copy of or to which the Initial Purchasers on behalf of the Holders of Registrable Securities or counsel to the Holders of Registrable Securities shall reasonably object, and make the representatives of the Company and the Guarantors available for discussion of such documents as shall be reasonably requested by the Initial Purchasers; and

(ii) in the case of a Shelf Registration, within a reasonable time prior to filing any Shelf Registration Statement, any Prospectus forming a part thereof,

any amendment to such Shelf Registration Statement or amendment or supplement to such Prospectus or any Issuer Free Writing Prospectus, provide copies of such document to the Holders of Registrable Securities, to the Initial Purchasers, to counsel for the Holders and to the underwriter or underwriters of an underwritten offering of Registrable Securities, if any, make such changes in any such document prior to the filing thereof as the Initial Purchasers, the counsel to the Holders or the underwriter or underwriters reasonably request and not file any such document in a form to which the Majority Holders, the Initial Purchasers on behalf of the Holders of Registrable Securities, counsel for the Holders of Registrable Securities or any underwriter shall not have previously been advised and furnished a copy of or to which the Majority Holders, the Initial Purchasers on behalf of the Holders of Registrable Securities, counsel to the Holders of Registrable Securities or any underwriter shall reasonably object, and make the representatives of the Company and the Guarantors available for discussion of such document as shall be reasonably requested by the Holders of Registrable Securities, the Initial Purchasers on behalf of such Holders, counsel for the Holders of Registrable Securities or any underwriter.

(r) in the case of a Shelf Registration, use their commercially reasonable efforts to cause all Registrable Securities to be listed on any securities exchange on which similar debt securities issued by the Company are then listed if requested by the Majority Holders, or if reasonably requested by the underwriter or underwriters of an underwritten offering of Registrable Securities, if any;

(s) in the case of a Shelf Registration, use their commercially reasonable efforts to cause the Registrable Securities to be rated by the appropriate rating agencies, if so requested by the Majority Holders, or if requested by the underwriter or underwriters of an underwritten offering of Registrable Securities, if any;

(t) otherwise comply with all applicable rules and regulations of the SEC and make available to its security holders, as soon as reasonably practicable, an earnings statement covering at least 12 months which shall satisfy the provisions of Section 11(a) of the 1933 Act and Rule 158 promulgated thereunder;

(u) cooperate and assist in any filings required to be made with FINRA and, in the case of a Shelf Registration, in the performance of any due diligence investigation by any underwriter and its counsel (including any "qualified independent underwriter" that is required to be retained in accordance with the rules and regulations of FINRA); and

(v) upon consummation of an Exchange Offer or a Private Exchange, obtain (i) a customary opinion of counsel as may be required by the Trustee and (ii) an

officers' certificate containing the certifications substantially similar to those set forth in Section 5(e) of the Purchase Agreement.

In the case of a Shelf Registration Statement, the Company and the Guarantors may (as a condition to such Holder's participation in the Shelf Registration) require each Holder of Registrable Securities to furnish to the Company and the Guarantors such information regarding the Holder and the proposed distribution by such Holder of such Registrable Securities as the Company and the Guarantors may from time to time reasonably request in writing. The Company may exclude from such Shelf Registration Statement the Registrable Securities of any Holder who fails to furnish such information within a reasonable time (not to exceed 20 business days) after receiving such request. Each Holder as to which any Shelf Registration Statement is being effected agrees to as promptly as practicable furnish to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

In the case of a Shelf Registration Statement, each Holder agrees that, upon receipt of any notice from the Company and the Guarantors of the happening of any event or the discovery of any facts, each of the kind described in Section 3(e)(v) and 3(e)(vi) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to a Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3(k) hereof, and, if so directed by the Company and the Guarantors, such Holder will deliver to the Company and the Guarantors (at their expense) all copies in such Holder's possession, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice.

In the event that the Company and the Guarantors fail to effect the Exchange Offer or file any Shelf Registration Statement and maintain the effectiveness of any Shelf Registration Statement as provided herein, the Company and the Guarantors shall not file any registration statement (other than registration statements on Forms S-4 or S-8) with respect to any securities (within the meaning of Section 2(1) of the 1933 Act) of the Company and the Guarantors other than Registrable Securities.

If any of the Registrable Securities covered by any Shelf Registration Statement are to be sold in an underwritten offering, the underwriter or underwriters and manager or managers that will manage such offering will be selected by the Majority Holders of such Registrable Securities included in such offering and shall be acceptable to the Company and the Guarantors. No Holder of Registrable Securities may participate in any underwritten registration hereunder unless such Holder (a) agrees to sell such Holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and

(b) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

4. Indemnification; Contribution.

(a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless each Initial Purchaser, each Holder, each Participating Broker-Dealer, each Person who participates as an underwriter (any such Person being an "Underwriter"), each Person, if any, who controls any Holder or Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and the respective Affiliates, directors, officers and employees of any of the foregoing as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment or supplement thereto) pursuant to which Exchange Securities or Registrable Securities were registered under the 1933 Act, including all documents incorporated therein by reference, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arising out of any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (or any amendment or supplement thereto) or Issuer Free Writing Prospectus or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; *provided* that (subject to Section 4(d) below) any such settlement is effected with the written consent of the Company and the Guarantors; and

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by any indemnified party), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon

any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under subparagraph (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company and the Guarantors by or on behalf of the Initial Purchasers, the Holder, Participating Broker-Dealer or Underwriter expressly for use in a Registration Statement (or any amendment thereto) or any Prospectus (or any amendment or supplement thereto).

(b) Each Holder severally, but not jointly, agrees to indemnify and hold harmless the Company, the Guarantors, the Initial Purchasers, each Underwriter and the other selling Holders, and each of their respective Affiliates, directors, officers and employees, and each Person, if any, who controls the Company, the Guarantors, the Initial Purchasers, any Underwriter or any other selling Holder within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, against any and all loss, liability, claim, damage and expense described in the indemnity contained in Section 4(a) hereof, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Shelf Registration Statement (or any amendment thereto) or any Prospectus included therein (or any amendment or supplement thereto) or any Issuer Free Writing Prospectus in reliance upon and in conformity with written information with respect to such Holder furnished to the Company by or on behalf of such Holder expressly for use in the Shelf Registration Statement (or any amendment thereto) or such Prospectus (or any amendment or supplement thereto) or any Issuer Free Writing Prospectus; *provided, however*, that no such Holder shall be liable for any claims hereunder in excess of the amount of net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Shelf Registration Statement.

(c) Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action or proceeding commenced against it in respect of which indemnity may be sought hereunder, but failure so to notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. An indemnifying party may participate at its own expense in the defense of such action; *provided, however*, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying party or parties be liable for the fees and expenses of more than one counsel (in addition to any local counsel) separate from their

own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 4 (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 4(a)(ii) effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

(e) If the indemnification provided for in this Section 4 is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, in such proportion as is appropriate to reflect the relative fault of the Company and the Guarantors on the one hand and the Holders and the Initial Purchasers each on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative fault of the Company and the Guarantors on the one hand and the Holders and the Initial Purchasers each on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantors, the Holders or the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company, the Guarantors, the Holders and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 4 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 4. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 4 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 4, no Initial Purchaser shall be required to contribute any amount in excess of the amount by which the total price at which the Securities, Exchange Securities and Private Exchange Securities sold by it were offered exceeds the amount of any damages which such Initial Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 4, each Person, if any, who controls an Initial Purchaser or Holder within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as such Initial Purchaser or Holder, and each director of the Company and such Guarantor, as the case may be, and each Person, if any, who controls the Company and such Guarantor, as the case may be, within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company. The Initial Purchasers' respective obligations to contribute pursuant to this Section 4 are several in proportion to the principal amount of Securities set forth opposite their respective names in Schedule A to the Purchase Agreement and not joint.

5. Miscellaneous.

5.1 Rule 144A. Each of the Company and the Guarantors hereby agrees with each Holder, for so long as any Registrable Securities remain outstanding, if the Company is no longer required to file reports under the 1934 Act, to make available to any Holder or beneficial owner of Registrable Securities in connection with any sale thereof and any prospective purchaser of such Registrable Securities from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the 1933 Act in

order to permit resales of such Registrable Securities pursuant to Rule 144A under the 1933 Act.

5.2 No Inconsistent Agreements. The Company and the Guarantors have not entered into and the Company and the Guarantors will not after the date of this Agreement enter into any agreement which is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with the rights granted to the holders of the Company's and the Guarantor's other issued and outstanding securities under any such agreements.

5.3 Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company and the Guarantors have obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or departure.

5.4 Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand delivery, registered first-class mail, telex, telecopier, or any courier guaranteeing overnight delivery (a) if to a Holder, at the most current address given by such Holder to the Company and the Guarantors by means of a notice given in accordance with the provisions of this Section 5.4, which address initially is the address set forth in the Purchase Agreement with respect to the Initial Purchasers; and (b) if to the Company and the Guarantors, initially at the Company's address set forth in the Purchase Agreement, and thereafter at such other address of which notice is given in accordance with the provisions of this Section 5.4.

All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; two business days after being deposited in the mail, postage prepaid, if mailed; when answered back, if telexed; when receipt is acknowledged, if telecopied; and on the next business day if timely delivered to an air courier guaranteeing overnight delivery.

Copies of all such notices, demands, or other communications shall be concurrently delivered by the person giving the same to the Trustee under the Indenture, at the address specified in such Indenture.

5.5 Successor and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; *provided* that nothing herein shall be deemed to permit any assignment, transfer

or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities, in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all of the terms of this Agreement, and by taking and holding such Registrable Securities such person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement, including the restrictions on resale set forth in this Agreement and, if applicable, the Purchase Agreement, and such person shall be entitled to receive the benefits hereof.

5.6 Third Party Beneficiaries. The Initial Purchasers (even if the Initial Purchasers are not Holders of Registrable Securities) shall be third party beneficiaries to the agreements made hereunder between the Company and the Guarantors, on the one hand, and the Holders, on the other hand, and shall have the right to enforce such agreements directly to the extent they deem such enforcement necessary or advisable to protect their rights or the rights of Holders hereunder. Each Holder of Registrable Securities shall be a third party beneficiary to the agreements made under this Registration Rights Agreement between the Company and the Guarantors, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights hereunder.

5.7. Specific Enforcement. Without limiting the remedies available to the Initial Purchasers and the Holders, the Company and the Guarantors acknowledge that any failure by the Company and the Guarantors to comply with their obligations under Sections 2.1 through 2.4 hereof may result in material irreparable injury to the Initial Purchasers or the Holders for which there is no adequate remedy at law, that it would not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Company's and the Guarantor's obligations under Sections 2.1 through 2.4 hereof.

5.8. Restriction on Resales. Until the expiration of one year after the original issuance of the Securities and the Guarantees, the Company and the Guarantors will not, and to the extent it has an ability to do so, will cause their "affiliates" (as such term is defined in Rule 144(a)(1) under the 1933 Act) not to, resell any Securities and Guarantees which are "restricted securities" (as such term is defined under Rule 144(a)(3) under the 1933 Act) that have been reacquired by any of them.

5.9 Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

5.10 Headings. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

5.11 **GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICT OF LAWS THEREOF.**

5.12 Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions contained herein shall not be affected or impaired thereby.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

Notwithstanding Trust Indenture Act Section 316(c), any such record date shall be the record date specified in or pursuant to such Board Resolution, which shall be a date not more than 30 days prior to the first solicitation of Holders generally in connection therewith and no later than the date such first solicitation is completed.

If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for purposes of determining whether Holders of the requisite proportion of Securities then Outstanding have authorized or agreed or consented to such

request, demand, authorization, direction, notice, consent, waiver or other Act, and for this purpose the Securities then Outstanding shall be computed as of such record date; *provided* that no such request, demand, authorization, direction, notice, consent, waiver or other Act by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after such record date.

(f) For purposes of this Indenture, any action by the Holders which may be taken in writing may be taken by electronic means or as otherwise reasonably acceptable to the Trustee.

Section 106. Notices, etc., to the Trustee, the Company and any Guarantor.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with:

(a) the Trustee by any Holder or by the Company or any Guarantor or any other obligor on the Securities shall be sufficient for every purpose (except as provided in Section 501(c)) hereunder if in writing and mailed, first-class postage prepaid, or delivered by recognized overnight courier, to or with the Trustee at its Corporate Trust Office, or at any other address previously furnished in writing to the Holders or the Company, any Guarantor or any other obligor on the Securities by the Trustee; or

(b) the Company or any Guarantor by the Trustee or any Holder shall be sufficient for every purpose (except as provided in Section 501(c)) hereunder if in writing and mailed, first-class postage prepaid, or delivered by recognized overnight courier, to the Company or such Guarantor addressed to it c/o Sonic Automotive, Inc., 6415 Idlewild Road, Suite 109, Charlotte, North Carolina 28212, Attention: Chief Financial Officer or at any other address previously furnished in writing to the Trustee by the Company or such Guarantor.

Section 107. Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, or delivered by recognized overnight courier, to each Holder affected by such event, at its address as it appears in the Security Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Any notice when mailed to a Holder in the aforesaid manner shall be conclusively deemed to

have been received by such Holder whether or not actually received by such Holder. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause, it shall be impracticable to mail notice of any event as required by any provision of this Indenture, then any method of giving such notice as shall be reasonably satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice.

Section 108. Conflict with Trust Indenture Act.

If any provision hereof limits, qualifies or conflicts with any provision of the Trust Indenture Act or another provision which is required or deemed to be included in this Indenture by any of the provisions of the Trust Indenture Act, the provision or requirement of the Trust Indenture Act shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.

Section 109. Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 110. Successors and Assigns.

All covenants and agreements in this Indenture by the Company and the Guarantors shall bind their respective successors and assigns, whether so expressed or not.

Section 111. Separability Clause.

In case any provision in this Indenture or in the Securities or Guarantees shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 112. Benefits of Indenture.

Nothing in this Indenture or in the Securities or Guarantees, express or implied, shall give to any Person (other than the parties hereto and their successors hereunder, any Paying Agent and the Holders) any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 113. GOVERNING LAW.

THIS INDENTURE, THE SECURITIES AND THE GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF.

Section 114. Legal Holidays.

In any case where any Interest Payment Date, Redemption Date, Maturity or Stated Maturity of any Security shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Securities) payment of interest or principal or premium, if any, need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such Interest Payment Date or Redemption Date, or at the Maturity or Stated Maturity and no interest shall accrue with respect to such payment for the period from and after such Interest Payment Date, Redemption Date, Maturity or Stated Maturity, as the case may be, to the next succeeding Business Day.

Section 115. Independence of Covenants.

All covenants and agreements in this Indenture shall be given independent effect so that if a particular action or condition is not permitted by any such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 116. Schedules and Exhibits.

All schedules and exhibits attached hereto are by this reference made a part hereof with the same effect as if herein set forth in full.

Section 117. Counterparts.

This Indenture may be executed in any number of counterparts, each of which shall be deemed an original; but all such counterparts shall together constitute but one and the same instrument.

Section 118. No Personal Liability of Directors, Officers, Employees, Members, Partners and Stockholders.

No director, officer, employee, member, partner or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Securities, this Indenture, the Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation.

Each Holder of Securities by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Securities. The waiver may not be effective to waive liabilities under the federal securities law.

Sonic Automotive, Inc.
9.0% Senior Subordinated Note due 2018, Series A

This Security is one of a duly authorized issue of Securities of the Company designated as its 9.0% Senior Subordinated Notes due 2018, Series A (herein called the "Securities"), issued under and subject to the terms of an indenture (herein called the "Indenture") dated as of March 12, 2010, among the Company, the Guarantors and U.S. Bank National Association, as trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties, obligations and immunities thereunder of the Company, the Guarantors, the Trustee and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered.

The Company may, from time to time, without notice to or the consent of the Holders of the Securities, create and issue Additional Securities under the Indenture

ranking equally with the Securities in all respects, subject to the limitations described in Section 1008 of the Indenture. The terms of the Securities and any Additional Securities may have additional issuance dates and dates from which interest accrues and be subject to different registration rights and shall be part of the same series. The total amount of the Securities which may be issued under the Indenture is unlimited. Such Additional Securities will be consolidated and form a single series with the Securities, vote together with the Securities and have the same terms as to status, redemption or otherwise as the Securities. References to the Securities under the Indenture include these Additional Securities if they are in the same series, unless the context requires otherwise.

The Securities are subject to redemption at any time on or after March 15, 2014, at the option of the Company, in whole or in part, on not less than 30 nor more than 60 days' prior notice, in amounts of \$1,000 or an integral multiple thereof, at the following redemption prices (expressed as percentages of the principal amount), if redeemed during the 12-month period beginning March 15 of the years indicated below:

Year	Redemption Price
2014	104.500%
2015	102.250%
2016	100.000%

and thereafter at 100% of the principal amount, in each case, together with accrued and unpaid interest, if any, to the Redemption Date (subject to the rights of Holders of record on relevant record dates to receive interest due on an Interest Payment Date).

In addition, at any time and from time to time on or prior to March 15, 2013, the Company may redeem up to an aggregate of 35% of the aggregate principal amount of the Securities issued under the Indenture at a redemption price equal to 109.0% of the aggregate principal amount of the Securities redeemed, plus accrued and unpaid interest, if any, to the redemption date with the Net Cash Proceeds from the issuance of any Qualified Capital Stock, provided that

- at least 65% of the aggregate principal amount of the Securities issued under the Indenture must remain outstanding immediately after any such redemption; and
- the redemption must occur no later than 60 days after such issuance and sale of Qualified Capital Stock.

At any time and from time to time on or prior to March 15, 2014, the Company may redeem all or a part of the Securities, upon not less than 15 nor more than 60 days' notice, at a Redemption Price equal to 100% of the principal amount of the Securities redeemed, plus the Applicable Premium as of, and accrued and unpaid interest,

if any, to the Redemption Date (subject to the rights of Holders of record on relevant record dates to receive interest due on an Interest Payment Date).

If less than all of the Securities are to be redeemed, the Trustee shall select the Securities or portions thereof to be redeemed in compliance with the requirements of the principal national security exchange, if any, on which the Securities are listed, or if the Securities are not so listed, the Trustee shall select them on a pro rata basis, by lot or by any other method the Trustee shall deem fair and reasonable; *provided*, that Securities redeemed in part shall be redeemed only in integral multiples of \$1,000 (subject to the procedures of The Depository Trust Company or any other Depository).

Upon the occurrence of a Change of Control, each Holder may require the Company to purchase such Holder's Securities in whole or in part in amounts of \$1,000 or an integral multiple thereof, at a purchase price in cash in an amount equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to the date of purchase, pursuant to a Change of Control Offer in accordance with the procedures set forth in the Indenture.

Under certain circumstances described more specifically in the Indenture, in the event the Net Cash Proceeds received by the Company from any Asset Sale, which proceeds are not used to repay permanently any Senior Indebtedness or Senior Guarantor Indebtedness or invested in Replacement Assets or exceeds a specified amount, the Company will be required to apply such proceeds to the repayment of the Securities and certain Indebtedness ranking *pari passu* in right of payment to the Securities.

In the case of any redemption or repurchase of Securities in accordance with the Indenture, interest installments whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of such Securities of record as of the close of business on the relevant Regular Record Date or Special Record Date referred to on the face hereof. Securities (or portions thereof) for whose redemption and payment provision is made in accordance with the Indenture shall cease to bear interest from and after the Redemption Date.

In the event of redemption or repurchase of this Security in accordance with the Indenture in part only, a new Security or Securities for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

If an Event of Default shall occur and be continuing, the principal amount of all the Securities may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture contains provisions for defeasance at any time of (a) the entire Indebtedness on the Securities and (b) certain restrictive covenants and related

Defaults and Events of Default, in each case upon compliance with certain conditions set forth therein.

The Indenture permits, with certain exceptions (including certain amendments permitted without the consent of any Holders and certain amendments which require the consent of all the Holders) as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the Guarantors and the rights of the Holders under the Indenture and the Securities and the Guarantees at any time by the Company and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the Securities at the time Outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Securities). The Indenture also contains provisions permitting the Holders of at least a majority in aggregate principal amount of the Securities (100% of the Holders in certain circumstances) at the time Outstanding, on behalf of the Holders of all the Securities, to waive compliance by the Company and the Guarantors with certain provisions of the Indenture and the Securities and the Guarantees and certain past Defaults under the Indenture and the Securities and the Guarantees and their consequences. Any such consent or waiver by or on behalf of the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, any Guarantor or any other obligor on the Securities (in the event such Guarantor or such other obligor is obligated to make payments in respect of the Securities), which is absolute and unconditional, to pay the principal of, premium, if any, and interest on, this Security at the times, place, and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or its attorney duly authorized in writing, and thereupon one or more new Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

Certificated securities shall be transferred to all beneficial holders in exchange for their beneficial interests in the Rule 144A Global Securities or the Regulation S Global Securities, if any, if (x) the Depository (A) notifies the Company that it is unwilling or unable to continue as Depository for such Global Security or (B) ceases to be a clearing agency registered as such under the Exchange Act and, in

either case, a successor Depositary is not appointed by the Company within 90 days or (y) there shall have occurred and be continuing an Event of Default and the Security Registrar has received a request from the Depositary. Upon any such issuance, the Trustee is required to register such certificated Securities in the name of, and cause the same to be delivered to, such Person or Persons (or the nominee of any thereof). All such certificated Securities would be required to include the Private Placement Legend unless the legend is not required by applicable law.

Securities in certificated form are issuable only in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000. As provided in the Indenture and subject to certain limitations therein set forth, the Securities are exchangeable for a like aggregate principal amount of Securities of a differing authorized denomination, as requested by the Holder surrendering the same.

At any time when the Company is not subject to Sections 13 or 15(d) of the Exchange Act, upon the written request of a Holder of a Series A Security, the Company will promptly furnish or cause to be furnished such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto) to such Holder or to a prospective purchaser of such Security who such Holder informs the Company is reasonably believed to be a "Qualified Institutional Buyer" within the meaning of Rule 144A under the Securities Act, as the case may be, in order to permit compliance by such Holder with Rule 144A under the Securities Act.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, any Guarantor, the Trustee and any agent of the Company, any Guarantor or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, any Guarantor, the Trustee nor any such agent shall be affected by notice to the contrary.

THIS SECURITY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES THEREOF.

All terms used in this Security which are defined in the Indenture and not otherwise defined herein shall have the meanings assigned to them in the Indenture.

[The Transferee Certificate, in the form of Appendix I hereto, will be attached to the Series A Security.]

(b) The form of the reverse of the Series B Securities shall be substantially as follows:

The Series B Securities are subject to redemption at any time on or after March 15, 2014, at the option of the Company, in whole or in part, on not less than 30 nor more than 60 days' prior notice, in amounts of \$1,000 or an integral multiple thereof, at the following redemption prices (expressed as percentages of the principal amount), if redeemed during the 12-month period beginning March 15 of the years indicated below:

In addition, at any time and from time to time on or prior to March 15, 2013, the Company may redeem up to an aggregate of 35% of the aggregate principal amount of the Securities issued under the Indenture at a redemption price equal to 109.0% of the aggregate principal amount of the Securities redeemed, plus accrued and unpaid interest, if any, to the redemption date with the Net Cash Proceeds from the issuance of any Qualified Capital Stock, provided that

ARTICLE THREE
THE SECURITIES

Section 301. Title and Terms.

The initial aggregate principal amount of Securities which may be authenticated and delivered under this Indenture is \$210,000,000 in principal amount of Securities, except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities pursuant to Section 303, 304, 305, 306, 307, 308, 906, 1012, 1015, 1108 or otherwise. Notwithstanding the foregoing, the Company may, from time to time, without notice to or the consent of the Holders of Securities, create and issue Additional Securities under this Indenture ranking equally with the Securities in all respects, subject to the limitations described in Section 1008 hereof. The Company may issue Additional Securities as Series A Securities (with or without registration rights) or freely tradable Series B Securities. The terms of the Securities and any Additional Securities may have different issuance dates and dates from which interest accrues and be subject to different registration rights and shall be part of the same series. The total amount of the Securities which may be issued under this Indenture is unlimited. Such Additional Securities will be consolidated and form a single series with the Securities, vote together with the Securities and have the same terms as to

status, redemption or otherwise as the Securities. References to the Securities under this Indenture include these Additional Securities if they are in the same series, unless the context requires otherwise.

The Securities shall be known and designated as the "9.0% Senior Subordinated Notes due 2018" of the Company. A separate reference may be made to each series. The Stated Maturity of the Securities shall be March 15, 2018, and the Securities shall each bear interest at the rate of 9.000% per annum, as such interest rate may be adjusted as set forth in the Securities, from March 12, 2010, or from the most recent Interest Payment Date to which interest has been paid, payable semiannually on March 15 and September 15 in each year, commencing as of September 15, 2010 until the principal thereof is paid or duly provided for. Interest on any overdue principal, interest (to the extent lawful) or premium, if any, shall be payable on demand.

The principal of, premium, if any, and interest on, the Securities shall be payable and the Securities shall be exchangeable and transferable at an office or agency of the Company in The City of New York maintained for such purposes (which initially will be a corporate trust office of the Trustee located at 100 Wall Street, Suite 1600, New York, New York, 10005); *provided, however*, that payment of interest may be made at the option of the Company by check mailed to addresses of the Persons entitled thereto as shown on the Security Register.

For all purposes hereunder, the Series A Securities and the Series B Securities will be treated as one class and are together referred to as the "Securities." The Series A Securities rank *pari passu* in right of payment with the Series B Securities.

The Securities shall be subject to repurchase by the Company pursuant to an Offer as provided in Section 1012.

Holder shall have the right to require the Company to purchase their Securities, in whole or in part, in the event of a Change of Control pursuant to Section 1014.

The Securities shall be redeemable as provided in Article Eleven and in the Securities.

The Indebtedness evidenced by these Securities shall be subordinated in right of payment to all other Senior Indebtedness.

At the election of the Company, the entire Indebtedness on the Securities or certain of the Company's obligations and covenants and certain Events of Default thereunder may be defeased as provided in Article Four.

Section 302. Denominations.

The Securities shall be issuable only in fully registered form without coupons and only in denominations of \$2,000 and any integral multiple of \$1,000.

Section 303. Execution, Authentication, Delivery and Dating

The Securities shall be executed on behalf of the Company by one of its Chairman of the Board, its President, its Chief Executive Officer, its Chief Financial Officer or one of its Vice Presidents. The signatures of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities executed by the Company to the Trustee (with or without Guarantees endorsed thereon) for authentication, together with a Company Order for the authentication and delivery of such Securities; and the Trustee in accordance with such Company Order shall authenticate and make available for delivery such Securities as provided in this Indenture and not otherwise.

Each Security shall be dated the date of its authentication.

No Security or Guarantee endorsed thereon shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein duly executed by the Trustee by manual signature of an authorized officer, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture.

In case the Company or any Guarantor, pursuant to Article Eight, shall, in a single transaction or through a series of related transactions, be consolidated or merged with or into any other Person or shall sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of its properties and assets to any Person, and the successor Person resulting from such consolidation or surviving such merger, or into which the Company or such Guarantor shall have been merged, or the successor Person which shall have participated in the sale, assignment, conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article Eight, any of the Securities authenticated or delivered prior to such consolidation, merger, sale, assignment, conveyance, transfer, lease or other disposition may, from time to time, at the request of the successor Person, be exchanged

for other Securities executed in the name of the successor Person with such changes in phraseology and form as may be appropriate, but otherwise in substance of like tenor as the Securities surrendered for such exchange and of like principal amount; and the Trustee, upon the written request of the successor Person, shall authenticate and deliver Securities as specified in such request for the purpose of such exchange. If Securities shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 303 in exchange or substitution for or upon registration of transfer of any Securities, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Securities at the time Outstanding for Securities authenticated and delivered in such new name.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities on behalf of the Trustee. Unless limited by the terms of such appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as any Security Registrar or Paying Agent to deal with the Company and its Affiliates.

If an officer whose signature is on a Security no longer holds that office at the time the Trustee authenticates such Security such Security shall be valid nevertheless.

Section 304. Temporary Securities.

Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and make available for delivery, temporary Securities which are printed, lithographed, typewritten or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as conclusively evidenced by their execution of such Securities.

If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at the office or agency of the Company designated for such purpose pursuant to Section 1002, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee (in accordance with a Company Order for the authentication of such Securities) shall authenticate and make available for delivery in exchange therefor a like principal amount of definitive Securities of authorized denominations. Until so exchanged the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

Section 305. Registration, Registration of Transfer and Exchange.

The Company shall cause the Trustee to keep, so long as it is the Security Registrar, at the Corporate Trust Office of the Trustee, or such other office as the Trustee may designate, a register (the register maintained in such office or in any other office or agency designated pursuant to Section 1002 being herein sometimes referred to as the "Security Register") in which, subject to such reasonable regulations as the Security Registrar may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. The Trustee shall initially be the "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided. The Company may change the Security Registrar or appoint one or more co-Security Registrars without notice.

Upon surrender for registration of transfer of any Security at the office or agency of the Company designated pursuant to Section 1002, the Company shall execute, and the Trustee shall (in accordance with a Company Order for the authentication of such Securities) authenticate and make available for delivery, in the name of the designated transferee or transferees, one or more new Securities of the same series of any authorized denomination or denominations, of a like aggregate principal amount.

Furthermore, any Holder of the Global Security shall, by acceptance of such Global Security, agree that transfers of beneficial interests in such Global Security may be effected only through a book-entry system maintained by the Holder of such Global Security (or its agent), and that ownership of a beneficial interest in a Security shall be required to be reflected in a book entry.

At the option of the Holder, Securities may be exchanged for other Securities of any authorized denomination or denominations, of a like aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall (in accordance with a Company Order for the authentication of such Securities) authenticate and make available for delivery, Securities of the same series which the Holder making the exchange is entitled to receive; *provided* that no exchange of Series A Securities for Series B Securities shall occur until an Exchange Offer Registration Statement shall have been declared effective by the Commission and the Series A Securities exchanged for the Series B Securities shall be canceled.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same Indebtedness, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer, or for exchange, repurchase or redemption, shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form

satisfactory to the Company and the Security Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made to a Holder for any registration of transfer, exchange or redemption of Securities, except for any tax or other governmental charge that may be imposed in connection therewith, other than exchanges pursuant to Sections 303, 304, 305, 308, 906, 1012, 1014 or 1108 not involving any transfer.

The Company shall not be required (a) to issue, register the transfer of or exchange any Security during a period beginning at the opening of business 15 days before the mailing of a notice of redemption of the Securities selected for redemption under Section 1104 and ending at the close of business on the day of such mailing or (b) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of Securities being redeemed in part.

Every Security shall be subject to the restrictions on transfer provided in the legend required to be set forth on the face of each Security pursuant to Section 202, and the restrictions set forth in this Section 305, and the Holder of each Security, by such Holder's acceptance thereof (or interest therein), agrees to be bound by such restrictions on transfer.

Except as provided in the preceding paragraph, any Security authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, any Global Security, whether pursuant to this Section 305, Section 304, 308, 906 or 1108 or otherwise, shall also be a Global Security and bear the legend specified in Section 202.

Section 306. Book Entry Provisions for Global Securities

(a) Each Global Security initially shall (i) be registered in the name of the Depository for such Global Security or the nominee of such Depository, (ii) be deposited with, or on behalf of, the Depository or with the Trustee as custodian for such Depository and (iii) bear legends as set forth in Section 202.

Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository, or the Trustee as its custodian, or under such Global Security, and the Depository may be treated by the Company, the Guarantors, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Guarantors, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or shall impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any Security.

(b) Notwithstanding any other provision in this Indenture, no Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depositary for such Global Security or a nominee thereof unless (i) such Depositary (A) has notified the Company that it is unwilling or unable to continue as Depositary for such Global Security or (B) has ceased to be a clearing agency registered as such under the Exchange Act, and in either case the Company fails to appoint a successor Depositary, (ii) the Company, at its option, executes and delivers to the Trustee a Company Order stating that it elects to cause the issuance of the Securities in certificated form and that all Global Securities shall be exchanged in whole for Securities that are not Global Securities (in which case such exchange shall be effected by the Trustee) or (iii) there shall have occurred and be continuing an Event of Default or any event which after notice or lapse of time or both would be an Event of Default with respect to such Global Security.

(c) If any Global Security is to be exchanged for other Securities or canceled in whole, it shall be surrendered by or on behalf of the Depositary or its nominee to the Trustee, as Security Registrar, for exchange or cancellation as provided in this Article Three. If any Global Security is to be exchanged for other Securities or canceled in part, or if another Security is to be exchanged in whole or in part for a beneficial interest in any Global Security, then either (i) such Global Security shall be so surrendered for exchange or cancellation as provided in this Article Three or (ii) the principal amount thereof shall be reduced or increased by an amount equal to the portion thereof to be so exchanged or canceled, or equal to the principal amount of such other Security to be so exchanged for a beneficial interest therein, as the case may be, by means of an appropriate adjustment made on the records of the Trustee, as Security Registrar, whereupon the Trustee, in accordance with the Applicable Procedures, shall instruct the Depositary or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender or adjustment of a Global Security, the Trustee shall, subject to this Section 306(c) and as otherwise provided in this Article Three, authenticate and deliver any Securities issuable in exchange for such Global Security (or any portion thereof) to or upon the order of, and registered in such names as may be directed by, the Depositary or its authorized representative. Upon the request of the Trustee in connection with the occurrence of any of the events specified in the preceding paragraph, the Company shall promptly make available to the Trustee a reasonable supply of Securities that are not in the form of Global Securities. The Trustee shall be entitled to rely upon any order, direction or request of the Depositary or its authorized representative which is given or made pursuant to this Article Three if such order, direction or request is given or made in accordance with the Applicable Procedures.

(d) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof, whether pursuant to this Article Three or otherwise, shall be authenticated and delivered

in the form of, and shall be, a Global Security, unless such Security is registered in the name of a Person other than the Depository for such Global Security or a nominee thereof.

(e) The Depository or its nominee, as registered owner of a Global Security, shall be the Holder of such Global Security for all purposes under this Indenture and the Securities, and owners of beneficial interests in a Global Security shall hold such interests pursuant to the Applicable Procedures. Accordingly, any such owner's beneficial interest in a Global Security will be shown only on, and the transfer of such interest shall be effected only through, records maintained by the Depository or its nominee or its Agent Members.

Section 307. Special Transfer and Exchange Provisions.

(a) Certain Transfers and Exchanges. Transfers and exchanges of Securities and beneficial interests in a Global Security of the kinds specified in this Section 307 shall be made only in accordance with this Section 307 and subject in each case to the Applicable Procedures.

(i) Rule 144A Global Security to Regulation S Global Security. If the owner of a beneficial interest in the Rule 144A Global Security wishes at any time to transfer such interest to a Person who wishes to acquire the same in the form of a beneficial interest in the Regulation S Global Security, such transfer may be effected only in accordance with the provisions of this paragraph and paragraph (iv) below and subject to the Applicable Procedures. Upon receipt by the Trustee, as Security Registrar, of (a) an order given by the Depository or its authorized representative directing that a beneficial interest in the Regulation S Global Security in a specified principal amount be credited to a specified Agent Member's account and that a beneficial interest in the Rule 144A Global Security in an equal principal amount be debited from another specified Agent Member's account and (b) a Regulation S Certificate in the form of Exhibit A hereto, satisfactory to the Trustee and duly executed by the owner of such beneficial interest in the Rule 144A Global Security or his attorney duly authorized in writing, then the Trustee, as Security Registrar but subject to paragraph (iv) below, shall reduce the principal amount of the Rule 144A Global Security and increase the principal amount of the Regulation S Global Security by such specified principal amount as provided in Section 306(c).

(ii) Regulation S Global Security to Rule 144A Global Security. If the owner of a beneficial interest in the Regulation S Global Security wishes at any time to transfer such interest to a Person who wishes to acquire the same in the form of a beneficial interest in the Rule 144A

Global Security, such transfer may be effected only in accordance with this paragraph (ii) and subject to the Applicable Procedures. Upon receipt by the Trustee, as Security Registrar, of (a) an order given by the Depository or its authorized representative directing that a beneficial interest in the Rule 144A Global Security in a specified principal amount be credited to a specified Agent Member's account and that a beneficial interest in the Regulation S Global Security in an equal principal amount be debited from another specified Agent Member's account and (b) if such transfer is to occur during the Restricted Period, a Restricted Securities Certificate in the form of Exhibit B hereto, satisfactory to the Trustee and duly executed by the owner of such beneficial interest in the Regulation S Global Security or his attorney duly authorized in writing, then the Trustee, as Security Registrar, shall reduce the principal amount of the Regulation S Global Security and increase the principal amount of the Rule 144A Global Security by such specified principal amount as provided in Section 306(c).

(iii) Exchanges between Global Security and Non-Global Security A beneficial interest in a Global Security may be exchanged for a Security that is not a Global Security as provided in Section 307(b), provided that, if such interest is a beneficial interest in the Rule 144A Global Security, or if such interest is a beneficial interest in the Regulation S Global Security and such exchange is to occur during the Restricted Period, then such interest shall bear the Private Placement Legend (subject in each case to Section 307(b)).

(iv) Regulation S Global Security to be Held Through Euroclear or Clearstream during Restricted Period The Company shall use its best efforts to cause the Depository to ensure that, until the expiration of the Restricted Period, beneficial interests in the Regulation S Global Security may be held only in or through accounts maintained at the Depository by Euroclear or Clearstream (or by Agent Members acting for the account thereof), and no person shall be entitled to effect any transfer or exchange that would result in any such interest being held otherwise than in or through such an account; provided that this paragraph (iv) shall not prohibit any transfer or exchange of such an interest in accordance with paragraph (ii) above.

(b) Private Placement Legends. Rule 144A Securities and their Successor Securities and Regulation S Securities and their Successor Securities shall bear a Private Placement Legend, subject to the following:

(i) subject to the following clauses of this Section 307(b), a Security or any portion thereof which is exchanged, upon transfer or otherwise, for a Global Security or any portion thereof shall bear the

Private Placement Legend borne by such Global Security while represented thereby;

(ii) subject to the following Clauses of this Section 307(b), a new Security which is not a Global Security and is issued in exchange for another Security (including a Global Security) or any portion thereof, upon transfer or otherwise, shall bear the Private Placement Legend borne by such other Security;

(iii) Series B Securities, and all other Securities sold or otherwise disposed of pursuant to an effective registration statement under the Securities Act, together with their respective Successor Securities, shall not bear a Private Placement Legend;

(iv) at any time after the Securities may be freely transferred without registration under the Securities Act or without being subject to transfer restrictions pursuant to the Securities Act, a new Security which does not bear a Private Placement Legend may be issued in exchange for or in lieu of a Security (other than a Global Security) or any portion thereof which bears such a legend if the Trustee has received an Unrestricted Securities Certificate substantially in the form of Exhibit C hereto, satisfactory to the Trustee and duly executed by the Holder of such legended Security or his attorney duly authorized in writing, and after such date and receipt of such certificate, the Trustee shall authenticate and deliver such a new Security in exchange for or in lieu of such other Security as provided in this Article Three;

(v) a new Security which does not bear a Private Placement Legend may be issued in exchange for or in lieu of a Security (other than a Global Security) or any portion thereof which bears such a legend if, in the Company's judgment, placing such a legend upon such new Security is not necessary to ensure compliance with the registration requirements of the Securities Act, and the Trustee, at the direction of the Company, shall authenticate and deliver such a new Security as provided in this Article Three; and

(vi) notwithstanding the foregoing provisions of this Section 307(b), a Successor Security of a Security that does not bear a particular form of Private Placement Legend shall not bear such form of legend unless the Company has reasonable cause to believe that such Successor Security is a "restricted security" within the meaning of Rule 144, in which case the Trustee, at the direction of the Company, shall authenticate and deliver a new Security bearing a Private Placement Legend in exchange for such Successor Security as provided in this Article Three.

By its acceptance of any Security bearing the Private Placement Legend, each Holder of such a Security acknowledges the restrictions on transfer of such Security set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Security only as provided in this Indenture.

The Security Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 306 or this Section 307. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Security Registrar.

In the event that Regulation S is amended during the term of this Indenture to alter the applicable holding period, all reference in this Indenture to a holding period for Non-U.S. Persons will be deemed to include such amendment.

Section 308. Mutilated, Destroyed, Lost and Stolen Securities.

If (a) any mutilated Security is surrendered to the Trustee, or (b) the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Security, and there is delivered to the Company, any Guarantor and the Trustee, such security or indemnity, in each case, as may be required by them to save each of them harmless, then, in the absence of notice to the Company, any Guarantor or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and upon a Company Request the Trustee shall authenticate and deliver, in exchange for any such mutilated Security or in lieu of any such destroyed, lost or stolen Security, a replacement Security of like tenor and principal amount, bearing a number not contemporaneously outstanding and each Guarantor shall execute a replacement Guarantee.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a replacement Security, pay such Security.

Upon the issuance of any replacement Securities under this Section, the Company may require the payment of a sum sufficient to pay all documentary, stamp or similar issue or transfer taxes or other governmental charges that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every replacement Security and Guarantee issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company and any Guarantor, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to

all benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 309. Payment of Interest; Interest Rights Preserved.

Interest on any Security which is payable, and is punctually paid or duly provided for, on the Stated Maturity of such interest shall be paid to the Person in whose name the Security (or any Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest payment.

Any interest on any Security which is payable, but is not punctually paid or duly provided for, on the Stated Maturity of such interest, and interest on such defaulted interest at the then applicable interest rate borne by the Securities, to the extent lawful (such defaulted interest and interest thereon herein collectively called "Defaulted Interest"), shall forthwith cease to be payable to the Holder on the Regular Record Date; and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Subsection (a) or (b) below:

(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities (or any relevant Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date (not less than 30 days after such notice) of the proposed payment (the "Special Payment Date"), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the Special Payment Date, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Subsection provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the Special Payment Date and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company in writing of such Special Record Date. In the name and at the expense of the Company, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder at its address as it

appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Payment Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities are registered on such Special Record Date and shall no longer be payable pursuant to the following Subsection (b).

(b) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by this Indenture not inconsistent with the requirements of such exchange, if, after written notice given by the Company to the Trustee of the proposed payment pursuant to this Subsection, such payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 309, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Section 310. CUSIP Numbers.

The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and the Company, or the Trustee on behalf of the Company, shall use CUSIP numbers in notices of redemption or exchange as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of redemption or exchange and that reliance may be placed only on the other identification numbers printed on the Securities; and *provided further, however*, that failure to use CUSIP numbers in any notice of redemption or exchange shall not affect the validity or sufficiency of such notice.

Section 311. Persons Deemed Owners

Prior to due presentment of a Security for registration of transfer, the Company, any Guarantor, the Trustee and any agent of the Company, any Guarantor or the Trustee may treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of, premium, if any, and (subject to Section 309) interest on, such Security and for all other purposes whatsoever, whether or not such Security is overdue, and neither the Company, any Guarantor, the Trustee nor any agent of the Company, any Guarantor or the Trustee shall be affected by notice to the contrary.

Section 312. Cancellation.

All Securities surrendered for payment, purchase, redemption, registration of transfer or exchange shall be delivered to the Trustee and, if not already canceled, shall be promptly canceled by it. The Company and any Guarantor may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company or such Guarantor may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section 312, except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be returned to the Company. The Trustee shall provide the Company a list of all Securities that have been canceled from time to time as requested by the Company.

Section 313. Computation of Interest.

Interest on the Securities shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

ARTICLE FOUR

DEFEASANCE AND COVENANT DEFEASANCE

Section 401. Company's Option to Effect Defeasance or Covenant Defeasance.

The Company may, at its option by Board Resolution, at any time, with respect to the Securities, elect to have either Section 402 or Section 403 be applied to all of the Outstanding Securities (the "Defeased Securities"), upon compliance with the conditions set forth below in this Article Four.

Section 402. Defeasance and Discharge.

Upon the Company's exercise under Section 401 of the option applicable to this Section 402, the Company, each Guarantor and any other obligor upon the Securities, if any, shall be deemed to have been discharged from its obligations with respect to the Defeased Securities on the date the conditions set forth in Section 404 below are satisfied (hereinafter, "defeasance"). For this purpose, such defeasance means that the Company, each Guarantor and any other obligor under this Indenture shall be deemed to have paid and discharged the entire Indebtedness represented by the Defeased Securities, which shall thereafter be deemed to be "Outstanding" only for the purposes of Section 405 and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company and upon Company Request, shall execute proper instruments acknowledging the same), except for the

following which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of Defeased Securities to receive, solely from the trust fund described in Section 404 and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, and interest on, such Securities, when such payments are due, (b) the Company's obligations with respect to such Defeased Securities under Sections 304, 305, 308, 1002 and 1003, (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder, including, without limitation, the Trustee's rights under Section 607, and (d) this Article Four. Subject to compliance with this Article Four, the Company may exercise its option under this Section 402 notwithstanding the prior exercise of its option under Section 403 with respect to the Securities.

Section 403. Covenant Defeasance.

Upon the Company's exercise under Section 401 of the option applicable to this Section 403, the Company and each Guarantor shall be released from its obligations under any covenant or provision contained or referred to in Sections 1005 through 1020, inclusive, and the provisions of clause (iii) of Section 801(a), with respect to the Defeased Securities, on and after the date the conditions set forth in Section 404 below are satisfied (hereinafter, "covenant defeasance"), and the Defeased Securities shall thereafter be deemed to be not "Outstanding" for the purposes of any direction, waiver, consent or declaration or Act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "Outstanding" for all other purposes hereunder. For this purpose, such covenant defeasance means that, with respect to the Defeased Securities, the Company and each Guarantor may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section, whether directly or indirectly, by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 501(c), (d) or (f) but, except as specified above, the remainder of this Indenture and such Defeased Securities shall be unaffected thereby.

Section 404. Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to application of either Section 402 or Section 403 to the Defeased Securities:

(1) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, (a) cash in United States dollars, (b) U.S. Government Obligations, or (c) a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants or a nationally recognized investment banking firm expressed in a written certification thereof delivered

to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, the principal of, premium, if any, and interest on, the Defeased Securities, on the Stated Maturity of such principal or interest (or on any date after March 15, 2014 (such date being referred to as the "Defeasance Redemption Date") if at or prior to electing to exercise either its option applicable to Section 402 or its option applicable to Section 403, the Company has delivered to the Trustee an irrevocable notice to redeem the Defeased Securities on the Defeasance Redemption Date). For this purpose, "U.S. Government Obligations" means securities that are (i) direct obligations of the United States of America for the timely payment of which its full faith and credit is pledged or (ii) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the timely payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof, and shall also include a Depositary receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act), as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such Depositary receipt, *provided* that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such Depositary receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such Depositary receipt;

(2) In the case of an election under Section 402, the Company shall have delivered to the Trustee an Opinion of Independent Counsel in the United States stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Independent Counsel in the United States shall confirm that, the Holders of the Outstanding Securities will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred;

(3) In the case of an election under Section 403, the Company shall have delivered to the Trustee an Opinion of Independent Counsel in the United States to the effect that the Holders of the Outstanding Securities will not recognize income, gain or loss for federal income tax purposes as a result of such covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred;

(4) No Default or Event of Default shall have occurred and be continuing on the date of such deposit or insofar as Section 501(g) or (h) is concerned, at

any time during the period ending on the 91st day after the date of deposit (it being understood that this condition shall not be deemed satisfied until the expiration of such period) (other than a Default which results from the borrowing of amounts to finance the defeasance and which borrowing does not result in a breach or violation of, or constitute a default, under any other material agreement or instrument to which the Company or any Restricted Subsidiary is a party or to which it is bound);

(5) Such defeasance or covenant defeasance shall not cause the Trustee for the Securities to have a conflicting interest in violation of and for purposes of the Trust Indenture Act with respect to any other securities of the Company or any Guarantor;

(6) Such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a Default under, this Indenture or any other material agreement or instrument to which the Company, any Guarantor or any Restricted Subsidiary is a party or by which it is bound;

(7) Such defeasance or covenant defeasance shall not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act of 1940, as amended, unless such trust shall be registered under such Act or exempt from registration thereunder;

(8) The Company shall have delivered to the Trustee an Opinion of Independent Counsel in the United States to the effect that (assuming that no Holder of any Securities would be considered an insider of the Company under any applicable bankruptcy or insolvency law and assuming no intervening bankruptcy or insolvency of the Company between the date of deposit and the 91st day following the deposit) after the 91st day following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(9) The Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the holders of the Securities or any Guarantee over the other creditors of the Company or any Guarantor with the intent of defeating, hindering, delaying or defrauding creditors of the Company, any Guarantor or others;

(10) No event or condition shall exist that would prevent the Company from making payments of the principal of, premium, if any, and interest on the Securities on the date of such deposit or at any time ending on the 91st day after the date of such deposit; and

(11) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Independent Counsel, each stating that all conditions

precedent provided for relating to either the defeasance under Section 402 or the covenant defeasance under Section 403 (as the case may be) have been complied with.

Opinions of Counsel or Opinions of Independent Counsel required to be delivered under this Section shall be in form and substance reasonably satisfactory to the Trustee may have qualifications customary for opinions of the type required and counsel delivering such opinions may rely on certificates of the Company or government or other officials customary for opinions of the type required, which certificates shall be limited as to matters of fact, including that various financial covenants have been complied with.

Section 405. Deposited Money and U.S. Government Obligations to Be Held in Trust; Other Miscellaneous Provisions

Subject to the provisions of the last paragraph of Section 1003, all United States dollars and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 404 in respect of the Defeased Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (excluding the Company or any of its Affiliates acting as Paying Agent), as the Trustee may determine, to the Holders of such Securities of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 404 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is imposed, assessed or for the account of the Holders of the Defeased Securities.

Anything in this Article Four to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any United States dollars or U.S. Government Obligations held by it as provided in Section 404 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect defeasance or covenant defeasance.

Section 406. Reinstatement.

If the Trustee or Paying Agent is unable to apply any United States dollars or U.S. Government Obligations in accordance with Section 402 or 403, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Securities and any Guarantor's obligations under any

Guarantee shall be revived and reinstated, with present and prospective effect, as though no deposit had occurred pursuant to Section 402 or 403, as the case may be, until such time as the Trustee or Paying Agent is permitted to apply all such United States dollars or U.S. Government Obligations in accordance with Section 402 or 403, as the case may be; *provided, however*, that if the Company makes any payment to the Trustee or Paying Agent of principal of, premium, if any, or interest on any Security following the reinstatement of its obligations, the Trustee or Paying Agent shall promptly pay any such amount to the Holders of the Securities and the Company shall be subrogated to the rights of the Holders of such Securities to receive such payment from the United States dollars and U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE FIVE
REMEDIES

Section 501. Events of Default.

“Event of Default,” wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) there shall be a default in the payment of any interest on any Security when it becomes due and payable, and such default shall continue for a period of 30 days (whether or not prohibited by the subordination provisions of this Indenture);

(e) any Guarantee shall for any reason cease to be, or shall for any reason be asserted in writing by any Guarantor or the Company not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by this Indenture and any such Guarantee, if such default continues for a period of 30 days after written notice has been given (x) to the Company by the Trustee or (y) to the Company and the Trustee by the Holders of not less than 25% in aggregate principal amount of the Securities then outstanding;

(f) one or more final judgments, orders or decrees (not subject to appeal) of any court or regulatory or administrative agency for the payment of money in excess of \$35.0 million, either individually or in the aggregate (exclusive of any portion of any such payment covered by insurance or indemnification), shall be rendered against the Company, any Guarantor or any Restricted Subsidiary or any of their respective properties and shall not be discharged or fully bonded and there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of an appeal or otherwise, shall not be in effect;

(g) there shall have been the entry by a court of competent jurisdiction of (i) a decree or order for relief in respect of the Company or any Significant Restricted Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (ii) a decree or order adjudging the Company or any Significant Restricted Subsidiary bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or any Significant Restricted Subsidiary under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or any Significant Restricted Subsidiary or of any substantial part of their respective properties, or ordering the winding up or liquidation of their respective affairs, and any such decree or order for relief shall continue to be in effect, or any such other decree or order shall be unstayed and in effect, for a period of 60 consecutive days; or

(h) (i) the Company or any Significant Restricted Subsidiary commences a voluntary case or proceeding under any applicable Bankruptcy Law or any other case or proceeding to be adjudicated bankrupt or insolvent, (ii) the Company or any Significant Restricted Subsidiary consents to the entry of a decree or order for relief in

Section 502. Acceleration of Maturity; Rescission and Annulment

If an Event of Default (other than an Event of Default specified in Sections 501(g) and (h)) shall occur and be continuing with respect to this Indenture, the Trustee or the Holders of not less than 25% in aggregate principal amount of the Securities then Outstanding may, and the Trustee at the request of such Holders shall, declare all unpaid principal of, premium, if any, and accrued interest on all Securities to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by the Holders of the Securities) and upon any such declaration, such principal, premium, if any, and interest shall become due and payable immediately. If an Event of Default specified in clause (g) or (h) of Section 501 occurs and is continuing, then all the Securities shall *ipso facto* become and be due and payable immediately in an amount equal to the principal amount of the Securities, together with accrued and unpaid interest, if any, to the date the Securities become due and payable, without any declaration or other act on the part of the Trustee or any Holder. Thereupon, the Trustee may, at its discretion, proceed to protect and enforce the rights of the Holders of the Securities by appropriate judicial proceedings.

After a declaration of acceleration with respect to the Securities, but before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in aggregate principal amount of the Securities Outstanding, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Company has paid or deposited with the Trustee a sum sufficient to pay

(i) all sums paid or advanced by the Trustee under this Indenture and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel,

(ii) all overdue interest on all Outstanding Securities,

(iii) the principal of and premium, if any, on any Outstanding Securities which have become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Securities, and

(iv) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by the Securities;

(b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and

(c) all Events of Default, other than the non-payment of principal of, premium, if any, and interest on the Securities which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 513. No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 503. Collection of Indebtedness and Suits for Enforcement by Trustee

The Company and each Guarantor covenant that if

(a) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(b) default is made in the payment of the principal of or premium, if any, on any Security at the Stated Maturity thereof or otherwise,

the Company and such Guarantor will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and premium, if any, and interest, with interest upon the overdue principal and premium, if any, and, to the extent that payment of such interest shall be legally enforceable, upon overdue installments of interest, at the rate borne by the Securities; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company or any Guarantor, as the case may be, fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid and may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any Guarantor or any other obligor upon the Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law

out of the property of the Company, any Guarantor or any other obligor upon the Securities, wherever situated.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders under this Indenture or any Guarantee by such appropriate private or judicial proceedings as the Trustee shall deem most effectual to protect and enforce such rights, including seeking recourse against any Guarantor pursuant to the terms of any Guarantee, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein or therein, or to enforce any other proper remedy, including, without limitation, seeking recourse against any Guarantor pursuant to the terms of a Guarantee, or to enforce any other proper remedy, subject however to Section 512. No recovery of any such judgment upon any property of the Company or any Guarantor shall affect or impair any rights, powers or remedies of the Trustee or the Holders.

Section 504. Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor, including any Guarantor, upon the Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file and prove a claim for the whole amount of principal, and premium, if any, and interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and

(b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 607.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 505. Trustee May Enforce Claims without Possession of Securities

All rights of action and claims under this Indenture, the Securities or the Guarantees may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 506. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article or otherwise on behalf of the Holders or the Trustee pursuant to this Article or through any proceeding or any arrangement or restructuring in anticipation or in lieu of any proceeding contemplated by this Article shall be applied, subject to applicable law, in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal, premium, if any, or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 607;

SECOND: To the payment of the amounts then due and unpaid upon the Securities for principal, premium, if any, and interest, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal, premium, if any, and interest; and

THIRD: The balance, if any, to the Person or Persons entitled thereto, including the Company, provided that all sums due and owing to the Holders and the Trustee have been paid in full as required by this Indenture.

Section 507. Limitation on Suits.

No Holder of any Securities shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture or the Securities, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

- (a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;
- (b) the Holders of not less than 25% in aggregate principal amount of the Outstanding Securities shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as trustee hereunder;
- (c) such Holder or Holders have offered to the Trustee a reasonable indemnity or furnished security against the costs, expenses and liabilities to be incurred in compliance with such request;
- (d) the Trustee for 30 days after its receipt of such notice, request and offer (and if requested, provision) of indemnity or security has failed to institute any such proceeding; and
- (e) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by the Holders of a majority in aggregate principal amount of the Outstanding Securities;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture, any Security or any Guarantee to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, any Security or any Guarantee, except in the manner provided in this Indenture and for the equal and ratable benefit of all the Holders.

Section 508. Unconditional Right of Holders to Receive Principal, Premium and Interest

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right based on the terms stated herein, which is absolute and unconditional, to receive payment of the principal of, premium, if any, and (subject to Section 309) interest on such Security on or after the respective Stated Maturities expressed in such Security (or, in the case of redemption or repurchase, on the Redemption Date or the repurchase date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 509. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture or any Guarantee and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Company, any Guarantor, any other obligor on the Securities, the Trustee and the Holders shall, subject to any determination in such proceeding, be restored severally and respectively to their former

positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 510. Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 511. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 512. Control by Holders.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, *provided* that

(a) such direction shall not be in conflict with any rule of law or with this Indenture (including, without limitation, Section 507) or any Guarantee, expose the Trustee to personal liability, or be unduly prejudicial to Holders not joining therein; and

(b) subject to the provisions of Section 315 of the Trust Indenture Act, the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 513. Waiver of Past Defaults.

The Holders of not less than a majority in aggregate principal amount of the Outstanding Securities may on behalf of the Holders of all Outstanding Securities waive any existing or past Default hereunder and its consequences, except a Default

(a) in the payment of the principal of, premium, if any, or interest on any Security (which may only be waived with the consent of each Holder of the Securities affected); or

(b) in respect of a covenant or a provision hereof which under this Indenture cannot be modified or amended without the consent of the Holder of each Security Outstanding affected by such modification or amendment.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 514. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant, but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities, or to any suit instituted by any Holder for the enforcement of the payment of the principal of, premium, if any, or interest on, any Security on or after the respective Stated Maturities expressed in such Security (or, in the case of redemption, on or after the Redemption Date).

Section 515. Waiver of Stay, Extension or Usury Laws.

Each of the Company and the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury or other law wherever enacted, now or at any time hereafter in force, which would prohibit or forgive the Company or any Guarantor from paying all or any portion of the principal of, premium, if any, or interest on the Securities contemplated herein or in the Securities or which may affect the covenants or the performance of this Indenture; and each of the Company and the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 516. Remedies Subject to Applicable Law.

All rights, remedies and powers provided by this Article Five may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Indenture are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Indenture invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

ARTICLE SIX
THE TRUSTEE

Section 601. Duties of Trustee.

Subject to the provisions of Trust Indenture Act Sections 315(a) through 315(d):

(a) if a Default or an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise thereof as a prudent person would exercise or use under the circumstances in the conduct of his own affairs;

(b) except during the continuance of a Default or an Event of Default:

(1) the Trustee need perform only those duties as are specifically set forth in this Indenture and no covenants or obligations shall be implied in this Indenture that are adverse to the Trustee; and

(2) in the absence of bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture;

(c) the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this Subsection (c) does not limit the effect of Subsection (b) of this Section 601;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith, in accordance with a direction of the Holders of a majority in principal amount of Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power confirmed upon the Trustee under this Indenture;

(d) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it;

(e) whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to Subsections (a), (b), (c) and (d) and (f) of this Section 601; and

(f) the Trustee shall not be liable for interest on any money or assets received by it except as the Trustee may agree with the Company. Assets held in trust by the Trustee need not be segregated from other assets except to the extent required by law.

Section 602. Notice of Defaults.

Within 30 days after a Responsible Officer of the Trustee receives notice of the occurrence of any Default, the Trustee shall transmit by mail to all Holders and any other Persons entitled to receive reports pursuant to Section 313(c) of the Trust Indenture Act, as their names and addresses appear in the Security Register, notice of such Default hereunder known to the Trustee, unless such Default shall have been cured or waived; *provided, however*, that, except in the case of a Default in the payment of the principal of, premium, if any, or interest on any Security, the Trustee shall be protected in withholding such notice if and so long as a trust committee of Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders.

Section 603. Certain Rights of Trustee.

Subject to the provisions of Section 601 hereof and Trust Indenture Act Sections 315(a) through 315(d):

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon receipt by it of any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other

evidence of Indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) the Trustee may consult with counsel of its selection and any advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred therein;

(e) the Trustee shall not be liable for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion, rights or powers conferred upon it by this Indenture other than any liabilities arising out of the negligence, bad faith or willful misconduct of the Trustee;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, coupon, security or other paper or document unless requested in writing to do so by the Holders of not less than a majority in aggregate principal amount of the Securities then Outstanding; *provided* that, if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require reasonable indemnity against such expenses or liabilities as a condition to proceeding; the reasonable expenses of every such investigation so requested by the Holders of not less than 25% in aggregate principal amount of the Securities Outstanding shall be paid by the Company or, if paid by the Trustee or any predecessor Trustee, shall be repaid by the Company upon demand; *provided, further*, the Trustee in its discretion may make such further inquiry or investigation into such facts or matters as it may deem fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the

Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) Except with respect to Section 1001, the Trustee shall have no duty to inquire as to the performance of the Company with respect to the covenants contained in Article 10. In addition, the Trustee shall not be deemed to have knowledge of an Event of Default except (i) any Default or Event of Default occurring pursuant to Sections 1001, 501(a) or 501(b) or (ii) any Default or Event of Default of which the Trustee shall have received written notification or obtained actual knowledge; and

(i) Delivery of reports, information and documents to the Trustee under Section 1019 is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 604. Trustee Not Responsible for Recitals, Dispositions of Securities or Application of Proceeds Thereof

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Guarantors, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Securities and perform its obligations hereunder and that the statements made by it in any Statement of Eligibility and Qualification on Form T-1 supplied to the Company are true and accurate subject to the qualifications set forth therein. The Trustee shall not be accountable for the use or application by the Company of Securities or the proceeds thereof.

Section 605. Trustee and Agents May Hold Securities; Collections; etc.

The Trustee, any Paying Agent, Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities, with the same rights it would have if it were not the Trustee, Paying Agent, Security Registrar or such other agent and, subject to Trust Indenture Act Sections 310 and 311, may otherwise deal with the Company and receive, collect, hold and retain collections from the Company with the same rights it would have if it were not the Trustee, Paying Agent, Security Registrar or such other agent.

Section 606. Money Held in Trust

All moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by mandatory provisions of law. Except for funds or securities deposited with the Trustee pursuant to Article Four, the Trustee shall be required to invest all moneys received by the Trustee, until used or applied as herein provided, in Temporary Cash Investments in accordance with the directions of the Company.

Section 607. Compensation and Indemnification of Trustee and Its Prior Claim

The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation as the parties shall agree in writing from time to time for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and the Company covenants and agrees to pay or reimburse the Trustee and each predecessor Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by or on behalf of the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all agents and other persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence, bad faith or willful misconduct. The Company also covenants and agrees to indemnify the Trustee and each predecessor Trustee for, and to hold it harmless against, any claim, loss, liability, tax, assessment or other governmental charge (other than taxes applicable to the Trustee's compensation hereunder) or expense incurred without negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder and its duties hereunder, including enforcement of this Section 607 and also including any liability which the Trustee may incur as a result of failure to withhold, pay or report any tax, assessment or other governmental charge, and the costs and expenses of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. The obligations of the Company under this Section 607 to compensate and indemnify the Trustee and each predecessor Trustee and to pay or reimburse the Trustee and each predecessor Trustee for reasonable expenses, disbursements and advances shall constitute an additional obligation hereunder and shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee and each predecessor Trustee.

Section 608. Conflicting Interests.

The Trustee shall comply with the provisions of Section 310(b) of the Trust Indenture Act.

Section 609. Trustee Eligibility.

There shall at all times be a Trustee hereunder which shall be eligible to act as trustee under Trust Indenture Act Section 310(a) and is a member of a bank holding company which shall have a combined capital and surplus of at least \$250,000,000, to the extent there is an institution eligible and willing to serve. If the Trustee does not have a Corporate Trust Office in The City of New York, the Trustee may appoint an agent in The City of New York reasonably acceptable to the Company to conduct any activities which the Trustee may be required under this Indenture to conduct in The City of New York. If such Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 609, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 609, the Trustee shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 610. Resignation and Removal; Appointment of Successor Trustee.

(a) No resignation or removal of the Trustee and no appointment of a successor trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor trustee under Section 611.

(b) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign by giving written notice thereof to the Company no later than 20 Business Days prior to the proposed date of resignation. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument executed by authority of the Board of Directors of the Company, a copy of which shall be delivered to the resigning Trustee and a copy to the successor trustee. If an instrument of acceptance by a successor trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may, or any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper, appoint and prescribe a successor trustee.

(c) The Trustee may be removed at any time for any cause or for no cause by an Act of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities, delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall fail to comply with the provisions of Trust Indenture Act Section 310(b) after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months,

(2) the Trustee shall cease to be eligible under Section 609 and shall fail to resign after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any case, (i) the Company by a Board Resolution may remove the Trustee, or (ii) subject to Section 514, the Holder of any Security who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company, by a Board Resolution, shall promptly appoint a successor trustee and shall comply with the applicable requirements of Section 611. If, within 60 days after such resignation, removal or incapability, or the occurrence of such vacancy, the Company has not appointed a successor Trustee, a successor trustee shall be appointed by the Act of the Holders of a majority in principal amount of the Outstanding Securities delivered to the Company and the retiring Trustee. Such successor trustee so appointed shall forthwith upon its acceptance of such appointment become the successor trustee and supersede the successor trustee appointed by the Company. If no successor trustee shall have been so appointed by the Company or the Holders of the Securities and accepted appointment in the manner hereinafter provided, the Trustee or the Holder of any Security who has been a bona fide Holder for at least six months may, subject to Section 514, on behalf of

himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor trustee.

(f) The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor trustee by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Securities as their names and addresses appear in the Security Register. Each notice shall include the name of the successor trustee and the address of its Corporate Trust Office or agent hereunder.

Section 611. Acceptance of Appointment by Successor.

Every successor trustee appointed hereunder shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee as if originally named as Trustee hereunder; but, nevertheless, on the written request of the Company or the successor trustee, upon payment of its charges pursuant to Section 607 then unpaid, such retiring Trustee shall pay over to the successor trustee all moneys at the time held by it hereunder and shall execute and deliver an instrument transferring to such successor trustee all such rights, powers, duties and obligations. Upon request of any such successor trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers.

No successor trustee with respect to the Securities shall accept appointment as provided in this Section 611 unless at the time of such acceptance such successor trustee shall be eligible to act as trustee under the provisions of Trust Indenture Act Section 310(a) and this Article Six and shall have a combined capital and surplus of at least \$250,000,000 and have a Corporate Trust Office or an agent selected in accordance with Section 609.

Upon acceptance of appointment by any successor trustee as provided in this Section 611, the Company shall give notice thereof to the Holders of the Securities, by mailing such notice to such Holders at their addresses as they shall appear on the Security Register. If the acceptance of appointment is substantially contemporaneous with the appointment, then the notice called for by the preceding sentence may be combined with the notice called for by Section 610. If the Company fails to give such notice within 10 days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be given at the expense of the Company.

Section 612. Merger, Conversion, Consolidation or Succession to Business

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee (including the trust created by this Indenture) shall be the successor of the Trustee hereunder, *provided* that such corporation shall be eligible under Trust Indenture Act Section 310(a) and this Article Six and shall have a combined capital and surplus of at least \$250,000,000 and have a Corporate Trust Office or an agent selected in accordance with Section 609, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture any of the Securities shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee and deliver such Securities so authenticated; and, in case at that time any of the Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of any predecessor hereunder or in the name of the successor trustee; and in all such cases such certificate shall have the full force which it is anywhere in the Securities or in this Indenture provided that the certificate of the Trustee shall have; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Securities in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 613. Preferential Collection of Claims Against Company.

If and when the Trustee shall be or become a creditor of the Company (or other obligor under the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

The Company, the Trustee, the Security Registrar and any other Person shall have the protection of Trust Indenture Act Section 312(c). Further, every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee or any agent of either of them shall be held accountable by reason of the disclosure of any information as to the names and addresses of the Holders in accordance with Trust Indenture Act Section 312, regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under Trust Indenture Act Section 312.

The Company will notify the Trustee promptly if the Securities are listed on any stock exchange.

Section 704. Reports by Company and Guarantors.

The Company and each Guarantor, as the case may be, shall:

(b) file with the Trustee and the Commission, in accordance with the rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Company or any Guarantor, as the case may be, with the conditions and covenants of this Indenture as are required from time to time by such rules and regulations (including such information, documents and reports referred to in Trust Indenture Act Section 314(a)); and

(c) within 15 days after the filing thereof with the Trustee, transmit by mail to all Holders in the manner and to the extent provided in Trust Indenture Act Section 313(c), such summaries of any information, documents and reports required to be filed by the Company or any Guarantor, as the case may be, pursuant to Section 1019 hereunder and subsections (a) and (b) of this Section as are required by rules and regulations prescribed from time to time by the Commission.

ARTICLE EIGHT
CONSOLIDATION, MERGER, SALE OF ASSETS

Section 801. Company and Guarantors May Consolidate, etc., Only on Certain Terms

(a) The Company will not, in a single transaction or through a series of related transactions, consolidate with or merge with or into any other Person or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of its properties and assets to any Person or group of Persons, or permit any of its Restricted Subsidiaries to enter into any such transaction or series of related transactions if such transaction or series of related transactions, in the aggregate, would result in a sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries on a Consolidated basis to any other Person or group of Persons, unless at the time and after giving effect thereto:

(i) either (a) the Company will be the continuing corporation (in the case of a consolidation or merger involving the Company) or (b) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, conveyance, transfer, lease or disposition all or substantially all of the properties and assets of the Company and its Restricted Subsidiaries on a Consolidated basis (the "Surviving Entity") will be a corporation, partnership, limited liability company, trust or other entity duly organized and validly existing under the laws of the United States of America, any state thereof or the District of Columbia and such Person expressly assumes, by a supplemental indenture, in a form reasonably satisfactory to the Trustee, all the obligations of the Company under the Securities and this Indenture and the Registration Rights Agreement, as the case may be, and the Securities and this Indenture and the Registration Rights Agreement (to the extent any obligations remain under the Registration Rights Agreement) will remain in full force and effect as so supplemented;

(ii) immediately before and immediately after giving effect to such transaction on *apro forma* basis (and treating any Indebtedness not previously an obligation of the Company or any of its Restricted Subsidiaries which becomes the obligation of the Company or any of its Restricted Subsidiaries as a result of such transaction as having been incurred at the time of such transaction), no Default or Event of Default will have occurred and be continuing;

(iii) immediately before and immediately after giving effect to such transaction on *pro forma* basis (on the assumption that the transaction occurred on the first day of the four-quarter period for which financial statements are available ending immediately prior to the consummation of such transaction with the appropriate adjustments with respect to the transaction being included in such *pro forma* calculation), the Company (or the Surviving Entity if the Company is not the continuing obligor hereunder) could incur \$1.00 of additional Indebtedness (other than Permitted Indebtedness) under Section 1008;

(iv) at the time of the transaction, each Guarantor, if any, unless it is the other party to the transactions described above, will have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and under the Securities;

(v) at the time of the transaction if any of the property or assets of the Company or any of its Restricted Subsidiaries would thereupon become subject to any Lien, the provisions of Section 1011 are complied with; and

(vi) at the time of the transaction the Company or the Surviving Entity will have delivered, or caused to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers' Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger, transfer, sale, assignment, conveyance, transfer, lease or other transaction and the supplemental indenture in respect thereof comply with this Indenture and that all conditions precedent herein provided for relating to such transaction have been complied with.

(b) Each Guarantor will not, and the Company will not permit a Guarantor to, in a single transaction or through a series of related transactions, consolidate with or merge with or into any other Person (other than the Company or any Guarantor) or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of its properties and assets on a Consolidated basis to any Person or group of Persons (other than the Company or any Guarantor), or permit any of its Restricted Subsidiaries to enter into any such transaction or series of transactions if such transaction or series of transactions, in the aggregate, would result in a sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Guarantor and its Restricted Subsidiaries on a Consolidated basis to any other Person or group of Persons (other than the Company or any Guarantor), unless at the time and after giving effect thereto:

(i) either (1) the Guarantor will be the continuing entity (in the case of a consolidation or merger involving the Guarantor) or (2) the Person

(if other than the Guarantor) formed by such consolidation or into which such Guarantor is merged or the Person which acquires by sale, assignment, conveyance, transfer, lease or disposition all or substantially all of the properties and assets of the Guarantor and its Restricted Subsidiaries on a Consolidated basis (the "Surviving Guarantor Entity") is duly organized and validly existing under the laws of the United States of America, any state thereof or the District of Columbia and such Person expressly assumes, by a supplemental indenture, in a form reasonably satisfactory to the Trustee, all the obligations of such Guarantor under its Guarantee of the Securities and this Indenture and the Registration Rights Agreement (to the extent any obligations remain under the Registration Rights Agreement) and such Guarantee, Indenture and Registration Rights Agreement will remain in full force and effect;

(ii) immediately before and immediately after giving effect to such transaction, on *pro forma* basis, no Default or Event of Default will have occurred and be continuing; and

(iii) at the time of the transaction such Guarantor or the Surviving Guarantor Entity will have delivered, or caused to be delivered, to the Trustee, in form and substance reasonably satisfactory to the Trustee, an Officers' Certificate and an Opinion of Counsel, each to the effect that such consolidation, merger, transfer, sale, assignment, conveyance, lease or other transaction and the supplemental indenture in respect thereof comply with this Indenture and that all conditions precedent therein provided for relating to such transaction have been complied with.

(c) Notwithstanding the foregoing, the provisions of Section 801(b) shall not apply to any Guarantor whose Guarantee of the Securities is unconditionally released and discharged in accordance with paragraph (c) under Section 1013.

(d) Notwithstanding the foregoing, nothing in the provisions of Sections 801(a) or 801(b) shall prohibit a merger or consolidation of the Company or any of the Guarantors into an Affiliate organized in the United States solely for the purpose of changing the entity's jurisdiction of organization.

Section 802. Successor Substituted.

Upon any consolidation or merger, or any sale, assignment, conveyance, transfer, lease or disposition of all or substantially all of the properties and assets of the Company or any Guarantor, if any, in accordance with Section 801, the successor Person formed by such consolidation or into which the Company or such Guarantor, as the case may be, is not the continuing corporation or the successor Person formed or remaining or to which such transfer, sale, assignment, conveyance, lease or other transaction is made

shall succeed to, and be substituted for, and may exercise every right and power of, the Company or such Guarantor, as the case may be, under this Indenture, the Securities and/or the related Guarantee, as the case may be, with the same effect as if such successor had been named as the Company or such Guarantor, as the case may be, herein, in the Securities and/or in the Guarantee, as the case may be, and the Company or such Guarantor, as the case may be, shall be discharged from all obligations and covenants under this Indenture and the Securities or its Guarantee, as the case may be.

ARTICLE NINE

- (a) to evidence the succession of another Person to the Company or a Guarantor or any other obligor upon the Securities, and the assumption by any such successor of the covenants of the Company or such Guarantor or obligor herein and in the Securities and in any Guarantee in accordance with Article Eight;
- (b) to add to the covenants of the Company, any Guarantor or any other obligor upon the Securities for the benefit of the Holders, or to surrender any right or power conferred upon the Company or any Guarantor or any other obligor upon the Securities, as applicable, herein, in the Securities or in any Guarantee;
- (c) to cure any ambiguity, or to correct or supplement any provision herein or in any supplemental indenture, the Securities or any Guarantee which may be defective or inconsistent with any other provision herein or in the Securities or any Guarantee or to make any other provisions with respect to matters or questions arising under this Indenture, the Securities or the Guarantees; *provided* that, in each case, such provisions shall not adversely affect the interest of the Holders;
- (d) to make any change to conform this Indenture, the Securities or any Guarantee to the description thereof provided to investors in connection with the initial offering of the Securities;

(e) to comply with the requirements of the Commission in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, as contemplated by Section 905 or otherwise;

(f) to add a Guarantor pursuant to the requirements of Section 1013 hereof or otherwise;

(g) to evidence and provide the acceptance of the appointment of a successor Trustee hereunder; or

(h) to mortgage, pledge, hypothecate or grant a security interest in favor of the Trustee for the benefit of the Holders as additional security for the payment and performance of the Company's or any Guarantor's Indenture Obligations, in any property, or assets, including any of which are required to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the Trustee pursuant to this Indenture or otherwise.

Section 902. Supplemental Indentures and Agreements with Consent of Holders

Except as permitted by Section 901, with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities (including consents obtained in connection with a tender offer or exchange offer for Securities), by Act of said Holders delivered to the Company, each Guarantor, if any, and the Trustee, the Company and each Guarantor (if a party thereto) when authorized by or pursuant to Board Resolutions, and the Trustee may (i) enter into an indenture or indentures supplemental hereto or agreements or other instruments with respect to any Guarantee in form and substance satisfactory to the Trustee, for the purpose of adding any provisions to or amending, modifying or changing in any manner or eliminating any of the provisions of this Indenture, the Securities or any Guarantee (including but not limited to, for the purpose of modifying in any manner the rights of the Holders under this Indenture, the Securities or any Guarantee) or (ii) waive compliance with any provision in this Indenture, the Securities or any Guarantee (other than waivers of past Defaults covered by Section 513 and waivers of covenants which are covered by Section 1021); *provided, however*, that no such supplemental indenture, agreement or instrument shall, without the consent of the Holder of each Outstanding Security affected thereby:

(a) change the Stated Maturity of the principal of, or any installment of interest on, or change to an earlier date any Redemption Date of, or waive a default in the payment of the principal of, premium, if any, or interest on, any such Security or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon the redemption thereof, or change the coin or currency in which the principal of any Security or any premium or the interest thereon is payable, or impair the right to institute

suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date);

(b) amend, change or modify the obligation of the Company to make and consummate an Offer with respect to any Asset Sale or Asset Sales in accordance with Section 1012 or the obligation of the Company to make and consummate a Change of Control Offer in the event of a Change of Control in accordance with Section 1014, including, in each case, amending, changing or modifying any definitions relating thereto but only to the extent such definitions relate thereto;

(c) reduce the percentage in principal amount of the Outstanding Securities, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver or compliance with certain provisions of this Indenture;

(d) modify any of the provisions of this Section 902 or Section 513 or 1021, except to increase the percentage of such Outstanding Securities required for any such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each such Security affected thereby;

(e) except as otherwise permitted under Article Eight, consent to the assignment or transfer by the Company or any Guarantor of any of its rights and obligations hereunder; or

(f) amend or modify any of the provisions of this Indenture that subordinates the Securities issued hereunder in right of payment to any other Indebtedness of the Company or which subordinates any Guarantee in right of payment to any other Indebtedness of the Guarantor issuing such Guarantee.

Upon the written request of the Company and each Guarantor, if any, accompanied by a copy of Board Resolutions authorizing the execution of any such supplemental indenture or Guarantee, and upon the filing with the Trustee of evidence of the consent of Holders as aforesaid, the Trustee shall join with the Company and each Guarantor in the execution of such supplemental indenture or Guarantee.

It shall not be necessary for any Act of Holders under this Section 902 to approve the particular form of any proposed supplemental indenture or Guarantee or agreement or instrument relating to any Guarantee, but it shall be sufficient if such Act shall approve the substance thereof.

Section 903. Execution of Supplemental Indentures and Agreements.

In executing, or accepting the additional trusts created by, any supplemental indenture, agreement, instrument or waiver permitted by this Article Nine or the

modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Trust Indenture Act Sections 315(a) through 315(d) and Section 603(a) hereof) shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate stating that the execution of such supplemental indenture, agreement or instrument (a) is authorized or permitted by this Indenture and (b) does not violate the provisions of any agreement or instrument evidencing any other Indebtedness of the Company, any Guarantor or any other Restricted Subsidiary. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture, agreement or instrument which affects the Trustee's own rights, duties or immunities under this Indenture, any Guarantee or otherwise.

Section 904. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 905. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article Nine shall conform to the requirements of the Trust Indenture Act as then in effect.

Section 906. Reference in Securities to Supplemental Indentures

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article Nine may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any such supplemental indenture may be prepared and executed by the Company and each Guarantor and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

Section 907. Notice of Supplemental Indentures.

Promptly after the execution by the Company, any Guarantor and the Trustee of any supplemental indenture pursuant to the provisions of Section 902, the Company shall give notice thereof to the Holders of each Outstanding Security affected, in the manner provided for in Section 106, setting forth in general terms the substance of such supplemental indenture. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

ARTICLE TEN
COVENANTS

Section 1001. Payment of Principal, Premium and Interest.

The Company shall duly and punctually pay the principal of, premium, if any, and interest on the Securities in accordance with the terms of the Securities and this Indenture.

Section 1002. Maintenance of Office or Agency.

The Company shall maintain an office or agency where Securities may be presented or surrendered for payment. The Company also will maintain in The City of New York an office or agency where Securities may be surrendered for registration of transfer, redemption or exchange and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The office of the Trustee, at its Corporate Trust Office initially located at 100 Wall Street, Suite 1600, New York, New York, 10005, will be such office or agency of the Company, unless the Company shall designate and maintain some other office or agency for one or more of such purposes. The Company will give prompt written notice to the Trustee of the location and any change in the location of any such offices or agencies. If at any time the Company shall fail to maintain any such required offices or agencies or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the office of the Trustee and the Company hereby appoints the Trustee such agent as its agent to receive all such presentations, surrenders, notices and demands.

The Company may from time to time designate one or more other offices or agencies (in or outside of The City of New York) where the Securities may be presented or surrendered for any or all such purposes, and may from time to time rescind such designation. The Company will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such office or agency.

The Trustee shall initially act as Paying Agent for the Securities.

Section 1003. Money for Security Payments to Be Held in Trust

If the Company or any of its Affiliates shall at any time act as Paying Agent, it will, on or before each due date of the principal of, premium, if any, or interest on any of the Securities, segregate and hold in trust for the benefit of the Holders entitled thereto a sum sufficient to pay the principal, premium, if any, or interest so becoming due

until such sums shall be paid to such Persons or otherwise disposed of as herein provided, and will promptly notify the Trustee of its action or failure so to act.

If the Company or any of its Affiliates is not acting as Paying Agent, the Company will, on or before each due date of the principal of, premium, if any, or interest on any of the Securities, deposit with a Paying Agent a sum in same day funds sufficient to pay the principal, premium, if any, or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of such action or any failure so to act.

If the Company is not acting as Paying Agent, the Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

(a) hold all sums held by it for the payment of the principal of, premium, if any, or interest on the Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(b) give the Trustee notice of any Default by the Company or any Guarantor (or any other obligor upon the Securities) in the making of any payment of principal, premium, if any, or interest on the Securities;

(c) at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and

(d) acknowledge, accept and agree to comply in all aspects with the provisions of this Indenture relating to the duties, rights and liabilities of such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any Security and remaining unclaimed for two years after such principal and premium,

if any, or interest has become due and payable shall promptly be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), and mail to each such Holder, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification, publication and mailing, any unclaimed balance of such money then remaining will promptly be repaid to the Company.

Section 1004. Corporate Existence.

Subject to Article Eight, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect the corporate existence and related rights and franchises (charter and statutory) of the Company and each Restricted Subsidiary; *provided, however*, that the Company shall not be required to preserve any such right or franchise or the corporate existence of any such Restricted Subsidiary if the Board of Directors of the Company shall determine that the preservation thereof is no longer necessary or desirable in the conduct of the business of the Company and its Restricted Subsidiaries as a whole; and *provided, further, however*, that the foregoing shall not prohibit a sale, transfer or conveyance of a Restricted Subsidiary or any of its assets in compliance with the terms of this Indenture.

Section 1005. Payment of Taxes and Other Claims.

The Company shall pay or discharge or cause to be paid or discharged, on or before the date the same shall become due and payable, (a) all taxes, assessments and governmental charges levied or imposed upon the Company or any of its Restricted Subsidiaries shown to be due on any return of the Company or any of its Restricted Subsidiaries or otherwise assessed or upon the income, profits or property of the Company or any of its Restricted Subsidiaries if failure to pay or discharge the same could reasonably be expected to have a material adverse effect on the ability of the Company or any Guarantor to perform its obligations hereunder and (b) all lawful claims for labor, materials and supplies, which, if unpaid, would by law become a Lien upon the property of the Company or any of its Restricted Subsidiaries, except for any Lien permitted to be incurred under Section 1011, if failure to pay or discharge the same could reasonably be expected to have a material adverse effect on the ability of the Company or any Guarantor to perform its obligations hereunder; *provided, however*, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings properly instituted and diligently conducted and in

respect of which appropriate reserves (in the good faith judgment of management of the Company) are being maintained in accordance with GAAP.

Section 1006. Maintenance of Properties.

The Company shall cause all material properties owned by the Company or any of its Restricted Subsidiaries or used or held for use in the conduct of its business or the business of any of its Restricted Subsidiaries to be maintained and kept in good condition, repair and working order (ordinary wear and tear excepted) and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the reasonable judgment of the Company may be consistent with sound business practice and necessary so that the business carried on in connection therewith may be properly conducted at all times; *provided, however*, that nothing in this Section shall prevent the Company from discontinuing the maintenance of any of such properties if such discontinuance is in the ordinary course of business or, in the reasonable judgment of the Company, desirable in the conduct of its business or the business of any of its Restricted Subsidiaries; and *provided, further*, however, that the foregoing shall not prohibit a sale, transfer or conveyance of a Restricted Subsidiary or any of its properties or assets in compliance with the terms of this Indenture.

Section 1007. Maintenance of Insurance.

The Company shall at all times keep all of its and its Restricted Subsidiaries' properties which are of an insurable nature insured with insurers, believed by the Company in good faith to be financially sound and responsible, against loss or damage to the extent that property of similar character is usually so insured by corporations similarly situated and owning like properties in the same general geographic areas in which the Company and its Restricted Subsidiaries operate, except where the failure to do so could not reasonably be expected to have a material adverse effect on the condition (financial or otherwise), earnings, business affairs or prospects of the Company and its Restricted Subsidiaries, taken as a whole.

Section 1008. Limitation on Indebtedness.

The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, create, issue, incur, assume, guarantee or otherwise in any manner become directly or indirectly liable for the payment of or otherwise incur, contingently or otherwise (collectively, "incur"), any Indebtedness (including any Acquired Indebtedness), unless such Indebtedness is incurred by the Company or any Guarantor or constitutes Acquired Indebtedness of a Restricted Subsidiary and, in each case, the Company's Consolidated Fixed Charge Coverage Ratio for the most recent four full fiscal quarters for which financial statements are available immediately preceding the

incurrence of such Indebtedness taken as one period is at least equal to or greater than 2.00:1.

Notwithstanding the foregoing, the Company and, to the extent specifically set forth below, the Restricted Subsidiaries may incur each and all of the following (collectively, the "Permitted Indebtedness"):

(i) Indebtedness of the Company and the Guarantors under any Credit Facility in an aggregate principal amount at any one time outstanding not to exceed the greater of (a) \$550.0 million or (b) 20% of the Company's Consolidated Tangible Assets, in any case under any Credit Facility or in respect of letters of credit thereunder;

(ii) Indebtedness of the Company and the Guarantors under Mortgage Loans in an amount not to exceed \$200.0 million at any time outstanding;

(iii) Indebtedness of the Company and the Guarantors under any Inventory Facility, whether or not an Inventory Facility under any Credit Facility;

(iv) Indebtedness of the Company or any Restricted Subsidiary outstanding on the Issue Date, and listed on Schedule I to the Indenture to the extent constituting Indebtedness, and not otherwise referred to in this definition of Permitted Indebtedness;

(v) Indebtedness of the Company owing to a Restricted Subsidiary; *provided* that any Indebtedness of the Company owing to a Restricted Subsidiary that is not a Guarantor is made pursuant to an intercompany note and is unsecured and is subordinated in right of payment from and after such time as the Securities shall become due and payable (whether at Stated Maturity, acceleration or otherwise) to the payment and performance of the Company's obligations under the Securities; *provided, further*, that any disposition, pledge or transfer of any such Indebtedness to a Person (other than a disposition, pledge or transfer to a Restricted Subsidiary) shall be deemed to be an incurrence of such Indebtedness by the Company or other obligor not permitted by this clause (v);

(vi) Indebtedness of a Restricted Subsidiary owing to the Company or another Restricted Subsidiary; *provided* that any such Indebtedness is made pursuant to an intercompany loan note; *provided, further*, that (a) any disposition, pledge or transfer of any such Indebtedness to a Person (other than a disposition, pledge or transfer to the Company or a Restricted Subsidiary) shall be deemed to be an incurrence of such Indebtedness by the obligor not permitted by this clause (vi), and (b) any transaction pursuant to which any Restricted Subsidiary, which has Indebtedness owing to the Company or any other Restricted Subsidiary, ceases to be a Restricted Subsidiary shall be deemed to be the incurrence of Indebtedness by such Restricted Subsidiary that is not permitted by this clause (vi);

(vii) guarantees of any Restricted Subsidiary made in accordance with the provisions of Section 1013; *provided* that the Indebtedness of the Company or any Restricted Subsidiary subject to such guarantee was permitted to be incurred;

(viii) obligations of the Company or any Guarantor entered into in the ordinary course of business (a) pursuant to Interest Rate Agreements designed to protect the Company or any Restricted Subsidiary against fluctuations in interest rates in respect of Indebtedness of the Company or any Restricted Subsidiary as long as such obligations do not exceed the aggregate principal amount of such Indebtedness then outstanding, (b) under any Currency Hedging Agreements, relating to (i) Indebtedness of the Company or any Restricted Subsidiary and/or (ii) obligations to purchase or sell assets or properties, in each case, incurred in the ordinary course of business of the Company or any Restricted Subsidiary; *provided*, however, that such Currency Hedging Agreements do not increase the Indebtedness or other obligations of the Company or any Restricted Subsidiary outstanding other than as a result of fluctuations in foreign currency exchange rates or by reason of fees, indemnities and compensation payable thereunder or (c) under any Commodity Price Protection Agreements which do not increase the amount of Indebtedness or other obligations of the Company or any Restricted Subsidiary outstanding other than as a result of fluctuations in commodity prices or by reason of fees, indemnities and compensation payable thereunder;

(ix) Indebtedness of the Company or any Restricted Subsidiary represented by Capital Lease Obligations or Purchase Money Obligations or other Indebtedness incurred or assumed in connection with the acquisition or development of real or personal, movable or immovable, property in each case incurred for the purpose of financing or refinancing all or any part of the purchase price or cost of construction or improvement of property used in the business of the Company, in an aggregate principal amount pursuant to this clause (ix) not to exceed \$35.0 million outstanding at any time; *provided* that the principal amount of any Indebtedness permitted under this clause (ix) did not in each case at the time of incurrence exceed the Fair Market Value, as determined by the Company in good faith, of the acquired or constructed asset or improvement so financed;

(x) obligations arising from agreements by the Company or a Restricted Subsidiary to provide for indemnification, customary purchase price closing adjustments, earn-outs or other similar obligations, in each case, incurred in connection with the acquisition or disposition of any business or assets of a Restricted Subsidiary;

(xi) Indebtedness in the ordinary course of business to support the Company's or a Restricted Subsidiary's insurance or self-insurance obligations for workers' compensation and other similar insurance coverages;

(xii) guarantees by the Company or a Guarantor of Indebtedness of a Restricted Subsidiary that was permitted to be incurred under this Section 1008;

(xiii) any renewals, extensions, substitutions, refundings, refinancings or replacements (collectively, a “refinancing”) of any Indebtedness incurred pursuant to the first paragraph of this Section 1008 or described in clause (iv) (other than an aggregate principal amount of 8.625% Securities redeemed or repurchased with proceeds from the sale of the Securities) or clause (xviii) of this definition of “Permitted Indebtedness,” including any successive refinancings so long as the borrower under such refinancing is the Company or, if not the Company, the same as the borrower of the Indebtedness being refinanced and the aggregate principal amount of Indebtedness represented thereby (or if such Indebtedness provides for an amount less than the principal amount thereof to be due and payable upon a declaration of acceleration of the maturity thereof, the original issue price of such Indebtedness plus any accreted value attributable thereto since the original issuance of such Indebtedness) does not exceed the initial principal amount of such Indebtedness plus the lesser of (I) the stated amount of any premium or other payment required to be paid in connection with such a refinancing pursuant to the terms of the Indebtedness being refinanced or (II) the amount of premium or other payment actually paid at such time to refinance the Indebtedness, plus, in either case, the amount of expenses of the Company incurred in connection with such refinancing and (A) in the case of any refinancing of Indebtedness that is Subordinated Indebtedness, such new Indebtedness is made subordinated to the Securities at least to the same extent as the Indebtedness being refinanced and (B) in the case of Pari Passu Indebtedness or Subordinated Indebtedness, as the case may be, such refinancing does not reduce the Average Life to Stated Maturity or the Stated Maturity of such Indebtedness;

(xiv) Indebtedness of the Company or any of its Restricted Subsidiaries arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished within five Business Days of occurrence;

(xv) Indebtedness of the Company or any Guarantor to the extent the net proceeds thereof are promptly deposited to (a) defease the Securities as described in Article Four or (b) redeem the Securities as described in Article Eleven;

(xvi) shares of Preferred Stock of a Restricted Subsidiary issued to the Company or a Wholly-Owned Restricted Subsidiary of the Company; *provided* that any subsequent transfer of any such shares of Preferred Stock (except to the Company or a Wholly-Owned Restricted Subsidiary of the Company) shall be deemed to be an issuance of Preferred Stock that was not permitted by this clause (xvi);

(xvii) Indebtedness of the Company and its Restricted Subsidiaries or any Guarantor in addition to that described in clauses (i) through (xvi) above and clause (xviii) below, and any renewals, extensions, substitutions, refinancings or replacements of such Indebtedness, so long as the aggregate principal amount of all such Indebtedness shall not exceed \$40.0 million outstanding at any one time in the aggregate; and

(xviii) Indebtedness of the Company pursuant to the Securities issued on the date of the Indenture (and any Series B Securities issued in exchange therefor) and Indebtedness of any Guarantor pursuant to a Guarantee of the Securities issued on the date of the Indenture (and any Series B Securities issued in exchange therefor).

For purposes of determining compliance with this Section 1008, in the event that an item of Indebtedness meets the criteria of more than one of the types of Indebtedness permitted by this Section 1008, the Company in its sole discretion shall classify or reclassify such item of Indebtedness and only be required to include the amount of such Indebtedness as one of such types. The Company may also divide and classify such item of Indebtedness in more than one of the types of Indebtedness described above. Accrual of interest, accretion or amortization of original issue discount and the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, and the payment of dividends on any Redeemable Capital Stock or Preferred Stock in the form of additional shares of the same class of Redeemable Capital Stock or Preferred Stock will not be deemed to be an incurrence of Indebtedness for purposes of this Section 1008 provided, in each such case, that the amount thereof as accrued over time is included in the Consolidated Fixed Charge Coverage Ratio of the Company.

Section 1009. Limitation on Restricted Payments.

(a) The Company will not, and will not cause or permit any Restricted Subsidiary to, directly or indirectly:

- (i) declare or pay any dividend on, or make any distribution to holders of, any shares of the Company's Capital Stock (other than dividends or distributions payable solely in shares of its Qualified Capital Stock or in options, warrants or other rights to acquire shares of such Qualified Capital Stock);
- (ii) purchase, redeem, defease or otherwise acquire or retire for value, directly or indirectly, the Company's Capital Stock or any Capital Stock of any Affiliate of the Company, including any Subsidiary of the Company (other than Capital Stock of any Restricted Subsidiary of the Company), or options, warrants or other rights to acquire such Capital Stock;
- (iii) make any principal payment on, or repurchase, redeem, defease, retire or otherwise acquire for value, prior to any scheduled principal payment, sinking fund payment or maturity, any Subordinated Indebtedness;

- (iv) declare or pay any dividend or distribution on any Capital Stock of any Restricted Subsidiary to any Person (other than (a) to the Company or any of its Wholly-Owned Restricted Subsidiaries or (b) dividends or distributions made by a Restricted Subsidiary (i) organized as a partnership, limited liability company or similar pass-through entity to the holders of its Capital Stock in amounts sufficient to satisfy the tax liabilities arising from their ownership of such Capital Stock or (ii) on a pro rata basis to all stockholders of such Restricted Subsidiary); or
- (v) make any Investment in any Person (other than any Permitted Investments)

(any of the foregoing actions described in clauses (i) through (v), other than any such action that is a Permitted Payment (as defined below), collectively, “Restricted Payments”) (the amount of any such Restricted Payment, if other than cash, shall be the Fair Market Value of the assets proposed to be transferred, as determined by the Board of Directors of the Company, whose determination shall be conclusive and evidenced by a board resolution), unless (1) immediately before and immediately after giving effect to such proposed Restricted Payment on a pro forma basis, no Default or Event of Default shall have occurred and be continuing and such Restricted Payment shall not be an event which is, or after notice or lapse of time or both, would be, an “event of default” under the terms of any Indebtedness of the Company or its Restricted Subsidiaries; (2) immediately before and immediately after giving effect to such Restricted Payment on a pro forma basis, the Company could incur \$1.00 of additional Indebtedness (other than Permitted Indebtedness) under Section 1008 herein; and (3) after giving effect to the proposed Restricted Payment, the aggregate amount of all such Restricted Payments declared or made after the Issue Date and all Designation Amounts does not exceed the sum of:

- (A) 50% of the aggregate Consolidated Net Income of the Company accrued on a cumulative basis during the period beginning on the first day of the Company’s fiscal quarter during which the Issue Date fell and ending on the last day of the Company’s last fiscal quarter ending prior to the date of the Restricted Payment, or, if such aggregate cumulative Consolidated Net Income shall be a loss, minus 100% of such loss;
- (B) the aggregate Net Cash Proceeds and the Fair Market Value of assets other than cash received after the Issue Date by the Company either (x) as capital contributions in the form of common equity to the Company or (y) from the issuance or sale (other than to any of its Subsidiaries) of Qualified Capital Stock of the Company or any options, warrants or rights to purchase such Qualified Capital Stock of the Company (except, in each case, to the extent such proceeds are used to purchase, redeem or otherwise retire Capital

Stock or Subordinated Indebtedness as set forth below in clause (ii) or (iii) of paragraph (b) below) (and excluding the Net Cash Proceeds and the Fair Market Value of assets other than cash received from the issuance of Qualified Capital Stock financed, directly or indirectly, using funds borrowed from the Company or any Subsidiary until and to the extent such borrowing is repaid);

- (C) the aggregate Net Cash Proceeds and the Fair Market Value of assets other than cash received after the Issue Date by the Company (other than from any of its Subsidiaries) upon the exercise of any options, warrants or rights to purchase Qualified Capital Stock of the Company (and excluding the Net Cash Proceeds and the Fair Market Value of assets other than cash received from the exercise of any options, warrants or rights to purchase Qualified Capital Stock financed, directly or indirectly, using funds borrowed from the Company or any Subsidiary until and to the extent such borrowing is repaid);
- (D) the aggregate Net Cash Proceeds and the Fair Market Value of assets other than cash received after the Issue Date by the Company from the conversion or exchange, if any, of debt securities or Redeemable Capital Stock of the Company or its Restricted Subsidiaries into or for Qualified Capital Stock of the Company plus, to the extent such debt securities or Redeemable Capital Stock were issued after the Issue Date, upon the conversion or exchange of such debt securities or Redeemable Capital Stock, the aggregate of Net Cash Proceeds and the Fair Market Value of assets other than cash received from their original issuance (and excluding the Net Cash Proceeds and the Fair Market Value of assets other than cash received from the conversion or exchange of debt securities or Redeemable Capital Stock financed, directly or indirectly, using funds borrowed from the Company or any Subsidiary until and to the extent such borrowing is repaid);
- (E) (a) in the case of the disposition or repayment of any Investment constituting a Restricted Payment made after the Issue Date, an amount (to the extent not included in Consolidated Net Income) equal to (a) the lesser of (i) the return of capital with respect to such Investment and (ii) the initial amount of such Investment, in either case, less the cost of the disposition of such Investment and net of taxes, and (b) in the case of the designation of an Unrestricted Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary ceasing to be an Unrestricted Subsidiary for purposes of this Indenture (in each case, as long as the designation of such Subsidiary as an Unrestricted Subsidiary was deemed a Restricted Payment), the Fair Market Value of the Company's interest in such Subsidiary provided that such

amount shall not in any case exceed the amount of the Restricted Payment deemed made at the time the Subsidiary was designated as an Unrestricted Subsidiary; and

(F) any amount which previously qualified as a Restricted Payment on account of any Guarantee entered into by the Company or any Restricted Subsidiary *provided* that such Guarantee has not been called upon and the obligation arising under such Guarantee no longer exists.

(b) Notwithstanding the foregoing, and in the case of clauses (ii) through (iv) below, so long as no Default or Event of Default is continuing or would arise therefrom, the foregoing provisions shall not prohibit the following actions (each of clauses (i) through (iv) and (vii) through (xiii) being referred to as a "Permitted Payment"):

- (i) the payment of any dividend within 60 days after the date of declaration thereof, if at such date of declaration such payment was permitted by the provisions of paragraph (a) of this Section and such payment shall have been deemed to have been paid on the date of declaration and shall not have been deemed a "Permitted Payment" for purposes of the calculation required by paragraph (a) of this Section 1009;
- (ii) the repurchase, redemption, or other acquisition or retirement for value of any shares of any class of Capital Stock of the Company in exchange for, including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares or scrip, or out of the Net Cash Proceeds of a substantially concurrent issuance and sale for cash (other than to a Subsidiary) of, other shares of Qualified Capital Stock of the Company; *provided* that the Net Cash Proceeds from the issuance of such shares of Qualified Capital Stock are excluded from clause (3) (C) of paragraph (a) of this Section 1009;
- (iii) the repurchase, redemption, defeasance, retirement or acquisition for value or payment of principal of any Subordinated Indebtedness or Redeemable Capital Stock in exchange for, or in an amount not in excess of the Net Cash Proceeds of, a substantially concurrent issuance and sale for cash (other than to any Subsidiary of the Company) of any Qualified Capital Stock of the Company, provided that the Net Cash Proceeds from the issuance of such shares of

Qualified Capital Stock are excluded from clause (3)(C) of paragraph (a) of this Section 1009;

- (iv) the repurchase, redemption, defeasance, retirement, refinancing, acquisition for value or payment of principal of any Subordinated Indebtedness (other than Redeemable Capital Stock) (a "refinancing") through the substantially concurrent issuance of new Subordinated Indebtedness of the Company, *provided* that any such new Subordinated Indebtedness (1) shall be in a principal amount that does not exceed the principal amount so refinanced (or, if such Subordinated Indebtedness provides for an amount less than the principal amount thereof to be due and payable upon a declaration of acceleration thereof, then such lesser amount as of the date of determination), plus the lesser of (I) the stated amount of any premium or other payment required to be paid in connection with such a refinancing pursuant to the terms of the Indebtedness being refinanced or (II) the amount of premium or other payment actually paid at such time to refinance the Indebtedness, plus, in either case, the amount of expenses of the Company incurred in connection with such refinancing; (2) has an Average Life to Stated Maturity greater than the remaining Average Life to Stated Maturity of the Securities; (3) has a Stated Maturity for its final scheduled principal payment later than the Stated Maturity for the final scheduled principal payment of the Securities; and (4) is expressly subordinated in right of payment to the Securities at least to the same extent as the Subordinated Indebtedness to be refinanced;
- (v) the purchase, redemption, or other acquisition or retirement for value of any class of Capital Stock of the Company from employees, former employees, directors or former directors of the Company or any Subsidiary in an amount not to exceed \$2.0 million in the aggregate in any twelve-month period plus the aggregate cash proceeds received by the Company during such twelve-month period from any reissuance of Capital Stock by the Company to members of management of the Company or any Restricted Subsidiary; *provided* that the Company may carry over and make in a subsequent twelve-month period, in addition to the amount otherwise permitted for such twelve-month period, the amount of such purchase, redemptions or other acquisitions for value permitted to have

been made but not made in any preceding twelve-month period; provided that the aggregate repurchases, redemptions or other acquisitions or retirements for value does not exceed \$4.0 million in any twelve-month period;

- (vi) the repurchase, redemption or other acquisition or retirement for value of Capital Stock of the Company issued pursuant to acquisitions by the Company to the extent required by or needed to comply with the requirements of any of the Manufacturers with which the Company or a Restricted Subsidiary is a party to a franchise agreement;
- (vii) the payment of the contingent purchase price or the payment of the deferred purchase price, including holdbacks (and the receipt of any corresponding consideration therefor), of an acquisition to the extent any such payment would be deemed a Restricted Payment and would otherwise have been permitted by this Indenture at the time of such acquisition;
- (viii) the repurchase of Capital Stock of the Company issued to sellers of businesses acquired by the Company or its Restricted Subsidiaries, in an amount not to exceed \$5.0 million during the term of this Indenture;
- (ix) the repurchase of Capital Stock deemed to occur upon exercise of stock options to the extent that shares of such Capital Stock represent a portion of the exercise price of such options;
- (x) the payment of cash in lieu of the issuance of fractional shares in connection with the exercise of warrants, options or other securities convertible or exercisable for Capital Stock of the Company;
- (xi) payments or distributions to stockholders pursuant to appraisal rights required under applicable law in connection with any consolidation, merger or transfer of assets that complies with Section 801;
- (xii) the making of any Restricted Payments after the date of this Indenture not exceeding in the aggregate \$100.0 million; *provided* that no Default or Event of Default shall have occurred and be continuing immediately after such transaction; and

- (xiii) the payment of cash dividends on the Company's Qualified Capital Stock in the aggregate amount per fiscal quarter up to or equal to \$0.10 per share for each share of the Company's Qualified Capital Stock outstanding as of the quarterly record date for dividends payable in respect of such fiscal quarter (as such amount shall be adjusted for changes in the capitalization of the Company upon recapitalizations, reclassifications, stock splits, stock dividends, reverse stock splits, stock consolidations and similar transactions), provided, however, in the event a Change of Control occurs, the aggregate amounts permitted to be paid in cash dividends per fiscal quarter shall not exceed the aggregate amounts of such cash dividends paid in the same fiscal quarter most recently occurring prior to such Change of Control, *provided, further*, that for purposes of this exception, shares of Qualified Capital Stock issued for less than fair market value (other than shares issued pursuant to options or otherwise in accordance with the Company's stock option, employee stock purchase or other equity compensation plans) shall not be deemed outstanding; *provided, further*, that no Default or Event of Default shall have occurred and be continuing immediately after such transaction.

Section 1010. Limitation on Transactions with Affiliates

The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, enter into any transaction or series of related transactions (including, without limitation, the sale, purchase, exchange or lease of assets, property or services) with or for the benefit of any Affiliate of the Company (other than the Company or a Restricted Subsidiary) unless such transaction or series of related transactions is entered into in good faith and in writing and (a) such transaction or series of related transactions is on terms that are no less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that would be available in a comparable transaction in arm's-length dealings with an unrelated third party, (b) with respect to any transaction or series of related transactions involving aggregate value in excess of \$5.0 million, the Company delivers an Officers' Certificate to the Trustee certifying that such transaction or series of related transactions complies with clause (a) above or such transaction or series of related transactions has been approved by a majority of the Disinterested Directors of the Board of Directors of the Company, or in the event there is only one Disinterested Director, by such Disinterested Director, and (c) with respect to any transaction or series of related transactions involving aggregate value in excess of \$15.0 million, either (i) such transaction or series of related transactions has been approved by a majority of the Disinterested Directors of the Board

of Directors of the Company, or in the event there is only one Disinterested Director, by such Disinterested Director, or (ii) the Company delivers to the Trustee a written opinion of an investment banking firm of national standing or other recognized independent expert with experience appraising the terms and conditions of the type of transaction or series of related transactions for which an opinion is required stating that the transaction or series of related transactions or the consideration being paid is fair to the Company or such Restricted Subsidiary from a financial point of view; *provided, however*, that this provision shall not apply to (i) compensation and employee benefit arrangements with any officer or director of the Company, including under any stock option or stock incentive plans, entered into in the ordinary course of business; (ii) any transaction permitted as a Restricted Payment pursuant to Section 1009; (iii) the payment of customary fees to directors of the Company and its Restricted Subsidiaries; (iv) any transaction with any officer or member of the Board of Directors of the Company involving indemnification arrangements; (v) loans or advances to officers of the Company in the ordinary course of business not to exceed \$1.0 million in any calendar year; and (vi) any transactions undertaken pursuant to any contractual obligations in existence on the Issue Date and any renewals, replacements or modifications of such obligations (pursuant to new transactions or otherwise) on terms no less favorable than could be received from an unaffiliated third party.

Section 1011. Limitation on Liens.

The Company will not, and will not cause or permit any Restricted Subsidiary to, directly or indirectly, create, incur or affirm any Lien of any kind securing any Pari Passu Indebtedness or Subordinated Indebtedness (including any assumption, guarantee or other liability with respect thereto by any Restricted Subsidiary) upon any property or assets (including any intercompany notes) of the Company or any Restricted Subsidiary owned on the Issue Date or acquired after the Issue Date, or assign or convey any right to receive any income or profits therefrom, unless the Securities or a Guarantee in the case of Liens of a Guarantor are directly secured equally and ratably with (or, in the case of Subordinated Indebtedness, prior or senior thereto, with the same relative priority as the Securities shall have with respect to such Subordinated Indebtedness) the obligation or liability secured by such Lien except for Liens (A) securing any Indebtedness which became Indebtedness pursuant to a transaction permitted under Article Eight or securing Acquired Indebtedness which was created prior to (and not created in connection with, or in contemplation of) the incurrence of such Pari Passu Indebtedness or Subordinated Indebtedness (including any assumption, guarantee or other liability with respect thereto by any Restricted Subsidiary) and which Indebtedness is permitted under the provisions of Section 1008 or (B) securing any Indebtedness incurred in connection with any refinancing, renewal, substitutions or replacements of any such Indebtedness described in clause (A), so long as the aggregate principal amount of Indebtedness represented thereby (or if such Indebtedness provides for an amount less than the principal amount thereof to be due and payable upon a declaration of

acceleration of the maturity thereof, the original issue price of such Indebtedness plus any accreted value attributable thereto since the original issuance of such Indebtedness) is not increased by such refinancing by an amount greater than the lesser of (i) the stated amount of any premium or other payment required to be paid in connection with such a refinancing pursuant to the terms of the Indebtedness being refinanced or (ii) the amount of premium or other payment actually paid at such time to refinance the Indebtedness, plus, in either case, the amount of expenses of the Company incurred in connection with such refinancing; provided, however, that in the case of clauses (A) and (B), any such Lien only extends to the assets that were subject to such Lien securing such Indebtedness prior to the related acquisition by the Company or its Restricted Subsidiaries. Notwithstanding the foregoing, any Lien securing the Securities granted pursuant to this covenant shall be automatically and unconditionally released and discharged upon the release by the holder or holders of the Pari Passu Indebtedness or Subordinated Indebtedness described above of their Lien on the property or assets of the Company or any Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Indebtedness), at such time as the holder or holders of all such Pari Passu Indebtedness or Subordinated Indebtedness also release their Lien on the property or assets of the Company or such Restricted Subsidiary, or upon any sale, exchange or transfer to any Person not an Affiliate of the Company of the property or assets secured by such Lien, or of all of the Capital Stock held by the Company or any Restricted Subsidiary in, or all or substantially all the assets of, any Restricted Subsidiary creating such Lien.

Section 1012. Limitation on Sale of Assets

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless (i) at least 75% of the consideration from such Asset Sale consists of (A) cash or Cash Equivalents, (B) the assumption of Senior Indebtedness or Senior Guarantor Indebtedness by the party acquiring the assets from the Company of any Restricted Subsidiary, (C) Replacement Assets; (D) Designated Noncash Consideration; or (E) a combination of any of the foregoing; and (ii) the Company or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the shares or assets subject to such Asset Sale (as determined by the Board of Directors of the Company and evidenced in a Board Resolution); provided that any notes or other obligations received by the Company or any such Restricted Subsidiary from any transferee of assets from the Company or such Restricted Subsidiary that are converted by the Company or such Restricted Subsidiary into cash at Fair Market Value within 30 days after receipt shall be deemed to be cash for purposes of this provision.

(b) If all or a portion of the Net Cash Proceeds of any Asset Sale are not required to be applied to repay permanently any Senior Indebtedness or Senior Guarantor Indebtedness then outstanding as required by the terms thereof, the Company determines

not to apply such Net Cash Proceeds to the permanent prepayment of such Senior Indebtedness or Senior Guarantor Indebtedness, or if no such Senior Indebtedness or Senior Guarantor Indebtedness that requires prepayment is then outstanding (or such prepayment is waived), then the Company or a Restricted Subsidiary may within 365 days of the Asset Sale invest the Net Cash Proceeds in Replacement Assets. The amount of such Net Cash Proceeds not used or invested within 365 days of the Asset Sale as set forth in this paragraph constitutes "Excess Proceeds."

(c) When the aggregate amount of Excess Proceeds exceeds \$25.0 million or more, the Company will apply the Excess Proceeds to the repayment of the Securities and any other Pari Passu Indebtedness outstanding with similar provisions requiring the Company to make an offer to purchase such Indebtedness with the proceeds from any Asset Sale as follows: (A) the Company will make an offer to purchase (an "Offer") to all holders of the Securities in accordance with the procedures set forth in this Indenture in the maximum principal amount (expressed as a multiple of \$1,000) of Securities that may be purchased out of an amount (the "Security Amount") equal to the product of such Excess Proceeds multiplied by a fraction, the numerator of which is the outstanding principal amount of the Securities, and the denominator of which is the sum of the outstanding principal amount of the Securities and such Pari Passu Indebtedness (subject to proration in the event such amount is less than the aggregate Offered Price (as defined herein) of all Securities tendered) and (B) to the extent required by such Pari Passu Indebtedness to permanently reduce the principal amount of such Pari Passu Indebtedness, the Company will make an offer to purchase or otherwise repurchase or redeem Pari Passu Indebtedness (a "Pari Passu Offer") in an amount (the "Pari Passu Debt Amount") equal to the excess of the Excess Proceeds over the Security Amount; *provided* that in no event will the Company be required to make a Pari Passu Offer in a Pari Passu Debt Amount exceeding the principal amount of such Pari Passu Indebtedness plus the amount of any premium required to be paid to repurchase such Pari Passu Indebtedness. The offer price for the Securities will be payable in cash in an amount equal to 100% of the principal amount of the Securities plus accrued and unpaid interest, if any, to the date (the "Offer Date") such Offer is consummated (the "Offered Price"), in accordance with the procedures set forth herein. To the extent that the aggregate Offered Price of the Securities tendered pursuant to the Offer is less than the Security Amount relating thereto or the aggregate amount of Pari Passu Indebtedness that is purchased in a Pari Passu Offer is less than the Pari Passu Debt Amount, the Company may use any remaining Excess Proceeds for general corporate purposes. If the aggregate principal amount of Securities and Pari Passu Indebtedness surrendered by holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Securities to be purchased on a pro rata basis. Upon the completion of the purchase of all the Securities tendered pursuant to an Offer and the completion of a Pari Passu Offer, the amount of Excess Proceeds, if any, shall be reset at zero.

(d) When the aggregate amount of Excess Proceeds exceeds \$10 million, such Excess Proceeds will, prior to any purchase of Securities described in paragraph (c) above, be set aside by the Company in a separate account pending (i) deposit with the Depository or a paying agent of the amount required to purchase the Securities tendered in an Offer or Pari Passu Indebtedness tendered in a Pari Passu Offer, (ii) delivery by the Company of the Offered Price to the holders of the Securities tendered in an Offer or Pari Passu Indebtedness tendered in a Pari Passu Offer and (iii) the completion of the purchase of all the Securities tendered pursuant to the Offer and the completion of the Pari Passu Offer. Such Excess Proceeds may be invested in Temporary Cash Investments, *provided* that the maturity date of any such investment made after the amount of Excess Proceeds exceeds \$10 million shall not be later than the Offer Date. The Company shall be entitled to any interest or dividends accrued, earned or paid on such Temporary Cash Investments; *provided* that the Company shall not withdraw such interest from the separate account if an Event of Default has occurred and is continuing.

(e) If the Company becomes obligated to make an Offer pursuant to clause (c) above, the Securities and the Pari Passu Indebtedness shall be purchased by the Company, at the option of the holders thereof, in whole or in part in integral multiples of \$1,000, on a date that is not earlier than 30 days and not later than 60 days from the date the notice of the Offer is given to holders, or such later date as may be necessary for the Company to comply with the requirements under the Exchange Act.

(f) The Company will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities laws or regulations in connection with an Offer.

(g) Subject to paragraph (e) above, within 30 days after the date on which the amount of Excess Proceeds equals or exceeds \$10 million, the Company shall send or cause to be sent by first-class mail, postage prepaid, to the Trustee and to each Holder, at his address appearing in the Security Register, a notice stating or including:

- (1) that the Holder has the right to require the Company to repurchase, subject to proration, such Holder's Securities at the Offered Price;
- (2) the Offer Date;
- (3) the instructions a Holder must follow in order to have his Securities purchased in accordance with paragraph (c) of this Section;
- (4) (i) the most recently filed Annual Report on Form 10-K (including audited consolidated financial statements) of the Company, the most recent subsequently filed Quarterly Report on Form 10-Q, as applicable, and any Current Report on Form 8-K of the Company filed

subsequent to such Quarterly Report, other than Current Reports describing Asset Sales otherwise described in the offering materials (or corresponding successor reports) (or in the event the Company is not required to prepare any of the foregoing Forms, the comparable information required pursuant to Section 1020), (ii) a description of material developments, if any, in the Company's business subsequent to the date of the latest of such reports, (iii) if material, appropriate pro forma financial information, and (iv) such other information, if any, concerning the business of the Company which the Company in good faith believes will enable such Holders to make an informed investment decision regarding the Offer;

(5) the Offered Price;

(6) the names and addresses of the Paying Agent and the offices or agencies referred to in Section 1002;

(7) that Securities must be surrendered prior to the Offer Date to the Paying Agent at the office of the Paying Agent or to an office or agency referred to in Section 1002 to collect payment;

(8) that any Securities not tendered will continue to accrue interest and that unless the Company defaults in the payment of the Offered Price, any Security accepted for payment pursuant to the Offer shall cease to accrue interest on and after the Offer Date;

(9) the procedures for withdrawing a tender; and

(10) that the Offered Price for any Security which has been properly tendered and not withdrawn and which has been accepted for payment pursuant to the Offer will be paid promptly following the Offered Date.

(h) Holders electing to have Securities purchased hereunder will be required to surrender such Securities at the address specified in the notice prior to the Offer Date. Holders will be entitled to withdraw their election to have their Securities purchased pursuant to this Section 1012 if the Company receives, not later than one Business Day prior to the Offer Date, a telegram, telex, facsimile transmission or letter setting forth (1) the name of the Holder, (2) the certificate number of the Security in respect of which such notice of withdrawal is being submitted, (3) the principal amount of the Security (which shall be \$1,000 or an integral multiple thereof) delivered for purchase by the Holder as to which his election is to be withdrawn, (4) a statement that such Holder is withdrawing his election to have such principal amount of such Security purchased, and (5) the principal amount, if any, of such Security (which shall be \$1,000

or an integral multiple thereof) that remains subject to the original notice of the Offer and that has been or will be delivered for purchase by the Company.

(i) The Company shall (i) not later than the Offer Date, accept for payment Securities or portions thereof tendered pursuant to the Offer, (ii) not later than 10:00 a.m. (New York time) on the Business Day following the Offer Date, deposit with the Trustee or with a Paying Agent an amount of money in same day funds (or New York Clearing House funds if such deposit is made prior to the Offer Date) sufficient to pay the aggregate Offered Price of all the Securities or portions thereof which have been so accepted for payment and (iii) not later than 10:00 a.m. (New York time) on the Business Day following the Offer Date, deliver to the Paying Agent an Officers' Certificate stating the Securities or portions thereof accepted for payment by the Company. The Paying Agent shall promptly mail or deliver to Holders of Securities so accepted payment in an amount equal to the Offered Price of the Securities purchased from each such Holder, and the Company shall execute and the Trustee shall promptly authenticate and mail or deliver to such Holders a new Security equal in principal amount to any unpurchased portion of the Security surrendered. Any Securities not so accepted shall be promptly mailed or delivered by the Paying Agent at the Company's expense to the Holder thereof. For purposes of this Section 1012, the Company shall choose a Paying Agent which shall not be the Company.

Subject to applicable escheat laws, the Trustee and the Paying Agent shall return to the Company any cash that remains unclaimed, together with interest, if any, thereon, held by them for the payment of the Offered Price; *provided, however*, that (x) to the extent that the aggregate amount of cash deposited by the Company with the Trustee in respect of an Offer exceeds the aggregate Offered Price of the Securities or portions thereof to be purchased, then the Trustee shall hold such excess for the Company and (y) unless otherwise directed by the Company in writing, promptly after the Business Day following the Offer Date the Trustee shall return any such excess to the Company together with interest or dividends, if any, thereon.

(j) Securities to be purchased shall, on the Offer Date, become due and payable at the Offered Price and from and after such date (unless the Company shall default in the payment of the Offered Price) such Securities shall cease to bear interest. Such Offered Price shall be paid to such Holder promptly following the later of the Offer Date and the time of delivery of such Security to the relevant Paying Agent at the office of such Paying Agent by the Holder thereof in the manner required. Upon surrender of any such Security for purchase in accordance with the foregoing provisions, such Security shall be paid by the Company at the Offered Price; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Offer Date shall be payable to the Person in whose name the Securities (or any Predecessor Securities) is registered as such on the relevant Regular Record Dates according to the terms and the provisions of Section 309; *provided, further*, that Securities to be purchased are subject to

proration in the event the Excess Proceeds are less than the aggregate Offered Price of all Securities tendered for purchase, with such adjustments as may be appropriate by the Trustee so that only Securities in denominations of \$1,000 or integral multiples thereof, shall be purchased. If any Security tendered for purchase shall not be so paid upon surrender thereof by deposit of funds with the Trustee or a Paying Agent in accordance with paragraph (h) above, the principal thereof (and premium, if any, thereon) shall, until paid, bear interest from the Offer Date at the rate borne by such Security. Any Security that is to be purchased only in part shall be surrendered to a Paying Agent at the office of such Paying Agent (with, if the Company, the Security Registrar or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Security Registrar or the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security, without service charge, one or more new Securities of any authorized denomination as requested by such Holder in an aggregate principal amount equal to, and in exchange for, the portion of the principal amount of the Security so surrendered that is not purchased. The Company shall publicly announce the results of the Offer on or as soon as practicable after the Offer Date.

Section 1013. Limitation on Issuances of Guarantees of and Pledges for Indebtedness

(a) The Company will not cause or permit any Restricted Subsidiary, other than a Guarantor, directly or indirectly, to secure the payment of any Senior Indebtedness of the Company and the Company will not, and will not permit any Restricted Subsidiary to, pledge any intercompany notes representing obligations of any Restricted Subsidiary (other than a Guarantor) to secure the payment of any Senior Indebtedness unless in each case such Restricted Subsidiary executes and delivers a supplemental indenture to this Indenture providing for a guarantee of payment of the Securities by such Restricted Subsidiary within 30 days, which guarantee shall be on the same terms as the guarantee of the Senior Indebtedness (if a guarantee of Senior Indebtedness is granted by any such Restricted Subsidiary) except that the guarantee of the Securities need not be secured and shall be subordinated to the claims against such Restricted Subsidiary in respect of Senior Indebtedness to the same extent as the Securities are subordinated to Senior Indebtedness of the Company under this Indenture.

(b) The Company will not cause or permit any Restricted Subsidiary (which is not a Guarantor), directly or indirectly, to guarantee, assume or in any other manner become liable with respect to any Indebtedness of the Company or any Restricted Subsidiary unless such Restricted Subsidiary executes and delivers a supplemental indenture to this Indenture providing for a Guarantee of the Securities within 30 days on the same terms as the guarantee of such Indebtedness except that (A) such guarantee need not be secured unless required pursuant to Section 1011, (B) if such Indebtedness is by its

terms Senior Indebtedness, any such assumption, guarantee or other liability of such Restricted Subsidiary with respect to such Indebtedness shall be senior to such Restricted Subsidiary's Guarantee of the Securities to the same extent as such Senior Indebtedness is senior to the Securities and (C) if such Indebtedness is by its terms expressly subordinated to the Securities, any such assumption, guarantee or other liability of such Restricted Subsidiary with respect to such Indebtedness shall be subordinated to such Restricted Subsidiary's Guarantee of the Securities at least to the same extent as such Indebtedness is subordinated to the Securities.

(c) Notwithstanding the foregoing, any Guarantee by a Restricted Subsidiary of the Securities shall provide by its terms that it (and all Liens securing the same) shall be automatically and unconditionally released and discharged upon (i) any sale, exchange or transfer, to any Person not an Affiliate of the Company, of all of the Company's Capital Stock in, or all or substantially all the assets of, such Restricted Subsidiary, which transaction is in compliance with the terms of this Indenture and pursuant to which transaction such Subsidiary is released from all guarantees, if any, by it of other Indebtedness of the Company or any Restricted Subsidiaries or (ii) the release by the holders of the Indebtedness of the Company of their security interest or their guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Indebtedness), at such time as (A) no other Indebtedness of the Company has been secured or guaranteed by such Restricted Subsidiary, as the case may be, or (B) the holders of all such other Indebtedness which is secured or guaranteed by such Restricted Subsidiary also release their security interest in or guarantee by such Restricted Subsidiary (including any deemed release upon payment in full of all obligations under such Indebtedness).

Section 1014. Purchase of Securities upon a Change of Control.

(a) If a Change of Control shall occur at any time, then each Holder shall have the right to require that the Company purchase such Holder's Securities in whole or in part in integral multiples of \$1,000, at a purchase price (the "Change of Control Purchase Price") in cash in an amount equal to 101% of the aggregate principal amount of such Securities, plus accrued and unpaid interest, if any, to the date of purchase (the "Change of Control Purchase Date"), pursuant to the offer described below in this Section 1014 (the "Change of Control Offer") and in accordance with the other procedures set forth in subsections (b), (c), (d) and (e) of this Section 1014.

(b) Within 30 days of any Change of Control, or at the Company's option, prior to such Change of Control but after it is publicly announced, the Company shall notify the Trustee thereof and give written notice (a "Change of Control Purchase Notice") of such Change of Control to each Holder by first-class mail, postage prepaid, at his address appearing in the Security Register, stating among other things:

(1) that a Change of Control has occurred or will occur, the date of such event, and that such Holder has the right to require the Company to repurchase such Holder's Securities at the Change of Control Purchase Price;

(2) the circumstances and relevant facts regarding the Change of Control (including, but not limited to, information with respect to pro forma historical income, cash flow and capitalization after giving effect to such Change of Control);

(3) (i) the most recently filed Annual Report on Form 10-K (including audited consolidated financial statements) of the Company, the most recent subsequently filed Quarterly Report on Form 10-Q, as applicable, and any Current Report on Form 8-K of the Company filed subsequent to such Quarterly Report (or in the event the Company is not required to prepare any of the foregoing Forms, the comparable information required to be prepared by the Company and any Guarantor pursuant to Section 1020), (ii) a description of material developments, if any, in the Company's business subsequent to the date of the latest of such reports and (iii) such other information, if any, concerning the business of the Company which the Company in good faith believes will enable such Holders to make an informed investment decision regarding the Change of Control Offer;

(4) that the Change of Control Offer is being made pursuant to this Section 1014 and that all Securities properly tendered pursuant to the Change of Control Offer will be accepted for payment at the Change of Control Purchase Price;

(5) the Change of Control Purchase Date, which shall be fixed by the Company on a Business Day no earlier than 30 days nor later than 60 days from the date such notice is mailed, or such later date as is necessary to comply with requirements under the Exchange Act; *provided* that the Change of Control Purchase Date may not occur prior to the Change of Control;

(6) the Change of Control Purchase Price;

(7) the names and addresses of the Paying Agent and the offices or agencies referred to in Section 1002;

(8) that Securities must be surrendered on or prior to the Change of Control Purchase Date to the Paying Agent at the office of the Paying

Agent or to an office or agency referred to in Section 1002 to collect payment;

(9) that the Change of Control Purchase Price for any Security which has been properly tendered and not withdrawn will be paid promptly following the Change of Control Offer Purchase Date;

(10) the procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance;

(11) that any Security not tendered will continue to accrue interest; and

(12) that, unless the Company defaults in the payment of the Change of Control Purchase Price, any Securities accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date.

(c) Upon receipt by the Company of the proper tender of Securities, the Holder of the Security in respect of which such proper tender was made shall (unless the tender of such Security is properly withdrawn) thereafter be entitled to receive solely the Change of Control Purchase Price with respect to such Security. Upon surrender of any such Security for purchase in accordance with the foregoing provisions, such Security shall be paid by the Company at the Change of Control Purchase Price; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Change of Control Purchase Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such on the relevant Regular Record Dates according to the terms and the provisions of Section 309. If any Security tendered for purchase in accordance with the provisions of this Section 1014 shall not be so paid upon surrender thereof, the principal thereof (and premium, if any, thereon) shall, until paid, bear interest from the Change of Control Purchase Date at the rate borne by such Security. Holders electing to have Securities purchased will be required to surrender such Securities to the Paying Agent at the address specified in the Change of Control Purchase Notice at least one Business Day prior to the Change of Control Purchase Date. Any Security that is to be purchased only in part shall be surrendered to a Paying Agent at the office of such Paying Agent (with, if the Company, the Security Registrar or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Security Registrar or the Trustee, as the case may be, duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security, without service charge, one or more new Securities of any authorized denomination as requested by such Holder in an aggregate principal amount equal to, and in exchange for, the portion of the principal amount of the Security so surrendered that is not purchased.

(d) The Company shall (i) not later than the Change of Control Purchase Date, accept for payment Securities or portions thereof tendered pursuant to the Change of Control Offer, (ii) not later than 10:00 a.m. (New York time) on the Business Day following the Change of Control Purchase Date, deposit with the Trustee or with a Paying Agent an amount of money in same day funds sufficient to pay the aggregate Change of Control Purchase Price of all the Securities or portions thereof which have been so accepted for payment and (iii) not later than 10:00 a.m. (New York time) on the Business Day following Change of Control Purchase Date, deliver to the Paying Agent an Officers' Certificate stating the Securities or portions thereof accepted for payment by the Company. The Paying Agent shall promptly mail or deliver to Holders of Securities so accepted payment in an amount equal to the Change of Control Purchase Price of the Securities purchased from each such Holder, and the Company shall execute and the Trustee shall promptly authenticate and mail or deliver to such Holders a new Security equal in principal amount to any unpurchased portion of the Security surrendered. Any Securities not so accepted shall be promptly mailed or delivered by the Paying Agent at the Company's expense to the Holder thereof. The Company will publicly announce the results of the Change of Control Offer on the Change of Control Purchase Date. For purposes of this Section 1014, the Company shall choose a Paying Agent which shall not be the Company.

(e) A tender made in response to a Change of Control Purchase Notice may be withdrawn if the Company receives, not later than one Business Day prior to the Change of Control Purchase Date, a telegram, telex, facsimile transmission or letter, specifying, as applicable:

- (1) the name of the Holder;
 - (2) the certificate number of the Security in respect of which such notice of withdrawal is being submitted;
 - (3) the principal amount of the Security (which shall be \$1,000 or an integral multiple thereof) delivered for purchase by the Holder as to which such notice of withdrawal is being submitted;
 - (4) a statement that such Holder is withdrawing his election to have such principal amount of such Security purchased; and
 - (5) the principal amount, if any, of such Security (which shall be \$1,000 or an integral multiple thereof) that remains subject to the original Change of Control Purchase Notice and that has been or will be delivered for purchase by the Company.
- (f) Subject to applicable escheat laws, the Trustee and the Paying Agent shall return to the Company any cash that remains unclaimed, together with interest or

dividends, if any, thereon, held by them for the payment of the Change of Control Purchase Price; *provided, however*, that, (x) to the extent that the aggregate amount of cash deposited by the Company pursuant to clause (ii) of paragraph (d) above exceeds the aggregate Change of Control Purchase Price of the Securities or portions thereof to be purchased, then the Trustee shall hold such excess for the Company and (y) unless otherwise directed by the Company in writing, promptly after the Business Day following the Change of Control Purchase Date the Trustee shall return any such excess to the Company together with interest, if any, thereon.

(g) The Company shall comply, to the extent applicable, with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities laws or regulations in connection with a Change of Control Offer.

(h) Notwithstanding the foregoing, the Company will not be required to make a Change of Control Offer upon or in anticipation of a Change of Control if a third party makes the Change of Control Offer in the manner, at the time and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all the Securities validly tendered and not withdrawn under such Change of Control Offer.

Section 1015. Limitation on Subsidiary Preferred Stock.

The Company will not permit (a) any Restricted Subsidiary of the Company to issue, sell or transfer any Preferred Stock, except for (i) Preferred Stock issued or sold to, held by or transferred to the Company or a Wholly-Owned Restricted Subsidiary, and (ii) Preferred Stock issued by a Person prior to the time (A) such Person becomes a Restricted Subsidiary, (B) such Person merges with or into a Restricted Subsidiary or (C) a Restricted Subsidiary merges with or into such Person; *provided* that such Preferred Stock was not issued or incurred by such Person in anticipation of the type of transaction contemplated by subclause (A), (B) or (C) or (b) any Person (other than the Company or a Wholly-Owned Restricted Subsidiary) to acquire Preferred Stock of any Restricted Subsidiary from the Company or any Restricted Subsidiary, except, in the case of clause (a) or (b), or upon the acquisition of all the outstanding Capital Stock of such Restricted Subsidiary in accordance with the terms of this Indenture.

Section 1016. Limitation on Dividends and Other Payment Restrictions Affecting Subsidiaries.

The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to (i) pay dividends or make any other distribution on its Capital Stock, or any other interest or participation in or measured by its profits, (ii) pay any Indebtedness owed to the Company or any other Restricted Subsidiary, (iii) make any Investment in the Company

or any other Restricted Subsidiary or (iv) transfer any of its properties or assets to the Company or any other Restricted Subsidiary, except for: (a) any encumbrance or restriction pursuant to an agreement in effect on the Issue Date; (b) any encumbrance or restriction, with respect to a Restricted Subsidiary that was not a Restricted Subsidiary of the Company on the Issue Date, in existence at the time such Person becomes a Restricted Subsidiary of the Company and not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary, provided that such encumbrances and restrictions are not applicable to the Company or any Restricted Subsidiary or the properties or assets of the Company or any Restricted Subsidiary other than such Subsidiary which is becoming a Restricted Subsidiary; (c) customary provisions contained in an agreement that has been entered into for the sale or other disposition of all or substantially all of the Capital Stock or assets of a Restricted Subsidiary; provided, however, that the restrictions are applicable only to such Restricted Subsidiary or assets; (d) any encumbrance or restriction existing under or by reason of applicable law or any requirement of any regulatory body; (e) customary provisions restricting subletting or assignment of any lease governing any leasehold interest of any Restricted Subsidiary; (f) covenants in franchise agreements with Manufacturers customary for franchise agreements in the automobile retailing industry; (g) any encumbrance or restriction contained in any Purchase Money Obligations for property to the extent such restriction or encumbrance restricts the transfer of such property; (h) any encumbrances or restrictions in security agreements securing Indebtedness (other than Subordinated Indebtedness) of a Guarantor (including any Credit Facility or any Inventory Facility) (to the extent that such Liens are otherwise incurred in accordance with Section 1011) that restrict the transfer of property subject to such agreements, provided that any such encumbrance or restriction is released to the extent the underlying Lien is released or the related Indebtedness is repaid; (i) covenants in Inventory Facilities customary for inventory and floor plan financing in the automobile retailing industry; (j) any encumbrance related to assets acquired by or merged into or consolidated with the Company or any Restricted Subsidiary so long as such encumbrance was not entered into in contemplation of the acquisition, merger or consolidation transaction; (k) customary non-assignment provisions contained in (a) any lease governing a leasehold interest or (b) any supply, license or other agreement entered into in the ordinary course of business of the Company or any of its Restricted Subsidiaries; (l) Liens securing Indebtedness otherwise permitted to be incurred under Section 1011 that limit the right of the debtor to dispose of the assets subject to such Liens; (m) restrictions on cash or other deposits or net worth imposed by customers or vendors under contracts entered into in the ordinary course of business; (n) restrictions contained in any other indenture or instrument governing debt or preferred securities that are not materially more restrictive, taken as a whole, than those contained in this Indenture governing the Securities; and (o) any encumbrance or restriction existing under any agreement that extends, renews, refinances or replaces the agreements containing the encumbrances or restrictions in the foregoing clauses (a), (b), (j) or in this clause (o), *provided* that the terms and conditions of any such encumbrances or restrictions are no more restrictive in any material respect than

those under or pursuant to the agreement evidencing the Indebtedness so extended, renewed, refinanced or replaced.

Section 1017. Limitation on Senior Subordinated Indebtedness.

The Company will not, and will not permit or cause any Guarantor to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise in any manner become directly or indirectly liable for or with respect to or otherwise permit to exist any Indebtedness that is subordinate in right of payment to any Indebtedness of the Company or such Guarantor, as the case may be, unless such Indebtedness is also pari passu with the Securities or the Guarantee of such Guarantor or subordinated in right of payment to the Securities or such Guarantee at least to the same extent as the Securities or such Guarantee are subordinated in right of payment to Senior Indebtedness or such Guarantor's Senior Guarantor Indebtedness, as the case may be, as set forth in this Indenture.

Section 1018. Limitations on Unrestricted Subsidiaries.

The Company may designate after the Issue Date any Subsidiary as an "Unrestricted Subsidiary" under this Indenture (a "Designation") only if:

- (a) no Default shall have occurred and be continuing at the time of or after giving effect to such Designation;
- (b) the Company would be permitted to make a Permitted Investment or an Investment at the time of Designation (assuming the effectiveness of such Designation) pursuant to the first paragraph of Section 1009 herein in an amount (the "Designation Amount") equal to the greater of (1) the net book value of the Company's interest in such Subsidiary calculated in accordance with GAAP or (2) the Fair Market Value of the Company's interest in such Subsidiary as determined in good faith by the Company's Board of Directors;
- (c) the Company would be permitted to incur \$1.00 of additional Indebtedness (other than Permitted Indebtedness) pursuant to Section 1008 at the time of such Designation (assuming the effectiveness of such Designation);
- (d) such Unrestricted Subsidiary does not own any Capital Stock in any Restricted Subsidiary of the Company which is not simultaneously being designated an Unrestricted Subsidiary;
- (e) such Unrestricted Subsidiary is not liable, directly or indirectly, with respect to any Indebtedness other than Unrestricted Subsidiary Indebtedness, provided that an Unrestricted Subsidiary may provide a Guarantee for the Securities; and

(f) such Unrestricted Subsidiary is not a party to any agreement, contract, arrangement or understanding at such time with the Company or any Restricted Subsidiary unless the terms of any such agreement, contract, arrangement or understanding are no less favorable to the Company or such Restricted Subsidiary than those that might be obtained at the time from Persons who are not Affiliates of the Company or, in the event such condition is not satisfied, the value of such agreement, contract, arrangement or understanding to such Unrestricted Subsidiary shall be deemed a Restricted Payment.

In the event of any such Designation, the Company shall be deemed to have made an Investment constituting a Restricted Payment pursuant to Section 1009 for all purposes of this Indenture in the Designation Amount.

The Company shall not and shall not cause or permit any Restricted Subsidiary to at any time (x) provide credit support for, or subject any of its property or assets (other than the Capital Stock of any Unrestricted Subsidiary) to the satisfaction of, any Indebtedness of any Unrestricted Subsidiary (including any undertaking, agreement or instrument evidencing such Indebtedness) (other than Permitted Investments in Unrestricted Subsidiaries) or (y) be directly or indirectly liable for any Indebtedness of any Unrestricted Subsidiary. For purposes of the foregoing, the Designation of a Subsidiary of the Company as an Unrestricted Subsidiary shall be deemed to be the Designation of all of the Subsidiaries of such Subsidiary.

The Company may revoke any Designation of a Subsidiary as an Unrestricted Subsidiary (a "Revocation") if:

- (a) no Default shall have occurred and be continuing at the time of and after giving effect to such Revocation;
- (b) all Liens and Indebtedness of such Unrestricted Subsidiary outstanding immediately following such Revocation would, if incurred at such time, have been permitted to be incurred for all purposes of this Indenture; and
- (c) unless such redesignated Subsidiary shall not have any Indebtedness outstanding (other than Indebtedness that would be Permitted Indebtedness), immediately after giving effect to such proposed Revocation, and after giving pro forma effect to the incurrence of any such Indebtedness of such redesignated Subsidiary as if such Indebtedness was incurred on the date of the Revocation, the Company could incur \$1.00 of additional Indebtedness (other than Permitted Indebtedness) pursuant to Section 1008 herein.

All Designations and Revocations must be evidenced by a resolution of the Board of Directors of the Company delivered to the Trustee certifying compliance with the foregoing provisions.

Section 1019. Provision of Financial Statements.

Whether or not the Company is subject to Section 13(a) or 15(d) of the Exchange Act, the Company and each Guarantor (to the extent such Guarantor would be required if subject to Section 13(a) or 15(d) of the Exchange Act) will, to the extent permitted under the Exchange Act, file with the Commission the annual reports, quarterly reports and other documents which the Company and such Guarantor would have been required to file with the Commission pursuant to Sections 13(a) or 15(d) if the Company or such Guarantor were so subject, such documents to be filed with the Commission on or prior to the date (the "Required Filing Date") by which the Company and such Guarantor would have been required to file such documents if the Company and such Guarantor were so subject. The Company will also in any event (x) within 15 days of each Required Filing Date (i) transmit by mail to all Holders, as their names and addresses appear in the Security Register, without cost to such Holders and (ii) file with the Trustee copies of the annual reports, quarterly reports and other documents which the Company and such Guarantor would have been required to file with the Commission pursuant to Sections 13(a) or 15(d) of the Exchange Act if the Company and such Guarantor were subject to either of such Sections and (y) if filing such documents by the Company and such Guarantor with the Commission is not permitted under the Exchange Act, promptly upon written request and payment of the reasonable cost of duplication and delivery, supply copies of such documents to any prospective Holder at the Company's cost. If any Guarantor's financial statements would be required to be included in the financial statements filed or delivered pursuant to this Indenture if the Company were subject to Section 13(a) or 15(d) of the Exchange Act, the Company shall include such Guarantor's financial statements in any filing or delivery pursuant to this Indenture. In addition, so long as any of the Securities remain outstanding, the Company will make available to any prospective purchaser of Securities or beneficial owner of Securities in connection with any sale thereof the information required by Rule 144A(d)(4) under the Securities Act, until such time as the Company has either exchanged the Securities for securities identical in all material respects which have been registered under the Securities Act or until such time as the Holders thereof have disposed of such Securities pursuant to an effective registration statement under the Securities Act.

For purposes of this Indenture, documents filed by the Company with the Commission via the EDGAR system (or any successor system) will be deemed filed with the Trustee and provided to Holders and prospective purchasers as of the time such documents are so filed via the EDGAR system (or any successor system).

Section 1020. Statement by Officers as to Default.

(a) The Company will deliver to the Trustee, on or before a date not more than 120 days after the end of each fiscal year of the Company ending after the date hereof, and 60 days after the end of each fiscal quarter ending after the date hereof, a written statement signed by two executive officers of the Company and the Guarantors,

one of whom shall be the principal executive officer, principal financial officer or principal accounting officer of the Company and the Guarantors, as to compliance herewith, including whether or not, after a review of the activities of the Company during such year and of the Company's and each Guarantor's performance under this Indenture, to the best knowledge, based on such review, of the signers thereof, the Company and each Guarantor have fulfilled all of their respective obligations and are in compliance with all conditions and covenants under this Indenture throughout such year and, if there has been a Default specifying each Default and the nature and status thereof and any actions being taken by the Company with respect thereto.

(b) When any Default or Event of Default has occurred and is continuing, or if the Trustee or any Holder or the trustee for or the holder of any other evidence of Indebtedness of the Company or any Subsidiary gives any notice or takes any other action with respect to a claimed default the Company shall deliver to the Trustee by registered or certified mail or facsimile transmission followed by an originally executed copy of an Officers' Certificate specifying such Default, Event of Default, notice or other action, the status thereof and what actions the Company is taking or proposes to take with respect thereto, within five Business Days after the occurrence of such Default or Event of Default.

Section 1021. Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 1006 through 1011, 1013 and 1015 through 1020, if, before or after the time for such compliance, the Holders of not less than a majority in aggregate principal amount of the Securities at the time Outstanding shall, by Act of such Holders, waive such compliance in such instance with such covenant or provision, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

ARTICLE ELEVEN
REDEMPTION OF SECURITIES

Section 1101. Rights of Redemption.

The Securities are subject to redemption, subject to the conditions, and at the Redemption Prices, specified in the Form of Reverse of Securities, together with accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders of record on relevant Regular Record Dates and Special Record Dates to receive interest due on relevant Interest Payment Dates and Special Payment Dates).

Section 1102. Applicability of Article.

Redemption of Securities at the election of the Company or otherwise, as permitted or required by any provision of this Indenture, shall be made in accordance with such provision and this Article Eleven.

Section 1103. Election to Redeem; Notice to Trustee

The election of the Company to redeem any Securities pursuant to Section 1101 shall be evidenced by a Company Order and an Officers' Certificate. In case of any redemption at the election of the Company, the Company shall, not less than 45 nor more than 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice period shall be satisfactory to the Trustee), notify the Trustee in writing of such Redemption Date and of the principal amount of Securities to be redeemed.

Section 1104. Selection by Trustee of Securities to Be Redeemed

If less than all the Securities are to be redeemed, the Trustee shall select the Securities or portions thereof to be redeemed in compliance with the requirements of the principal national security exchange, if any, on which the Securities are listed, or if the Securities are not so listed, the Trustee shall select them on a pro rata basis, by lot or by any other method the Trustee shall deem fair and reasonable.

The Trustee shall promptly notify the Company and the Security Registrar in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to redemption of Securities shall relate, in the case of any Security redeemed or to be redeemed only in part, to the portion of the principal amount of such Security which has been or is to be redeemed.

Section 1105. Notice of Redemption.

Except as otherwise provided herein, notice of redemption shall be given by first-class mail, postage prepaid, mailed not less than 30 days nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at its address appearing in the Security Register.

All notices of redemption shall state:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Securities are to be redeemed, the identification of the particular Securities to be redeemed;
- (d) in the case of a Security to be redeemed in part, the principal amount of such Security to be redeemed and that after the Redemption Date upon surrender of such Security, new Security or Securities in the aggregate principal amount equal to the unredeemed portion thereof will be issued;
- (e) that Securities called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (f) that on the Redemption Date the Redemption Price will become due and payable upon each such Security or portion thereof to be redeemed, and that (unless the Company shall default in payment of the Redemption Price) interest thereon shall cease to accrue on and after said date;
- (g) the names and addresses of the Paying Agent and the offices or agencies referred to in Section 1002 where such Securities are to be surrendered for payment of the Redemption Price;
- (h) the CUSIP number, if any, relating to such Securities; and
- (i) the procedures that a Holder must follow to surrender the Securities to be redeemed.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's written request, by the Trustee in the name and at the expense of the Company. If the Company elects to give notice of redemption, it shall provide the Trustee with a certificate stating that such notice has been given in compliance with the requirements of this Section 1105.

The notice if mailed in the manner herein provided shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Security designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security.

Section 1106. Deposit of Redemption Price.

On or prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company or any of its Affiliates is acting as Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money in same day funds sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date or Special Payment Date) accrued interest on, all the Securities or portions thereof which are to be redeemed on that date. The Paying Agent shall promptly mail or deliver to Holders of Securities so redeemed payment in an amount equal to the Redemption Price of the Securities purchased from each such Holder. All money, if any, earned on funds held in trust by the Trustee or any Paying Agent shall be remitted to the Company. For purposes of this Section 1106, the Company shall choose a Paying Agent which shall not be the Company.

Section 1107. Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Holders will be required to surrender the Securities to be redeemed to the Paying Agent at the address specified in the notice of redemption at least one Business Day prior to the Redemption Date. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price together with accrued interest to the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such on the relevant Regular Record Dates and Special Record Dates according to the terms and the provisions of Section 309.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and premium, if any, shall, until paid, bear interest from the Redemption Date at the rate borne by such Security.

Section 1108. Securities Redeemed or Purchased in Part.

Any Security which is to be redeemed or purchased only in part shall be surrendered to the Paying Agent at the office or agency maintained for such purpose

pursuant to Section 1002 (with, if the Company, the Security Registrar or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company, the Security Registrar or the Trustee, as the case may be, duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities, of any authorized denomination as requested by such Holder in aggregate principal amount equal to, and in exchange for, the unredeemed portion of the principal of the Security so surrendered that is not redeemed or purchased.

ARTICLE TWELVE
SATISFACTION AND DISCHARGE

Section 1201. Satisfaction and Discharge of Indenture.

This Indenture shall be discharged and shall cease to be of further effect (except as to surviving rights of registration of transfer or exchange of Securities as expressly provided for herein) as to all Outstanding Securities hereunder, and the Trustee, upon Company Request and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(a) either

(1) all the Securities theretofore authenticated and delivered (except (i) lost, stolen or destroyed Securities which have been replaced or paid as provided in Section 308 or (ii) all Securities whose payment has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust as provided in Section 1003) have been delivered to the Trustee for cancellation; or

(2) all Securities not theretofore delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company; and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust an amount in United States dollars sufficient to pay and discharge the entire Indebtedness on the Securities not theretofore delivered to the Trustee for cancellation, including the principal

of, premium, if any, and accrued interest on, such Securities at such Maturity, Stated Maturity or Redemption Date;

(b) the Company or any Guarantor has paid or caused to be paid all other sums payable hereunder by the Company and any Guarantor; and

(c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Independent Counsel, in form and substance reasonably satisfactory to the Trustee, each stating that (i) all conditions precedent herein relating to the satisfaction and discharge hereof have been complied with and (ii) such satisfaction and discharge will not result in a breach or violation of, or constitute a default under, this Indenture or any other material agreement or instrument to which the Company, any Guarantor or any Restricted Subsidiary is a party or by which the Company, any Guarantor or any Restricted Subsidiary is bound.

Notwithstanding the satisfaction and discharge hereof, the obligations of the Company to the Trustee under Section 607 and, if United States dollars shall have been deposited with the Trustee pursuant to subclause (2) of subsection (a) of this Section 1201, the obligations of the Trustee under Section 1202 and the last paragraph of Section 1003 shall survive.

ARTICLE THIRTEEN

GUARANTEES

Section 1301. Guarantors' Guarantee.

For value received, each of the Guarantors, in accordance with this Article Thirteen, hereby absolutely, fully, unconditionally and irrevocably guarantees, jointly and severally with each other and with each other Person which may become a Guarantor hereunder, to the Trustee and the Holders, as if the Guarantors were the principal debtor, the punctual payment and performance when due of all Indenture Obligations (which for purposes of this Guarantee shall also be deemed to include all commissions, fees, charges, costs and other expenses (including reasonable legal fees and disbursements of one counsel) arising out of or incurred by the Trustee or the Holders in connection with the enforcement of this Guarantee).

Section 1302. Continuing Guarantee; No Right of Set-Off; Independent Obligation.

(a) This Guarantee shall be a continuing guarantee of the payment and performance of all Indenture Obligations and shall remain in full force and effect until the payment in full of all of the Indenture Obligations and shall apply to and secure any ultimate balance due or remaining unpaid to the Trustee or the Holders; and this Guarantee shall not be considered as wholly or partially satisfied by the payment or liquidation at any time or from time to time of any sum of money for the time being due or remaining unpaid to the Trustee or the Holders. Each Guarantor, jointly and severally, covenants and agrees to comply with all obligations, covenants, agreements and provisions applicable to it in this Indenture including those set forth in Article Eight. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts which constitute part of the Indenture Obligations and would be owed by the Company under this Indenture and the Securities but for the fact that they are unenforceable, reduced, limited, impaired, suspended or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Company.

(b) Each Guarantor, jointly and severally, hereby guarantees that the Indenture Obligations will be paid to the Trustee without set-off or counterclaim or other reduction whatsoever (whether for taxes, withholding or otherwise) in lawful currency of the United States of America.

(c) Each Guarantor, jointly and severally, guarantees that the Indenture Obligations shall be paid strictly in accordance with their terms regardless of any law,

regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the holders of the Securities.

(d) Each Guarantor's liability to pay or perform or cause the performance of the Indenture Obligations under this Guarantee shall arise forthwith after demand for payment or performance by the Trustee has been given to the Guarantors in the manner prescribed in Section 106 hereof.

(e) Except as provided herein, the provisions of this Article Thirteen cover all agreements between the parties hereto relative to this Guarantee and none of the parties shall be bound by any representation, warranty or promise made by any Person relative thereto which is not embodied herein; and it is specifically acknowledged and agreed that this Guarantee has been delivered by each Guarantor free of any conditions whatsoever and that no representations, warranties or promises have been made to any Guarantor affecting its liabilities hereunder, and that the Trustee shall not be bound by any representations, warranties or promises now or at any time hereafter made by the Company to any Guarantor.

(f) This Guarantee is a guarantee of payment, performance and compliance and not of collectibility and is in no way conditioned or contingent upon any attempt to collect from or enforce performance or compliance by the Company or upon any event or condition whatsoever.

(g) The obligations of the Guarantors set forth herein constitute the full recourse obligations of the Guarantors enforceable against them to the full extent of all their assets and properties.

Section 1303. Guarantee Absolute.

The obligations of the Guarantors hereunder are independent of the obligations of the Company under the Securities and this Indenture and a separate action or actions may be brought and prosecuted against any Guarantor whether or not an action or proceeding is brought against the Company and whether or not the Company is joined in any such action or proceeding. The liability of the Guarantors hereunder is irrevocable, absolute and unconditional and (to the extent permitted by law) the liability and obligations of the Guarantors hereunder shall not be released, discharged, mitigated, waived, impaired or affected in whole or in part by:

- (b) any grants of time, renewals, extensions, indulgences, releases, discharges or modifications which the Trustee or the Holders may extend to, or make with, the Company, any Guarantor or any other Person, or any change in the time, manner or place of payment of, or in any other term of, all or any of the Indenture Obligations, or any other amendment or waiver of, or any consent to or departure from, this Indenture or the Securities, including any increase or decrease in the Indenture Obligations;

- (e) the abstention from taking security from the Company, any Guarantor or any other Person or from perfecting, continuing to keep perfected or taking advantage of any security;
- (f) any loss, diminution of value or lack of enforceability of any security received from the Company, any Guarantor or any other Person, and including any other guarantees received by the Trustee;

- (h) the Trustee's or the Holders' acceptance of compositions from the Company or any Guarantor;

or proceeds thereof, to all or any of the Indenture Obligations, or the manner of sale of any collateral;

- (j) the release or discharge of the Company or any Guarantor of the Securities or of any Person liable directly as surety or otherwise by operation of law or otherwise for the Securities, other than an express release in writing given by the Trustee, on behalf of the Holders, of the liability and obligations of any Guarantor hereunder;
- (k) any change in the name, business, capital structure or governing instrument of the Company or any Guarantor or any refinancing or restructuring of any of the Indenture Obligations;
- (l) the sale of the Company's or any Guarantor's business or any part thereof;

- (n) the insolvency, bankruptcy, liquidation, winding-up, dissolution, receivership, arrangement, readjustment, assignment for the benefit of creditors or distribution of the assets of the Company or its assets or any resulting discharge of any obligations of the Company (whether voluntary or involuntary) or of any Guarantor (whether voluntary or involuntary) or the loss of corporate existence;
- (o) subject to Section 1314, any arrangement or plan of reorganization affecting the Company or any Guarantor;
- (p) any failure, omission or delay on the part of the Company to conform or comply with any term of this Indenture;
- (q) any limitation on the liability or obligations of the Company or any other Person under this Indenture, or any discharge, termination, cancellation, distribution, irregularity, invalidity or unenforceability in whole or in part of this Indenture;

- (s) any modification, compromise, settlement or release by the Trustee, or by operation of law or otherwise, of the Indenture Obligations or the liability of the Company or any other obligor under the Securities, in whole or in part, and any refusal of payment by the Trustee, in whole or in part, from any other obligor or other guarantor in connection with any of the Indenture Obligations, whether or not with notice to, or further assent by, or any reservation of rights against, each of the Guarantors.

Section 1304. Right to Demand Full Performance

In the event of any demand for payment or performance by the Trustee from any Guarantor hereunder, the Trustee or the Holders shall have the right to demand its full claim and to receive all dividends or other payments in respect thereof until the Indenture Obligations have been paid in full, and the Guarantors shall continue to be jointly and severally liable hereunder for any balance which may be owing to the Trustee or the Holders by the Company under this Indenture and the Securities. The retention by the Trustee or the Holders of any security, prior to the realization by the Trustee or the Holders of its rights to such security upon foreclosure thereon, shall not, as between the Trustee and any Guarantor, be considered as a purchase of such security, or as payment, satisfaction or reduction of the Indenture Obligations due to the Trustee or the Holders by the Company or any part thereof. Each Guarantor, promptly after demand, will reimburse the Trustee and the Holders for all costs and expenses of collecting such amount under, or enforcing this Guarantee, including, without limitation, the reasonable fees and expenses of counsel.

Section 1305. Waivers.

(a) Each Guarantor hereby expressly waives (to the extent permitted by law) notice of the acceptance of this Guarantee and notice of the existence, renewal, extension or the non-performance, non-payment, or non-observance on the part of the Company of any of the terms, covenants, conditions and provisions of this Indenture or the Securities or any other notice whatsoever to or upon the Company or such Guarantor with respect to the Indenture Obligations, whether by statute, rule of law or otherwise. Each Guarantor hereby acknowledges communication to it of the terms of this Indenture and the Securities and all of the provisions therein contained and consents to and approves the same. Each Guarantor hereby expressly waives (to the extent permitted by law) diligence, presentment, protest and demand for payment with respect to (i) any notice of sale, transfer or other disposition of any right, title to or interest in the Securities by the Holders or in this Indenture, (ii) any release of any Guarantor from its obligations hereunder resulting from any loss by it of its rights of subrogation hereunder and (iii) any other circumstances whatsoever that might otherwise constitute a legal or equitable discharge, release or defense of a guarantor or surety or that might otherwise limit recourse against such Guarantor.

(b) Without prejudice to any of the rights or recourses which the Trustee or the Holders may have against the Company, each Guarantor hereby expressly waives (to the extent permitted by law) any right to require the Trustee or the Holders to:

- (i) enforce, assert, exercise, initiate or exhaust any rights, remedies or recourse against the Company, any Guarantor or any other Person under this Indenture or otherwise;
- (ii) value, realize upon, or dispose of any security of the Company or any other Person held by the Trustee or the Holders;
- (iii) initiate or exhaust any other remedy which the Trustee or the Holders may have in law or equity; or
- (iv) mitigate the damages resulting from any default under this Indenture;

before requiring or becoming entitled to demand payment from such Guarantor under this Guarantee.

Section 1306. The Guarantors Remain Obligated in Event the Company Is No Longer Obligated to Discharge Indenture Obligations

It is the express intention of the Trustee and the Guarantors that if for any reason the Company has no legal existence, is or becomes under no legal obligation to discharge the Indenture Obligations owing to the Trustee or the Holders by the Company or if any of the Indenture Obligations owing by the Company to the Trustee or the Holders becomes irrecoverable from the Company by operation of law or for any reason whatsoever, this Guarantee and the covenants, agreements and obligations of the Guarantors contained in this Article Thirteen shall nevertheless be binding upon the Guarantors, as principal debtor, until such time as all such Indenture Obligations have been paid in full to the Trustee and all Indenture Obligations owing to the Trustee or the Holders by the Company have been discharged, or such earlier time as Section 402 shall apply to the Securities and the Guarantors shall be responsible for the payment thereof to the Trustee or the Holders upon demand.

Section 1307. Fraudulent Conveyance; Contribution; Subrogation.

(a) Each Guarantor that is a Subsidiary of the Company and, by its acceptance hereof, each Holder hereby confirms that it is the intention of all such parties that the Guarantee by such Guarantor pursuant to its Guarantee not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law. To effectuate the foregoing intention, the Holders and such Guarantor hereby irrevocably agree that the obligations of such Guarantor under its Guarantee shall be limited to the maximum amount which, after giving effect to all other contingent and fixed liabilities of such Guarantor, and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, will result in the obligations of such Guarantor under its Guarantee not constituting such fraudulent transfer or conveyance.

(b) Each Guarantor that makes a payment or distribution under its Guarantee shall be entitled to a contribution from each other Guarantor, if any, in a pro rata amount based on the net assets of each Guarantor, determined in accordance with GAAP.

(c) Each Guarantor hereby waives all rights of subrogation or contribution, whether arising by contract or operation of law (including, without limitation, any such right arising under federal bankruptcy law) or otherwise by reason of

any payment by it pursuant to the provisions of this Article Thirteen until payment in full of all Indenture Obligations.

Section 1308. Guarantee Is in Addition to Other Security

This Guarantee shall be in addition to and not in substitution for any other guarantees or other security which the Trustee may now or hereafter hold in respect of the Indenture Obligations owing to the Trustee or the Holders by the Company and (except as may be required by law) the Trustee shall be under no obligation to marshal in favor of each of the Guarantors any other guarantees or other security or any moneys or other assets which the Trustee may be entitled to receive or upon which the Trustee or the Holders may have a claim.

Section 1309. Release of Security Interests

Without limiting the generality of the foregoing and except as otherwise provided in this Indenture, each Guarantor hereby consents and agrees, to the fullest extent permitted by applicable law, that the rights of the Trustee hereunder, and the liability of the Guarantors hereunder, shall not be affected by any and all releases for any purpose of any collateral, if any, from the Liens and security interests created by any collateral document and that this Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Indenture Obligations is rescinded or must otherwise be returned by the Trustee upon the insolvency, bankruptcy or reorganization of the Company or otherwise, all as though such payment had not been made.

Section 1310. No Bar to Further Actions

Except as provided by law, no action or proceeding brought or instituted under Article Thirteen and this Guarantee and no recovery or judgment in pursuance thereof shall be a bar or defense to any further action or proceeding which may be brought under Article Thirteen and this Guarantee by reason of any further default or defaults under Article Thirteen and this Guarantee or in the payment of any of the Indenture Obligations owing by the Company.

Section 1311. Failure to Exercise Rights Shall Not Operate as a Waiver; No Suspension of Remedies

(a) No failure to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, power, privilege or remedy under this Article Thirteen

and this Guarantee shall operate as a waiver thereof, nor shall any single or partial exercise of any rights, power, privilege or remedy preclude any other or further exercise thereof, or the exercise of any other rights, powers, privileges or remedies. The rights and remedies herein provided for are cumulative and not exclusive of any rights or remedies provided in law or equity.

(b) Nothing contained in this Article Thirteen shall limit the right of the Trustee or the Holders to take any action to accelerate the maturity of the Securities pursuant to Article Five or to pursue any rights or remedies hereunder or under applicable law.

Section 1312. Trustee's Duties; Notice to Trustee.

(a) Any provision in this Article Thirteen or elsewhere in this Indenture allowing the Trustee to request any information or to take any action authorized by, or on behalf of any Guarantor, shall be permissive and shall not be obligatory on the Trustee except as the Holders may direct in accordance with the provisions of this Indenture or where the failure of the Trustee to request any such information or to take any such action arises from the Trustee's negligence, bad faith or willful misconduct.

(b) The Trustee shall not be required to inquire into the existence, powers or capacities of the Company, any Guarantor or the officers, directors or agents acting or purporting to act on their respective behalf.

Section 1313. Successors and Assigns.

All terms, agreements and conditions of this Article Thirteen shall extend to and be binding upon each Guarantor and its successors and permitted assigns and shall enure to the benefit of and may be enforced by the Trustee and its successors and assigns; *provided, however*, that the Guarantors may not assign any of their rights or obligations hereunder other than in accordance with Article Eight.

Section 1314. Release of Guarantee.

Concurrently with the payment in full of all of the Indenture Obligations, the Guarantors shall be released from and relieved of their obligations under this Article Thirteen. Upon the delivery by the Company to the Trustee of an Officers' Certificate and, if requested by the Trustee, an Opinion of Counsel to the effect that the transaction giving rise to the release of this Guarantee was made by the Company in accordance with the provisions of this Indenture and the Securities, the Trustee shall execute any

documents reasonably required in order to evidence the release of the Guarantors from their obligations under this Guarantee. If any of the Indenture Obligations are revived and reinstated after the termination of this Guarantee, then all of the obligations of the Guarantors under this Guarantee shall be revived and reinstated as if this Guarantee had not been terminated until such time as the Indenture Obligations are paid in full, and each Guarantor shall enter into an amendment to this Guarantee, reasonably satisfactory to the Trustee, evidencing such revival and reinstatement.

This Guarantee shall terminate with respect to each Guarantor and shall be automatically and unconditionally released and discharged as provided in Section 1013(c).

Section 1315. Execution of Guarantee.

(a) To evidence the Guarantee, each Guarantor hereby agrees to execute the guarantee substantially in the form set forth in Section 204, to be endorsed on each Security authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of each Guarantor by its Chairman of the Board, its President, its Chief Executive Officer, Chief Operating Officer or one of its Vice Presidents. The signature of any of these officers on the Securities may be manual or facsimile.

(b) Any person that was not a Guarantor on the Issue Date may become a Guarantor by executing and delivering to the Trustee (i) a supplemental indenture in form and substance satisfactory to the Trustee, which subjects such person to the provisions (including the representations and warranties) of this Indenture as a Guarantor, (ii) in the event that as of the date of such supplemental indenture any Registrable Securities are outstanding, an instrument in form and substance satisfactory to the Trustee which subjects such person to the provisions of the Registration Rights Agreement with respect to such outstanding Registrable Securities, and (iii) an Opinion of Counsel to the effect that such supplemental indenture has been duly authorized and executed by such person and constitutes the legal, valid and binding obligation of such person (subject to such customary assumptions and exceptions as may be acceptable to the Trustee in its reasonable discretion).

(c) If an officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates a Security on which this Guarantee is endorsed, such Guarantee shall be valid nevertheless.

Section 1316. Guarantee Subordinate to Senior Guarantor Indebtedness.

Each Guarantor covenants and agrees, and each Holder of a Guarantee, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the Indebtedness represented by the Guarantees is hereby expressly made subordinate and subject in right of payment as provided in this Article to the prior payment in full of all Senior Guarantor Indebtedness.

This Article shall constitute a continuing offer to all Persons who, in reliance upon such provisions, become holders of, or continue to hold Senior Guarantor Indebtedness; and such provisions are made for the benefit of the holders of Senior Guarantor Indebtedness; and such holders are made obligees hereunder and they or each of them may enforce such provisions.

Section 1317. Payment Over of Proceeds Upon Dissolution of the Guarantor, etc.

In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to any Guarantor or to its assets, or (b) any liquidation, dissolution or other winding up of any Guarantor, whether voluntary or involuntary, or whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshaling of assets or liabilities of any Guarantor, then and in any such event:

(1) the holders of Senior Guarantor Indebtedness shall be entitled to receive payment in full of all amounts due on or in respect of all Senior Guarantor Indebtedness before the Holders of the Securities are entitled to receive any payment or distribution of any kind or character (excluding Permitted Guarantor Junior Payment) on account of the Guarantee of such Guarantor or on account of the purchase, redemption, defeasance or other acquisition of, or in respect of the Guarantees (other than amounts previously set aside with the Trustee, or payments previously made, in either case, pursuant to the provisions of Sections 402 and 403 of this Indenture); and

(2) any payment or distribution of assets of any Guarantor of any kind or character, whether in cash, property or securities (excluding Permitted Guarantor Junior Payment), by set-off or otherwise, to which the Holders or the Trustee would be entitled but for the provisions of this Article shall be paid by the liquidating trustee or agent or other Person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Guarantor Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Guarantor Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the Senior Guarantor Indebtedness held or

represented by each, to the extent necessary to make payment in full of all Senior Guarantor Indebtedness remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of such Senior Guarantor Indebtedness; and

(3) in the event that, notwithstanding the foregoing provisions of this Section, the Trustee or the Holder of any Security shall have received any payment or distribution of assets of any Guarantor of any kind or character, whether in cash, property or securities (excluding Permitted Guarantor Junior Payment), in respect of the Guarantee of such Guarantor before all Senior Guarantor Indebtedness is paid in full, then and in such event such payment or distribution (excluding Permitted Guarantor Junior Payment) shall be paid over or delivered forthwith to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payments or distributions of assets of such Guarantor for application to the payment of all Senior Guarantor Indebtedness remaining unpaid, to the extent necessary to pay all Senior Guarantor Indebtedness in full after giving effect to any concurrent payment or distribution to or for the holders of Senior Guarantor Indebtedness.

The consolidation of any Guarantor with, or the merger of any Guarantor with or into, another Person or the liquidation or dissolution of any Guarantor following the sale, assignment, conveyance, transfer, lease or other disposal of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Eight shall not be deemed a dissolution, winding up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of such Guarantor for the purposes of this Section if the Person formed by such consolidation or the surviving entity of such merger or the Person which acquires by sale, assignment, conveyance, transfer, lease or other disposal of such properties and assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, sale, assignment, conveyance, transfer, lease or other disposal, comply with the conditions set forth in Article Eight.

Section 1318. Suspension of Payment When Designated Senior Guarantor Indebtedness in Default

(a) Upon the maturity of any Senior Guarantor Indebtedness by lapse of time, acceleration or otherwise, all principal thereof and interest thereon and other amounts due in connection therewith shall first be paid in full or such payment duly provided for before any payment is made by any of the Guarantors or any Person acting on behalf of any of the Guarantors in respect of the Guarantee of such Guarantor.

(b) No payment (excluding payments in the form of Permitted Guarantor Junior Payment) shall be made by any Guarantor in respect of its Guarantee during the period in which Section 1317 shall be applicable, during any suspension of payments in effect under Section 1403(a) of this Indenture or during any Payment Blockage Period in effect under Sections 1403(b) and (c) of this Indenture.

(c) In the event that, notwithstanding the foregoing, any Guarantor shall make any payment to the Trustee or the Holder of its Guarantee prohibited by the foregoing provisions of this Section, then and in such event such payment shall be paid over and delivered forthwith to a Senior Guarantor Representative of the holders of the Senior Guarantor Indebtedness or as a court of competent jurisdiction shall direct.

Section 1319. Payment Permitted by Each of the Guarantors if No Default

Nothing contained in this Article, elsewhere in this Indenture or in any of the Securities shall prevent any Guarantor, at any time except during the pendency of any case, proceeding, dissolution, liquidation or other winding-up, assignment for the benefit of creditors or other marshaling of assets and liabilities of such Guarantor referred to in Section 1317 or under the conditions described in Section 1318, from making payments at any time on the Guarantees.

Section 1320. Subrogation to Rights of Holders of Senior Guarantor Indebtedness

After the payment in full of all Senior Guarantor Indebtedness, the Holders of the Guarantees shall be subrogated to the rights of the holders of such Senior Guarantor Indebtedness to receive payments and distributions of cash, property and securities applicable to the Senior Guarantor Indebtedness until the payment on the Guarantees shall be paid in full. For purposes of such subrogation, no payments or distributions to the holders of Senior Guarantor Indebtedness of any cash, property or securities to which the Holders of the Guarantees or the Trustee would be entitled except for the provisions of this Article, and no payments over pursuant to the provisions of this Article to the holders of Senior Guarantor Indebtedness by Holders of the Guarantees or the Trustee, shall, as among any Guarantor, its creditors other than holders of Senior Guarantor Indebtedness, and the Holders of the Guarantees, be deemed to be a payment or distribution by such Guarantor to or on account of the Senior Guarantor Indebtedness.

Section 1321. Provisions Solely to Define Relative Rights

The provisions of Sections 1316 through 1329 of this Indenture are intended solely for the purpose of defining the relative rights of the Holders of the Guarantees on the one hand and the holders of Senior Guarantor Indebtedness on the other hand. Nothing contained in this Article or elsewhere in this Indenture or in the Guarantees is intended to or shall (a) impair, as among any Guarantor, its creditors other than holders of Senior Guarantor Indebtedness and the Holders of the Guarantees, the obligation such Guarantor, which is absolute and unconditional, to pay to the Holders of the Guarantees the payment on the Guarantees as and when the same shall become due and payable in accordance with their terms; or (b) affect the relative rights against each of the Guarantors of the Holders of the Guarantees and creditors of each of the Guarantors other

than the holders of Senior Guarantor Indebtedness; or (c) prevent the Trustee or the Holder of any Guarantee from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article of the holders of Senior Guarantor Indebtedness (1) in any case, proceeding, dissolution, liquidation or other winding up, assignment for the benefit of creditors or other marshaling of assets and liabilities of the Guarantors referred to in Section 1317, to receive, pursuant to and in accordance with such Section, cash, property and securities otherwise payable or deliverable to the Trustee or such Holder, or (2) under the conditions specified in Section 1318, to prevent any payment prohibited by such Section or enforce their rights pursuant to Section 1318(c).

Section 1322. Trustee to Effectuate Subordination.

Each Holder of a Guarantee by such Holder's acceptance thereof authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article and appoints the Trustee such Holder's attorney-in-fact for any and all such purposes, including, in the event of any dissolution, winding-up, liquidation or reorganization of any Guarantor whether in bankruptcy, insolvency, receivership proceedings, or otherwise, the timely filing of a claim for the unpaid balance of the indebtedness of any Guarantor owing to such Holder in the form required in such proceedings and the causing of such claim to be approved.

Section 1323. No Waiver of Subordination Provisions.

(a) No right of any present or future holder of any Senior Guarantor Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Guarantor or by any act or failure to act, in good faith, by any such holder, or by any non-compliance by any Guarantor with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.

(b) Without limiting the generality of subsection (a) of this Section, the holders of Senior Guarantor Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Guarantees, without incurring responsibility to the Holders of the Guarantees and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of the Guarantees to the holders of Senior Guarantor Indebtedness, do any one or more of the following: (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Guarantor Indebtedness or any instrument evidencing the same or any agreement under which Senior Guarantor Indebtedness is outstanding; (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Guarantor Indebtedness; (3) release any Person

liable in any manner for the collection or payment of Senior Guarantor Indebtedness; and (4) exercise or refrain from exercising any rights against any of the Guarantors and any other Person; *provided, however*, that in no event shall any such actions limit the right of the Holders of the Guarantees to take any action to accelerate the maturity of the Securities pursuant to Article Five of this Indenture or to pursue any rights or remedies hereunder or under applicable laws if the taking of such action does not otherwise violate the terms of this Article.

Section 1324. Notice to Trustee by Each of the Guarantors.

(a) Each Guarantor shall give prompt written notice to the Trustee of any fact known to such Guarantor which would prohibit the making of any payment to or by the Trustee in respect of the Guarantee. Notwithstanding the provisions of this Article or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment to or by the Trustee in respect of the Guarantees, unless and until the Trustee shall have received written notice thereof from any Guarantor or a holder of Senior Guarantor Indebtedness or from a Senior Guarantor Representative or any trustee, fiduciary or agent thereof; and, prior to the receipt of any such written notice, the Trustee shall be entitled in all respects to assume that no such facts exist; *provided, however*, that if the Trustee shall not have received the notice provided for in this Section by Noon, Eastern Time, on the Business Day prior to the date upon which by the terms hereof any money may become payable for any purpose (including, without limitation, the payment of the principal of, premium, if any, or interest on any Guarantee), then, anything herein contained to the contrary notwithstanding but without limiting the rights and remedies of the holders of Senior Guarantor Indebtedness, a Senior Guarantor Representative or any trustee, fiduciary or agent thereof, the Trustee shall have full power and authority to receive such money and to apply the same to the purpose for which such money was received and shall not be affected by any notice to the contrary which may be received by it after such date; nor shall the Trustee be charged with knowledge of the curing of any default or the elimination of the act or condition preventing any such payment unless and until the Trustee shall have received an Officers' Certificate to such effect.

(b) The Trustee shall be entitled to rely on the delivery to it of a written notice to the Trustee and each Guarantor by a Person representing himself to be a Senior Guarantor Representative or a holder of Senior Guarantor Indebtedness (or a trustee, fiduciary or agent therefor) to establish that such notice has been given by a Senior Guarantor Representative or a holder of Senior Guarantor Indebtedness (or a trustee, fiduciary or agent therefor); *provided, however*, that failure to give such notice to the Company or any Guarantor shall not affect in any way the ability of the Trustee to rely on such notice. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Guarantor Indebtedness to participate in any payment or distribution pursuant to this Article, the

Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Guarantor Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

Section 1325. Reliance on Judicial Orders or Certificates

Upon any payment or distribution of assets of any Guarantor referred to in this Article, the Trustee and the Holders of the Guarantees shall be entitled to rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other person making such payment or distribution, or a certificate of a Senior Guarantor Representative delivered to the Trustee or to the Holders of Guarantees for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Guarantor Indebtedness and other indebtedness of such Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article, *provided* that the foregoing shall apply only if such court has been fully apprised of the provisions of this Article.

Section 1326. Rights of Trustee as a Holder of Senior Guarantor Indebtedness: Preservation of Trustee's Rights

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article with respect to any Senior Guarantor Indebtedness which may at any time be held by it, to the same extent as any other holder of Senior Guarantor Indebtedness, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder. Nothing in this Article shall apply to claims of, or payments to, the Trustee under or pursuant to Section 607.

Section 1327. Article Applicable to Paying Agents

In case at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting under this Indenture, the term "Trustee" as used in this Article shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article in addition to or in place of the Trustee; *provided, however*, that Section 1326 shall not apply to the Company or any Affiliate of the Company if it or such Affiliate acts as Paying Agent.

Section 1328. No Suspension of Remedies

Nothing contained in this Article shall limit the right of the Trustee or the Holders of Guarantees to take any action to accelerate the maturity of the Securities pursuant to Article Five of this Indenture or to pursue any rights or remedies hereunder or under applicable law, subject to the rights, if any, under this Article of the holders, from time to time, of Senior Guarantor Indebtedness to receive the cash, property or securities receivable upon the exercise of such rights or remedies.

Section 1329. Trustee's Relation to Senior Guarantor Indebtedness.

With respect to the holders of Senior Guarantor Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article, and no implied covenants or obligations with respect to the holders of Senior Guarantor Indebtedness shall be read into this Article against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Guarantor Indebtedness and the Trustee shall not be liable to any holder of Senior Guarantor Indebtedness if it shall in good faith mistakenly (absent negligence or willful misconduct) pay over or deliver to Holders, a Guarantor or any other Person moneys or assets to which any holder of Senior Guarantor Indebtedness shall be entitled by virtue of this Article or otherwise.

ARTICLE FOURTEEN
SUBORDINATION OF SECURITIES

Section 1401. Securities Subordinate to Senior Indebtedness.

The Company covenants and agrees, and each Holder of a Security, by his acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the Indebtedness represented by the Securities and the payment of the principal of, premium, if any, and interest on, the Securities are hereby expressly made subordinate and subject in right of payment as provided in this Article to the prior payment in full of all Senior Indebtedness.

This Article Fourteen shall constitute a continuing offer to all Persons who, in reliance upon such provisions, become holders of, or continue to hold Senior Indebtedness; and such provisions are made for the benefit of the holders of Senior Indebtedness; and such holders are made obligees hereunder and they or each of them may enforce such provisions.

Section 1402. Payment Over of Proceeds Upon Dissolution, etc.

In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to the Company or its assets, or (b) any liquidation, dissolution or other winding up of the Company, whether voluntary or involuntary, or whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshaling of assets or liabilities of the Company, then and in any such event:

(1) the holders of Senior Indebtedness shall be entitled to receive payment in full of all amounts due on or in respect of Senior Indebtedness before the Holders of the Securities are entitled to receive any payment or distribution of any kind or character (excluding Permitted Junior Payment) on account of the principal of, premium, if any, or interest on the Securities or on account of the purchase, redemption, defeasance or other acquisition of, or in respect of, the Securities (other than amounts previously set aside with the Trustee, or payments previously made, in either case, pursuant to the provisions of Sections 402 and 403 of this Indenture); and

(2) any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities (excluding Permitted Junior Payment), by set-off or otherwise, to which the Holders or the Trustee would be entitled but for the provisions of this Article shall be paid by the liquidating trustee or agent or other Person making such payment or distribution, whether a trustee in bankruptcy, a receiver or liquidating trustee or otherwise, directly to the holders of Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts remaining unpaid on account of the Senior Indebtedness held or represented by each, to the extent necessary to make payment in full, of all Senior Indebtedness remaining unpaid, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness; and

(3) in the event that, notwithstanding the foregoing provisions of this Section, the Trustee or the Holder of any Security shall have received any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities (excluding Permitted Junior Payment), in respect of principal, premium, if any, and interest on the Securities before all Senior Indebtedness is paid in full, then and in such event such payment or distribution (excluding Permitted Junior Payment) shall be paid over or delivered forthwith to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payments or distributions of assets of the Company for application to the payment of all Senior Indebtedness remaining unpaid, to the extent necessary to pay all Senior Indebtedness in full after giving effect to any concurrent payment or distribution to or for the holders of Senior Indebtedness.

The consolidation of the Company with, or the merger of the Company with or into, another Person or the liquidation or dissolution of the Company following the sale, assignment, conveyance, transfer, lease or other disposal of its properties and

assets substantially as an entirety to another Person upon the terms and conditions set forth in Article Eight shall not be deemed a dissolution, winding up, liquidation, reorganization, assignment for the benefit of creditors or marshaling of assets and liabilities of the Company for the purposes of this Section if the Person formed by such consolidation or the surviving entity of such merger or the Person which acquires by sale, assignment, conveyance, transfer, lease or other disposal of such properties and assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, sale, assignment, conveyance, transfer, lease or other disposal, comply with the conditions set forth in Article Eight.

Section 1403. Suspension of Payment When Designated Senior Indebtedness in Default

(a) Unless Section 1402 shall be applicable, upon the occurrence and during the continuance of any default in the payment of any Designated Senior Indebtedness beyond any applicable grace period (a "Payment Default") and after the receipt by the Trustee from a Senior Representative of any Designated Senior Indebtedness of written notice of such default, no payment (other than amounts previously set aside with the Trustee or payments previously made, in either case, pursuant to Section 402 or 403 in this Indenture) or distribution of any assets of the Company or any Subsidiary of any kind or character (excluding Permitted Junior Payment) may be made by the Company on account of the principal of, premium, if any, or interest on, the Securities, or on account of the purchase, redemption, defeasance or other acquisition of or in respect of, the Securities unless and until such Payment Default shall have been cured or waived or shall have ceased to exist or such Designated Senior Indebtedness shall have been discharged or paid in full, after which the Company shall (subject to the other provisions of this Article Fourteen) resume making any and all required payments in respect of the Securities, including any missed payments.

(b) Unless Section 1402 shall be applicable, (1) upon the occurrence and during the continuance of any non-payment default or non-payment event of default with respect to any Designated Senior Indebtedness pursuant to which the maturity thereof may then be accelerated immediately (a "Non-payment Default") and (2) after the receipt by the Trustee and the Company from a Senior Representative of any Designated Senior Indebtedness of written notice of such Non-payment Default, no payment (other than any amounts previously set aside with the Trustee, or payments previously made, in either case, pursuant to the provisions of Sections 402 or 403 in this Indenture) or distribution of any assets of the Company of any kind or character (excluding Permitted Junior Payment) may be made by the Company or any Subsidiary on account of the principal of, premium, if any, or interest on, the Securities, or on account of the purchase, redemption, defeasance or other acquisition of, or in respect of, the Securities for the period specified below ("Payment Blockage Period").

(c) The Payment Blockage Period shall commence upon the receipt of notice of the Non-payment Default by the Trustee and the Company from a Senior Representative and shall end on the earliest of (i) the 179th day after such commencement, (ii) the date on which such Non-payment Default (and all other Non-payment Defaults as to which notice is given after such Payment Blockage Period is initiated) is cured, waived or ceases to exist or on which such Designated Senior Indebtedness is discharged or paid in full, or (iii) the date on which such Payment Blockage Period (and all Non-payment Defaults as to which notice is given after such Payment Blockage Period is initiated) shall have been terminated by written notice to the Company or the Trustee from the Senior Representative initiating such Payment Blockage Period, after which, in the case of clauses (i), (ii) and (iii), the Company shall promptly resume making any and all required payments in respect of the Securities, including any missed payments. In no event will a Payment Blockage Period extend beyond 179 days from the date of the receipt by the Company and the Trustee of the notice initiating such Payment Blockage Period (such 179-day period referred to as the "Initial Period"). Any number of notices of Non-payment Defaults may be given during the Initial Period; *provided* that during any period of 365 consecutive days only one Payment Blockage Period, during which payment of principal of, premium, if any, or interest on, the Securities may not be made, may commence and the duration of such period may not exceed 179 days. No Non-payment Default with respect to any Designated Senior Indebtedness that existed or was continuing on the date of the commencement of any Payment Blockage Period will be, or can be, made the basis for the commencement of a second Payment Blockage Period, whether or not within a period of 365 consecutive days, unless such default has been cured or waived for a period of not less than 90 consecutive days. The Company shall deliver a notice to the Trustee promptly after the date on which any Non-payment Default is cured or waived or ceases to exist or on which the Designated Senior Indebtedness related thereto is discharged or paid in full, and the Trustee is authorized to act in reliance on such notice.

(d) In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Security prohibited by the foregoing provisions of this Section, then and in such event such payment shall be paid over and delivered forthwith to a Senior Representative of the holders of the Designated Senior Indebtedness or as a court of competent jurisdiction shall direct.

Section 1404. Payment Permitted if No Default.

Nothing contained in this Article, elsewhere in this Indenture or in any of the Securities shall prevent the Company, at any time except during the pendency of any case, proceeding, dissolution, liquidation or other winding-up, assignment for the benefit of creditors or other marshaling of assets and liabilities of the Company referred to in Section 1402 or under the conditions described in Section 1403, from making payments at any time of principal of, premium, if any, or interest on the Securities.

Section 1405. Subrogation to Rights of Holders of Senior Indebtedness.

After the payment in full, the Holders of the Securities shall be subrogated to the rights of the holders of such Senior Indebtedness to receive payments and distributions of cash, property and securities applicable to the Senior Indebtedness until the principal of, premium, if any, and interest on, the Securities shall be paid in full. For purposes of such subrogation, no payments or distributions to the holders of Senior Indebtedness of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article, and no payments over pursuant to the provisions of this Article to the holders of Senior Indebtedness by Holders of the Securities or the Trustee, shall, as among the Company, its creditors other than holders of Senior Indebtedness, and the Holders of the Securities, be deemed to be a payment or distribution by the Company to or on account of the Senior Indebtedness.

Section 1406. Provisions Solely to Define Relative Rights

The provisions of this Article are intended solely for the purpose of defining the relative rights of the Holders of the Securities on the one hand and the holders of Senior Indebtedness on the other hand. Nothing contained in this Article or elsewhere in this Indenture or in the Securities is intended to or shall (a) impair, as among the Company, its creditors other than holders of Senior Indebtedness and the Holders of the Securities, the obligation of the Company, which is absolute and unconditional, to pay to the Holders of the Securities the principal of, premium, if any, and interest on, the Securities as and when the same shall become due and payable in accordance with their terms; or (b) affect the relative rights against the Company or the Holders of the Securities and creditors of the Company other than the holders of Senior Indebtedness; or (c) prevent the Trustee or the Holder of any Security from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article of the holders of Senior Indebtedness (1) in any case, proceeding, dissolution, liquidation or other winding up, assignment for the benefit of creditors or other marshaling of assets and liabilities of the Company referred to in Section 1402, to receive, pursuant to and in accordance with such Section, cash, property and securities otherwise payable or deliverable to the Trustee or such Holder, or (2) under the conditions specified in Section 1403, to prevent any payment prohibited by such Section or enforce their rights pursuant to Section 1403(d).

Section 1407. Trustee to Effectuate Subordination.

Each Holder of a Security by such Holder's acceptance thereof authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article and appoints the Trustee such Holder's attorney-in-fact for any and all such purposes, including, in the event of any dissolution, winding-up, liquidation or reorganization of the Company

whether in bankruptcy, insolvency, receivership proceedings, or otherwise, the timely filing of a claim for the unpaid balance of the indebtedness of the Company owing to such Holder in the form required in such proceedings and the causing of such claim to be approved.

Section 1408. No Waiver of Subordination Provisions.

(a) No right of any present or future holder of any Senior Indebtedness to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any non-compliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.

(b) Without limiting the generality of subsection (a) of this Section, the holders of Senior Indebtedness may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to the Holders of the Securities and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of the Securities to the holders of Senior Indebtedness, do any one or more of the following: (1) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Indebtedness or any instrument evidencing the same or any agreement under which Senior Indebtedness is outstanding; (2) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Indebtedness; (3) release any Person liable in any manner for the collection or payment of Senior Indebtedness; and (4) exercise or refrain from exercising any rights against the Company and any other Person; *provided, however*, that in no event shall any such actions limit the right of the Holders of the Securities to take any action to accelerate the maturity of the Securities pursuant to Article Five of this Indenture or to pursue any rights or remedies hereunder or under applicable laws if the taking of such action does not otherwise violate the terms of this Article.

Section 1409. Notice to Trustee.

(a) The Company shall give prompt written notice to the Trustee of any fact known to the Company which would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until the Trustee shall have received written notice thereof from the Company or a holder of Senior Indebtedness or from a Senior Representative or any trustee, fiduciary or agent thereof; and, prior to the receipt of any such written notice, the Trustee shall be entitled in all respects to assume that no such facts exist; *provided, however*, that if the Trustee shall not have received the notice provided for in this Section by Noon, Eastern Time, on the Business Day prior to the date upon which by the terms hereof any money may become payable for any purpose (including, without limitation, the payment of the principal of, premium, if any, or interest on any Security), then, anything herein contained to the contrary notwithstanding but without limiting the rights and remedies of the holders of Senior Indebtedness, a Senior Representative or any trustee, fiduciary or agent thereof, the Trustee shall have full power and authority to receive such money and to apply the same to the purpose for which such money was received and shall not be affected by any notice to the contrary which may be received by it after such date; nor shall the Trustee be charged with knowledge of the curing of any default or the elimination of the act or condition preventing any such payment unless and until the Trustee shall have received an Officers' Certificate to such effect.

(b) The Trustee shall be entitled to rely on the delivery to it of a written notice to the Trustee and the Company by a Person representing himself to be a Senior Representative or a holder of Senior Indebtedness (or a trustee, fiduciary or agent therefor) to establish that such notice has been given by a Senior Representative or a holder of Senior Indebtedness (or a trustee, fiduciary or agent therefor); *provided, however*, that failure to give such notice to the Company shall not affect in any way the ability of the Trustee to rely on such notice. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Indebtedness to participate in any payment or distribution pursuant to this Article, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Indebtedness held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

Section 1410. Reliance on Judicial Orders or Certificates

Upon any payment or distribution of assets of the Company referred to in this Article, the Trustee and the Holders of the Securities shall be entitled to rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other person making such payment or distribution, or a certificate of a Senior Representative, delivered to the Trustee or to the Holders of Securities for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article, *provided* that the foregoing shall apply only if such court has been fully apprised of the provisions of this Article.

Section 1411. Rights of Trustee as a Holder of Senior Indebtedness: Preservation of Trustee's Rights

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article with respect to any Senior Indebtedness which may at any time be held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder. Nothing in this Article shall apply to claims of, or payments to, the Trustee under or pursuant to Section 607.

Section 1412. Article Applicable to Paying Agents

In case at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting under this Indenture, the term "Trustee" as used in this Article shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article in addition to or in place of the Trustee; *provided, however*, that Section 1411 shall not apply to the Company or any Affiliate of the Company if it or such Affiliate acts as Paying Agent.

Section 1413. No Suspension of Remedies

Nothing contained in this Article shall limit the right of the Trustee or the Holders of Securities to take any action to accelerate the maturity of the Securities pursuant to Article Five of this Indenture or to pursue any rights or remedies hereunder or under applicable law, subject to the rights, if any, under this Article of the holders, from

time to time, of Senior Indebtedness to receive the cash, property or securities receivable upon the exercise of such rights or remedies.

Section 1414. Trustee's Relation to Senior Indebtedness

With respect to the holders of Senior Indebtedness, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are specifically set forth in this Article, and no implied covenants or obligations with respect to the holders of Senior Indebtedness shall be read into this Article against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Indebtedness and the Trustee shall not be liable to any holder of Senior Indebtedness if it shall in good faith mistakenly (absent negligence or willful misconduct) pay over or deliver to Holders, the Company or any other Person moneys or assets to which any holder of Senior Indebtedness shall be entitled by virtue of this Article or otherwise.
