Item 6. Indemnification of Officers and Directors

Sonic's Bylaws effectively provide that Sonic shall, to the full extent permitted by Section 145 of the General Corporation Law of the State of Delaware, as amended from time to time ("Section 145"), indemnify all persons whom it may indemnify pursuant thereto. In addition, Sonic's Certificate of Incorporation eliminates personal liability of its directors to the full extent permitted by Section 102(b)(7) of the General Corporation Law of the State of Delaware, as amended from time to time ("Section 102(b)(7)").

Section 145 permits a corporation to indemnify its directors and officers against expenses (including attorneys' fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by them in connection with any action, suit or proceeding brought by a third party if such directors or officers acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reason to believe their conduct was unlawful. In a derivative action, indemnification may be made only for expenses actually and reasonably incurred by directors and officers in connection with the defense or settlement of an action or suit and only with respect to a matter as to which they shall have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made if such person shall have been adjudged liable to the corporation, unless and only to the extent that the court in which the action or suit was brought shall determine upon application that the defendant officers or directors are reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Section 102(b)(7) provides that a corporation may eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for willful or negligent conduct in paying dividends or repurchasing stock out of other than lawfully available funds, or (iv) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective.

Sonic maintains insurance against liabilities under the Securities Act for the benefit of its officers and directors.

Item 9. Undertakings

- (a) The undersigned Registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this

Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered), any deviation from the high or low end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8, or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement;

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof; and
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate

jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The Permitted Transferee and the Option shall continue to be subject to the same terms and conditions as were applicable immediately prior to the transfer. The provisions of the Plan and this Option Agreement shall continue to apply with respect to the Optionee, and the Option shall be exercisable by the Permitted Transferee only to the extent and for the periods specified herein. The Optionee shall remain subject to withholding taxes upon exercise of any transferred Option by the Permitted Transferee. No assignment or transfer of the Option, or of the rights represented thereby, whether voluntary or involuntary, by operation of law or otherwise, except as described above, shall vest in the assignee or transferee any interest or right herein whatsoever; but immediately upon any attempt to assign or transfer this Option, except as expressly permitted herein, the same shall terminate and be of no force or effect.

4. TERMINATION. The Option granted hereby shall terminate and be of no force or effect upon and following the occurrence of any of the following events:

4

(c) The expiration of three months after the date of the Optionee's Involuntary Termination Without Cause. (d) The expiration of twelve months after the Optionee's Termination as a result of the Optionee's Disability. During such twelve-month period, the Optionee shall have the right to exercise the Option hereby granted in accordance with the terms of this Option Agreement, but only to the extent the Option was exercisable on the date of the Optionee's Termination.

(e) In the event of the Optionee's Termination as a result of the Optionee's death, or, in the event of the death of the Optionee after Termination described in subparagraph (c) or (d), above, but within the three-month or twelve-month period described in subparagraph (c) or (d), above, upon the expiration of twelve months following the Optionee's death. During such extended period, the Option may be exercised by the person or persons to whom the deceased Optionee's rights under the Option Agreement shall pass by will or by the laws of descent and distribution, but only to the extent the Option was exercisable on the date of the Optionee's Termination.

(f) To the extent set forth in paragraph 7 below, upon the dissolution, liquidation, consolidation or merger of the Company, and, to the extent set forth in subparagraph 3(f) above, upon an attempted assignment or transfer of the Option otherwise than as expressly permitted herein.

Any determination made by the Committee with respect to any matter referred to in this paragraph 4 shall be final and conclusive on all persons affected thereby.

5. RIGHTS AS STOCKHOLDER. An Optionee shall have no rights as a stockholder of the Company with respect to any shares underlying the Option until the day of the issuance of a stock certificate to him or her for those shares upon payment of the exercise price in accordance with the terms and provisions hereof. Subject to paragraph 7 below, no adjustments shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to the date such stock certificate is issued.

6. PAYMENT OF WITHHOLDING TAXES. Upon the Optionee's exercise of his or her Option with respect to any of the Option Shares in accordance with the provisions of paragraph 3 above, the Optionee shall pay to the Company upon exercise of the Option the amount of any federal, state or local income tax withholding or other employment tax that may be due upon such exercise. The determination of the amount of any such federal, state or local income tax withholding or other employment tax due in such event shall be made by the Company and shall be binding upon the Optionee. If the amount requested is not paid, the Company may refuse to issue the Common Stock. Nothing in this paragraph shall be construed to impose on the Company a duty to withhold where applicable law does not require such withholding.

7. RECAPITALIZATION; REORGANIZATION. The shares underlying this Option are shares of Common Stock as constituted on the date of this Agreement, but if, during the Option Period and prior to the delivery by the Company of all of the shares of Common Stock with respect to which this Option is granted, the Company shall effect a subdivision or consolidation of shares or other

5

capital readjustment, the payment of a stock dividend or some other increase or decrease in the number of shares of Common Stock outstanding, without receiving compensation therefor in money, services or property, then, (a) in the event of any increase in the number of such shares outstanding, the number of shares of Common Stock then remaining subject to this Option shall be proportionately increased (except that any fraction of a share resulting from any such adjustment shall be excluded from the operation of this Option Agreement), and the exercise price per share shall be proportionately reduced, and, (b) in the event of a reduction in the number of such shares outstanding, the number of shares of Common Stock then remaining subject to this Option shall be proportionately reduced (except that any fractional share resulting from any such adjustment shall be excluded from the operation of this Option Agreement), and the exercise price per share shall be proportionately increased.

In the event of a merger of one or more corporations into the Company with respect to which the Company shall be the surviving or resulting corporation, the Optionee shall, at no additional cost, be entitled upon any exercise of this Option to receive (subject to any required action by shareholders), in lieu of the number of shares as to which this Option shall then be so exercised, the number and class of shares of stock or other securities to which the Optionee would have been entitled pursuant to the terms of the agreement of merger if, immediately prior to such merger, the Optionee had been the holder of record of a number of shares of Common Stock of the Company equal to the number of shares as to which such Option shall be so exercised; provided, however, that, anything herein contained to the contrary notwithstanding, upon the occurrence of any event described in Section 5(g) of the Plan, this Option shall be subject to acceleration as provided in such Section 5(g).

In the event of a change in the Common Stock as presently constituted, which change is limited to a change of all of the authorized shares with par value into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the

Common Stock within the meaning of the Plan.

The existence of this Option shall not affect in any way the right or power of the Company or its shareholders to make or authorize any or all adjustments, dividends, stock dividends, recapitalization, reorganizations or other changes in the Company's capital structure or its business, or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or other stocks with preference ahead of or convertible into, or otherwise affecting, the Common Stock or the rights thereof, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

8. NO REGISTRATION RIGHTS. Anything in this Option Agreement to the contrary notwithstanding, if, at any time specified herein for the issuance of Option Shares, any law, regulation or requirements of any governmental authority having jurisdiction in the premises shall require either the Company or the Optionee, in the opinion of the Company's counsel, to take any action in connection with the shares then to be issued, the issuance of such shares shall be deferred until such action shall have been taken. and absolute discretion may accelerate the Exercise Date, which acceleration may, in the sole discretion of the Committee, be subject to further terms and conditions mandated by the Committee.

(b) No less than 100 shares of Common Stock may be purchased on any Exercise Date unless the number of shares purchased at such time is the total number of shares in respect of which the Option is then exercisable.

(c) If at any time and for any reason the Option covers a fraction of a share, then, upon exercise of the Option, the Optionee shall receive the Fair Market Value of such fractional share in cash.

The Permitted Transferee and the Option shall continue to be subject to the same terms and conditions as were applicable immediately prior to the transfer. The provisions of the Plan and this Option Agreement shall continue to apply with respect to the Optionee, and the Option shall be exercisable by the Permitted Transferee only to the extent and for the periods specified herein. The Optionee shall remain subject to withholding taxes upon exercise of any transferred Option by the Permitted Transferee. No assignment or transfer of the Option, or of the rights represented thereby, whether voluntary or involuntary, by operation of law or otherwise, except as described above, shall vest in the assignee or transferee any interest or right herein whatsoever; but immediately upon any attempt to assign or transfer this Option, except as expressly permitted herein, the same shall terminate and be of no force or effect.

4

(c) The expiration of three months after the date of the Optionee's Involuntary Termination Without Cause. During such three-month period, the Optionee shall have the right to exercise the Option hereby granted in accordance with the terms of this Option Agreement, but only to the extent the Option was exercisable on the date of the Optionee's Involuntary Termination Without Cause.

(d) The expiration of twelve months after the Optionee's Termination as a result of the Optionee's Disability. During such twelve-month period, the Optionee shall have the right to exercise the Option hereby granted in accordance with the terms of this Option Agreement, but only to the extent the Option was exercisable on the date of the Optionee's Termination.

(e) In the event of the Optionee's Termination as a result of the Optionee's death, or, in the event of the death of the Optionee after Termination described in subparagraph (c) or (d), above, but within the three-month or twelve-month period described in subparagraph (c) or (d), above, upon the expiration of twelve months following the Optionee's death. During such extended period, the Option may be exercised by the person or persons to whom the deceased Optionee's rights under the Option Agreement shall pass by will or by the laws of descent and distribution, but only to the extent the Option was exercisable on the date of the Optionee's Termination.

(f) To the extent set forth in paragraph 7 below, upon the dissolution, liquidation, consolidation or merger of the Company, and, to the extent set forth in subparagraph 3(f) above, upon an attempted assignment or transfer of the Option otherwise than as expressly permitted herein.

Any determination made by the Committee with respect to any matter referred to in this paragraph 4 shall be final and conclusive on all persons affected thereby.

5. RIGHTS AS STOCKHOLDER. An Optionee shall have no rights as a stockholder of the Company with respect to any shares underlying the Option until the day of the issuance of a stock certificate to him or her for those shares upon payment of the exercise price in accordance with the terms and provisions hereof. Subject to paragraph 7 below, no adjustments shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions or other rights for which the record date is prior to the date such stock certificate is issued.

6. PAYMENT OF WITHHOLDING TAXES. Upon the Optionee's exercise of his or her Option with respect to any of the Option Shares in accordance with the provisions of paragraph 3 above, the Optionee shall pay to the Company upon exercise of the Option the amount of any federal, state or local income tax withholding or other employment tax that may be due upon such exercise. The determination of the amount of any such federal, state or local income tax withholding or other employment tax due in such event shall be made by the Company and shall be binding upon the Optionee. If the amount requested is not paid, the Company may refuse to issue the Common Stock. Nothing in this paragraph shall be construed to impose on the Company a duty to withhold where applicable law does not require such withholding.

7. RECAPITALIZATION; REORGANIZATION. The shares underlying this Option are shares of Common Stock as constituted on the date of this Agreement, but if, during the Option Period and prior to the delivery by the Company of all of the shares of Common Stock with respect to which this Option is granted, the Company shall effect a subdivision or consolidation of shares or other

capital readjustment, the payment of a stock dividend or some other increase or decrease in the number of shares of Common Stock outstanding, without receiving compensation therefor in money, services or property, then, (a) in the event of any increase in the number of such shares outstanding, the number of shares of Common Stock then remaining subject to this Option shall be proportionately increased (except that any fraction of a share resulting from any such adjustment shall be excluded from the operation of this Option Agreement), and the exercise price per share shall be proportionately reduced, and, (b) in the event of a reduction in the number of such shares outstanding, the number of shares of Common Stock then remaining subject to this Option shall be proportionately reduced (except that any fractional share resulting from any such adjustment shall be excluded from the operation of this Option Agreement), and the exercise price per share shall be proportionately increased.

In the event of a merger of one or more corporations into the Company with respect to which the Company shall be the surviving or resulting corporation, the Optionee shall, at no additional cost, be entitled upon any exercise of this Option to receive (subject to any required action by shareholders), in lieu of the number of shares as to which this Option shall then be so exercised, the number and class of shares of stock or other securities to which the Optionee would have been entitled pursuant to the terms of the agreement of merger if, immediately prior to such merger, the Optionee had been the holder of record of a number of shares of Common Stock of the Company equal to the number of shares as to which such Option shall be so exercised; provided, however, that, anything herein contained to the contrary notwithstanding, upon the occurrence of any event described in Section 5(g) of the Plan, this Option shall be subject to acceleration as provided in such Section 5(g).

In the event of a change in the Common Stock as presently constituted, which change is limited to a change of all of the authorized shares with par value into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the

Common Stock within the meaning of the Plan.

The existence of this Option shall not affect in any way the right or power of the Company or its shareholders to make or authorize any or all adjustments, dividends, stock dividends, recapitalization, reorganizations or other changes in the Company's capital structure or its business, or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or other stocks with preference ahead of or convertible into, or otherwise affecting, the Common Stock or the rights thereof, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

8. NO REGISTRATION RIGHTS. Anything in this Option Agreement to the contrary notwithstanding, if, at any time specified herein for the issuance of Option Shares, any law, regulation or requirements of any governmental authority having jurisdiction in the premises shall require either the Company or the Optionee, in the opinion of the Company's counsel, to take any action in connection with the shares then to be issued, the issuance of such shares shall be deferred until such action shall have been taken. Nothing in this Option Agreement shall be construed to obligate the Company at any time to file or maintain the effectiveness of a registration statement under the Act, or under the securities laws of any state or other jurisdiction, or to take or cause to be taken any action which may be necessary in order to provide an exemption from the registration

6

requirements of the Act under Rule 144 or any other exemption with respect to the Option Shares or otherwise for resale or other transfer by the Optionee (or by the executor or administrator of such Optionee's estate or a person who is a Permitted Transferee or who acquired the Option or any Option Shares or other rights by bequest or inheritance or by reason of the death of the Optionee) as a result of the exercise of an Option granted pursuant to this Option Agreement.

9. RESOLUTION OF DISPUTES. Any dispute or disagreement that arises under, or as a result of, or pursuant to, this Option Agreement shall be determined by the Committee in its absolute and uncontrolled discretion, and any such determination or other determination by the Committee under or pursuant to this Option Agreement, and any interpretation by the Committee of the terms of this Option Agreement, shall be final, binding and conclusive on all parties affected thereby.

10. COMPLIANCE WITH THE ACT. Notwithstanding any provision herein to the contrary or in the Plan, the Company shall be under no obligation to issue any shares of Common Stock to the Optionee upon exercise of the Option granted hereby unless and until the Company has determined that such issuance is either exempt from registration, or is registered, under the Act and is either exempt from registration and qualification, or is registered or qualified, as applicable, under all applicable state securities or "blue sky" laws.

11. MISCELLANEOUS.

(a) BINDING ON SUCCESSORS AND REPRESENTATIVES. This Option Agreement shall be binding not only upon the parties, but also upon their heirs, executors, administrators, personal representatives, successors and assigns (including any transferee of a party to this Agreement); and the parties agree, for themselves and their successors, assigns (including any transferee of a party to this Agreement) and representatives, to execute any instrument which may be necessary legally to effect the terms and conditions of this Option Agreement.

This Option Agreement has been entered into in compliance with the terms of the Plan; wherever a conflict may arise between the terms of this Option Agreement and the terms of the Plan, the terms of the Plan shall control.

(c) AMENDMENT. Neither this Option Agreement nor any of the terms and conditions herein set forth may be altered or amended orally, and any such alteration or amendment shall be effective only when reduced to writing and signed by each of the parties or their respective successors and assigns.

(d) CONSTRUCTION OF TERMS. Any reference herein to the singular or plural shall be construed as plural or singular whenever the context requires.
