PROXY STATEMENT

GENERAL INFORMATION

The 2015 Annual Meeting of Stockholders of Sonic Automotive, Inc. will be held on Tuesday, April 14, 2015 at 10:30 a.m., Eastern Time, at Charlotte Motor Speedway, Smith Tower, 600 Room, U.S. Highway 29 North, Concord, North Carolina 28027, for the purposes set forth in the accompanying Notice of 2015 Annual Meeting of Stockholders. We refer to this meeting, together with any adjournment or postponement thereof, as the "Annual Meeting." Only holders of record of Sonic's Class A Common Stock and Class B Common Stock at the close of business on February 18, 2015 (the "Record Date") will be entitled to notice of, and to vote at, the Annual Meeting. This Proxy Statement and form of proxy are furnished to stockholders in connection with the solicitation by the Board of Directors (the "Board of Directors" or the "Board") of proxies to be used at the Annual Meeting, and at any and all adjournments or postponements thereof. On or about March 5, 2015, Sonic will begin mailing to its stockholders the Proxy Statement, the accompanying proxy card or voting instruction form and the 2014 Annual Report to Stockholders, or a notice letter, as applicable. References in this Proxy Statement to "Sonic," the "Company," "we," "us," "our" and similar terms refer to Sonic Automotive, Inc. We sometimes refer to our Class A Common Stock and Class B Common Stock together as our "Common Stock."

Shares Entitled to Vote and Voting Rights

Sonic currently has authorized under its Amended and Restated Certificate of Incorporation (the "Charter") 100,000,000 shares of Class A Common Stock, of which 38,905,340 shares were outstanding as of the Record Date and are entitled to vote at the Annual Meeting, and 30,000,000 shares of Class B Common Stock, of which 12,029,375 shares were outstanding as of the Record Date and are entitled to vote at the Annual Meeting. As provided in the Charter, holders of Class A Common Stock will have one vote per share, and holders of Class B Common Stock will have 10 votes per share at the Annual Meeting. All outstanding shares of Common Stock are entitled to vote as a single class on any proposal submitted to a vote at the Annual Meeting. The presence at the Annual Meeting in person or by proxy of a majority of the shares entitled to vote will constitute a quorum for the transaction of business at the Annual Meeting.

Votes Required to Approve Each Proposal

A quorum being present, directors will be elected by the affirmative vote of a plurality of the total votes of all shares of Common Stock present in person or represented by proxy and entitled to vote on the election of directors at the Annual Meeting and each of the other proposals referred to in the accompanying Notice of 2015 Annual Meeting of Stockholders will be approved if a majority of the total votes of all shares of Common Stock present in person or represented by proxy and entitled to vote on the proposal at the Annual Meeting are cast in favor thereof.

Methods of Voting

If your shares of Class A Common Stock are registered directly in your name, you may vote by mail, by telephone, over the Internet or in person at the Annual Meeting. If your shares of Class A Common Stock are held in the name of your bank, broker or other nominee, you may vote by mail or in person at the Annual Meeting, and depending on the voting procedures of the stockholder of record, you may be able to vote by telephone or over the Internet. If you are a registered holder of Class B Common Stock, you may vote by mail or in person at the Annual Meeting. Votes submitted by mail, by telephone or over the Internet must be received by 11:59 p.m., Eastern Time, on Monday, April 13, 2015.

Voting by Mail. By signing and dating the proxy card or voting instruction form and returning it in the prepaid and addressed envelope enclosed with the proxy materials delivered by mail, you are authorizing the individuals named on the proxy card or voting instruction form to vote your shares at the Annual Meeting in the manner you indicate.

Table of Contents

Voting by Telephone or Over the Internet. To vote by telephone or over the Internet, please follow either the instructions included on your proxy card or voting instruction form or notice letter or the voting instructions you receive by e-mail. If you vote by telephone or over the Internet, you do not need to complete and mail a proxy card or voting instruction form. You may incur costs such as telephone and Internet access charges if you vote by telephone or over the Internet. If you choose to vote by telephone or over the Internet, you must do so by 11:59 p.m., Eastern Time, on Monday, April 13, 2015.

Voting in Person at the Annual Meeting. If you attend the Annual Meeting and plan to vote in person, we will provide you with a ballot at the Annual Meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the Annual Meeting. If your shares are held in the name of your bank, broker or other nominee, you are considered the beneficial owner of shares held in “street name.” As a beneficial owner, if you wish to vote at the Annual Meeting, you will need to bring to the Annual Meeting a legal proxy from your bank, broker or other nominee authorizing you to vote those shares.

Even if you plan to attend the Annual Meeting, we encourage you to vote as soon as possible to ensure that your shares will be voted if you are unable to attend the Annual Meeting. If you receive more than one proxy card, voting instruction form, notice letter or e-mail notification, it is an indication that your shares are held in multiple accounts. To vote all of your shares, you must vote separately as described above for each proxy card, voting instruction form, notice letter or e-mail notification that you receive.

Withhold Votes, Abstentions and Broker Non-Votes

Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum for the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal but does not vote on another proposal because, with respect to such other proposal, the nominee does not have discretionary voting power and has not received voting instructions from the beneficial owner.

Under the rules and regulations of the New York Stock Exchange (the “NYSE”), the proposal to ratify the appointment of the independent registered public accounting firm is considered a “discretionary” matter, which means that brokerage firms may vote in their discretion on this matter on behalf of clients who have not furnished voting instructions. However, the election of directors, the non-binding, advisory vote to approve Sonic’s named executive officer compensation and the proposal to approve the amendment and restatement of the Sonic Automotive, Inc. 2012 Stock Incentive Plan (the “2012 Stock Incentive Plan”) are “non-discretionary” matters under the rules and regulations of the NYSE, which means brokerage firms that have not received voting instructions from their clients on these matters may not vote on these proposals.

With respect to Proposal 1, the election of directors, only “for” and “withhold” votes may be cast, and withhold votes, broker non-votes and abstentions will have no effect on the outcome of the proposal. With respect to Proposals 2, 3 and 4, the ratification of the appointment of KPMG LLP as Sonic’s independent registered public accounting firm for fiscal 2015, the non-binding, advisory vote to approve Sonic’s named executive officer compensation and the proposal to approve the amendment and restatement of the 2012 Stock Incentive Plan, an abstention will be counted as a vote present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposals and will have the same effect as a vote against the proposals, and a broker non-vote will not be considered entitled to vote on these proposals and will therefore have no effect on their outcome.

Voting of Proxies

Each valid proxy received and not revoked before the Annual Meeting will be voted at the Annual Meeting. To be valid, a written proxy card must be properly executed. Proxies voted by telephone or via the Internet must be properly completed pursuant to this solicitation. If you specify your vote regarding any matter

Table of Contents

presented at the Annual Meeting, your shares will be voted by one of the individuals indicated on the proxy in accordance with your specification. If you do not specify your vote, your shares will be voted (i) in favor of electing Sonic's 10 nominees to the Board of Directors; (ii) in favor of the proposal to ratify the appointment of KPMG LLP as Sonic's independent registered public accounting firm for the fiscal year ending December 31, 2015; (iii) in favor of the proposal to approve, on a non-binding, advisory basis, Sonic's named executive officer compensation; (iv) in favor of the proposal to approve the amendment and restatement of the 2012 Stock Incentive Plan; and (v) in the discretion of the proxy holders on any other business as may properly come before the Annual Meeting. The Board of Directors currently knows of no other business that will be presented for consideration at the Annual Meeting.

Revoking Your Proxy or Changing Your Vote

You may revoke your proxy or change your vote at any time before the vote is taken at the Annual Meeting. If you are a stockholder of record, you may revoke your proxy or change your vote by (i) submitting a written notice of revocation to Stephen K. Coss, Senior Vice President, General Counsel and Secretary of Sonic, at 4401 Colwick Road, Charlotte, North Carolina 28211; (ii) delivering a proxy bearing a later date by telephone, the Internet or mail until the applicable deadline for each method; or (iii) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically make that request or vote in person at the Annual Meeting. For all methods of voting, the last vote cast will supersede all previous votes. If you hold your shares in "street name" and you have instructed your bank, broker or other nominee to vote your shares, you may change or revoke your voting instructions by following the specific instructions provided to you by your bank, broker or other nominee, or, if you have obtained a legal proxy from your bank, broker or other nominee, by attending the Annual Meeting and voting in person.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires Sonic’s executive officers, directors and certain persons who beneficially own more than 10% of Sonic’s Common Stock to file with the SEC initial reports of ownership and reports of changes in ownership of Sonic’s Common Stock and other equity securities. Additionally, SEC regulations require that Sonic identify in its proxy statements any individuals for whom one of the referenced reports was not filed on a timely basis during the most recent fiscal year or prior fiscal years. Based solely on a review of reports filed with the SEC and written representations that no other reports were required, Sonic believes that its executive officers, directors and greater than 10% stockholders complied with all applicable filing requirements on a timely basis during fiscal 2014, except for (i) Messrs. Heath R. Byrd, Jeff Dyke, B. Scott Smith, David Bruton Smith and O. Bruton Smith, each of whom is an executive officer of Sonic, who filed two late Form 4s with respect to two separate transactions to report shares delivered by them to Sonic to satisfy their tax withholding obligations due upon the vesting of restricted stock units, and (ii) Mr. Paul P. Rusnak, a greater than 10% stockholder, who filed a late Form 4 to report the distribution of shares from his IRA to his personal account.

PROPOSAL 1

ELECTION OF DIRECTORS

Ten directors currently serve on Sonic’s Board of Directors and all were elected by our stockholders at our 2014 annual meeting of stockholders, except Mr. John W. Harris III, who was elected to the Board in October 2014, and Mr. R. Eugene Taylor, who was elected to the Board in February 2015. Mr. Harris was initially identified to the Board as a potential director by a management director of Sonic, and Mr. Taylor was initially identified to the Board as a potential director by a non-management director of Sonic.

Under our Bylaws, the director nominees are elected by the stockholders for a one-year term expiring at the next annual meeting of stockholders. Any director elected by the Board of Directors as a result of a newly created directorship or to fill a vacancy on the Board will hold office until the next annual meeting of stockholders. All directors’ terms expire and their successors will be elected at the Annual Meeting and each annual meeting of stockholders thereafter.

Table of Contents

Upon the recommendation of the Nominating and Corporate Governance Committee of the Board of Directors (the “NCG Committee”), the Board nominated each of our current directors to stand for reelection for a new term expiring at the 2016 annual meeting of stockholders or until their successors are duly elected and qualified. At the Annual Meeting, shares represented by all proxies received by the Board and not marked to withhold authority to vote for the nominees will be voted for the election of O. Bruton Smith, B. Scott Smith, David Bruton Smith, William I. Belk, William R. Brooks, Bernard C. Byrd, Jr., Victor H. Doolan, John W. Harris III, Robert Heller and R. Eugene Taylor to the Board of Directors. All of these individuals consented to be named in this Proxy Statement and have agreed to serve, if elected. If for any reason any director nominee is unable to stand for reelection, we intend to vote proxies for the election of the other director nominees and the Board will designate a substitute nominee or reduce the number of directors in accordance with our Charter and Bylaws. If a substitute nominee is designated, proxies will be voted for the substitute nominee.

Director Nominees

We have set forth below information regarding each of the director nominees. The NCG Committee and the Board believe that the experience, qualifications, attributes and skills of the director nominees described below and in the “Corporate Governance and Board of Directors — Board Committees — Nominating and Corporate Governance Committee” section of this Proxy Statement provide the Board with the ability to address the evolving needs of Sonic and represent the best interests of Sonic and its stockholders.

O. Bruton Smith, 88, is the Founder of Sonic. He is also the Chairman, Chief Executive Officer and a director of Sonic and has served as such since Sonic’s organization in January 1997, and he is also a director and executive officer of many of Sonic’s subsidiaries. Mr. Smith has worked in the retail automobile industry since 1966. Mr. Smith is also the Executive Chairman, a director and controlling stockholder of Speedway Motorsports, Inc. (“SMI”). THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF ALL OF THE DIRECTOR NOMINEES.

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS

Director Independence

Because Mr. O. Bruton Smith holds more than 50% of the voting power of Sonic's Common Stock, Sonic qualifies as a "controlled company" for purposes of the NYSE's listing standards and, therefore, is not required to comply with all of the requirements of those listing standards, including the requirement that a listed company have a majority of independent directors. Nevertheless, Sonic is committed to having its Board membership in favor of independent directors as evidenced by Sonic's Corporate Governance Guidelines, which provide that it is desirable that any non-employee director be qualified as "independent" under the NYSE's listing standards and the rules and regulations of the Securities and Exchange Commission (the "SEC").

Our Board believes that a majority of its members are independent under both the applicable NYSE rules and the applicable SEC rules. The NYSE rules provide that a director does not qualify as "independent" unless the board of directors affirmatively determines that the director has no material relationship with the company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the company). The NYSE rules require a board of directors to consider all of the relevant facts and circumstances in determining the materiality of a director's relationship with a company. The Board has adopted Categorical Standards for Determination of Director Independence (the "Categorical Standards"), which incorporate the independence standards of the NYSE rules, to assist the Board in determining whether a director has a material relationship with Sonic. The Categorical Standards are available on Sonic's website, www.sonicautomotive.com.

In February 2015, the Board of Directors, with the assistance of the NCG Committee, conducted an evaluation of director independence based on the Categorical Standards. The Board considered all relationships and transactions between each director (and his immediate family and affiliates) and each of Sonic, its management and its independent registered public accounting firm, including, with respect to Mr. R. Eugene Taylor, who serves as Chairman and Chief Executive Officer of CBFC, that Capital Bank in the ordinary course of business provides automotive retail loans to consumers, including to customers at certain of Sonic's dealership subsidiaries. For each auto loan referred to Capital Bank by one of Sonic's dealerships, Capital Bank compensated both the dealership and Sonic. The Board and the NCG Committee determined that the level of business between Capital Bank and Sonic in fiscal 2014 was not material to either party. As a result of this evaluation, the Board determined those relationships that do exist or did exist within the last three years (except for Messrs. O. Bruton Smith's, B. Scott Smith's, David Bruton Smith's and William R. Brooks') all fall well below the thresholds in the Categorical Standards. Consequently, the Board of Directors determined that each of Messrs. Belk, Byrd, Doolan, Harris, Heller and Taylor is an independent director under the Categorical Standards, the NYSE rules and the SEC rules. The Board also determined that each member of the Audit, Compensation and NCG Committees (see membership information below under "— Board Committees") is independent, including that each member of the Audit Committee is "independent" as that term is defined under Rule 10A-3(b)(1)(ii) of the Exchange Act, and that each member of the Compensation Committee is an "outside director" as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Messrs. O. Bruton Smith, B. Scott Smith and David Bruton Smith are not independent due to their employment by Sonic and Mr. William R. Brooks is not independent due to his employment with certain affiliates of Sonic.

Board Leadership Structure and Role in Risk Oversight

Sonic's principal executive officer, Mr. O. Bruton Smith, also serves as Chairman of Sonic's Board of Directors. Because of Mr. O. Bruton Smith's extensive business experience (and in particular the retail

Table of Contents

automobile industry), his founding of Sonic and his significant equity ownership in Sonic, and in light of the majority of independent directors on Sonic's Board, Sonic has determined it is appropriate that Mr. Smith serve in both roles. The Corporate Governance Guidelines of the Company provide for a Lead Independent Director. The Lead Independent Director is an independent director appointed annually by the independent members of the Board. In December 2014, the Board reappointed Mr. William I. Belk to serve as Lead Independent Director. As Lead Independent Director, Mr. Belk presides over executive sessions of the non-management directors without the presence of management and coordinates feedback to the Chief Executive Officer on behalf of the non-management directors regarding business issues and Board management.

It is management's responsibility to manage risk and bring to the Board of Directors' attention the most material risks to Sonic. Sonic's Board of Directors, including through Board committees comprised solely of independent directors, regularly reviews various areas of significant risk to Sonic, and advises and directs management on the scope and implementation of policies, strategic initiatives and other actions designed to mitigate various types of risks. Specific examples of risks primarily overseen by the full Board include competition risks, industry risks, economic risks, liquidity risks, business operations risks and risks related to acquisitions and dispositions.

Sonic's Audit Committee regularly reviews with management and the independent registered public accounting firm significant financial risk exposures and the processes management has implemented to monitor, control and report such exposures. Specific examples of risks primarily overseen by the Audit Committee include risks related to the preparation of Sonic's financial statements, disclosure controls and procedures, internal controls and procedures required by the Sarbanes-Oxley Act of 2002, accounting, financial and auditing risks, treasury risks (insurance, interest rate hedging, credit and debt), matters reported to the Audit Committee through the Internal Audit Department and through anonymous reporting procedures, risks posed by significant litigation matters, cyber risks and compliance with applicable laws and regulations.

Sonic's Compensation Committee reviews and evaluates potential risks related to the attraction and retention of talent, and risks related to the design of compensation programs established by the Compensation Committee for Sonic's executive officers.

Sonic's NCG Committee monitors compliance with Sonic's Code of Business Conduct and Ethics, evaluates proposed affiliate transactions for compliance with Sonic's Charter and applicable contracts, and reviews compliance with applicable laws and regulations related to corporate governance.

Board Committees

The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee, and the NCG Committee. Each of these committees acts pursuant to a written charter adopted by the Board of Directors.

Table of Contents

Committee members and committee chairs are appointed by the Board and are identified in the following table:

Set forth below is a summary of the principal functions of each committee.

Audit Committee. The Audit Committee appoints Sonic's independent registered public accounting firm, reviews and approves the scope and results of audits performed by such firm and the Company's internal auditors, and reviews and approves the independent registered public accounting firm's fees for audit and non-audit services. It also reviews certain corporate compliance matters and reviews the adequacy and effectiveness of the Company's internal accounting and financial controls, its significant accounting policies, and its financial statements and related disclosures. A more detailed description of the Audit Committee's duties and responsibilities can be found in its charter. The Board of Directors has determined that each of Messrs. Heller, Belk, Doolan and Harris qualifies as an "audit committee financial expert" within the meaning of the rules of the SEC, is "financially literate" as determined by the Board, in its business judgment, and has accounting and related financial management expertise within the meaning of the rules of the NYSE. The Audit Committee met 10 times during fiscal 2014.

Compensation Committee. The Compensation Committee administers certain compensation and employee benefit plans of Sonic and annually reviews and determines compensation of all executive officers of Sonic. The Compensation Committee administers the Sonic Automotive, Inc. 1997 Stock Option Plan ("Stock Option Plan"), the Sonic Automotive, Inc. Employee Stock Purchase Plan (the "Employee Plan"), the Sonic Automotive, Inc. Incentive Compensation Plan (the "Incentive Compensation Plan"), the Sonic Automotive, Inc. 2004 Stock Incentive Plan ("2004 Stock Incentive Plan"), the Sonic Automotive, Inc. Supplemental Executive Retirement Plan ("SERP"), the 2012 Stock Incentive Plan and certain other employee stock plans, approves individual grants of equity-based compensation under the plans it administers and periodically reviews Sonic's executive compensation program and takes action to modify programs that yield payments or benefits not closely related to Sonic's or its executives' performance. The Compensation Committee also periodically reviews compensation of non-management directors and makes recommendations to the Board of Directors, who determines the amount of such compensation. In formulating its recommendation to the Board, the Compensation Committee considers the recommendations of management and, from time to time, independent consulting firms that specialize in executive compensation. A more detailed description of the Compensation Committee's duties and responsibilities can be found in its charter. In affirmatively determining the independence of any director who serves on the Compensation Committee, the Board considers all factors specifically relevant to determining whether a director has a relationship to Sonic which is material to that director's ability to be independent from management in connection with the duties of a compensation committee member. The Compensation Committee met six times during fiscal 2014.

Nominating and Corporate Governance Committee. The NCG Committee is responsible for identifying individuals who are qualified to serve as directors of Sonic and for recommending qualified nominees to the

Table of Contents

Board for election or reelection as directors of Sonic. The NCG Committee will consider director nominees submitted by stockholders in accordance with the provisions of Sonic's Bylaws. The NCG Committee is also responsible for recommending committee members and chairpersons of committees of the Board and for establishing a system for, and monitoring the process of, performance reviews of the Board and its committees. Finally, the NCG Committee is responsible for developing and recommending to the Board of Directors a set of corporate governance principles applicable to Sonic and for monitoring compliance with Sonic's Code of Business Conduct and Ethics. A more detailed description of the NCG Committee's duties and responsibilities can be found in its charter. The NCG Committee met four times during 2014.

The NCG Committee has a process of identifying and evaluating potential nominees for election as members of the Board of Directors, which includes considering recommendations by directors and management and may include engaging third party search firms to assist the NCG Committee in identifying and evaluating potential nominees. The NCG Committee has adopted a policy that potential director nominees shall be evaluated no differently regardless of whether the nominee is recommended by a stockholder, a Board member or Sonic's management. As set forth in Sonic's Bylaws, Sonic's Corporate Governance Guidelines and the charter of Sonic's NCG Committee, the NCG Committee considers potential nominees for directors from all sources, develops information from many sources concerning the potential nominee, evaluates the potential nominee as to the qualifications that the NCG Committee and the Board have established and in light of the current skill, background and experience of the Board's members and the future, ongoing needs of the Company, and makes a decision whether to recommend any potential nominee for consideration for election as a member of the Board of Directors.

Sonic's qualification standards for directors are set forth in its Corporate Governance Guidelines. These standards include the director's or nominee's:

- independent judgment;
- ability to qualify as an "independent" director (as defined under applicable SEC rules and regulations and NYSE listing standards);
- ability to broadly represent the interests of all stockholders and other constituencies;
- maturity and experience in policy making decisions;
- time commitments, including service on other boards of directors;
- business skills, background and relevant expertise that are useful to Sonic and its future needs;
- willingness and ability to serve on committees of the Board of Directors; and
- other factors relevant to the NCG Committee's determination.

As stated in Sonic's Corporate Governance Guidelines, the Board of Directors should be composed ideally of persons having a diversity of skills, background and expertise that are useful to Sonic and its future and ongoing needs. With this goal in mind, when considering potential nominees for the Board of Directors, the NCG Committee considers the standards above and each potential nominee's individual qualifications in light of the composition and needs of the Board of Directors at such time and its anticipated composition and needs in the future, but a director nominee should not be chosen nor excluded based on race, color, gender, national origin or sexual orientation.

Based on this process, the NCG Committee identified and recommended that Messrs. O. Bruton Smith, B. Scott Smith, David Bruton Smith, William I. Belk, William R. Brooks, Bernard C. Byrd, Jr., Victor H. Doolan, John W. Harris III, Robert Heller and R. Eugene Taylor be nominated for reelection to the Board of Directors. In determining each nomination was appropriate and that each is qualified to serve on the Board of Directors, the NCG Committee considered the following:

O. Bruton Smith: Mr. Smith is the Founder of Sonic; has served as Chairman and Chief Executive Officer of Sonic since the Company's inception in January 1997; owns, directly and indirectly, a significant

Mr. Taylor spent 38 years at Bank of America Corporation and its predecessor companies, most recently as the Vice Chairman of Bank of America Corporation and President of Global Corporate & Investment Banking. Mr. Taylor has served on Sonic's Board of Directors since February 2015.

Director Meetings

Our Board of Directors held four meetings during fiscal 2014. Each incumbent director attended 75% or more of the aggregate number of meetings of the Board and committees of the Board on which such director served during fiscal 2014. Pursuant to the Company's Corporate Governance Guidelines, the independent directors meet in executive session without members of management present prior to or after each regularly scheduled Board meeting. Mr. Belk, as Lead Independent Director, presides over these executive sessions.

Annual Meetings of Sonic's Stockholders

It is the Board's policy that the directors should attend our annual meeting of stockholders. All eight of our directors in office at the time attended last year's annual stockholders' meeting.

Annual Evaluation of Directors and Committee Members

The Board of Directors evaluates the performance of each director, each committee of the Board, the Chairman, the Lead Independent Director and the Board of Directors as a whole on an annual basis. In connection with this annual self-evaluation, each director anonymously records his or her views on the performance of each director standing for reelection, each committee and the Board of Directors. The entire Board of Directors reviews these reports and determines what, if any, actions should be taken in the upcoming year to improve its effectiveness and the effectiveness of each director and committee.

Policies and Procedures for Review, Approval or Ratification of Transactions with Affiliates

Pursuant to its written charter, the NCG Committee reviews and evaluates all transactions between Sonic and its affiliates and considers issues of possible conflicts of interest if such issues arise. In addition, transactions between Sonic and its affiliates are reviewed by the full Board of Directors and/or its independent directors in accordance with the terms of Sonic's Charter, its senior credit facilities and the indentures governing its outstanding senior subordinated notes. These documents require, subject to certain exceptions, that a transaction between Sonic and an affiliate:

- be made in good faith and in writing and be on terms no less favorable to Sonic than those obtainable in an arm's-length transaction between Sonic and an unrelated third party;
- involving aggregate payments in excess of \$500,000, be (i) approved by a majority of the members of Sonic's Board of Directors and a majority of Sonic's independent directors or (ii) Sonic must receive an opinion as to the financial fairness of the transaction from an investment banking or appraisal firm of national standing; and
- involving aggregate value in excess of:
 - \$2.0 million, be approved by a majority of Sonic's disinterested directors; and
 - \$5.0 million, be approved by a majority of Sonic's disinterested directors or Sonic must obtain a written opinion as to the financial fairness of the transaction from an investment banking firm of national standing or other recognized independent expert with experience appraising the terms and conditions of the type of such transaction.

Transactions with Affiliates

Our Chairman and Chief Executive Officer, Mr. O. Bruton Smith, is also the Chairman and Chief Executive Officer of SMI. Certain of Sonic's dealerships purchase the zMAX micro-lubricant from Oil-Chem Research Company ("Oil-Chem"), a subsidiary of SMI, for resale to customers of Sonic's dealerships in the

Table of Contents

ordinary course of business. Total purchases from Oil-Chem by Sonic dealerships were approximately \$2.1 million in the fiscal year ended December 31, 2014. Sonic also engaged in other transactions with various SMI subsidiaries, consisting primarily of merchandise and apparel purchases from SMI Properties, for a net amount of approximately \$0.6 million in the fiscal year ended December 31, 2014. Because Mr. O. Bruton Smith and SFC, an entity controlled by Mr. O. Bruton Smith, own collectively approximately 70% of SMI, under applicable SEC regulations, the amount of Messrs. O. Bruton Smith's, B. Scott Smith's and David Bruton Smith's interest in these transactions may be deemed to be approximately \$1.5 million and \$0.4 million, respectively.

Sonic participates in various aircraft-related transactions with SFC. Such transactions include, but are not limited to, the use of aircraft owned by SFC for business-related travel by Sonic executives, a management agreement with SFC for storage and maintenance of aircraft leased by Sonic from unrelated third parties and the use of Sonic's aircraft for business-related travel by certain affiliates of SFC. Sonic incurred net expenses of approximately \$0.5 million in the fiscal year ended December 31, 2014 in aircraft-related transactions with these related parties. Because Mr. O. Bruton Smith and his family own 100% of SFC, under applicable SEC regulations, the amount of Messrs. O. Bruton Smith's, B. Scott Smith's and David Bruton Smith's interest in these transactions may be deemed to be approximately \$0.5 million.

Stockholder Nominations of Directors

Stockholders may recommend a director candidate for consideration by the NCG Committee by submitting the candidate's name in accordance with provisions of our Bylaws, which require advance notice to Sonic and certain other information. In general, under the Bylaws, the written notice must be delivered to, or mailed and received at, Sonic's principal executive offices not less than 60 days and not more than 90 days prior to the first anniversary of the preceding year's annual meeting of stockholders; provided, however, that in the event that the date of the annual meeting is more than 30 days before or after such anniversary date, notice by the stockholder to be timely must be so delivered not later than the close of business on the 10th day following the day on which notice of the date of the meeting was mailed or public disclosure of the date of the meeting was made, whichever occurs first.

The notice must contain certain information about the nominee and the stockholder submitting the nomination, including, (i) with respect to the nominee, the nominee's name, date of birth, business and residential addresses and the information that would be required to be disclosed about the nominee pursuant to the SEC's rules in a proxy statement and, (ii) with respect to the stockholder submitting the nomination and anyone acting in concert with that stockholder, the name and business address of such stockholder and each such person, a representation that the stockholder is a stockholder of record of shares of Sonic's Common Stock entitled to vote at the meeting to which the notice pertains and intends to appear in person or by proxy at the meeting to nominate the nominee, a description of all arrangements, understandings or relationships between or among the stockholder, any person acting in concert with the stockholder and the nominee, and the class and number of shares of Common Stock beneficially owned by the stockholder and any person acting in concert with that stockholder. A stockholder who is interested in recommending a director candidate should request a copy of Sonic's Bylaw provisions by writing to Stephen K. Coss, Senior Vice President, General Counsel and Secretary, at Sonic's principal executive offices, 4401 Colwick Road, Charlotte, North Carolina 28211.

How to Communicate with the Board of Directors and Non-Management Directors

Stockholders and other interested parties wishing to communicate with our Board of Directors, or any of our individual directors, including the Lead Independent Director, may do so by sending a written communication addressed to the respective director(s), or in the case of communications to the entire Board of Directors addressed to the attention of Sonic's Corporate Secretary, in care of Sonic Automotive, Inc., 4401 Colwick Road, Charlotte, North Carolina 28211. Stockholders and other interested parties wishing to communicate with our non-management directors as a group may do so by sending a written communication to Mr. William I. Belk, as Lead Independent Director, at the above address. Any communication addressed to any

director that is received at Sonic's principal office will be delivered or forwarded to the respective director(s) as soon as practicable. Any communication addressed to the Board of Directors, in general, will be promptly delivered or forwarded to each director. Sonic generally will not forward to directors a stockholder communication that it determines to be primarily commercial in nature, relates to an improper or irrelevant topic or requests general information about Sonic.

DIRECTOR COMPENSATION

The following table sets forth the compensation paid to each non-employee director who served on the Board in fiscal 2014. Directors who are also employees of Sonic (currently Messrs. O. Bruton Smith, B. Scott Smith and David Bruton Smith) do not receive compensation (other than their compensation as employees of Sonic) for their service on the Board of Directors.

(2) Stock Awards are valued based on the grant date fair value as calculated under the provisions of "Stock Compensation" in the Accounting Standards Codification (the "ASC"). See Note 10 to Sonic's Consolidated Financial Statements included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for the valuation assumptions used in determining the fair value of the awards.

(3) The perquisites include the imputed value of demonstrator vehicles provided by the Company. The value assigned to the demonstrator vehicles was calculated under rules established by the Internal Revenue Service. The incremental cost of demonstrator vehicles is not calculable because those vehicles are provided to the directors by our dealership subsidiaries.

(4) Mr. Rewey passed away on November 29, 2014.

(5) Mr. Taylor was elected to the Board on February 11, 2015.

Each non-employee director receives a \$70,000 annual cash retainer payable in quarterly installments, and a demonstrator vehicle for personal use. Sonic's Lead Independent Director and the chairpersons of the Audit Committee, the Compensation Committee and the NCG Committee each receive an additional annual cash

retainer of \$12,500, payable in quarterly installments. The vice chairperson of any committee of the Board receives an additional annual cash retainer of \$6,250, payable in quarterly installments. Non-employee directors are eligible to participate in the Sonic Automotive, Inc. Deferred Compensation Plan (the “Deferred Plan”) and can elect to defer up to 100% of their annual cash retainer and cash meeting fees under the Deferred Plan. No non-employee directors elected to participate in the Deferred Plan for 2014.

Non-employee directors also receive automatic grants of restricted stock during each year of service under the Sonic Automotive, Inc. 2012 Formula Restricted Stock Plan for Non-Employee Directors (the “2012 Formula Plan”). The 2012 Formula Plan provides for an annual grant of restricted stock to each eligible non-employee director on the first business day following each annual meeting of Sonic’s stockholders, beginning with the 2012 annual meeting of stockholders. The number of restricted shares of Class A Common Stock granted to an eligible non-employee director each year will equal \$75,000 divided by the average closing sale price of the Class A Common Stock on the NYSE for the 20 trading days immediately prior to the grant date (rounded up to the nearest whole share). Generally, subject to the director’s continued service on the Board, the restricted stock will vest in full on the first anniversary of the grant date or, if earlier, the day before the next annual meeting of Sonic’s stockholders following the grant date. If a non-employee director initially becomes a member of Sonic’s Board during any calendar year, but after the meeting of Sonic’s stockholders for that year, the non-employee director will receive a restricted stock grant upon his or her election to the Board with the number of shares determined as described above and, subject to the director’s continued service on Sonic’s Board, the restricted stock generally will vest in full on the first anniversary of the grant date.

Shares of restricted stock granted under the 2012 Formula Plan may not be sold, assigned, pledged or otherwise transferred to the extent they remain unvested. A director holding restricted stock will have voting and dividend rights with respect to such shares of restricted stock, although dividends paid in shares will be considered restricted stock.

Except in the event of a termination of service immediately prior to or upon a “change in control” (as defined in the 2012 Formula Plan), if a director’s service on the Board terminates for any reason other than death or disability, all shares of restricted stock not vested at the time of such termination are forfeited. If the director’s service on the Board terminates due to his death or disability or immediately prior to or upon a change in control of Sonic, the director’s restricted stock will become fully vested. Upon either the consummation of a tender or exchange offer that constitutes a change in control of Sonic or the third business day prior to the effective date of any other change in control of Sonic, all outstanding restricted stock will become fully vested.

AUDIT COMMITTEE REPORT

The Audit Committee is appointed by the Board of Directors to assist the Board in fulfilling its oversight responsibilities relating to Sonic’s accounting policies, reporting policies, internal controls, compliance with legal and regulatory requirements, and the integrity of Sonic’s financial reports. The Audit Committee manages Sonic’s relationship with Sonic’s independent registered public accounting firm, who is ultimately accountable to the Audit Committee. The Board of Directors has determined that each member of the Audit Committee is “financially literate” as such term is defined by the listing rules of the NYSE and “independent” as such term is defined by the current rules of the NYSE and the SEC.

The Audit Committee reviewed and discussed the audited financial statements of Sonic with management and KPMG LLP, Sonic’s independent registered public accounting firm. Management has the responsibility for preparing the financial statements, certifying that Sonic’s financial statements are complete, accurate, and prepared in accordance with U.S. generally accepted accounting principles (“GAAP”), and implementing and maintaining internal controls and attesting to internal control over financial reporting. The independent registered public accounting firm has the responsibility for performing an independent audit of the financial statements in accordance with generally accepted auditing standards and expressing an opinion on the effectiveness of internal control over financial reporting. The Audit Committee also discussed and reviewed with the independent

registered public accounting firm all matters required to be discussed by generally accepted auditing standards, including those described in Auditing Standard No. 16, Communications with Audit Committees (AS 16). With and without management present, the Audit Committee discussed and reviewed the results of the independent registered public accounting firm's audit of the financial statements.

During 2014, the Audit Committee met 10 times, including meetings to discuss the interim financial information contained in each quarterly earnings announcement for the quarters ended December 31, 2013, March 31, 2014, June 30, 2014 and September 30, 2014 with the Chief Financial Officer and the independent registered public accounting firm prior to public release. In addition, the Audit Committee regularly monitored the progress of management and the independent registered public accounting firm in assessing Sonic's compliance with Section 404 of the Sarbanes-Oxley Act of 2002, including their findings, required resources and progress throughout the year.

In discharging its oversight responsibility as to the audit process, the Audit Committee received from the independent registered public accounting firm the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence. The Audit Committee met separately with management, internal auditors and the independent registered public accounting firm to discuss, among other things, the adequacy and effectiveness of Sonic's internal accounting and financial controls, the internal audit function's organization, responsibilities, budget and staffing and reviewed with both the independent registered public accounting firm and the internal auditors their audit plans, audit scope, and identification of audit risks.

Based on these reviews and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board, and the Board approved, that Sonic's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the SEC. The Audit Committee also recommended the appointment of the independent registered public accounting firm, KPMG LLP, as Sonic's independent registered public accounting firm for the year ending December 31, 2015 and the Board concurred in such recommendation.

PROPOSAL 2

**RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has appointed KPMG LLP to serve as Sonic's independent registered public accounting firm for the fiscal year ending December 31, 2015. KPMG LLP has acted in such capacity for Sonic since May 2, 2014 when the Audit Committee approved the engagement of KPMG LLP as Sonic's independent registered public accounting firm for the fiscal year ended December 31, 2014, and thereby dismissed Ernst & Young LLP from that role. Ernst & Young LLP served as Sonic's independent registered public accounting firm for the fiscal year ended December 31, 2013.

Neither the reports of Ernst & Young LLP or KPMG LLP on Sonic's consolidated financial statements as of and for the fiscal years ended December 31, 2013 and 2014, respectively, contained an adverse opinion or a disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2013 and 2014, and the subsequent interim period through May 2, 2014, there were no (i) "disagreements" (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K) with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Ernst & Young LLP's satisfaction, would have caused Ernst & Young LLP to make reference to the subject matter thereof in its reports for such fiscal years and interim period, or (ii) "reportable events" as that term is described in Item 304(a)(1)(v) of Regulation S-K.

Representatives of KPMG LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

Stockholder ratification of the Audit Committee's appointment of KPMG LLP as our independent registered public accounting firm is not required by our Bylaws or otherwise. Nevertheless, the Board is submitting the appointment of KPMG LLP to the stockholders for ratification as a matter of good corporate practice and will reconsider whether to retain KPMG LLP if the stockholders fail to ratify the Audit Committee's appointment. In addition, even if the stockholders ratify the appointment of KPMG LLP, the Audit Committee may in its discretion appoint a different independent registered public accounting firm at any time during the year if the Audit Committee determines that a change is in the best interests of Sonic and its stockholders.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR"
THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP
AS SONIC'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2015.**

Pre-Approval of Audit and Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services to be performed by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. All such services provided in fiscal year 2014 were approved by the Audit Committee. The Audit Committee concluded that the provision of such services by KPMG LLP was compatible with the maintenance of that firm's independence. The Audit Committee has delegated pre-approval authority to its chairman when necessary due to timing considerations. The chairman in turn reports to the Audit Committee at least quarterly on any services he pre-approved since his last report.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis (“CD&A”) provides a detailed description of our executive compensation philosophy and programs, the compensation decisions the Compensation Committee has made under those programs and the factors considered in making those decisions. This CD&A focuses on the compensation of our named executive officers for 2014 (“Named Executive Officers”), who were:

<u>Name</u>	<u>Title</u>
O. Bruton Smith	Chairman and Chief Executive Officer
B. Scott Smith	President and Chief Strategic Officer
David Bruton Smith	Vice Chairman and Executive Vice President
Jeff Dyke	Executive Vice President of Operations
Heath R. Byrd	Executive Vice President and Chief Financial Officer

2014 Executive Officer Compensation Program

The Compensation Committee believes that its compensation philosophy continues to drive our Named Executive Officers and salaried employees to produce sustainable, positive results for the Company and our stockholders. In this regard, the policy of the Compensation Committee is to:

- link executive compensation to Sonic’s business strategy and performance to attract, retain and reward key executive officers;
- provide performance incentives and equity-based compensation intended to align the long-term interests of executive officers with those of Sonic’s stockholders; and
- offer salaries, incentive performance pay opportunities and perquisites that are competitive in the marketplace.

Sonic’s executive compensation program is comprised primarily of two components: annual cash compensation, paid in the form of base salary and performance-based bonuses, and long-term equity compensation, principally in the form of performance-based restricted shares of Class A Common Stock, performance-based restricted stock units convertible into shares of Class A Common Stock, and options to purchase Class A Common Stock. This compensation program is designed to place emphasis on performance-based compensation. The Compensation Committee typically reviews and adjusts base salaries and awards of cash bonuses and equity-based compensation in the first quarter of each year based on several factors, including management’s recommendations approved by the Chief Executive Officer. Management’s recommendations are developed under the supervision of the Chief Executive Officer through a collaborative process involving members of Sonic’s senior management team. The President, Chief Financial Officer and other members of senior management presented management’s written recommendations, reports and proposals on 2014 compensation to the Compensation Committee. These recommendations and proposals addressed topics such as base salaries, overall structure, target levels and payout levels for the annual cash bonus program under Sonic’s Incentive Compensation Plan, equity awards to executive officers and management’s rationale for these recommendations. The Compensation Committee considered these recommendations before determining compensation.

In addition to management’s recommendations and proposals, the Compensation Committee also referred to reports it previously received from Towers Watson, an independent consulting firm that specializes in executive compensation. In 2013, the Compensation Committee engaged Towers Watson to provide an analysis of the competitiveness of base salaries, annual cash bonus programs, total cash compensation (base salary plus cash bonus), long-term incentives and total direct compensation (total cash compensation plus the value of long-term incentives), paid by Sonic to its executive officers in comparison to similarly-situated executive officers of certain publicly traded automotive retail peer companies (Asbury Automotive Group, Inc., AutoNation, Inc., CarMax, Inc., Group 1 Automotive, Inc., and Penske Automotive Group, Inc.) and certain other companies

Table of Contents

recommended by Towers Watson as appropriate for comparison based on similarity in size and nature of business (Advance Auto Parts, Inc., AutoZone, Inc., Avis Budget Group, Inc., Dick's Sporting Goods, Inc., Dollar General Corporation, Dollar Tree, Inc., Family Dollar Stores, Inc., Genuine Parts Company, Hertz Global Holdings, Inc., O'Reilly Automotive, Inc., and The Pep Boys — Manny, Moe & Jack). Towers Watson also took into account the Company's performance as compared to the companies in the comparison groups. In its reports, dated February 27, 2013 and March 22, 2013, Tower Watson provided a comparison of base salary, cash bonus, target and actual total cash compensation, long-term incentives and target and actual total direct compensation of each executive officer, a competitive analysis of the compensation structure of Sonic's executive officers compared to similarly situated executive officers of the publicly traded automotive retail peer group and extended peer group, and a comparison of the Company's performance. The Compensation Committee referred to these reports and management's recommendations in determining executive compensation for 2014.

Although Sonic qualifies as a "controlled company" for purposes of the NYSE's listing standards and, therefore, is not required to comply with all of the requirements of those listing standards, the Compensation Committee has assessed Towers Watson's independence as a compensation consultant by reference to the NYSE listing standards. At the time that Towers Watson provided the services described above, Towers Watson did not provide other significant services to Sonic and had no other direct or indirect business relationships with Sonic or any of its affiliates. Subsequent to providing these services, Towers Watson later was engaged in October 2013 to advise the Compensation Committee on the design of a long-term incentive plan for EchoPark Automotive, Inc., a subsidiary of Sonic, and to provide related services. This engagement continued during 2014.

Taking these and other factors into account, the Compensation Committee has determined that the work performed by Towers Watson does not raise any conflicts of interest. Additionally, based on its analysis of certain factors identified as being relevant to compensation consultant independence, the Compensation Committee has concluded that Towers Watson is independent of the Company's management.

The Compensation Committee also considered the affirmative stockholder advisory vote on named executive officer compensation disclosed in the proxy statement at the Company's 2014 annual meeting of stockholders (approximately 96% of the votes cast by our stockholders at the 2014 annual meeting were in favor of the proposal to approve, on a non-binding advisory basis, our named executive officer compensation) as one of the many factors it considered in connection with determining executive compensation.

Annual Cash Compensation

Annual cash compensation for Sonic's Named Executive Officers consists of a base salary and the potential for an annual performance-based cash bonus. The annual cash compensation paid by Sonic to its Named Executive Officers during 2014 was targeted to be competitive principally in relation to other automotive retailing companies (such as those listed above included in the Peer Group Index in the performance graph appearing in our annual report to stockholders). While the Compensation Committee analyzes the competitiveness of annual cash compensation paid by Sonic to its executives in comparison to data from comparable companies, the Compensation Committee has not adopted any specific benchmarks for compensation of Sonic's executives in comparison to other companies.

Base Salary

The base salaries of Sonic's Named Executive Officers and adjustments to such executive officers' base salaries are generally based upon a subjective evaluation of the executive's performance by the Compensation Committee, executive compensation of comparable companies and management's recommendations. The Compensation Committee's evaluation is based upon non-quantitative factors such as the current responsibilities of each executive officer, the compensation of similarly situated executive officers of comparable companies, the performance of each executive officer during the prior calendar year (including subjective and objective evaluations of the performance of business units and functions under the particular executive's supervision) and

Table of Contents

Sonic's strong operating and financial performance during the 2013 calendar year. The Compensation Committee approved base salary increases, effective March 1, 2014, for the following executive officers in the following amounts: Mr. O. Bruton Smith, from \$1,167,000 to \$1,202,000; Mr. B. Scott Smith, from \$1,007,900 to \$1,038,200; Mr. David Bruton Smith, from \$685,465 to \$706,100; Mr. Jeff Dyke, from \$900,000 to \$927,000; and Mr. Heath R. Byrd, from \$617,000 to \$647,850.

Performance-Based Cash Bonuses

During 2014, Messrs. O. Bruton Smith, B. Scott Smith, David Bruton Smith, Jeff Dyke and Heath R. Byrd participated in the Incentive Compensation Plan. Compensation under the Incentive Compensation Plan is intended to provide highly-qualified executives and other key employees with an incentive to devote their best efforts to Sonic and enhance the value of Sonic for the benefit of stockholders. After consideration of management's recommendations, on February 12, 2014, the Compensation Committee established a two-tiered approach to determine potential incentive cash bonus awards for Messrs. O. Bruton Smith, B. Scott Smith, David Bruton Smith, Jeff Dyke and Heath R. Byrd for the performance period beginning January 1, 2014 and ending December 31, 2014. The first tier was an objective threshold achievement level of defined adjusted earnings per share ("EPS" as described below) for Sonic for the 2014 calendar year of at least \$1.46. No bonuses were payable under the Incentive Compensation Plan for 2014 if such threshold performance goal was not achieved. If the threshold adjusted EPS goal was achieved, then each Named Executive Officer was eligible for a bonus of \$3,000,000 (the "maximum bonus amount"). Adjusted EPS was selected as the primary performance goal under the 2014 bonus program in order to align the Named Executive Officers' cash bonuses with profitability realized by the Company during 2014. However, the second tier of the bonus program established additional performance criteria that the Compensation Committee intended to use to determine actual bonus amounts payable to the Named Executive Officers. These performance goals included additional achievement levels related to adjusted EPS goals and also customer satisfaction ("CSI" as described below) performance goals based on the percentage of Sonic's dealerships that meet or exceed specified objectives, as reported by the respective manufacturers for such brands. If the first tier performance requirement was achieved, the Compensation Committee could, in its determination, exercise negative discretion to reduce the dollar amount of a Named Executive Officer's actual bonus to less than the maximum bonus amount based upon achievement of the adjusted EPS and CSI goals under the second tier of the bonus program along with other factors the Compensation Committee determined relevant, such as its subjective assessment of financial, operational, strategic, corporate and individual performance, and unanticipated contingencies and events. A Named Executive Officer's bonus amount under the Incentive Compensation Plan may be less than (but not more than) the maximum bonus amount, with annual cash bonuses (if any) to be paid as soon as administratively practicable following the Compensation Committee's determination of the extent to which the specified performance goals were achieved.

Under the second tier of the 2014 bonus program, the potential performance-based cash bonuses for the Named Executive Officers were based on a percentage of their respective annual base salary during the performance period. The Compensation Committee established two categories of performance goals for each of the Named Executive Officers: defined EPS levels and CSI performance for Sonic's dealerships. In establishing the potential bonus awards for each executive officer under the second tier of the 2014 bonus program, the Compensation Committee chose to more heavily weight the EPS component to more closely tie the executive's bonus to the profitability of the Company.

For purposes of the Incentive Compensation Plan performance goals in 2014, adjusted EPS was defined as (A) Sonic's net income determined in accordance with GAAP, adjusted to fix the income tax rate on continuing and discontinued operations at 38.5% and to take into account the timing of the disposition of dealerships during 2014 such that the budget and actual performance of dealerships disposed of during 2014 are included in the calculation of adjusted EPS performance objective levels and adjusted EPS only for the period up to the date of such disposition, and excluding the effects of (i) any gain or loss recognized by Sonic on the disposition of dealerships (including asset or lease impairment charges related to a decision to sell a specific dealership), (ii) asset write-downs and impairment charges, (iii) debt restructuring charges and costs, (iv) litigation judgments or settlements attributable to two identified lawsuits in which Sonic or a subsidiary of

Table of Contents

Sonic is a party, (v) any assessed withdrawal liability or settlement against Sonic and/or any of Sonic's subsidiaries with respect to any of Sonic's dealership subsidiaries that participate in or have participated in a specified multiemployer pension plan, and (vi) the cumulative effect of any changes in GAAP during 2014, divided by (B) a diluted weighted average share count of 53,000,000 shares.

Under the second tier of the 2014 bonus program, the minimum, interim, target and maximum objective levels for 2014 based on achievement of adjusted EPS and corresponding bonus amounts for the Named Executive Officers were as follows:

2014 Adjusted EPS	Bonus as Percentage of Base Salary
Less Than \$1.54	0%
Minimum Objective: \$1.54	50%
Interim Objective: \$1.73	90%
Target Objective: \$1.92	100%
Maximum Objective: \$2.11 or more	150%

For performance falling between two objective levels described above, the corresponding bonus amount would be prorated based on the performance achieved between the two objective levels.

CSI performance was selected as the other performance goal under the second tier of the 2014 bonus program since it aligns with two other important company goals: (i) meeting the expectations of our dealership customers and (ii) meeting the expectations of our manufacturers. The CSI performance objective was based on the percentage of Sonic's dealerships, as reported by the applicable manufacturer, which for the performance period met or exceeded their applicable manufacturer's objective CSI standard applicable to the particular dealership as of December 31, 2014. Only dealerships owned by Sonic for the entire 2014 fiscal year were to be included in determining achievement of the CSI performance goals.

Under the second tier of the 2014 bonus program, the Compensation Committee included specific minimum, target and maximum objective levels based upon achievement of the CSI-based performance objectives and corresponding bonus amounts for the Named Executive Officers as follows:

Dealerships Achieving Manufacturer's CSI Performance Standard as of 12/31/14	Bonus as Percentage of Base Salary
Less than 70%	0%
Minimum Objective: 70%	5%
Target Objective: 75%	15%
Maximum Objective: 80% or more	25%

For performance falling between two objective levels described above, the corresponding bonus amount would be prorated based on the performance achieved between the two objective levels.

On February 25, 2015, based on management's report regarding Sonic's performance against the performance-based goals, the Compensation Committee certified that the objective threshold achievement level of adjusted EPS for Sonic for the 2014 calendar year under the first tier of the 2014 bonus program had been met at the target objective level because Sonic achieved a defined EPS of \$1.81. Considering this achievement level and the Company's achievement of the CSI performance goal at the maximum objective level with achievement of 83.6% and also guided by the parameters that the Compensation Committee established as the second tier of the 2014 bonus program, the Compensation Committee determined to exercise its negative discretion and award less than the maximum bonus amount under the 2014 bonus program. The Compensation Committee authorized award amounts for each of the Named Executive Officers in the following amounts: \$1,426,040 for Mr. O. Bruton Smith, \$1,231,696 for Mr. B. Scott Smith, \$837,695 for Mr. David Bruton Smith, \$1,099,782 for Mr. Jeff Dyke and \$766,293 for Mr. Heath R. Byrd. The Compensation Committee approved payment of the Incentive Compensation Plan cash bonuses to the Named Executive Officers in late February 2015.

Long-Term Equity Compensation

The Compensation Committee believes that equity-based compensation is an effective means of aligning the long-term interests of Sonic's key officers and employees with those of its stockholders, to provide incentives to, and to attract and retain and to encourage equity ownership by, key officers and employees providing services to Sonic and its subsidiaries upon whose efforts Sonic's success and future growth depends. Sonic's long-term equity compensation program is based principally upon awards under the 2004 Stock Incentive Plan (although no further grants can be made under the 2004 Stock Incentive Plan) and the 2012 Stock Incentive Plan of (i) performance-based restricted shares of Class A Common Stock, (ii) performance-based restricted stock units convertible into shares of Class A Common Stock, and/or (iii) options to purchase Class A Common Stock. The size of awards of restricted stock, restricted stock units or stock options are based generally upon a subjective evaluation of the executive's performance by the Compensation Committee, executive compensation of comparable companies and management's recommendations submitted to the Compensation Committee. The Compensation Committee's evaluation considers a number of non-quantitative factors, including the responsibilities of the individual officers for and contribution to Sonic's operating results (in relation to other recipients of Sonic equity awards), and their expected future contributions, as well as prior awards to the particular executive officer.

On February 12, 2014, the Compensation Committee determined it was in the best interests of Sonic's stockholders to grant performance-based restricted stock units to the Named Executive Officers of Sonic for the 2014 calendar year under the 2004 Stock Incentive Plan in the following amounts: Mr. O. Bruton Smith, 80,241; Mr. B. Scott Smith, 69,306; Mr. David Bruton Smith, 47,137; Mr. Jeff Dyke, 61,883; and Mr. Heath R. Byrd, 42,430.

These restricted stock units were subject to forfeiture based upon Sonic's achievement of defined EPS levels for the 2014 calendar year, using the same parameters for determining adjusted EPS as established by the Compensation Committee for the executive officers' Incentive Compensation Plan cash bonus terms for 2014 (see "Annual Cash Compensation — Performance-Based Cash Bonuses" above). The Compensation Committee chose the adjusted EPS performance criteria for the restricted stock unit grants for the same reasons as it was chosen to be the primary performance criteria for performance-based cash bonuses, as set forth above. Subject to meeting the adjusted EPS performance condition, the performance-based restricted stock unit awards vest in three annual installments, with 25% vesting on March 31, 2015, 30% vesting on February 12, 2016 and 45% vesting on February 12, 2017. The Compensation Committee chose to establish a one-year defined EPS performance condition primarily because of the difficulty of providing an accurate forecast for Sonic's EPS for a three-year future period. Depending on the extent to which Sonic met the specified adjusted EPS performance objectives, the restricted stock units granted to the Named Executive Officers were subject to performance-based forfeiture as follows:

2014 Adjusted EPS	Percentage of Restricted Stock Unit Grant to Remain Outstanding
\$2.11 or more	100% (No forfeiture)
\$1.92	66.67% (33.33% forfeiture)
\$1.44	50% (50% forfeiture)
Less than \$1.44	0% (100% forfeiture)

For adjusted EPS performance below \$1.44, the restricted stock unit grants would be forfeited in their entirety. For adjusted EPS performance between \$1.44 and \$1.92 or between \$1.92 and \$2.11, the percentage of restricted stock unit grants that would remain outstanding would be determined on a pro rata basis between the two applicable levels.

As a result of the Company's adjusted EPS achievement for fiscal year 2014 as certified by the Compensation Committee, the performance-based restricted stock unit awards described above were reduced to the following amounts: Mr. O. Bruton Smith, 50,394 restricted stock units; Mr. B. Scott Smith, 43,526 restricted stock units; Mr. David Bruton Smith, 29,604 restricted stock units; Mr. Jeff Dyke, 38,864 restricted stock units; and Mr. Heath R. Byrd, 26,647 restricted stock units.

Deferred Compensation Plan and Other Benefits

The Named Executive Officers of Sonic (including the Chief Executive Officer) were also eligible to participate in the Deferred Plan during the 2014 calendar year. For 2014, executive officers could elect to defer a portion of their annual cash compensation, up to 75% of base salary and up to 100% of eligible incentive bonus amounts. Sonic does not currently make matching contributions with respect to employee deferrals, but eligible employees may be credited with additional contributions to make up for matching contributions the employees would have received under Sonic’s 401(k) plan but for the legal limitations on the amount of compensation that can be considered for 401(k) plan purposes (e.g., \$260,000 for 2014). Sonic’s contributions generally vest based on an employee’s full years of Deferred Plan participation with 20% vesting for each year so that an employee is fully vested after five years of participation. Participation in the Deferred Plan is offered annually to a select group of our management and highly compensated employees. Contributions by participants in the Deferred Plan, including any participating executive officers, are credited with a rate of return (positive or negative) based on deemed investments selected by a participant from among several different investment funds, with such deemed earnings determined by the actual market performance of the investment funds selected by the participant. No Named Executive Officer elected to participate in or received any Company contributions under the Deferred Plan during 2014.

Each of the Named Executive Officers of Sonic was also afforded the use of company demonstrator vehicles for personal use during 2014. Personal use of company vehicles is a common competitive perquisite afforded to executives in the automobile dealership industry with both publicly-held and privately-owned dealership companies. The imputed value for the personal use of company demonstrator vehicles during 2014 by the Named Executive Officers was as follows: \$97,717 for Mr. O. Bruton Smith, \$88,606 for Mr. B. Scott Smith, \$52,061 for Mr. David Bruton Smith, \$29,072 for Mr. Jeff Dyke and \$39,358 for Mr. Heath R. Byrd, each as reflected in the “All Other Compensation” column of the Summary Compensation Table for the particular executive officer.

The Named Executive Officers of Sonic (including the Chief Executive Officer) were also eligible in 2014 to participate in various benefit plans on similar terms to those provided to other employees of Sonic, including matching contributions under Sonic’s 401(k) plan. These benefit plans provided to employees of Sonic, including the Named Executive Officers, are intended to provide a safety net of coverage against various events, such as death, disability and retirement. Mr. Jeff Dyke and Mr. Heath R. Byrd received matching contributions under Sonic’s 401(k) plan for 2014, the amounts of which are reflected in the “All Other Compensation” column of the Summary Compensation Table for the particular executive officer.

Each of the Named Executive Officers of Sonic (including the Chief Executive Officer) was also offered the opportunity to participate in an executive wellness program during 2014. Mr. B. Scott Smith and Mr. Heath R. Byrd elected to participate in the program and the benefit amount attributable to such participation is reflected in the “All Other Compensation” column of the Summary Compensation Table for the particular executive officer.

Sonic also may from time to time authorize the personal use of corporate aircraft by the Named Executive Officers and their family members. During 2014, Mr. B. Scott Smith used corporate aircraft for personal travel on a limited basis, the aggregate incremental cost of which to Sonic was \$5,756. This aggregate incremental cost is reflected in the “All Other Compensation” column of the Summary Compensation Table for Mr. B. Scott Smith, along with a description of how the aggregate incremental cost is calculated in a corresponding footnote.

Supplemental Executive Retirement Plan

The SERP was adopted effective as of January 1, 2010. The SERP is a nonqualified deferred compensation plan that is considered unfunded for federal tax purposes and intended for a select group of management or highly compensated employees. The Compensation Committee adopted the SERP in order to attract and retain key employees by providing a retirement benefit in addition to the benefits provided by Sonic's tax-qualified and other nonqualified deferred compensation plans. The Compensation Committee selects the employees who will become SERP participants and designates each such employee as a Tier 1 participant, Tier 2 participant or Tier 3 participant. Mr. Jeff Dyke was designated as a Tier 1 participant in the SERP effective as of January 1, 2010. Mr. Heath R. Byrd originally was designated as a Tier 3 participant effective May 1, 2010 but since was redesignated as a Tier 1 participant in the SERP effective as of April 1, 2013 in connection with his promotion to Executive Vice President and Chief Financial Officer.

Subject to a specified vesting schedule, the SERP generally provides a retirement benefit in the form of an annual payment for a period of 15 years, with the annual payment based on a specified percentage of the participant's "final average salary." The annual payment for a Tier 1 participant is based on 50% of final average salary. The annual payment for a Tier 2 participant is based on 40% of final average salary. The annual payment for a Tier 3 participant is based on 35% of final average salary. Final average salary generally means the average of the participant's highest three annual base salaries during the last five plan years prior to the participant's separation from service with Sonic. A participant is generally eligible for the vested portion of his or her SERP benefit upon normal retirement after reaching age 65 or age 55 with at least 10 years of employment with Sonic. If a participant leaves Sonic before qualifying for normal retirement, the participant's SERP benefit generally is reduced for early retirement (in addition to application of the vesting schedule). The vested benefit is reduced by 10% for each year the participant's payment commencement date precedes the earliest date the participant would have been eligible for normal retirement. As recently amended, the SERP provides that the early retirement reduction does not apply to eligible participants following a change in control of Sonic. Please see the discussion under "— Pension Benefits for 2014" below for further information about the SERP.

Federal Income Tax Considerations

As noted above, the compensation paid to Sonic's Named Executive Officers is based primarily on the performance of Sonic. The Compensation Committee considers the potential effect of Section 162(m) of the Code in designing our executive compensation program, along with other factors in the context of our overall approach to executive compensation. Section 162(m) of the Code generally limits Sonic's annual federal income tax deduction for compensation paid to certain covered employees (generally, the Chief Executive Officer and certain other executive officers subject to Section 162(m) of the Code) to \$1.0 million with respect to each such executive officer, unless the compensation meets the various technical requirements for "performance-based" compensation under Section 162(m) of the Code. Executive officer compensation attributable to stock options granted under the Stock Option Plan, the 2004 Stock Incentive Plan or the 2012 Stock Incentive Plan, awards of performance-based restricted stock or performance-based restricted stock units pursuant to the 2004 Stock Incentive Plan or the 2012 Stock Incentive Plan, and annual cash bonuses paid under the Incentive Compensation Plan generally are intended to meet the requirements for deductible performance-based compensation. The Compensation Committee intends to continue to manage Sonic's executive compensation program in a manner that is intended to preserve material federal income tax deductions when appropriate and if deductibility can be achieved without sacrificing flexibility and other important elements of the overall compensation program. However, the Compensation Committee also must approach executive compensation in a manner which will attract, motivate and retain key personnel. Accordingly, the Compensation Committee retains the ability to evaluate performance and compensate Sonic's executive officers appropriately in the Committee's judgment, even if it may result in certain compensation that may not be deductible under Section 162(m) of the Code. The Compensation Committee believes that the flexibility to award such compensation serves the interests of Sonic and its stockholders by allowing the Compensation Committee to compensate executive officers appropriately in its discretion as circumstances warrant. In addition, changes in applicable tax laws and regulations, and

Table of Contents

interpretations of such laws and regulations, as well as other factors beyond Sonic's control may affect the deductibility of executive compensation. Regardless of Sonic's intent, there is no guarantee that incentive bonuses or awards, equity-based compensation or other compensation intended to be deductible under Section 162(m) of the Code will ultimately be determined as such by the Internal Revenue Service.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of SEC Regulation S-K with management and, based on such review and discussions, recommended to the Board of Directors that the Compensation Discussion and Analysis be included in Sonic's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 and this Proxy Statement.

(1) Stock Awards are valued based on the grant date fair value as calculated under the provisions of "Stock Compensation" in the ASC. The Stock Awards vest in various increments over a three-year period. See Note 10 to Sonic's Consolidated Financial Statements included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for the valuation assumptions used in determining the fair value of the awards. The initial grant date maximum fair value of the 2014 Stock Awards were as follows: O. Bruton Smith, \$1,694,690; B. Scott Smith, \$1,463,743; David Bruton Smith, \$995,533; Jeff Dyke, \$1,306,969; and Heath R. Byrd, \$896,122.

(2) The amount shown for 2014 represents the change in the actuarial present value of accumulated benefits under the SERP from December 31, 2013 to December 31, 2014. The amount shown for 2013 represents the change in the actuarial present value of accumulated benefits under the SERP from December 31, 2012 to December 31, 2013. The amount shown for 2012 represents the change in the actuarial present

value of accumulated benefits under the SERP from December 31, 2011 to December 31, 2012. The amounts shown for Jeff Dyke and Heath R. Byrd assume retirement at the earliest age at which unreduced benefits could be paid. As of December 31, 2014, Mr. Dyke is fully vested in his SERP benefits, but his SERP benefits remain subject to reduction for early retirement. Mr. Byrd is not yet fully vested in his SERP benefits and his SERP benefits also remain subject to reduction for early retirement. See “— Pension Benefits for 2014” for further information about the SERP, including the assumptions used for these calculations.

- (3) The amount shown for O. Bruton Smith includes the imputed value of demonstrator vehicles provided by the Company. The imputed value of the demonstrator vehicles was \$97,717, \$113,166 and \$98,250 in 2014, 2013 and 2012, respectively. The value assigned to the demonstrator vehicles was calculated under rules established by the Internal Revenue Service. The incremental cost of demonstrator vehicles is not calculable because those vehicles are provided to the executive by our dealership subsidiaries. The amount shown also includes cash dividend equivalents paid with respect to non-vested restricted stock units of \$6,833, \$11,149 and \$7,950 in 2014, 2013 and 2012, respectively.
- (4) The amount shown for B. Scott Smith includes the imputed value of demonstrator vehicles provided by the Company. The imputed value of the demonstrator vehicles was \$88,606, \$76,743 and \$67,975 in 2014, 2013 and 2012, respectively. The value assigned to the demonstrator vehicles was calculated under rules established by the Internal Revenue Service. The incremental cost of demonstrator vehicles is not calculable because those vehicles are provided to the executive by our dealership subsidiaries. The amount shown also includes cash dividend equivalents paid with respect to non-vested restricted stock units of \$5,901, \$9,630 and \$6,867 in 2014, 2013 and 2012, respectively; and Company contributions for the executive wellness program of \$14,182 and \$12,755 in 2014 and 2013, respectively. The amount shown also includes personal use of the Company aircraft in 2014. The aggregate incremental cost of personal use of the Company aircraft is calculated based on the actual cost of fuel, landing fees, pilot meal and lodging expenses, aircraft cleaning, on-board catering and other similar variable costs. Fixed costs that do not change based on usage, such as pilot salaries, home hanger expenses and general taxes and insurance are excluded from the incremental cost calculation. If the aircraft flies empty before picking up or dropping off a passenger flying for personal reasons, this segment is included in the incremental cost of the personal use. When the aircraft is already flying to a destination for business purposes, costs associated with the additional passenger are negligible and are not included in determining the aggregate incremental cost to the Company.
- (5) The amount shown for David Bruton Smith includes the imputed value of demonstrator vehicles provided by the Company. The imputed value of the demonstrator vehicles was \$52,061, \$41,791 and \$27,386 in 2014, 2013 and 2012, respectively. The value assigned to the demonstrator vehicles was calculated under rules established by the Internal Revenue Service. The incremental cost of demonstrator vehicles is not calculable because those vehicles are provided to the executive by our dealership subsidiaries. The amount shown also includes cash dividend equivalents paid with respect to non-vested restricted stock units of \$3,759, \$6,133 and \$4,373 in 2014, 2013 and 2012, respectively.
- (6) The amount shown for Jeff Dyke includes the imputed value of demonstrator vehicles provided by the Company. The imputed value of the demonstrator vehicles was \$29,072, \$32,252 and \$33,504 in 2014, 2013 and 2012, respectively. The value assigned to the demonstrator vehicles was calculated under rules established by the Internal Revenue Service. The incremental cost of demonstrator vehicles is not calculable because those vehicles are provided to the executive by our dealership subsidiaries. The amount shown also includes cash dividends paid on non-vested restricted stock awards of \$2,762, \$3,843 and \$10,013 in 2014, 2013 and 2012, respectively; and Company matching contributions under the 401(k) plan of \$5,200, \$5,100 and \$1,250 in 2014, 2013 and 2012, respectively.
- (7) Mr. Dyke experienced a decrease of (\$163,668) in the actuarial present value of his accumulated benefits under the SERP from December 31, 2012 to December 31, 2013 due to an increase in the discount rate used in the assumptions for computing the actuarial present value of the accumulated pension benefits from 3.85% in 2012 to 4.85% in 2013.

(8) The amount shown for Heath R. Byrd includes the imputed value of demonstrator vehicles provided by the Company. The imputed value of the demonstrator vehicles was \$39,358 and \$30,380 in 2014 and 2013, respectively. The value assigned to the demonstrator vehicles was calculated under rules established by the Internal Revenue Service. The incremental cost of demonstrator vehicles is not calculable because those vehicles are provided to the executive by our dealership subsidiaries. The amount shown also includes cash dividends paid on non-vested restricted stock awards of \$451 and \$665 in 2014 and 2013, respectively; Company matching contributions under the 401(k) plan of \$5,200 and \$5,100 in 2014 and 2013, respectively; and Company contributions for the executive wellness program of \$14,874 and \$16,809 in 2014 and 2013, respectively.

(9) Includes \$70,000 of base salary earned during Mr. Byrd’s tenure as Chief Information Officer from January 1, 2013 through March 31, 2013.

(3) This amount represents the maximum amount payable for 2014 under the Incentive Compensation Plan if the first tier adjusted EPS performance objective is achieved, subject to the Compensation Committee’s ability, in its sole discretion, to reduce the amount actually paid. The Compensation Committee was guided in its determination of the actual amounts payable for 2014 under the Incentive Compensation Plan by additional performance criteria that it established as a second tier under the 2014 annual incentive program. The 2014 annual incentive program included specific threshold, interim target, target and maximum objective levels based upon achievement of adjusted EPS and CSI goals. See “— Compensation Discussion and Analysis — 2014 Executive Officer Compensation Program — Annual Cash Compensation — Performance-Based Cash Bonuses” for further description regarding the 2014 annual incentive program. The threshold, interim target, target and maximum payments under the second tier of the 2014 annual incentive program were based upon a specified percentage of each Named Executive Officer’s base salary.

Sonic has an employment agreement with Mr. Heath R. Byrd (the "Employment Agreement"). The Employment Agreement sets forth the basic terms of employment for Mr. Byrd, including provisions for annual base salary, annual performance-based cash bonus and eligibility to participate in Sonic's equity compensation plans and benefit programs. It also contains a restrictive covenant that prohibits the disclosure or use in an unauthorized manner of any of Sonic's confidential or proprietary information. Pension Benefits for 2014

The following table sets forth information regarding pension benefits for the Named Executive Officers as of December 31, 2014.

Name	Plan Name	Number of Years of Credited Service (#)(1)	Present Value of Accumulated Benefit (\$)(2)	Payments During Last Fiscal Year (\$)
O. Bruton Smith (3)	N/A	—	\$ —	\$ —
B. Scott Smith (3)	N/A	—	—	—
David Bruton Smith (3)	N/A	—	—	—
Jeff Dyke	Supplemental Executive Retirement Plan	N/A	3,838,903(4)	—
Heath R. Byrd	Supplemental Executive Retirement Plan	N/A	2,319,368(4)	—

(1) Benefits under the SERP are based on a percentage of “final average salary” and the percentage does not increase based on years of credited service. Vesting under the SERP is based on years of participation in the SERP. Mr. Dyke has five years of participation in the SERP, and Mr. Byrd has 4 2/3 years of participation in the SERP. Normal retirement under the SERP is age 65 or age 55 with at least 10 years of service with Sonic. Vested benefits are reduced for early retirement. As of December 31, 2014, Mr. Dyke has 9 1/4 years of service with Sonic and Mr. Byrd has 7 1/6 years of service with Sonic.

(2) The accumulated benefit is based on salary considered by the SERP for the period through December 31, 2014. The present value of the accumulated benefit for Messrs. Dyke and Byrd has been calculated assuming that the Named Executive Officers remain in service through the earliest date as of which they could receive unreduced benefits and that the benefit will be payable in the form of an annual payment for 15 years. Other assumptions used to determine the present value of accumulated benefits are described in the summary below.

(3) Messrs. O. Bruton Smith, B. Scott Smith and David Bruton Smith are not participants in the SERP.

(4) As of December 31, 2014, Mr. Dyke is fully vested in his SERP benefits, but his SERP benefits remain subject to reduction for early retirement. Mr. Byrd is not yet fully vested in his SERP benefits and his SERP benefits also remain subject to reduction for early retirement. Actual benefits will be determined at termination of employment based on actual salary, years of SERP participation and years of service with Sonic.

On December 7, 2009, the Compensation Committee adopted the SERP to be effective as of January 1, 2010. In connection with the adoption of the SERP, the Compensation Committee authorized the establishment of an irrevocable grantor trust known as a “rabbi trust” for the purpose of accumulating assets from which SERP liabilities may be paid. The following is a brief description of certain material terms of the SERP.

The SERP is a nonqualified deferred compensation plan that is considered unfunded for federal tax purposes and intended for a select group of management or highly compensated employees. The SERP is subject to Section 409A of the Code. The purpose of the SERP is to attract and retain key employees by providing a retirement benefit in addition to the benefits provided by Sonic’s tax-qualified and other nonqualified deferred compensation plans. The Compensation Committee selects the employees who will become SERP participants and designates each such employee as a Tier 1 participant, Tier 2 participant or Tier 3 participant.

Jeff Dyke, Executive Vice President of Operations, was designated as a Tier 1 participant in the SERP effective as of January 1, 2010, subject to execution of a participation agreement. Heath R. Byrd, Executive Vice President and Chief Financial Officer, was previously designated as a Tier 3 participant in the SERP effective as of May 1, 2010, subject to execution of a participation agreement, but was redesignated as a Tier 1 participant

Table of Contents

effective as of April 1, 2013 in connection with his promotion. Amounts reported in the Pension Benefits table above as the actuarial present value of accumulated benefit under the SERP are calculated assuming that the benefit is in the form of an annual payment for 15 years and assuming that Messrs. Dyke and Byrd remain in service with Sonic until the earliest age at which unreduced benefits would be payable, which is age 55 for each of Messrs. Dyke and Byrd. The present value of accumulated benefit is calculated using the discount rate assumption that Sonic also uses for its financial statement disclosures, which at December 31, 2014 was 3.88%. Messrs. Dyke's and Byrd's actual years of participation in the SERP and actual years of service with Sonic are indicated in a footnote to the Pension Benefits table above. No additional years of service have been credited to the Named Executive Officers under the SERP.

Subject to the vesting schedule described below, the SERP generally provides a retirement benefit in the form of an annual payment for a period of 15 years, with the annual payment based on a specified percentage of the participant's "final average salary." The annual payment for a Tier 1 participant is based on 50% of final average salary. The annual payment for a Tier 2 participant is based on 40% of final average salary. The annual payment for a Tier 3 participant is based on 35% of final average salary. Final average salary generally means the average of the participant's highest three annual base salaries during the last five plan years prior to the participant's separation from service with Sonic. A participant is generally eligible for the vested portion of his or her SERP benefit upon normal retirement after reaching age 65 or age 55 with at least 10 years of employment with Sonic.

As noted above, participants are subject to a vesting schedule for their SERP benefits based on their "Years of Plan Service" (i.e., a 365-day period of employment beginning on the effective date of SERP participation and each anniversary thereof). Unless otherwise specified by the Compensation Committee, participants vest in their SERP benefits as follows:

<u>Years of Plan Service</u>	<u>Percent Vested</u>
Less than 1	0%
At least 1 but less than 2	20%
At least 2 but less than 3	40%
At least 3 but less than 4	60%
At least 4 but less than 5	80%
5 or more	100%

Participants also become 100% vested if they die or become disabled (as defined in the SERP) while employed with Sonic, or upon a change in control (as defined in the SERP) while employed with Sonic.

If a participant leaves Sonic before qualifying for normal retirement, the participant's SERP benefit generally is reduced for early retirement (in addition to application of the vesting schedule). The vested benefit is reduced by 10% for each year the participant's payment commencement date precedes the earliest date the participant would have been eligible for normal retirement. As amended in February 2015, the SERP provides that the early retirement reduction does not apply to participants who were employees of Sonic immediately prior to a change in control, regardless of whether or not such participants remain employees upon or following the change in control.

A participant earns his or her SERP benefit over a period from the later of age 45 or the participant's effective date of SERP participation, to the later of the participant's normal retirement date or the date he or she becomes 100% vested in his or her SERP benefit.

If a participant terminates employment with Sonic within two years after a change in control, the participant will receive the vested portion of his normal retirement benefit or reduced early retirement benefit, as applicable, in a lump sum payment based on the present value of his unpaid, vested accrued benefit.

Table of Contents

Generally, benefit payments begin the first of the month following the month in which normal retirement or early retirement occurs. If the participant is a “specified employee” under Section 409A of the Code, the first payment following normal or early retirement generally must be postponed for six months following termination. Subsequent annual payments will be made on the anniversary of the date the initial installment otherwise would have been made.

If a participant dies during the 15-year payment period, payments continue to the participant’s surviving spouse (if any). If a participant dies before terminating employment with Sonic, the lump sum value of his or her accrued benefit (calculated as if the date of death were the date of normal retirement) will be paid to his or her designated beneficiary. If a participant becomes disabled while employed with Sonic, the participant will be entitled to a regular SERP benefit payable for 15 years (calculated as if the date of disability were the date of normal retirement).

If a participant is terminated for “cause” or it is discovered after termination that the participant could have been terminated for certain reasons constituting “cause,” the participant will forfeit all benefits under the SERP, including any remaining unpaid benefits if already in pay status. Under the SERP, reasons constituting “cause” include material breach of the participant’s obligations in any employment agreement which is not timely remedied, the participant’s breach of any applicable restrictive covenants, conviction of a felony, actions involving moral turpitude, willful failure to comply with reasonable and lawful directives of Sonic’s Board of Directors or the participant’s superiors, chronic absenteeism, willful or material misconduct, illegal use of controlled substances, and if applicable, the final and non-appealable determination by a court of competent jurisdiction that the participant willfully and knowingly filed a fraudulent certification under Section 302 of the Sarbanes-Oxley Act of 2002.

In addition, the SERP provides that benefits are forfeited if a participant fails to comply with certain restrictive covenants related to Sonic and its business, including any remaining unpaid benefits if already in pay status. Subject to limited exceptions, these restrictive covenants generally prohibit (i) disclosing or using in any unauthorized manner any of Sonic’s confidential or proprietary information, (ii) employing or soliciting employees of Sonic, its affiliates or subsidiaries, (iii) interfering with Sonic’s relationships with its vendors, (iv) competing with Sonic within any Standard Metropolitan Statistical Area (determined as described in the SERP) or county in which Sonic or any of its subsidiaries has a place of business, and (v) disparaging Sonic, its subsidiaries, affiliates, officers, directors, business or products. These restrictive covenants generally apply while a participant in the SERP, and if later, during the two-year period following separation from service with Sonic (except that the confidentiality and non-disparagement restrictions do not expire).

In the case of either termination without cause or failure to comply with the restrictive covenants, the SERP also provides that the participant must repay Sonic all benefit amounts previously received.

If a rabbi trust exists when a change in control of Sonic occurs, the SERP requires that Sonic contribute, at the time of the change in control and then on each anniversary thereof, cash or liquid securities sufficient so that the value of assets in the rabbi trust at least equals the total value of all accrued benefits under the SERP. The assets of the rabbi trust are available to satisfy claims of the general creditors of Sonic in the event of its insolvency. Participants are unsecured general creditors of Sonic with respect to their SERP benefits and do not have an ownership interest in rabbi trust assets or in any other specific assets of Sonic with respect to such benefits.

Potential Payments Upon Termination or Change-in-Control

Payments upon Termination

Based on the foregoing and the terms of the 2004 Stock Incentive Plan, the estimated present value of the payments the Named Executive Officers could have received upon termination without cause as of December 31, 2014 are as follows:

<u>Name</u>	<u>Salary and Bonus (\$)</u>	<u>Stock Awards (\$)(1)(2)</u>
O. Bruton Smith	\$ —	\$3,927,425
B. Scott Smith	—	3,392,087
David Bruton Smith	—	2,279,742
Jeff Dyke	—	2,978,564
Heath R. Byrd	323,925 ⁽³⁾	1,762,819

- ⁽¹⁾ Represents the value of restricted stock units and restricted stock awards, as applicable, that would have vested upon termination without cause based on the closing market price of Sonic's Class A Common Stock on December 31, 2014 of \$27.04 per share.
- ⁽²⁾ For termination due to death or disability, the value of the restricted stock units and restricted stock awards, as applicable, would have been as follows: Mr. O. Bruton Smith, \$3,927,425; Mr. B. Scott Smith, \$3,392,087; Mr. David Bruton Smith, \$2,279,742; Mr. Jeff Dyke, \$2,978,564; and Mr. Heath R. Byrd \$1,762,819.
- ⁽³⁾ Mr. Byrd's employment agreement provides for the payment of severance in the event of a termination of his employment by Sonic, other than for cause (as defined in the Employment Agreement). Under the terms of the Employment Agreement, the amount of any such severance would be 1/2 of Mr. Byrd's then-current annual base salary payable in two equal installments within 15 days following termination and on the last day of the sixth full calendar month following such termination.

A participant in the SERP who terminates employment due to death becomes entitled to fully vested SERP benefits (calculated as if the date of death were the date of normal retirement) and such benefits are payable to his beneficiary the first of the next month in a lump sum equal to the present value of the otherwise applicable 15 annual payments. If Mr. Dyke's death had occurred on December 31, 2014, the estimated lump sum payment under the SERP would have been \$5,091,181 (with the present value determined assuming a 3.88% discount rate). If Mr. Byrd's death had occurred on December 31, 2014, the estimated lump sum payment under the SERP would have been \$2,998,889 (with the present value determined assuming a 3.88% discount rate). A participant in the SERP who terminates employment due to disability (as defined in the SERP) becomes entitled to fully vested SERP benefits (calculated as if the date of disability were the date of normal retirement) and the annual payments begin the month following disability. If Mr. Dyke had terminated employment on December 31, 2014 due to disability, he would have received annual payments of \$437,113 for 15 years. If Mr. Byrd had terminated employment on December 31, 2014 due to disability, he would have received annual payments of \$257,475 for 15 years. If termination occurred on December 31, 2014 for any reason other than death, disability or change of control, Mr. Dyke would have been entitled to estimated annual payments of \$131,134 for 15 years and Mr. Byrd would have been entitled to estimated annual payments of \$82,392 for 15 years. For more information about payments under the SERP upon a termination of employment, see "— Pension Benefits for 2014."

Payments upon a Change of Control

Sonic does not have special arrangements with its Named Executive Officers that provide those Named Executive Officers with any rights upon a change of control. Stock options and stock awards under the 2004 Stock Incentive Plan and the 2012 Stock Incentive Plan held by our Named Executive Officers would

immediately vest (subject to pro rata adjustment in the case of certain performance awards under the 2012 Stock Incentive Plan) and become exercisable upon a change of control (as defined in the 2004 Stock Incentive Plan and the 2012 Stock Incentive Plan, respectively). The estimated present value of the stock options and awards in the event of a change in control on December 31, 2014 is as follows.

Name	Stock Awards (\$) ⁽¹⁾
O. Bruton Smith	\$ 3,927,425
B. Scott Smith	3,392,087
David Bruton Smith	2,279,742
Jeff Dyke	2,978,564
Heath R. Byrd	1,762,819

⁽¹⁾ Represents the value of restricted stock units and restricted stock awards, as applicable, that would have vested upon a change of control based on the closing market price of Sonic's Class A Common Stock on December 31, 2014 of \$27.04 per share.

A participant in the SERP becomes fully vested in his SERP benefit in the event of a change in control (as defined in the SERP). See “— Pension Benefits for 2014” for the present value of accumulated SERP benefits as of December 31, 2014. In addition, if a participant separates from service with the Company within 24 months following a change in control, the SERP benefit will be paid in the form of a lump sum equal to the present value of the otherwise applicable 15 annual payments. See “— Pension Benefits for 2014” for a discussion of the SERP. A change in control on December 31, 2014 would have triggered full vesting of Messrs. Byrd's and Dyke's SERP benefits. If Mr. Dyke had terminated employment immediately following the change in control, the estimated present value of the lump sum payable to Mr. Dyke would have been \$1,315,225 (with the present value determined assuming a 3.88% discount rate). If Mr. Byrd had terminated employment immediately following the change in control, the estimated present value of the lump sum payable to Mr. Byrd would have been \$974,634 (with the present value determined assuming a 3.88% discount rate). As amended in February 2015, the SERP provides that the early retirement reduction does not apply to participants who were employees immediately prior to a change in control, regardless of whether or not such participants remain employees upon or following the change in control. If this amendment had been in place as of December 31, 2014 and Mr. Dyke and Mr. Byrd had terminated employment immediately following the change in control on December 31, 2014, the estimated present value of the lump sum payable to Messrs. Dyke and Mr. Byrd would have been \$5,091,181 and \$2,998,889, respectively (with the present value in each case determined assuming a 3.88% discount rate).

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth information concerning shares of our Class A Common Stock that may be issued under our equity compensation plans as of December 31, 2014.

Total	1,854,834⁽²⁾	\$ 24.48⁽³⁾⁽⁶⁾	3,785,867⁽⁴⁾

⁽¹⁾ Includes the Stock Option Plan, the 2004 Stock Incentive Plan, the 2012 Stock Incentive Plan, the 2012 Formula Plan and the Employee Plan. Grants under the Employee Plan have been suspended since December 31, 2005.

⁽²⁾ Includes 459,250 shares to be issued upon the exercise of outstanding options under the Stock Option Plan that terminated in 2007. Because the Stock Option Plan has been terminated, no options remain available for issuance under that plan. Also includes 605,547 shares issuable upon the exercise of outstanding options under the 2004 Stock Incentive Plan and 781,696 shares issuable upon the vesting of outstanding restricted stock units granted under the 2004 Stock Incentive Plan. Also includes 8,341 shares issuable upon the vesting of outstanding restricted stock units granted under the 2012 Stock Incentive Plan. The weighted-average exercise price information in column (b) does not take outstanding restricted stock units into account because they do not have an exercise price.

⁽³⁾ Does not include the exercise price of options under the Employee Plan because no such options are outstanding.

⁽⁴⁾ Includes 1,991,659 shares available for future issuance under the 2012 Stock Incentive Plan through grants of options, stock appreciation rights, restricted stock, restricted stock units or other stock awards (which amount does not include the additional 2,000,000 shares that stockholders are being asked to approve for issuance under the 2012 Stock Incentive Plan at the Annual Meeting). Also includes 232,156 shares available for future issuance under the 2012 Formula Plan through grants of restricted stock. Also includes 1,351,688 shares available for future issuance under the Employee Plan. As noted above, grants under the Employee Plan have been suspended since December 31, 2005.

⁽⁵⁾ Represents the Sonic Automotive, Inc. Nonqualified Employee Stock Purchase Plan (the "Nonqualified ESPP"). Grants under the Nonqualified ESPP have been suspended since December 31, 2005.

⁽⁶⁾ Does not include the exercise price of options under the Nonqualified ESPP because no such options are outstanding.

Nonqualified Employee Stock Purchase Plan

The Nonqualified ESPP was adopted by the Board of Directors in 1998. The Nonqualified ESPP has not been approved by Sonic's stockholders. The purpose of the Nonqualified ESPP is to provide employees of certain of Sonic's subsidiaries that are not able to participate in the Employee Plan with a similar opportunity to acquire an ownership interest in Sonic. Both the Nonqualified ESPP and the Employee Plan permit eligible

Table of Contents

employees to purchase shares of Class A Common Stock at a discount from the market price. The terms of the Nonqualified ESPP are substantially similar to the terms of the Employee Plan, which has been approved by Sonic's stockholders. Grants under the Nonqualified ESPP and the Employee Plan have been suspended since December 31, 2005.

The total number of shares of Class A Common Stock that were reserved for issuance under the Nonqualified ESPP is 300,000. Approximately 210,364 additional shares remain available for future option grants under the Nonqualified ESPP.

Employees of participating subsidiaries generally are eligible for the Nonqualified ESPP if they work for Sonic and its subsidiaries on a full-time or part-time basis, are regularly scheduled to work more than 20 hours per week, are customarily employed more than five months in a calendar year and have completed one year of continuous service. Employees who are officers or directors of Sonic or any participating employer are not eligible to participate in the Nonqualified ESPP. In addition, employees who own or hold options to purchase (or who are treated under certain tax rules as owning or holding options to purchase) 5% or more of the total combined voting power or value of all classes of stock of Sonic or any subsidiary also are not eligible to participate in the Nonqualified ESPP.

Options generally are granted under the Nonqualified ESPP as of each January 1 to all eligible employees who elect to participate. However, grants under the Nonqualified ESPP have been suspended and no grants have been made since 2005. The Compensation Committee designates the number of shares of Class A Common Stock that can be purchased under each option, which number will be the same for each option granted on the same date and which also will be the same number of shares available under an option granted on the same date pursuant to the Employee Plan. The options have an exercise price per share equal to the lesser of (i) 85% of the fair market value per share of the Class A Common Stock on the date of grant or (ii) 85% of such fair market value on the date of exercise. No option can be granted which would permit a participant to purchase more than \$25,000 worth of Class A Common Stock under the Nonqualified ESPP during the calendar year.

A participant can make contributions to the Nonqualified ESPP by after-tax payroll deduction or direct payment. To the extent that a participant has made contributions to the Nonqualified ESPP, his or her option will be exercised automatically to purchase Class A Common Stock on each exercise date during the calendar year in which the option is granted. The exercise dates generally are the last business day of March, June, September and December on which the NYSE is open for trading. The participant's accumulated contributions as of each exercise date will be used to purchase whole shares of Class A Common Stock at the applicable option price, limited to the number of shares available for purchase under the option. The exercisability of options may accelerate in the event of a change in control of Sonic.

Options granted under the Nonqualified ESPP expire on the last exercise date of the calendar year in which granted. However, if a participant withdraws from the Nonqualified ESPP or terminates employment, the option may expire earlier.

In the event of certain changes in the capital stock of Sonic due to a reorganization, stock split, stock dividend, merger or other similar event, appropriate adjustments generally will be made to the shares of Class A Common Stock available for issuance under the Nonqualified ESPP, the shares of Class A Common Stock covered by outstanding options and the exercise price per share.

The Board of Directors of Sonic generally can amend, suspend or terminate the Nonqualified ESPP at any time. However, no amendment, suspension or termination may adversely affect the rights of the participant under an outstanding option without the participant's consent. The Board of Directors suspended the Nonqualified ESPP effective December 31, 2005.

PROPOSAL 3

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

As required by Section 14A of the Exchange Act, we are requesting stockholder approval of the compensation of our Named Executive Officers as disclosed in the “Executive Compensation” section of this Proxy Statement on pages 21 to 38.

Our compensation policies and procedures are competitive, are focused primarily on pay for performance principles and are intended to align with the long-term interests of our stockholders. We encourage you to carefully review the “Compensation Discussion and Analysis” section beginning on page 21 of this Proxy Statement for additional details on Sonic’s executive compensation, including Sonic’s compensation philosophy and objectives, as well as the processes our Compensation Committee used to determine the structure and amounts of the compensation of our Named Executive Officers in fiscal 2014.

At our annual meeting of stockholders in 2014, we provided stockholders with an opportunity to cast a non-binding, advisory vote to approve the compensation of our Named Executive Officers (commonly known as a “say-on-pay” vote), and stockholders overwhelmingly approved the Company’s executive compensation with approximately 96% of the votes cast in favor. At the Company’s annual meeting of stockholders in 2011, we also asked stockholders to indicate whether a say-on-pay vote should occur every one, two or three years, with the Board recommending an annual advisory vote. Because the Board views it as a good corporate governance practice, and because at the 2011 annual meeting of stockholders a majority of the votes cast were in favor of an annual advisory vote, you will have the opportunity at the Annual Meeting, and again at the 2016 annual meeting of stockholders, to provide feedback to the Compensation Committee on the Company’s executive compensation program by endorsing or not endorsing the compensation of our Named Executive Officers.

We are asking you to indicate your support for the compensation of our Named Executive Officers as described in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices used to structure compensation, which are described in this Proxy Statement. Accordingly, we are asking you to vote, on a non-binding, advisory basis, “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the compensation paid to Sonic Automotive, Inc.’s Named Executive Officers, as disclosed in this Proxy Statement pursuant to the SEC’s compensation disclosure rules, including the Compensation Discussion and Analysis, compensation tables and related narrative discussion set forth on pages 21 to 38 of this Proxy Statement, is hereby approved.”

This vote is advisory, which means that the stockholder vote on this proposal will not be binding on Sonic, the Compensation Committee or the Board of Directors. However, the Compensation Committee and the Board value the opinions of the Company’s stockholders and will carefully consider the outcome of the vote in deciding whether to take any action as a result of the vote and when making future compensation decisions for Sonic’s Named Executive Officers.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR”
THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS
AS DISCLOSED IN THIS PROXY STATEMENT.**

PROPOSAL 4

**APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE
SONIC AUTOMOTIVE, INC. 2012 STOCK INCENTIVE PLAN**

The 2012 Stock Incentive Plan was first adopted by the Board of Directors on February 22, 2012 and approved by the Company's stockholders at the 2014 annual meeting of stockholders. The Board of Directors has approved an amendment and restatement of the 2012 Stock Incentive Plan effective as of February 11, 2015, subject to the requisite approval of the Company's stockholders at the Annual Meeting. The amendment and restatement of the 2012 Stock Incentive Plan includes the following changes:

- an increase in the number of shares of the Company's Class A Common Stock authorized for issuance under the 2012 Stock Incentive Plan from 2,000,000 to 4,000,000, reflecting an increase of 2,000,000 shares; and
- an increase in the maximum number of shares of the Company's Class A Common Stock that may be subject to restricted stock, restricted stock units and other stock awards granted to any individual during a calendar year under the 2012 Stock Incentive Plan from 250,000 to 1,100,000 (but with no increase to the limit of 500,000 shares that may be subject to stock options and stock appreciation rights granted to any individual during a calendar year).

The proposed increases in the number of shares of the Company's Class A Common Stock that can be issued under the 2012 Stock Incentive Plan and the maximum number of shares of the Company's Class A Common Stock that may be subject to restricted stock, restricted stock units and other stock awards granted to any individual during a calendar year are intended to allow the Company to continue to offer, and provide the Company with additional flexibility with respect to, equity-based incentive compensation to attract, retain, motivate and reward key employees and consultants as well as align their interests with those of the Company's stockholders.

As of February 25, 2015 and without considering the proposed 2,000,000 share increase, approximately 1,572,433 shares of the Class A Common Stock remain available for future awards under the 2012 Stock Incentive Plan.

The 2012 Stock Incentive Plan also generally is intended to allow certain awards to meet the requirements for performance-based compensation under Section 162(m) of the Code. Section 162(m) of the Code generally limits the Company's annual federal income tax deduction for compensation paid to certain officers to \$1 million with respect to each such officer. However, compensation that qualifies as performance-based compensation under Section 162(m) of the Code is not subject to this deduction limit. Compensation qualifies as performance-based only if it satisfies certain requirements, including that the material terms of the plan and the performance criteria pursuant to which the awards will be paid are disclosed to and approved by the stockholders. Therefore, stockholder approval of the amendment and restatement of the 2012 Stock Incentive Plan, including the provisions regarding performance-based awards and the proposed 1,100,000 limit on the maximum number of shares of the Company's Class A Common Stock that may be subject to restricted stock, restricted stock units and other stock awards granted to any individual during a calendar year, also is being sought to give the Company the continued ability to grant awards that may be intended to qualify as performance-based compensation under Section 162(m) of the Code. However, the Company reserves the right to grant awards that may not be deductible under Section 162(m) of the Code, and nothing in this proposal precludes the Company from exercising such right. There is no guarantee that awards under the 2012 Stock Incentive Plan that are intended to qualify as tax deductible under Section 162(m) of the Code will ultimately be determined as such by the Internal Revenue Service.

The following is a summary of the 2012 Stock Incentive Plan, as amended and restated, submitted for stockholder approval. The summary describes the principal features of the 2012 Stock Incentive Plan, but it is qualified by reference to the full text of the amendment and restatement of the 2012 Stock Incentive Plan, which is included in this Proxy Statement as Appendix A.

Summary of Amendment and Restatement of 2012 Stock Incentive Plan

Administration

The 2012 Stock Incentive Plan is administered by the Compensation Committee. The Compensation Committee has the full authority to grant awards under the 2012 Stock Incentive Plan, to select the recipients of awards under the 2012 Stock Incentive Plan, to determine the type and size of awards, and to determine and amend the terms, restrictions and conditions of awards. Among other things, the Compensation Committee also has the full authority to construe and interpret the 2012 Stock Incentive Plan and any related award agreement, to establish rules and regulations relating to the administration of the 2012 Stock Incentive Plan, to delegate administrative responsibilities and to make all other determinations and take any other actions that may be necessary or advisable for the administration of the 2012 Stock Incentive Plan. The Compensation Committee also has the discretion to vary or amend the terms of awards and establish administrative rules, procedures and sub-plans to conform to or accommodate differences in laws, rules, regulations, customs or policies of applicable non-U.S. jurisdictions.

Eligibility

The Compensation Committee may grant awards under the 2012 Stock Incentive Plan to employees and consultants providing services to the Company. In selecting recipients of awards and determining the applicable terms and conditions, the Compensation Committee may take into account any factors it deems relevant, including, among other things, their duties and the Compensation Committee's assessment of their present and potential contributions to the success of the Company. The number of individuals who are eligible to participate in the 2012 Stock Incentive Plan will vary and, in light of the Compensation Committee's discretion, the actual number of individuals who will be granted an award in the future cannot be determined. As of February 25, 2015, the Company had approximately 9,300 employees.

Types of Awards

Awards under the 2012 Stock Incentive Plan may be granted in the form of incentive stock options, nonstatutory stock options, stock appreciation rights, restricted stock, restricted stock units and other stock awards. Each type of award is discussed in more detail below.

Shares Subject to 2012 Stock Incentive Plan and Award Limits

If the stockholders approve the amendment and restatement of the 2012 Stock Incentive Plan, the number of shares of the Company's Class A Common Stock available for issuance under the 2012 Stock Incentive Plan will be 4,000,000 shares, subject to adjustment as described below. Shares of Class A Common Stock covered by awards that expire or are forfeited, canceled, settled in cash or otherwise terminated without the delivery of the full number of covered shares will be available for further awards under the 2012 Stock Incentive Plan to the extent of such expiration, forfeiture, cancellation, cash settlement, etc. However, shares of Class A Common Stock subject to an award that are (i) withheld or retained by the Company in payment of the exercise or purchase price of an award (including shares withheld or retained by the Company or not issued in connection with the net settlement or net exercise of an award), or (ii) tendered to, withheld or retained by the Company in payment of tax withholding obligations relating to an award will not become available again for awards under the 2012 Stock Incentive Plan.

The maximum number of shares of Class A Common Stock that may be issued pursuant to incentive stock options under the 2012 Stock Incentive Plan is 2,000,000 shares, subject to adjustment as described below.

No individual may be granted options and/or stock appreciation rights under the 2012 Stock Incentive Plan with respect to an aggregate of more than 500,000 shares of Class A Common Stock during any calendar year. With respect to all other types of awards, the amended and restated 2012 Stock Incentive Plan provides that no individual may be granted awards (whether such awards may be settled in shares of Class A Common Stock

Table of Contents

and/or cash) consisting of, covering or relating to in the aggregate more than 1,100,000 shares of Class A Common Stock during any calendar year (increased from an annual limit of 250,000 shares of Class A Common Stock). With respect to any cash-based stock award that is intended to be a performance award (as described below under “— Performance Awards”), the 2012 Stock Incentive Plan provides that the maximum cash payment that may be paid during any one calendar year to a participant is \$4,000,000.

In the event of a reorganization, recapitalization, stock split, stock dividend, extraordinary dividend, spin-off, combination of shares, merger, consolidation or similar transaction or other change in corporate capitalization affecting the Class A Common Stock, equitable adjustments and/or substitutions, as applicable, to prevent the dilution or enlargement of rights shall be made by the Compensation Committee, including adjustments to the number and kind of shares of Class A Common Stock which may be issued under the 2012 Stock Incentive Plan, the number of shares of Class A Common Stock subject to the award limits under the 2012 Stock Incentive Plan, and the number, kind and price of shares of Class A Common Stock subject to outstanding awards under the 2012 Stock Incentive Plan.

Stock Options

Stock options may be granted under the 2012 Stock Incentive Plan in the form of either incentive stock options (also referred to as “ISOs”) intended to qualify under Section 422 of the Code or nonstatutory stock options. Incentive stock options can be granted only to employees of the Company and certain subsidiaries. Stock options give the recipient an opportunity to purchase shares of the Company’s Class A Common Stock from the Company at a designated exercise price.

The exercise price of options granted under the 2012 Stock Incentive Plan is determined at the discretion of the Compensation Committee, but the exercise price per share generally may not be less than the fair market value of a share of the Company’s Class A Common Stock on the grant date of the option. In the case of incentive stock options granted to any holder on the grant date of more than 10% (directly or by attribution through relatives or entities in which the holder has an ownership interest) of the total combined voting power of all classes of stock of the Company or a parent or subsidiary corporation (a “10% Stockholder”), the exercise price per share may not be less than 110% of the fair market value of a share of Class A Common Stock on the grant date. Fair market value under the 2012 Stock Incentive Plan generally is based on the closing sale price of the Company’s Class A Common Stock on the NYSE on the grant date of the option.

Unless otherwise provided by the Compensation Committee, the exercise price of an option generally may be paid (i) in cash; (ii) subject to applicable law, by tendering previously acquired shares of Class A Common Stock having an aggregate fair market value equal to the total exercise price as long as certain requirements are met; and/or (iii) subject to applicable law and such rules as may be established by the Compensation Committee, by means of a “cashless exercise” through an approved broker. The Compensation Committee also may provide that options may be exercised using a “net share settlement” procedure, or by other means consistent with applicable law.

The Compensation Committee establishes the time period within which options must be exercised, but this period may not exceed 10 years from the grant date of the option or, in the case of incentive stock options granted to a 10% Stockholder, five years from the grant date of the option. Options may expire before the end of the option period if the option holder ceases to perform services for the Company. Stock options will be exercisable at such time or times and subject to such restrictions as determined by the Compensation Committee. To the extent that the fair market value of incentive stock options (determined based on the fair market value on the grant date) that become exercisable for the first time in a calendar year exceeds \$100,000, such options generally will be deemed nonstatutory stock options.

Except as otherwise provided by the Compensation Committee, the following rules apply if an option holder’s service with the Company and its subsidiaries terminates. If an option holder’s service terminates for any reason other than cause, involuntary termination without cause, disability or death, the option holder

Table of Contents

generally may exercise his or her stock options (to the extent vested) within the 60-day period following such termination. If the option holder is terminated for cause, the option holder's stock options will immediately expire and no longer can be exercised. If the option holder is involuntarily terminated without cause, options (to the extent vested) generally may be exercised during the 90-day period following termination. If the option holder's service terminates due to his or her disability, options (to the extent vested) generally may be exercised during the one-year period following termination. If the option holder dies while employed or during the applicable exercise period following termination as described above, options (to the extent vested) generally may be exercised during the one-year period following the option holder's death. In no event can an option be exercised after the expiration of its term (i.e., the option period fixed by the Compensation Committee).

Options generally may not be transferred except by will or the laws of descent and distribution and options generally may be exercised during the lifetime of the option holder only by the option holder. However, the Compensation Committee, in its discretion, may permit the transfer of nonstatutory stock options in certain circumstances.

Stock Appreciation Rights

Stock appreciation rights (or "SARs") allow a recipient to receive upon exercise an amount equal to the excess of the fair market value at that time of the shares of the Company's Class A Common Stock with respect to which the SARs are being exercised over the initial value assigned to such SARs. This amount may be payable in cash, shares of Class A Common Stock or a combination thereof, as determined by the Compensation Committee. The initial value of SARs granted under the 2012 Stock Incentive Plan is determined at the discretion of the Compensation Committee, but the initial value per share of Class A Common Stock covered by the SARs may not be less than the fair market value of a share of the Company's Class A Common Stock on the grant date of the SARs. For this purpose, fair market value generally is based on the closing price of the Company's Class A Common Stock on the NYSE on the grant date.

SARs may be granted in tandem with stock options or independently. The Compensation Committee will establish the time period within which SARs must be exercised, but this period may not exceed 10 years from the grant date of the SARs. SARs granted in tandem with stock options must have the same term as the options to which they relate. SARs may expire before the end of the exercise period if the recipient ceases to perform services for the Company. SARs will be exercisable at such time or times and subject to such restrictions as determined by the Compensation Committee. However, SARs granted in tandem with stock options may be exercised only with respect to the shares of Class A Common Stock for which their related stock options are then exercisable. The exercise of either options or SARs that are granted in tandem will result in the termination of the other to the extent of the number of shares of Class A Common Stock with respect to which such options or SARs are exercised.

If an individual's service with the Company terminates, SARs then held by such individual will terminate on the same terms and conditions that apply to stock options as described above, unless otherwise provided by the Compensation Committee.

SARs generally may not be transferred other than by will or the laws of descent and distribution and SARs generally may be exercised during the lifetime of the recipient only by the recipient. However, the Compensation Committee, in its discretion, may permit the transfer of SARs in certain circumstances.

Restricted Stock and Restricted Stock Units

Restricted stock is an award of shares of the Company's Class A Common Stock that is subject to restrictions and such other terms and conditions as the Compensation Committee determines. Restricted stock units are non-voting units of measurement that represent the contingent right to receive shares of Class A Common Stock or the value of shares of Class A Common Stock in the future, but no shares are actually awarded

Table of Contents

to recipients on the grant date. Once applicable restrictions lapse or have been satisfied, restricted stock units may be payable in cash, shares of Class A Common Stock or a combination thereof, as specified by the Compensation Committee.

The Compensation Committee determines the type of restrictions applicable to the award, which can include restrictions based on achievement of financial or other business objectives, the occurrence of a specific event, continued service for a period of time or other time-based restrictions. The Compensation Committee also determines the purchase price, if any, to be paid for the restricted stock or restricted stock units. Restricted stock units are not transferable and restricted stock generally may not be transferred until all restrictions applicable to the award have lapsed or been satisfied.

If the recipient's service with the Company terminates, all shares of Class A Common Stock or restricted stock units, as the case may be, that are still subject to restrictions generally will be forfeited unless the Compensation Committee otherwise provides.

A recipient of restricted stock generally will have certain rights and privileges of a stockholder, including the right to vote such shares of restricted stock and to receive cash dividends, if any (although the Compensation Committee may require that any dividends be reinvested in additional shares of restricted stock). A recipient of restricted stock units will not have any voting or other stockholder rights. However, the Compensation Committee may provide that, if the Board of Directors declares a dividend with respect to the Class A Common Stock, a recipient of restricted stock units will receive dividend equivalents on terms specified by the Compensation Committee.

Stock Awards

The Compensation Committee may grant other types of stock awards that involve the issuance of shares of Class A Common Stock or that are valued by reference to shares of Class A Common Stock. The terms and conditions applicable to such stock awards will be determined by the Compensation Committee in its discretion.

Performance Awards

The 2012 Stock Incentive Plan allows the Compensation Committee to grant restricted stock, restricted stock units or a stock award as a performance award that are generally intended to meet the requirements for performance-based compensation under Section 162(m) of the Code. Section 162(m) of the Code limits the Company's annual federal income tax deduction for compensation paid to the Chief Executive Officer and the next three highest paid officers (generally excluding the principal financial officer) to \$1 million with respect to each such officer. However, compensation that qualifies as performance-based compensation under Section 162(m) of the Code is not subject to this deduction limit. Compensation qualifies as performance-based only if it satisfies certain requirements, including that the material terms of the plan and the performance criteria pursuant to which the awards will be paid are disclosed to and approved by the stockholders. Accordingly, the Board of Directors is seeking stockholder approval of the amendment and restatement of the 2012 Stock Incentive Plan to satisfy the requirements of Section 162(m) of the Code.

For performance awards, the Compensation Committee will establish in writing the performance goals upon which the performance award is contingent, the period over which such goals will be measured and any other applicable conditions. These terms must be established within 90 days after the beginning of the applicable period (or, if earlier, by the date on which 25% of the period has been completed).

The performance goals established by the Compensation Committee must be objectively determinable. The 2012 Stock Incentive Plan provides that the Compensation Committee may establish performance goals based on one or more of the following: (i) stock price; (ii) market share; (iii) earnings per share (basic or diluted); (iv) net earnings; (v) operating or other earnings; (vi) gross or net profits; (vii) revenues; (viii) financial return

Table of Contents

ratios; (ix) stockholder return; (x) cash flow measures (including operating cash flow, free cash flow, and cash flow return on investment); (xi) cash position; (xii) return on equity; (xiii) return on investment; (xiv) debt rating; (xv) sales (including Company-wide sales and dealership sales); (xvi) expense reduction levels; (xvii) debt levels (including borrowing capacity); (xviii) return on assets (gross or net); (xix) debt to equity ratio; (xx) debt to capitalization ratio; (xxi) consummation of debt offerings; (xxii) consummation of equity offerings; (xxiii) growth in assets, sales, or market share; (xxiv) customer satisfaction; (xxv) reducing, retiring or refinancing all or a portion of the Company's long-term or short-term public or private debt or similar financial obligations (including the attainment of a certain level of reduction in such debt); (xxvi) share count reduction; (xxvii) gross or operating margins; (xxviii) contractual compliance (including maintaining compliance with financial and other covenants, obtaining waivers of non-compliance, or obtaining amendments of contractual covenants); or (xxix) strategic business objectives based on meeting specified revenue goals, market penetration goals, geographic business expansion goals, cost targets, or goals relating to acquisitions or divestitures. Performance goals may be based on the performance of the Company, based on one or more divisions, business units or subsidiaries, based on the performance of the Company and its subsidiaries as a whole, or based on any combination of the foregoing. Performance goals also may be expressed by reference to an individual's performance relating to any of the criteria.

The 2012 Stock Incentive Plan provides that performance goals may be expressed in such form as the Compensation Committee determines, including in either absolute or relative terms (including, but not limited to, by relative comparison to a pre-established target, to previous years or to other companies or other external measures), in percentages, in terms of growth over time or otherwise. Performance goals do not have to be based upon an increase or positive result under one of the above criteria and could include, for example, maintaining the status quo or the limitation of economic losses (measured in such case by reference to the specific criteria). When establishing the performance goals, the Compensation Committee may specify that they will be determined either before or after taxes and adjusted to exclude items such as (i) asset write-downs or impairment charges; (ii) the effect of unusual or extraordinary charges or income items or other events, including acquisitions or dispositions of businesses or assets, restructurings, discontinued operations, reductions in force, refinancing/restructuring of short term and/or long term debt, or other extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 and/or management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (iii) litigation or claim expenses, judgments or settlements; or (iv) changes in accounting principles or tax laws or other laws or provisions affecting reported results.

The Compensation Committee also can establish subjective performance goals, but the subjective performance goals may be used only to reduce, and not increase, an award.

Following completion of the applicable performance period, the Compensation Committee will certify in writing the extent to which the performance goals have been reached. The Compensation Committee cannot waive the performance goal requirements for a covered officer except in its discretion in the case of the death or disability of the recipient or in the event of a change in control.

As noted previously, the amendment and restatement of the 2012 Stock Incentive Plan provides that no individual may be granted restricted stock, restricted stock units or stock awards with respect to an aggregate of more than 1,100,000 shares of Class A Common Stock during any calendar year (increased from an annual limit of 250,000 shares of Class A Common Stock). In addition, the maximum cash payment that may be paid under a cash-based stock award during a calendar year to a participant is \$4,000,000.

The Compensation Committee may, in its discretion, grant awards to covered officers that do not qualify as performance-based compensation under Section 162(m) of the Code. In addition, there is no guarantee that awards under the 2012 Stock Incentive Plan that are intended to qualify as tax deductible under Section 162(m) of the Code will ultimately be determined as such by the Internal Revenue Service.

Table of Contents

Change in Control

Under the 2012 Stock Incentive Plan, a “change in control” generally means any merger or consolidation in which the Company is not the surviving corporation and which results in the holders of the outstanding voting securities of the Company (determined immediately prior to such merger or consolidation) owning less than a majority of the outstanding voting securities of the surviving corporation, any sale or transfer by the Company of all or substantially all of its assets or any tender offer or exchange offer for, or the acquisition, directly or indirectly, by any person or group of, all or a majority of the then-outstanding voting securities of the Company.

Upon either the consummation of a tender or exchange offer that constitutes a change in control or the third business day prior to the effective date of any other change in control, as the case may be, (i) outstanding stock options and SARs will become fully vested and exercisable; (ii) outstanding restricted stock and restricted stock units (including performance awards other than those described below) will become fully vested with all restrictions and conditions related thereto being deemed satisfied; (iii) outstanding performance awards of restricted stock and restricted stock units for which the performance period has ended, but which otherwise remain subject to additional vesting or other restrictions, will become vested with all restrictions and conditions related thereto being deemed satisfied to the extent of the award as adjusted (if necessary) based upon achievement of the applicable performance goals; and (iv) outstanding performance awards of restricted stock and restricted stock units for which the performance period has not yet ended will become vested with restrictions and conditions related thereto being deemed satisfied on a pro rata basis based upon an assumed achievement of the applicable target performance goals and the length of time within the performance period that has elapsed prior to the change in control. The applicable award agreement will specify the effect of a change in control on other stock awards.

Forfeiture and Clawback

The 2012 Stock Incentive Plan provides that, in addition to forfeitures due to vesting schedules or termination of service, the Compensation Committee may specify in an award agreement that an award and/or a participant’s rights, payments and benefits with respect to an award (including, but not limited to, the right to receive an award, to exercise an award, to retain an award, to retain cash or Class A Common Stock acquired in connection with an award and/or to retain the profit or gain realized in connection with an award) will be subject to reduction, rescission, forfeiture or recoupment by the Company upon certain events, such as termination of service for cause, breach of confidentiality or other restrictive covenants, engaging in competition against the Company or other conduct or activity that is detrimental to the business or reputation of the Company. The 2012 Stock Incentive Plan also provides that all awards granted under the 2012 Stock Incentive Plan are intended to be subject to the terms and conditions of any policy regarding clawbacks, forfeitures or recoupments adopted by the Company.

Amendment, Suspension or Termination

The Board of Directors may at any time amend, suspend or terminate the 2012 Stock Incentive Plan in whole or in part for any reason, provided that such action may be subject to stockholder approval if necessary to comply with legal, regulatory or securities exchange listing requirements or the action is intended to allow the exercise price of outstanding stock options to be reduced by repricing or replacing such options. Unless terminated earlier, the 2012 Stock Incentive Plan will terminate on February 22, 2022, a term of 10 years from its initial adoption by the Board of Directors. The Compensation Committee also may amend the terms of an outstanding award. Generally, no amendment, suspension or termination of the 2012 Stock Incentive Plan (or amendment of an outstanding award) may adversely affect in any material way the rights of the holder of an outstanding award without his or her consent. However, the Board of Directors may amend the 2012 Stock Incentive Plan and/or the Compensation Committee may amend any outstanding award without obtaining the award holder’s consent if it deems the amendment necessary or advisable to comply with applicable law or address other regulatory matters.

Market Price of Class A Common Stock

The closing price of a share of the Company's Class A Common Stock on the NYSE on February 25, 2015 was \$25.13.

Plan Benefits

Awards under the 2012 Stock Incentive Plan are made at the discretion of the Compensation Committee. Future awards that may be received by any executive officers or others pursuant to the 2012 Stock Incentive Plan are not presently determinable.

Federal Income Tax Consequences

The following is a brief summary of the current federal income tax consequences that generally apply with respect to awards that may be granted under the 2012 Stock Incentive Plan. Applicable laws and regulations may change in the future. This summary is not intended to be exhaustive and does not describe a number of tax rules, including any foreign, state or local tax consequences, tax withholding requirements or various other rules that could apply to a particular individual or to the Company and its subsidiaries under certain circumstances. This summary is not intended or written to be used (and cannot be used by any taxpayer) to avoid penalties that may be imposed on a taxpayer. Tax implications may vary due to individual circumstances. Participants should consult their personal tax advisors about the tax consequences related to awards under the 2012 Stock Incentive Plan.

Nonstatutory Stock Options

The grant of nonstatutory stock options generally has no federal income tax consequences to the Company or the option holder. Upon the exercise of a nonstatutory stock option, the option holder will recognize ordinary income equal to the excess of the fair market value of the acquired shares on the date of exercise over the exercise price paid for the shares. The Company generally will be allowed a federal income tax deduction equal to the same amount that the option holder recognizes as ordinary income. In the event of the disposition of the acquired shares of Class A Common Stock, any additional gain or loss generally will be taxed to the option holder as either short-term or long-term capital gain or loss depending on how long the shares were held.

Incentive Stock Options

The grant and exercise of incentive stock options generally have no federal income tax consequences to the Company. The grant and exercise of incentive stock options generally have no ordinary income tax consequences to the option holder. However, upon the exercise of an incentive stock option, the option holder treats the excess of the fair market value on the date of exercise over the exercise price as an item of tax adjustment for alternative minimum tax purposes, which may result in alternative minimum tax liability.

If the option holder retains the shares of Class A Common Stock acquired upon the exercise of an incentive stock option for at least two years following the grant date of the option and one year following exercise of the option, the subsequent disposition of such shares will ordinarily result in long-term capital gains or losses to the option holder equal to the difference between the amount realized on disposition of the shares and the exercise price. The Company will not be entitled to any deduction in such case. If the holding period requirements described above are not met, the option holder will recognize ordinary income upon disposition of the Class A Common Stock equal to the excess of the fair market value of the shares on the date of exercise (or, if less, the sale price received on disposition of the shares) over the exercise price. The Company will be entitled to a corresponding tax deduction in the same amount. Any additional gain or loss realized by the option holder on the disposition of the Class A Common Stock will be taxed as short-term or long-term capital gain or loss, as applicable.

Table of Contents

Stock Appreciation Rights

The grant of SARs generally has no federal income tax consequences to the Company or the recipient. Upon the exercise of SARs, the recipient will recognize ordinary income equal to the amount of cash received and the fair market value of any shares of Class A Common Stock received. The Company generally will be allowed a federal income tax deduction equal to the same amount that the recipient recognizes as ordinary income.

Restricted Stock

The recipient normally will recognize ordinary income when the restrictions on the restricted stock lapse (i.e., at the time the restricted shares are no longer subject to a substantial risk of forfeiture or become transferable, whichever occurs first). However, a recipient may elect to recognize ordinary income at the time the restricted stock is granted by making an election under Section 83(b) of the Code within 30 days after the grant date. In either case, the recipient will recognize ordinary income equal to the fair market value of such shares of stock at the time the income is recognized (reduced by the amount, if any, the recipient paid for the stock) and the Company generally will be entitled to a corresponding tax deduction. If the recipient subsequently disposes of the shares of Class A Common Stock, any additional gain or loss should be eligible for short-term or long-term capital gain or loss tax treatment depending on how long the shares were held after the ordinary income was recognized. If a recipient makes an "83(b) election" and then forfeits the shares of Class A Common Stock, the recipient normally will not be entitled to a refund with respect to the tax already paid.

Restricted Stock Units

The grant of restricted stock units generally has no federal income tax consequences to the Company or the recipient. When the restricted stock units vest and become payable, the recipient will recognize ordinary income equal to the amount of cash received and the fair market value of any shares of Class A Common Stock received. The Company generally will be allowed a federal income tax deduction equal to the same amount that the recipient recognizes as ordinary income.

Other Stock Awards

The federal income tax consequences of other stock awards will depend on the form of such awards.

Section 162(m) of the Code

The above discussion regarding the Company's federal income tax deductions is subject to meeting certain requirements under Section 162(m) of the Code. Section 162(m) of the Code generally limits the Company's annual federal income tax deduction for compensation paid to the Chief Executive Officer and certain other officers to \$1 million with respect to each such officer. However, compensation that qualifies as performance-based compensation under Section 162(m) of the Code is not subject to this deduction limit. The 2012 Stock Incentive Plan permits the Compensation Committee to grant awards intended to qualify for this exception to the deduction limit of Section 162(m) of the Code. However, the Company reserves the right to grant awards that may not be deductible under Section 162(m) of the Code, and nothing in this proposal precludes the Company from exercising such right. There is no guarantee that awards under the 2012 Stock Incentive Plan that are intended to qualify as tax deductible under Section 162(m) of the Code will ultimately be determined as such by the Internal Revenue Service.

Section 409A of the Code

Section 409A of the Code provides requirements for certain nonqualified deferred compensation arrangements. If applicable, Section 409A of the Code also imposes penalties (including an additional 20% tax) on the recipient of deferred compensation in the event such compensation fails to comply with Section 409A of

Table of Contents

the Code. Unless otherwise provided by the Compensation Committee, awards granted under the 2012 Stock Incentive Plan are intended to either comply with or meet the requirements for an exemption from Section 409A of the Code. The Company does not guarantee to any participant that the 2012 Stock Incentive Plan or any award granted under the 2012 Stock Incentive Plan complies with or is exempt from Section 409A of the Code and the Company will not have any liability to, indemnify or hold harmless any individual with respect to any tax consequences that arise from any such failure to comply with or meet an exemption under Section 409A of the Code.

Stock subject to an Award; vesting or exercise conditions applicable to an Award; the duration of an Award; whether an Award is intended to qualify as a Performance Award; restrictions on transferability of an Award and any shares of Common Stock issued thereunder; whether, to what extent and under what circumstances Awards may be settled in cash, Common Stock or otherwise; subject to applicable law, the effect of a suspension of employment or leave of absence on an Award; and other restrictions and covenants upon which a Participant's rights to receive, exercise or retain an Award or cash, Common Stock or other gains related thereto shall be contingent); construe and interpret the Plan and any agreement or instrument entered into under the Plan; correct any defect, supply any omission and reconcile any inconsistency in the Plan or any Award Agreement and determine all questions arising under the Plan or any Award Agreement; establish, amend, waive or rescind rules and regulations for the Plan's administration (including without limitation rules and regulations relating to sub-plans established for the purposes of satisfying applicable foreign laws or qualifying for favorable tax treatment under applicable foreign laws, as provided in Section 15.14); delegate administrative responsibilities under the Plan; and (subject to the provisions of Article 13) amend the terms and conditions of any outstanding Award to the extent such terms and conditions are within the discretion of the Committee, including accelerating the time any Option or SAR may be exercised, waiving restrictions and conditions on Awards and establishing different terms and conditions relating to the effect of a Termination of Service. The Committee also shall have the absolute discretion to make all other determinations and take any other actions that may be necessary or advisable in the Committee's opinion for the administration of the Plan.

3.2 Award Agreements. Each Award granted under the Plan shall be evidenced by an Award Agreement in such form as the Committee shall determine. Each Award Agreement shall be subject to the applicable terms and conditions of the Plan and incorporate any other terms and conditions, not inconsistent with the Plan (except when necessary to comply with Section 409A or other applicable law), as may be directed by the Committee. Except to the extent prohibited by applicable law, the Committee may, but need not, require as a condition of any such Award Agreement's effectiveness that the Agreement be signed by the Participant.

3.3 Decisions Binding. All determinations, decisions and interpretations made by the Committee pursuant to the provisions of the Plan and all related resolutions of the Board shall be final, conclusive and binding on all persons, including the Company, the Company's stockholders, and Participants and their estates and beneficiaries.

3.4 Indemnification. In addition to such other rights they may have as Directors or members of the Committee, each person who is or shall have been a member of the Committee shall be indemnified and held harmless by the Company against any loss, cost, liability or expense (including settlement amounts paid with the approval of the Committee) that may be imposed upon or reasonably incurred by the Committee member in connection with or resulting from any claim, action, suit or proceeding in which the member may be a party or otherwise involved by reason of any action taken or failure to act under or in connection with the Plan or any Award, except with respect to matters as to which the Committee member has been grossly negligent or engaged in willful misconduct or as prohibited by applicable law; provided, however, that the member shall give the Company an opportunity, at its own expense, to handle and defend the same before the member undertakes to handle and defend it on the member's own behalf.

ARTICLE 4. STOCK SUBJECT TO THE PLAN; LIMITS

4.1 Stock Available Under the Plan. Subject to adjustments as provided in Section 4.3, the aggregate number of shares of Common Stock that may be issued pursuant to Awards under the Plan is Four Million (4,000,000) shares. Shares of Common Stock issued under the Plan may be shares of original issuance, shares held in the treasury of the Company or shares purchased in the open market or otherwise. Shares of Common Stock covered by Awards that expire or are forfeited or canceled for any reason or which are settled in cash or otherwise are terminated without the delivery of the full number of shares of Common Stock underlying the Award or to which the Award relates shall be available for further Awards under the Plan to the extent of such expiration, forfeiture, cancellation, cash settlement, etc. However, shares of Common Stock subject to an Award

that are (a) withheld or retained by the Company in payment of the Option Price or other exercise or purchase price of an Award (including shares of Common Stock withheld or retained by the Company or not issued in connection with the net settlement or net exercise of an Award), or (b) tendered to, withheld or retained by the Company in payment of tax withholding obligations relating to an Award shall not become available again for Awards under the Plan.

Notwithstanding the other provisions of this Section 4.1, the maximum number of shares of Common Stock that may be issued pursuant to ISOs under this Plan shall be Two Million (2,000,000) shares, subject to adjustments as provided in Section 4.3. No fractional shares shall be issued, and the Committee shall determine the manner in which fractional share value shall be treated.

4.2 Individual Award Limits. Notwithstanding any provision in the Plan to the contrary, the following limitations shall apply (subject to adjustment as provided in Section 4.3):

(a) **Individual Option and SAR Limit.** No Participant shall be granted, during any one calendar year, Options and/or SARs (whether such SARs may be settled in shares of Common Stock, cash or a combination thereof) covering in the aggregate more than Five Hundred Thousand (500,000) shares of Common Stock.

(b) **Individual Limit on Other Awards.** With respect to any Awards other than Options and SARs, no Participant shall be granted, during any one calendar year, such Awards (whether such Awards may be settled in shares of Common Stock, cash or a combination thereof) consisting of, covering or relating to in the aggregate more than One Million One Hundred Thousand (1,100,000) shares of Common Stock. With respect to any cash-based Stock Award that is intended to be a Performance Award, the maximum cash payment that may be paid during any one calendar year to a Participant shall be \$4,000,000.

The foregoing limitations shall be applied in a manner that will permit Awards that are intended to constitute “performance-based compensation” under Section 162(m) of the Code to meet the applicable requirements thereunder.

4.3 Adjustments. In the event of a reorganization, recapitalization, stock split, stock dividend, extraordinary dividend, spin-off, combination of shares, merger, consolidation or similar transaction or other change in corporate capitalization affecting the Common Stock, equitable adjustments and/or substitutions, as applicable, to prevent the dilution or enlargement of rights shall be made by the Committee to the maximum number and kind of shares of Common Stock that may be issued under the Plan set forth in Section 4.1, the number of shares subject to the ISO limit in Section 4.1, the number of shares of Common Stock subject to the Award limits set forth in Section 4.2 (to the extent such adjustment would not cause a failure to comply with the “performance-based compensation” exception under Section 162(m) of the Code) and in the number, kind and price of shares of Common Stock subject to outstanding Awards granted under the Plan. In addition, the Committee, in its discretion, shall have the right to make such similar adjustments as described above in the event of any corporate transaction to which Section 424(a) of the Code applies or such other event that in the judgment of the Committee necessitates an adjustment as may be determined to be appropriate and equitable by the Committee. Adjustments under this Section 4.3 shall, to the extent practicable and applicable, be made in a manner consistent with the requirements of Sections 162(m) and 409A of the Code and, in the case of ISOs, Sections 422 and 424(a) of the Code. Notwithstanding the foregoing, the number of shares of Common Stock subject to any Award shall always be a whole number and the Committee, in its discretion, shall make such adjustments as are necessary to eliminate fractional shares that may result from any adjustments made pursuant hereto. Except as expressly provided herein, the issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an outstanding Award.

[Table of Contents](#)

ARTICLE 5. ELIGIBILITY AND PARTICIPATION

Awards under the Plan may be granted to Employees and consultants providing services to the Company or a Subsidiary (provided such consultants are natural persons who render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction and which services do not directly or indirectly promote or maintain a market for the Company's securities) as selected by the Committee. In determining the individuals to whom such an Award shall be granted and the terms and conditions of such Award, the Committee may take into account any factors it deems relevant, including the duties of the individual, the Committee's assessment of the individual's present and potential contributions to the success of the Company or its Subsidiaries and such other factors as the Committee shall deem relevant in connection with accomplishing the purposes of the Plan. Such determinations made by the Committee under the Plan need not be uniform and may be made selectively among eligible individuals under the Plan, whether or not such individuals are similarly situated. Subject to the Award limits set forth in Section 4.2, a Participant may be granted more than one Award under the Plan; however, a grant made hereunder in any one year to a Participant shall neither guarantee nor preclude a further grant to such Participant in that year or subsequent years.

ARTICLE 6. STOCK OPTIONS

6.1 Grants of Stock Options. Subject to the provisions of the Plan, the Committee may grant Options upon the following terms and conditions:

(a) Award Agreement. Each grant of an Option shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Common Stock to which the Option pertains, whether the Option is an ISO or a NSO, the Option Price, the term of the Option, the conditions upon which the Option shall become vested and exercisable, and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine. ISOs may be granted only to Employees of the Company or a Subsidiary.

(b) Option Price. The Option Price per share of Common Stock shall be determined by the Committee, but shall not be less than the Fair Market Value per share of Common Stock on the date of grant of the Option. In the case of an ISO granted to a Ten Percent Stockholder, the Option Price per share of Common Stock shall not be less than 110% of the Fair Market Value per share of Common Stock on the date of grant of the Option. Notwithstanding the foregoing, an Option may be granted with an Option Price per share of Common Stock less than that set forth above if such Option is granted pursuant to an assumption of, or substitution for, another option in a manner satisfying the provisions of Section 424(a) of the Code.

(c) Exercise of Options. An Option shall be exercisable in whole or in part (including periodic installments) at such time or times, and subject to such restrictions and conditions, as the Committee shall determine. Except as otherwise provided in the Award Agreement, the right to purchase shares of Common Stock under the Option that become exercisable in periodic installments shall be cumulative so that such shares of Common Stock (or any part thereof) may be purchased thereafter until the expiration or termination of the Option.

(d) Option Term. The term of an Option shall be determined by the Committee, but in no event shall an ISO be exercisable more than ten (10) years from the date of its grant or in the case of any ISO granted to a Ten Percent Stockholder, more than five (5) years from the date of its grant.

(e) Termination of Service. Except to the extent an Option remains exercisable as provided below or as otherwise set forth in the Award Agreement, an Option shall immediately terminate upon the Participant's Termination of Service with the Company and its Subsidiaries for any reason.

(i) General Rule. In the event that a Participant incurs a Termination of Service for any reason other than Cause, Involuntary Termination Without Cause, or his death or Disability, the Participant may exercise an Option to the extent that the Participant was entitled to exercise such Option as of the date of

Table of Contents

termination, but only within such period of time ending on the earlier of (A) sixty (60) days following such Termination of Service or (B) the expiration of the term of the Option as set forth in the Award Agreement.

(ii) Involuntary Termination Without Cause. In the event that a Participant incurs a Termination of Service that constitutes an Involuntary Termination Without Cause, the Participant may exercise an Option to the extent that the Participant was entitled to exercise such Option as of the date of termination, but only within such period of time ending on the earlier of (A) ninety (90) days following such Termination of Service or (B) the expiration of the term of the Option as set forth in the Award Agreement.

(iii) Disability. In the event that a Participant incurs a Termination of Service as a result of the Participant's Disability, the Participant may exercise an Option to the extent that the Participant was entitled to exercise such Option as of the date of termination, but only within such period of time ending on the earlier of (A) one (1) year following such Termination of Service or (B) the expiration of the term of the Option as set forth in the Award Agreement.

(iv) Death. In the event that a Participant's Termination of Service is caused by the Participant's death, or in the event of the Participant's death following the Participant's Termination of Service but during the exercise period following termination described in subparagraph (i), (ii) or (iii) above, as applicable, then an Option may be exercised to the extent the Participant was entitled to exercise such Option as of the date of death by the person or persons to whom the Participant's rights to exercise the Option passed by will or the laws of descent and distribution (or by the executor or administrator of the Participant's estate), but only within the period ending on the earlier of (A) one (1) year following the date of death or (B) the expiration of the term of the Option as set forth in the Award Agreement.

(f) ISO Limitation. To the extent that the aggregate Fair Market Value (determined as of the date of grant) of the shares of Common Stock with respect to which a Participant's ISOs are exercisable for the first time during any calendar year (under all plans of the Company and its Subsidiaries) exceeds \$100,000 or such other applicable limitation set forth in Section 422 of the Code, such ISOs shall be treated as NSOs. The determination of which ISOs shall be treated as NSOs generally shall be based on the order in which such ISOs were granted and shall be made in accordance with applicable rules and regulations under the Code.

(g) Payment. Options shall be exercised by the delivery of a written notice of exercise to the Company in the manner prescribed by the Company (or its delegate), specifying the number of shares of Common Stock with respect to which the Option is to be exercised, accompanied by the aggregate Option Price for the shares of Common Stock. Unless otherwise provided by the Committee, the aggregate Option Price shall be payable to the Company in full (i) in cash or cash equivalents acceptable to the Company, (ii) subject to applicable law, by tendering previously acquired shares of Common Stock (or delivering a certification of ownership of such shares) having an aggregate Fair Market Value at the time of exercise equal to the total Option Price (provided that the shares of Common Stock either were purchased on the open market or have been held by the Participant for a period of at least six months (unless such six-month period is waived by the Committee)), (iii) subject to applicable law and such rules as may be established by the Committee, by means of a "cashless exercise" facilitated by a securities broker approved by the Company through the irrevocable direction to sell all or part of the shares of Common Stock being purchased and to deliver the Option Price (and any applicable withholding taxes) to the Company, or (iv) a combination of the foregoing. The Committee also may provide that Options may be exercised using a "net share settlement" procedure, or by any other means it determines to be consistent with the Plan's purpose and applicable law (including the tendering of Awards having an aggregate Fair Market Value at the time of exercise equal to the total Option Price, as determined by the Committee).

(h) Transfer Restrictions. Except as otherwise set forth herein, Options may not be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner other than by will or the laws of descent and distribution, and Options shall be exercisable during the Participant's lifetime only by the Participant (or, to the extent permitted by applicable law, the Participant's guardian or legal representative in the event of the

Participant's legal incapacity). Notwithstanding the foregoing, the Committee, in its absolute discretion, may permit a Participant to transfer NSOs, in whole or in part, for no consideration to (i) one or more Family Members; (ii) a trust in which Family Members have more than 50% of the beneficial interest; (iii) a foundation in which Family Members (or the Participant) control the management of assets; or (iv) any other entity in which Family Members (or the Participant) own more than 50% of the voting interests; provided, that such transfer is permitted under applicable tax laws and Rule 16b-3 of the Exchange Act as in effect from time to time. In all cases, the Committee must be notified in advance in writing of the terms of any proposed transfer to a permitted transferee and such transfers may occur only with the consent of and subject to the rules and conditions imposed by the Committee. The transferred NSOs shall continue to be subject to the same terms and conditions in the hands of the transferee as were applicable immediately prior to the transfer (including the provisions of the Plan and Award Agreement relating to the expiration or termination of the NSOs). The NSOs shall be exercisable by the permitted transferee only to the extent and for the periods specified herein and in any applicable Award Agreement.

(i) No Stockholder Rights. No Participant shall have any rights as a stockholder with respect to shares of Common Stock subject to the Participant's Option until the issuance of such shares to the Participant pursuant to the exercise of such Option.

ARTICLE 7. STOCK APPRECIATION RIGHTS

7.1 Grants of SARs. Subject to the provisions of the Plan, the Committee may grant SARs upon the following terms and conditions:

(a) Award Agreement. Each grant of a SAR shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Common Stock to which the SAR pertains, the term of the SAR, the conditions upon which the SAR shall become vested and exercisable, and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine. The Committee may grant SARs in tandem with or independently from Options.

(b) Initial Value of SARs. The Committee shall assign an initial value to each SAR, provided that the initial value may not be less than the aggregate Fair Market Value on the date of grant of the shares of Common Stock to which the SAR pertains.

(c) Exercise of SARs. A SAR shall be exercisable in whole or in part (including periodic installments) at such time or times, and subject to such restrictions and conditions, as the Committee shall determine. Notwithstanding the foregoing, in the case of a SAR that is granted in tandem with an Option, the SAR may be exercised only with respect to the shares of Common Stock for which its related Option is then exercisable. The exercise of either an Option or a SAR that are granted in tandem shall result in the termination of the other to the extent of the number of shares of Common Stock with respect to which such Option or SAR is exercised.

(d) Term of SARs. The term of a SAR granted independently from an Option shall be determined by the Committee, but in no event shall such a SAR be exercisable more than ten (10) years from the date of its grant. A SAR granted in tandem with an Option shall have the same term as the Option to which it relates.

(e) Termination of Service. In the event that a Participant incurs a Termination of Service, the Participant's SARs shall terminate in accordance with the provisions specified in Article 6 with respect to Options.

(f) Payment of SAR Value. Upon the exercise of a SAR, a Participant shall be entitled to receive (i) the excess of the Fair Market Value on the date of exercise of the shares of Common Stock with respect to which the SAR is being exercised, over (ii) the initial value of the SAR on the date of grant, as determined in accordance with Section 7.1(b) above. Notwithstanding the foregoing, the Committee may specify in an Award Agreement that the amount payable upon the exercise of a SAR shall not exceed a designated amount. At the Committee's

Table of Contents

discretion, the amount payable as a result of the exercise of a SAR may be settled in cash, shares of Common Stock of equivalent value, or a combination of cash and Common Stock. A fractional share of Common Stock shall not be deliverable upon the exercise of a SAR, but a cash payment shall be made in lieu thereof.

(g) Nontransferability. Except as otherwise set forth herein, SARs granted under the Plan may not be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner other than by will or the laws of descent and distribution, and SARs shall be exercisable during the Participant's lifetime only by the Participant (or, to the extent permitted by applicable law, the Participant's guardian or legal representative in the event of the Participant's legal incapacity). Notwithstanding the foregoing, the Committee, in its absolute discretion, may permit a Participant to transfer SARs, in whole or in part, for no consideration to (i) one or more Family Members; (ii) a trust in which Family Members have more than 50% of the beneficial interest; (iii) a foundation in which Family Members (or the Participant) control the management of assets; or (iv) any other entity in which Family Members (or the Participant) own more than 50% of the voting interests; provided, that such transfer is permitted under applicable tax laws and Rule 16b-3 of the Exchange Act as in effect from time to time. In all cases, the Committee must be notified in advance in writing of the terms of any proposed transfer to a permitted transferee and such transfers may occur only with the consent of and subject to the rules and conditions imposed by the Committee. The transferred SARs shall continue to be subject to the same terms and conditions in the hands of the transferee as were applicable immediately prior to the transfer (including the provisions of the Plan and Award Agreement relating to the expiration or termination of the SARs). The SARs shall be exercisable by the permitted transferee only to the extent and for the periods specified herein and in any applicable Award Agreement.

(h) No Stockholder Rights. No Participant shall have any rights as a stockholder of the Company with respect to shares of Common Stock subject to a SAR until the issuance of shares (if any) to the Participant pursuant to the exercise of such SAR.

ARTICLE 8. RESTRICTED STOCK AND RESTRICTED STOCK UNITS

8.1 Grants of Restricted Stock and Restricted Stock Units. Subject to the provisions of the Plan, the Committee may grant Restricted Stock and/or Restricted Stock Units upon the following terms and conditions:

(a) Award Agreement. Each grant of Restricted Stock or Restricted Stock Units shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Restricted Stock granted or with respect to which the Restricted Stock Units are granted, the Restricted Period, the conditions upon or the time at which the Restricted Period shall lapse, and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine.

(b) Purchase Price. The Committee shall determine the purchase price, if any, to be paid for each share of Restricted Stock or each Restricted Stock Unit, subject to such minimum consideration as may be required by applicable law.

(c) Nontransferability. Except as otherwise set forth in the Award Agreement, shares of Restricted Stock may not be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner until the end of the Restricted Period applicable to such shares and the satisfaction of any and all other conditions prescribed by the Committee. Restricted Stock Units may not be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner until the end of the Restricted Period applicable to such Restricted Stock Units and the satisfaction of any and all other conditions prescribed by the Committee.

(d) Other Restrictions. The Committee may impose such conditions and restrictions on the grant or vesting of Restricted Stock and Restricted Stock Units as it determines, including but not limited to restrictions based upon the occurrence of a specific event, continued service for a period of time or other time-based restrictions, or the achievement of financial or other business objectives (including the Performance Goals described in Section 10.1(b)). The Committee may provide that such restrictions may lapse separately or in

Table of Contents

combination at such time or times and with respect to all shares of Restricted Stock and Restricted Stock Units or in installments or otherwise as the Committee may deem appropriate.

(e) Settlement of Restricted Stock Units. After the expiration of the Restricted Period and all conditions and restrictions applicable to Restricted Stock Units have been satisfied or lapsed, the Participant shall be entitled to receive the then Fair Market Value of the shares of Common Stock with respect to which the Restricted Stock Units were granted. Such amount shall be paid in accordance with the terms of the Award Agreement and shall be paid in cash, shares of Common Stock (which shares of Common Stock themselves may be shares of Restricted Stock) or a combination thereof as specified by the Committee.

(f) Section 83(b) Election. If a Participant makes an election pursuant to Section 83(b) of the Code with respect to Restricted Stock, the Participant shall be required to promptly file a copy of such election with the Company as required under Section 83(b) of the Code.

(g) Termination of Service. Notwithstanding anything herein to the contrary and except as otherwise determined by the Committee, in the event of the Participant's Termination of Service prior to the expiration of the Restricted Period, all shares of Restricted Stock and Restricted Stock Units with respect to which the applicable restrictions have not yet lapsed shall be forfeited.

(h) Stockholder Rights.

(i) Restricted Stock. Except to the extent otherwise provided by the Committee, a Participant that has been granted Restricted Stock shall have the rights and privileges of a stockholder as to such Restricted Stock, including the right to vote such Restricted Stock and the right to receive dividends, if and when declared by the Board of Directors, provided, that the Committee may require that any cash dividends shall be automatically reinvested in additional shares of Restricted Stock.

(ii) Restricted Stock Units. A Participant shall have no voting or other stockholder rights or ownership interest in shares of Common Stock with respect to which Restricted Stock Units are granted. Notwithstanding the foregoing, the Committee may, in its discretion, provide in an Award Agreement that, if the Board of Directors declares a dividend with respect to the Common Stock, Participants shall receive dividend equivalents with respect to their Restricted Stock Units. Subject to Section 409A of the Code, the Committee may determine the form, time of payment and other terms of such dividend equivalents, which may include cash or Restricted Stock Units.

(iii) Adjustments and Dividends Subject to Plan. With respect to any shares of Restricted Stock or Restricted Stock Units received as a result of adjustments under Section 4.3 hereof and also any shares of Common Stock, Restricted Stock or Restricted Stock Units that result from dividends declared on the Common Stock, the Participant shall have the same rights and privileges, and be subject to the same restrictions, as are set forth in this Article 8 except to the extent the Committee otherwise determines.

(i) Issuance of Restricted Stock. A grant of Restricted Stock may be evidenced in such manner as the Committee shall deem appropriate, including without limitation, book-entry registration or the issuance of a stock certificate (or certificates) representing the number of shares of Restricted Stock granted to the Participant, containing such legends as the Committee deems appropriate and held in custody by the Company or on its behalf, in which case the grant of Restricted Stock shall be accompanied by appropriate stop-transfer instructions to the transfer agent for the Common Stock, until (i) the expiration or termination of the Restricted Period for such shares of Restricted Stock and the satisfaction of any and all other conditions prescribed by the Committee or (ii) the forfeiture of such shares of Restricted Stock. The Committee may require a Participant to deliver to the Company a stock power, endorsed in blank, relating to the shares of Restricted Stock to be held in custody by or for the Company.

ARTICLE 9. STOCK AWARDS

The Committee may grant other types of Stock Awards that involve the issuance of shares of Common Stock or that are denominated or valued by reference to shares of Common Stock, including but not limited to the grant of shares of Common Stock or the right to acquire or purchase shares of Common Stock. Stock Awards shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Common Stock to which the Stock Award pertains, the form in which the Stock Award shall be paid and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine.

ARTICLE 10. PERFORMANCE AWARDS

10.1 Performance Awards. Subject to the terms of the Plan (including the share limit in Section 4.2), the Committee may grant an Award of Restricted Stock or Restricted Stock Units or a Stock Award upon or subject to the attainment of one or more Performance Goals (a "Performance Award") based upon a determination that the Participant is or may become a Named Executive Officer and the Committee intends such Awards to qualify for the exemption from the limitation on deductibility imposed by Section 162(m) of the Code. The provisions of this Article 10 shall control to the extent inconsistent with Articles 8 and 9 and such Performance Awards shall be subject to the following terms and conditions:

(a) Award Agreement. Each grant of a Performance Award shall be evidenced by an Award Agreement in such form as the Committee shall determine. The Award Agreement shall specify the number of shares of Common Stock to which the Performance Award pertains, the applicable Performance Goals and Performance Period, and such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine.

(b) Performance Goals. The Committee shall establish one or more Performance Goals for the Participant that are objectively determinable (i.e., such that a third party with knowledge of the relevant facts could determine whether the goals have been met). Such Performance Goals must be established in writing by the Committee within ninety (90) days after the beginning of the Performance Period (or, if earlier, by the date on which twenty-five percent (25%) of the Performance Period has elapsed) or within such other time period prescribed by Section 162(m) of the Code; provided, that achievement of the Performance Goals must be substantially uncertain at the time they are established. Such Performance Goals shall be based on one or more of the following, as determined in the sole discretion of the Committee: stock price; market share; earnings per share (basic or diluted); net earnings; operating or other earnings; gross or net profits; revenues; financial return ratios; stockholder return; cash flow measures (including operating cash flow, free cash flow, and cash flow return on investment); cash position; return on equity; return on investment; debt rating; sales (including Company-wide sales and dealership sales); expense reduction levels; debt levels (including borrowing capacity); return on assets (gross or net); debt to equity ratio; debt to capitalization ratio; consummation of debt offerings; consummation of equity offerings; growth in assets, sales, or market share; customer satisfaction; reducing, retiring or refinancing all or a portion of the Company's long-term or short-term public or private debt or similar financial obligations (including the attainment of a certain level of reduction in such debt); share count reduction; gross or operating margins; contractual compliance (including maintaining compliance with financial and other covenants, obtaining waivers of non-compliance, or obtaining amendments of contractual covenants); or strategic business objectives based on meeting specified revenue goals, market penetration goals, geographic business expansion goals, cost targets, or goals relating to acquisitions or divestitures. Performance Goals may be based on the performance of the Company, based on the Participant's division, business unit or employing Subsidiary, based on the performance of one or more divisions, business units or Subsidiaries, based on the performance of the Company and its Subsidiaries as a whole, or based on any combination of the foregoing. Performance Goals also may be expressed by reference to the Participant's individual performance with respect to any of the foregoing criteria.

Table of Contents

Performance Goals may be expressed in such form as the Committee shall determine, including either in absolute or relative terms (including, but not by way of limitation, by relative comparison to a pre-established target, to previous years or to other companies or other external measures), in percentages, in terms of growth over time or otherwise, provided that the Performance Goals meet the requirements hereunder. Performance Goals need not be based upon an increase or positive result under one of the above criteria and could include, for example, maintaining the status quo or the limitation of economic losses (measured in such case by reference to the specific criteria). When establishing the Performance Goals, the Committee may specify that the Performance Goals shall be determined either before or after taxes and shall be adjusted to exclude items such as (i) asset write-downs or impairment charges; (ii) the effect of unusual or extraordinary charges or income items or other events, including acquisitions or dispositions of businesses or assets, restructurings, discontinued operations, reductions in force, refinancing/restructuring of short term and/or long term debt, or other extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 and/or management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (iii) litigation or claim expenses, judgments or settlements; or (iv) changes in accounting principles or tax laws or other laws or provisions affecting reported results. The Performance Goals established by the Committee may be (but need not be) particular to a Participant and/or different each Performance Period.

The Committee also may establish subjective Performance Goals for Participants, provided that for Named Executive Officers, the subjective Performance Goals may be used only to reduce, and not increase, the Performance Award otherwise payable under the Plan. The Committee can establish other performance measures for Awards granted to Participants to the extent they are not intended to qualify under the performance-based compensation provisions of Section 162(m) of the Code.

(c) Payment. Prior to the vesting, settlement, payment or delivery, as the case may be, of a Performance Award, the Committee shall certify in writing the extent to which the applicable Performance Goals and any other material terms of the Performance Award have been achieved or exceeded for the applicable Performance Period. In no event may the Committee waive achievement of the Performance Goal requirements for a Named Executive Officer except in its discretion in the case of the death or Disability of the Participant or a Change in Control.

(d) Code Section 162(m). The Committee shall have the power to impose such other restrictions on Performance Awards as it may deem necessary or appropriate for Performance Awards that are intended satisfy the requirements for "performance-based compensation" within the meaning of Section 162(m) of the Code. Nothing contained in the Plan shall be construed to limit the authority of the Company or the Committee to adopt other compensation arrangements, including an arrangement not intended to be or that does not meet the requirements for performance-based compensation under Section 162(m) of the Code.

ARTICLE 11. CHANGE IN CONTROL

11.1 Impact on Options and SARs. Notwithstanding any other provision of the Plan, all outstanding Options and SARs shall become fully vested and exercisable on and after (a) the date of consummation of a tender offer or exchange offer that constitutes a Change in Control or (b) the third business day prior to the effective date of any other Change in Control.

11.2 Impact on Restricted Stock and Restricted Stock Units. Notwithstanding any other provision of the Plan, all Awards of Restricted Stock and Restricted Stock Units (including Performance Awards other than Performance Awards described below) shall be deemed vested, all restrictions shall be deemed lapsed, all terms and conditions shall be deemed satisfied and the Restricted Period with respect thereto shall be deemed to have ended as of (a) the date of consummation of a tender offer or exchange offer that constitutes a Change in Control or (b) the third business day prior to the effective date of any other Change in Control ("Change in Control Vesting"). For Performance Awards of Restricted Stock and Restricted Stock Units for which the Performance

Period has ended, but which remain subject to additional vesting or other restrictions, Change in Control Vesting also shall apply to such Performance Awards as adjusted (if necessary) based upon achievement of the applicable Performance Goals. For Performance Awards of Restricted Stock and Restricted Stock Units for which the Performance Period has not yet ended, Change in Control Vesting shall apply to such Awards of Restricted Stock and Restricted Stock Units on a pro rata basis based upon an assumed achievement of the applicable target Performance Goals and the length of time within the Performance Period that has elapsed prior to the Change in Control.

11.3 Stock Awards. Stock Awards shall be subject to the terms of the applicable Award Agreement regarding a Change in Control.

ARTICLE 12. FORFEITURE AND CLAWBACK

12.1 Forfeiture and Recoupment. Notwithstanding any other provision of the Plan to the contrary, an Award Agreement may provide that an Award and/or a Participant's rights, payments and benefits with respect to an Award (including Awards that have become vested and exercisable), including without limitation the right to receive an Award, to exercise an Award, to retain an Award or other Awards, to retain cash or Common Stock acquired in connection with an Award and/or to retain the profit or gain realized by the Participant in connection with an Award shall be subject to reduction, rescission, forfeiture or recoupment upon the occurrence of certain events (including, but not limited to, Termination of Service for Cause, breach of confidentiality or other restrictive covenants that apply to the Participant, engaging in competition against the Company, or other conduct or activity by the Participant that is detrimental to the business or reputation of the Company), whether during or after termination, in addition to any forfeitures due to a vesting schedule or Termination of Service and any other penalties or restrictions that may apply under any employment agreement, state law, or otherwise.

12.2 Company Policies. All Awards granted under the Plan also shall be subject to the terms and conditions of any policy regarding clawbacks, forfeitures, or recoupsments adopted by the Company from time to time. Without limiting the foregoing, by acceptance of any Award, each Participant agrees to repay to the Company any amount that may be required to be repaid under any such policy.

ARTICLE 13. AMENDMENT, SUSPENSION AND TERMINATION

13.1 Amendment, Suspension and Termination of Plan. The Board may at any time, and from time to time, amend, suspend or terminate the Plan in whole or in part; provided that, any such amendment, suspension or termination of the Plan shall be subject to the requisite approval of the stockholders of the Company (a) to the extent stockholder approval is necessary to satisfy the applicable requirements of the Code (including, but not limited to, Sections 162(m) and 422 thereof), the Exchange Act or Rule 16b-3 thereunder, any New York Stock Exchange, Nasdaq or securities exchange listing requirements or any other law or regulation; or (b) if such amendment is intended to allow the Option Price of outstanding Options to be reduced by repricing or replacing such Options. Unless sooner terminated by the Board, the Plan shall terminate on February 22, 2022, a term of ten years from the date the Plan was initially adopted by the Board. No further Awards may be granted after the termination of the Plan, but the Plan shall remain effective with respect to any outstanding Awards previously granted. No amendment, suspension or termination of the Plan shall adversely affect in any material way the rights of a Participant under any outstanding Award without the Participant's consent.

13.2 Amendment of Awards. Subject to Section 13.1 above, the Committee may at any time amend the terms of an Award previously granted to a Participant, but no such amendment shall adversely affect in any material way the rights of the Participant without the Participant's consent except as otherwise provided in the Plan or the Award Agreement.

13.3 Compliance Amendments. Notwithstanding any other provision of the Plan to the contrary, the Board may amend the Plan and/or the Committee may amend any outstanding Award in any respect it deems necessary or advisable to comply with applicable law or address other regulatory matters without obtaining a

Participant's consent, including but not limited to reforming (including on a retroactive basis, if permissible and applicable) any terms of an outstanding Award to comply with or meet an exemption from Section 409A of the Code or to comply with any other applicable laws, regulations or exchange listing requirements (including changes thereto).

ARTICLE 14. WITHHOLDING

14.1 Tax Withholding Requirements. The Company and its Subsidiaries shall have the power and the right to deduct or withhold from cash payments or, subject to Section 14.2, other property to be paid to the Participant, or require a Participant to remit to the Company or a Subsidiary, an amount sufficient to satisfy federal, state, local, or foreign taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event arising in connection with an Award under this Plan. The Company shall not be required to issue, deliver or release restrictions on any shares of Common Stock or settle any Awards payable hereunder if such withholding requirements have not been satisfied.

14.2 Withholding Arrangements. With respect to withholding required upon the exercise of Options, or upon any other taxable event arising as a result of Awards granted hereunder that are to be paid in the form of cash or shares of Common Stock, at the discretion of the Committee and pursuant to such procedures as it may specify, the Committee may require or permit the Participant to satisfy the Participant's withholding obligations (a) by delivering cash or having the Company or applicable Subsidiary withhold an amount from cash otherwise due the Participant; and/or (b) provided that any such share withholding or delivery can be effected without causing liability under Section 16(b) of the Exchange Act: (i) by having the Company or applicable Subsidiary withhold or retain from an Award shares of Common Stock having a Fair Market Value on the date the tax is to be determined of no more than the minimum statutory total tax that could be imposed on the transaction (if necessary to avoid adverse accounting consequences to the Company), or (ii) by delivering sufficient shares of Common Stock the Participant already owns (which are not subject to any pledge or security interest) having a Fair Market Value of no more than the minimum statutory total tax that could be imposed on the transaction (if necessary to avoid adverse accounting consequences to the Company). Notwithstanding the foregoing, the Committee shall have the right to restrict a Participant's ability to satisfy tax obligations through share withholding and delivery as it may deem necessary or appropriate.

ARTICLE 15. GENERAL PROVISIONS

15.1 Restrictions on Stock Ownership/Legends. Notwithstanding anything in the Plan to the contrary, the Committee, in its discretion, may establish guidelines applicable to the ownership of any shares of Common Stock acquired pursuant to the exercise of an Option or SAR or in connection with any other Award under this Plan as it may deem desirable or advisable, including, but not limited to, time-based or other restrictions on transferability regardless of whether or not the Participant is otherwise vested in such Common Stock. All stock certificates representing shares of Common Stock issued pursuant to this Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable and the Committee may cause any such certificates to have legends affixed thereto to make appropriate references to any applicable restrictions.

15.2 Deferrals. Subject to Section 15.10, the Committee may require or permit a Participant to defer receipt of the delivery of shares of Common Stock or other payments pursuant to Awards under the Plan that otherwise would be due to such Participant. Subject to Section 15.10, any deferral elections shall be subject to such terms, conditions, rules and procedures as the Committee shall determine.

15.3 No Employment or Service Rights. Nothing in the Plan or any Award Agreement shall confer upon any Participant any right to continue in the employ or service of the Company or a Subsidiary nor interfere with or limit in any way the right of the Company or a Subsidiary to terminate any Participant's employment by, or performance of services for, the Company or Subsidiary at any time for any reason.

Table of Contents

15.4 No Participation Rights. No person shall have the right to be selected to receive an Award under this Plan and there is no requirement for uniformity of treatment among Participants.

15.5 No Trust or Fund Created. To the extent that any person acquires a right to receive Common Stock or cash payments under the Plan, such right shall be only contractual in nature unsecured by any assets of the Company or a Subsidiary. Neither the Company nor any Subsidiary shall be required to segregate any specific funds, assets or other property from its general assets with respect to any Awards under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship, between the Company or any Subsidiary, on the one hand, and any Participant or other person, on the other hand. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company or the applicable Subsidiary.

15.6 Restrictions on Transferability. Except as otherwise provided herein or in an Award Agreement, no Award or any shares of Common Stock subject to an Award that have not been issued, or as to which any applicable restrictions have not lapsed, may be sold, transferred, pledged, assigned, alienated, hypothecated or disposed of in any manner. Any attempt to transfer an Award or such shares of Common Stock in violation of the Plan or an Award Agreement shall relieve the Company and its Subsidiaries from any obligations to the Participant thereunder.

15.7 Requirements of Law. The granting of Awards and the issuance of shares of Common Stock under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required. With respect to Participants who are subject to Section 16 of the Exchange Act, this Plan and Awards granted hereunder are intended to comply with the provisions of and satisfy the requirements for exemption under Rule 16b-3 or any successor rule under the Exchange Act.

15.8 Approvals and Listing. The Company shall not be required to grant, issue or settle any Awards or issue any certificate or certificates for shares of Common Stock under the Plan prior to (a) obtaining any required approval from the stockholders of the Company; (b) obtaining any approval from any governmental agency that the Company shall, in its discretion, determine to be necessary or advisable; (c) the admission of such shares of Common Stock to listing on any national securities exchange on which the Company's Common Stock may be listed; and (d) the completion of any registration or other qualification of such shares of Common Stock under any state or federal law or ruling or regulation of any governmental or regulatory body that the Company shall, in its sole discretion, determine to be necessary or advisable. The Company may require that any recipient of an Award make such representations and agreements and furnish such information as it deems appropriate to assure compliance with the foregoing or any other applicable legal requirement. Notwithstanding the foregoing, the Company shall not be obligated at any time to file or maintain a registration statement under the Securities Act of 1933, as amended, or to effect similar compliance under any applicable state laws with respect to the Common Stock that may be issued pursuant to this Plan.

15.9 Compliance with Code Section 162(m). It is intended that the Plan comply fully with and meet all of the requirements for "performance-based compensation" under Section 162(m) of the Code with respect to Options and SARs granted hereunder. At all times when the Committee determines that compliance with the "performance-based compensation" exception under Section 162(m) of the Code is required or desired, it is intended that Performance Awards granted under this Plan also comply with the requirements for "performance-based compensation" under Section 162(m) of the Code, and the Plan must be resubmitted to the stockholders of the Company as necessary in accordance with Section 162(m) of the Code (which Treasury Regulations thereunder currently require that the stockholders reapprove the Plan no later than the first stockholders meeting that occurs in the fifth year following the year in which the stockholders previously approved the Plan). In addition, in the event that changes are made to Section 162(m) of the Code to permit greater flexibility with respect to any Award or Awards under the Plan, the Committee may make any adjustments it deems appropriate.

Table of Contents

The Committee may, in its discretion, determine that it is advisable to grant Awards that shall not qualify as “performance-based compensation,” and the Committee may grant Awards that do not satisfy the requirements of Section 162(m) of the Code.

15.10 Compliance with Code Section 409A. It is generally intended that the Plan and all Awards hereunder either comply with or meet the requirements for an exemption from Section 409A of the Code and the Plan shall be operated, interpreted and administered accordingly. No Award (or modification thereof) shall provide for a deferral of compensation (within the meaning of and subject to Section 409A of the Code) that does not comply with Section 409A of the Code and the Award Agreement shall incorporate the terms and conditions required by Section 409A of the Code, unless the Committee, at the time of grant (or modification, as the case may be), provides that the Award is not intended to comply with Section 409A of the Code. Notwithstanding anything in the Plan to the contrary, the Committee may amend or vary the terms of Awards under the Plan in order to conform such terms to the requirements of Section 409A of the Code. Except as may be provided in an Award Agreement, to the extent that any Award provides for a deferral of compensation subject to Section 409A of the Code and the Participant is a “specified employee” (within the meaning of Section 409A of the Code and determined by the Company in accordance with its procedures), benefits payable under the Award that are required to be postponed under Section 409A of the Code following the Participant’s “separation from service” (within the meaning of Section 409A of the Code) shall not be paid until after six months following such separation from service (except as Section 409A of the Code may permit), but shall instead be accumulated and paid in a lump sum on the first business day following expiration of such six-month period. To the extent an Award does not provide for a deferral of compensation subject to Section 409A of the Code, but may be deferred under a nonqualified deferred compensation plan established by the Company, the terms of such nonqualified deferred compensation plan shall govern such deferral, and to the extent necessary, are incorporated herein by reference. Notwithstanding any other provisions of the Plan or any Award Agreement, the Company does not guarantee to any Participant (or any other person with an interest in an Award) that the Plan or any Award hereunder complies with or is exempt from Section 409A of the Code, and shall not have any liability to or indemnify or hold harmless any individual with respect to any tax consequences that arise from any such failure to comply with or meet an exemption under Section 409A of the Code.

15.11 Other Corporate Actions. Nothing contained in the Plan shall be construed to limit the authority of the Company to exercise its corporate rights and powers, including, but not by way of limitation, the right of the Company to adopt other compensation arrangements (including an arrangement not intended to be performance-based compensation under Section 162(m) of the Code) or the right of the Company to authorize any adjustment, reclassification, reorganization, or other change in its capital or business structure, any merger or consolidation of the Company, the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its business or assets.

15.12 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein shall also include the feminine, and the plural shall include the singular and the singular shall include the plural.

15.13 Severability. The invalidity or unenforceability of any particular provision of this Plan shall not affect the other provisions hereof, and the Committee may elect in its discretion to construe such invalid or unenforceable provision in a manner that conforms to applicable law or as if such provision was omitted.

15.14 Participants Outside of the United States.
